Flinders University is here to help you every step of the way, from exploring your study options, personalising pathway advice, providing support throughout your studies and offering unique opportunities to assist you in becoming career-ready.

Flinders University acknowledges the Traditional Owners on lands in which its campuses and centres are located and honours Elders past and present. These are the traditional lands of the Arrente, Barngarla, Boandik, Dagoman, Erawirung, Gunditjmara, Jawoyn, Kaurna, Larrakia, Nauo, Ngarindjeri, Peramangk, Ramindjeri, Wardaman, Warumungu and Yolngu peoples, spanning across South Australia, the Northern Territory and Victoria.

Choose your Degree

Whether you’re set on studying a particular degree or you’re still considering your options, planning your future at Flinders is an exciting experience.

It’s never too early to start thinking about university and your study options. Here are some tips to help you choose what’s right for you.

University applications are due around assessment time, so it’s worthwhile making a gradual and informed decision throughout the year. Attend Open Days and meet current students to start exploring your future study areas.

1. Schedule an appointment with a Prospective Student Advisor in the holidays and request a personalised tour of the campus with a current student. Friends and family are welcome to come along with you. Book your tour over the phone, via email or online at: flinders.edu.au/campustour

2. Contact Flinders when you receive your ATAR to discuss preferences and pathway options. To visit our recommended pathway programs please see: flinders.edu.au/pathways

3. Flinders offers a wide range of scholarships to help new students transition to university. Find out more and check your eligibility: flinders.edu.au/scholarships

“IT’S IMPORTANT TO CHOOSE SOMETHING YOU WILL ENJOY AND NOT FEEL PRESSURED TO CHOOSE SOMETHING THAT’S NOT THE RIGHT FIT FOR YOU. AFTER LOOKING INTO UNIVERSITY DEGREES AND CONSIDERING MY INTERESTS IN SPORT AND TEACHING, I FOUND THAT FLINDERS WOULD PROVIDE EVERYTHING I WAS INTERESTED IN STUDYING AT UNI.”

Dominic
Christian Brothers College
Studying Secondary Education / Health Sciences
Business degrees provide you with the general skills and knowledge necessary to pursue a successful career in business. You’ll study topics in the core areas of accounting, marketing, management, law, economics, human resources management, and innovation and enterprise. You can choose to focus your studies on business analytics, Banking and Finance, Human Resource Management, International Business, Management, Marketing, Sports Management, Business Economics, Finance, or International Business in Wine, Spirits and Tourism. You’ll develop real-world work experience and build networks through work placements and live industry projects.

Creative Arts

Whether you’re preparing to take centre stage, direct or produce an internationally acclaimed feature film, stitch and style your way to success, or write an award-winning play, Flinders Creative Arts and Media will help you realise your ambitions. You’ll be taught by practising creative artists who are award-winning authors, playwrights, actors, cinematographers, creative entrepreneurs and leaders in the arts industry. Study in a range of areas including Costume Design, Creative Writing, Dance, Digital Media, Drama, Festival and Arts Production, Film and Television, Interactive Design, Screen, Theatre and Performance, Visual Arts, Visual Effects and Entertainment Design and Writing and Publishing.

Criminology

Criminology is the study of the causes, impact and prevention of crime, and the institutions involved in responding to criminal conduct. You will learn criminology theory and its applications in policing, corrections, criminal process, victimisation, miscarriages of justice, organised crime, and corruption. Practical focussed topics will equip you for employment in intelligence analysis, community corrections, community development, and child safety work.

Education

Our Education degrees include many opportunities to step into early childhood settings (including kindergarten, early learning and child care services), primary and high schools. Experience building relationships and developing learning around your interests with your students, and put your passion to work. With such a broad foundation of knowledge, you’ll be prepared for a range of professional education roles.

Engineering

Engineers are in high demand world-wide. Flinders Engineering degrees are offered in close collaboration with industry, giving you specialist knowledge and an integrated ‘toolbox’ of skills that will enable you to meet global requirements as they continue to change. Flinders’ engineering courses have a common first year which enables you to get a taste of engineering disciplines and delay your choice of specialisation until you have experienced core engineering topics. You can then choose to specialise in areas such as Biomedical, Civil, Electrical and Electronics, Environmental, Maritime, Mechatronics, Robotics and Software Engineering - offering multiple majors, so that you can further specialise in areas to suit your passion.

Health

With a Health degree, you can make a meaningful difference to people and communities throughout the world. There are many opportunities in this large and ever-evolving field. You’ll graduate well equipped to face the health challenges of the future. Many of our health degrees are nationally accredited and offer flexibility so you can carve out your unique pathway. Gain the skills to make a difference in Flinders’ key areas to address the future health needs of Australia and the world. Our many electives, degrees and pathways give you the flexibility to follow your passion with industry experience. Our courses include Clinical Exercise Physiology, Community Inclusion, Disability and Developmental Education, Exercise Science, Health Sciences, Occupational Therapy, Physiotherapy, Nutrition and Dietetics, Paramedic Science, Public Health, Optometry, and Speech Pathology.

Humanities and Social Sciences

Our degrees provide you with valuable, transferable skills to adapt to the incredible transformations taking place in the professional world. You can design your degree to suit your interests and aspirations by choosing from a diverse range of disciplines. Our humanities and social sciences graduates are talented leaders in creative arts and government. Challenge yourself with our arts degree for high achievers or find your own path to success with exciting placements, internships and flexibility, to design a degree based around your interests. Choose from a range of disciplines to expand your career options in areas such as Archaeology, History, Philosophy, Politics, and Sociology.

Computer Science and Information Technology

Our Computer Science and Information Technology degrees prepare you to solve problems across a range of fields. The technology industry is an exciting innovator and key player in business, commerce, defence, medical research, climate change and the environment. Tailor your studies to suit your interests, whether you’re building systems that have human intelligence, driving innovation for Industry 4.0 or developing the apps that will transform the future. Specialisations include Network and Cybersecurity Systems, Artificial Intelligence and Game Development. To ensure you are job ready, you’ll take part in a nationally recognised 10 to 20-week industry placement program and network with Academics, mentors and businesses who will prepare you for the workplace.

International Relations and Political Science

Our degrees give you a range of tools to understand and drive political, social and economic change. You will learn how political, social, economic, and strategic relations work within the global community and how skills and specialisation in areas such as trade, economic development, tourism, foreign affairs, education, migration, human rights and environmental protection, will help you face the challenges of the future. With such a diverse range of electives and pathways, you can choose to specialise in Legal Studies, International Relations, Political Science, and International Economics.

Languages and Culture

Studying Languages and Culture at Flinders gives you the chance to develop a broad range of skills and knowledge. Whether your interest lies in language, media, archaeology, theology or tourism and events, you’ll gain transferable skills and industry experience that will help you throughout your career and let you explore your passions and the world we live in. Extend your previous foreign language studies or learn a new language in French, Indonesian, Italian, Modern Greek or Spanish at Flinders, or one of our cross-institutional partnerships to study Chinese, German or Japanese.

Law

Law brings hope to the disadvantaged, confidence to commercial ventures, vigour to politics and solid foundations to launch your career in a diverse range of fields. A law degree also opens the door to careers outside of the law including banking and finance, environmental protection and development, property law, criminal law, business management and leadership. Our law topics are focused on 21st century lawmaking and include criminal law, contracts, torts, real property, evidence, international law and law in a digital age. You will develop high level communication, presentation and teamwork skills in preparation for practising law, or for future leadership roles in a range of educational and professional settings.

Medicine

Medicine is the science and art of treating diseases and maintaining health. The Bachelor of Clinical Sciences/Doctor of Medicine enables school leavers to pursue a career in medicine, and equips graduates with the skills to take up positions as hospital interns and thereby qualify for medical registration in Australia. Flinders also offers Medicine at a Postgraduate level. Some recommended pathways include Medical or Paramedic Sciences. The Bachelor of Medical Science covers areas such as biochemistry, biotechnology, microbiology, molecular biology, neuroscience and a new specialisation in Laboratory Medicine. The Bachelor of Paramedic Science is an approved degree for anyone seeking a career as a paramedic or a research career in pre-hospital science.

Nursing

The Bachelor of Nursing (Pre-registration) will equip you with the skills you need to play an important role in health promotion, maintenance, care and the rehabilitation of health. Our focus is to develop you into a Registered Nurse who is reflective about their practice, has well developed technical, reasoning and problem-solving skills and a commitment to lifelong learning. Nursing graduate positions are available in a range of areas including medical/surgical, emergency, mental health, aged care and community health and general practice.

Midwifery

The Bachelor of Midwifery (Pre-registration) will equip you with the essential skills required to provide high quality, safe and effective woman-centred care. With a focus on the principles of primary health care and continuity of care, you will develop an understanding of various midwifery models to enable you to apply theoretical knowledge to your daily practice. Midwifery provides safe, effective care that recognises women's individual needs of choice, control and continuity of care. Upon completion, you will be capable of providing care to women through their experience of pregnancy, labour and the postnatal period in community and hospital settings.

Psychology

Understand the way we see the world and help to make a positive impact. Psychology helps us understand our mental health and how people think – how we feel and why we behave the way we do. Psychological skills are used in almost every industry, and given the ongoing changes to the ways we live, work and interact, are sure to play a major role in the workplaces of the future. In many of our Psychology degrees, you’ll have the opportunity to combine your study or choose electives to improve your employability and broaden your knowledge.

Science

Science at Flinders allows you to tailor your study to suit your passions and career aspirations. Our science degrees enable you to follow your interests without being confined by traditional boundaries in core sciences such as Biology, Chemistry, Physics, Mathematics. Science can be in Biological Sciences, Chemistry, Conservation, Biotechnology, Chemical Sciences, Physics, Forensics and Analytical Science, Marine Biology, Geographical Information Systems, Palaeontology, Nanotechnology, Animal Behaviour or Environmental Science. All our degrees have embedded activities such as placements or projects with industry, to ensure you are job ready and well prepared for the workplace.

Social Work

Flinders Social Work provides career-ready skills and knowledge to those people who are driven to create a society that is fair, supportive, and inclusive. Social Work careers are not for the faint-hearted, but they are incredibly important and in high-demand. Social Work graduates work in government departments, community organisations, businesses and human services, as well as in traditional patient care hospitals, health and community centres, welfare agencies and many other organisations across the world. Social Work graduates make a difference, and Flinders Social Work degrees provide hands-on study and real-world placements to ensure our graduates are prepared for a challenging, rewarding career.

Sport

Our courses are designed to give you a competitive advantage enabling you to work at the highest possible level, wherever you go. Our sport degrees provide you with an understanding of the significance of sport and physical activity within the context of a healthy lifestyle and provide opportunities to focus your studies on Clinical Exercise Physiology, Exercise Science, Outdoor Education or Sports Management. Our network of industry leaders and our placement opportunities will provide you with real industry experience and ensure you are ready to help you build your sports career and realise your ambitions.
Student experience

At Flinders we are committed to the success of our students. Our graduates are highly sought after by graduate employers and our work integrated learning programs combine academic and career-related activities designed to enhance learning.

Flinders students are able to make industry connections and enhance their skills and experience through workplace and internship programs in Australia and overseas.

Personalise your degree

The Bachelor of Letters is designed to provide you with an avenue to pursue your passions and gain skills that will make you more employable by undertaking a second study area in addition to your primary Flinders degree. Apply directly to Flinders once receiving your primary course offer.

Available specialisations are:
- Creative Writing
- History
- Mathematics
- TESOL

Find out more at flinders.edu.au/letters

The Diploma of Language can be studied along most other degrees at Flinders, allowing you to learn a new language, or extend your previous studies in:
- French
- Indonesian
- Italian
- Modern Greek
- Spanish

Find out more at flinders.edu.au/diplomas

Flexible study options

Many Flinders courses offer you flexible study options, including part-time and online options. Flinders online courses provide a convenient and flexible way to achieve your study and career ambitions. You’ll receive the same quality education and qualifications as on-campus students with dedicated support available throughout your entire degree. Students on-campus also have flexibility with online lectures, choosing your own timetable and face-to-face as well as online support services available.

flinders.edu.au/online

Study abroad

make the most of your time at uni and check out the amazing range of exchange opportunities available. With over 80 world class partner institutions to choose from around the world, studying abroad is a great way to expand your horizons with us.

flinders.edu.au/studyabroad

"I have really enjoyed my learning experiences at Flinders. I’ve always been most excited where the opportunities arose to apply the knowledge that was learnt in the classroom to the field and real-world. As well as the practical infield experiences, my classes prepare me for the workforce and collaborating with industry to research real-life problems has helped grow my independence as a scientist. My lecturers have been amazing, they’re all so passionate about what they research, and that passion is contagious!"

Rachel
Science student

Student spaces

Student Hub and Plaza

The Student Hub is a state-of-the-art facility designed in close collaboration with current students who ensured it would meet their needs.

With student study spaces accessible 24/7, an outdoor amphitheatre and super screen, centralised student services and numerous eateries and function spaces, Flinders students can get the most out of their on-campus university experience.

flinders.edu.au/studenthub

Tonsley

The Tonsley campus centrally locates computer science, engineering and mathematics students. It is home to the Medical Device Research Institute, Centre for Nanoscale Science and Technology, Tonsley Innovative Manufacturing Hub and some of Adelaide’s biggest businesses and industries.

flinders.edu.au/tonsley

Victoria Square

Located in the heart of the Adelaide CBD, Flinders at Victoria Square is an accessible, alternative and flexible space for students. A selection of courses and topics are taught in this space and Flinders students can access fully equipped, private study spaces.

flinders.edu.au/victoriasquare

"The Flinders community offers the perfect balance between a laid back, friendly atmosphere and a serious down to earth approach to study. Through my experience studying Screen, every student has the freedom to be creative and feel supported but at the same time there is a healthy culture of constructive critique of films as they are being produced. Our lecturers also give us a fair amount of creative space whilst being available to provide guidance when we need it."

Fraser
Creative Arts (Screen) student
Flinders Living

At Flinders Living, we understand that moving away from home or starting at a new university can be both exciting and a little daunting, which is why we do everything we can to support our students to settle in quickly. Our staff and student leadership teams aim to make University Hall and Deirdre Jordan Village great places to live, learn and grow. Because our Flinders Living residents are so close to everything that Flinders has to offer, they are more actively engaged in campus life and integrated into the Flinders University community. This positively impacts the likelihood of our students completing their study and achieving higher academic outcomes.

What are my accommodation options?

There are a variety of accommodation options available at Flinders Living to suit your needs. Accommodation is available in our self-contained units in Deirdre Jordan Village or in University Hall, our catered hall of residence.

Why live on-campus at Flinders University?

- Be a part of living and learning environments that celebrate diversity and show respect and consideration for others.
- Walking distance to classes at Bedford Park and Sturt campuses with easy access to public transport and Flinders loop buses to Tonsley.
- Free membership of Flinders Sport and Fitness and easy access to music facilities, library and computer labs.
- A safe and secure environment with access to University Security and student welfare support, 24-hours per day.
- Affordable living with all utilities and free Wi-Fi access included.

UNIVERSITY HALL

University Hall is our catered, collegiate hall of residence. We recommend students who are transitioning into higher education soon after high school, choose the more collegiate and supportive environment of the Hall for their first year experience, before considering moving to the Village for a more independent lifestyle in later years. You will be provided with easy access to academic and wellbeing guidance through a team of student leaders living on site. In addition, the elected House Committee strengthens the sense of community through the organisation of many intercollegiate sporting competitions and a wide range of social and cultural events.

Overview

- Single rooms fully furnished (single bed, mattress and mattress protector, desk, wardrobe, heating and fan) in self-contained units with shared communal living spaces in each unit.
- Self catered.
- Each unit has a full size kitchen with oven, microwave, fridge, freezer, toaster and kettle.
- Free on-site laundry and enclosed drying areas plus washing machines in all 2 and 3 bedroom units.

DEIRDRE JORDAN VILLAGE

Deirdre Jordan Village features 80 fully-equipped, self-contained units accommodating 309 students. This enables you to enjoy an independent lifestyle within a vibrant and supportive community. The Village features outdoor recreation spaces including three barbecue areas and a modern community centre with a large common room, seminar rooms, a music room and decking with sea views. Each of these self-contained units includes a common living and dining area, full kitchen, bathroom, and bedrooms for 2-6 students.

Fees

2022 indicative weekly room rates are (depending on exact room):
- Uni Hall: $362-402 per week
- Deirdre Jordan Village: $250 per week

Applications

Applications for Flinders Living are made online.

Apply by closure date in November. Housing offers are normally made over December/January. You will need to submit the application form, a personal statement about yourself and a non-refundable application fee.

More information on fees and application: flinders.edu.au/living

Year 12 entry to a Flinders Degree

Flinders University offers a range of pathways for you to apply for entry to your preferred degree. You will be considered for an offer based on your most competitive selection rank, which may be your Australian Tertiary Admissions Rank (ATAR) plus any applicable adjustment factors, an admission test result or TAFE/ VET qualification. Alternatively, you may be considered via one of Flinders’ multiple entry pathways.

Year 12 entry

The majority of Year 12 applicants enter university via the traditional competitive entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled. Your selection rank is based on yourATAR plus any adjustments for which you are eligible.

flinders.edu.au/year12entry

Research Project B

If you perform well in the Research Project B subject you could be considered for entry into selected Flinders degrees on the basis of your grade. Your score will be automatically weighted and considered in your SATAC application.

flinders.edu.au/researchproject

flinders.edu.au/researchproject

UNITESt

As a Year 12 student, the Flinders uniTEST Pathway is available to enhance your chances to gain a place in your preferred Flinders degree. If you take the test and don’t do so well, don’t worry, we will still consider your application on your other selection ranks. Your uniTEST results are applicable to all Flinders undergraduate degrees (excluding Bachelor of Clinical Sciences/ Doctor of Medicine).

flinders.edu.au/unitest

SCHOOL RECOMMENDATION PROGRAM

Your performance in Year 12 is not always a true indicator of your ability to succeed at university. Flinders will consider your school’s recommendation about your academic performance and potential for university study for admission to selected Flinders degrees. For consideration, submit an application form direct to Flinders University in addition to your SATAC application.

flinders.edu.au/school-recommendation

INDIGENOUS ADMISSION SCHEME

The Indigenous Admission Scheme recognises that Indigenous Australians do not always have the opportunity to gain entry to university via traditional pathways. To apply and to find out more, phone (08) 8201 5033 or download the application form.

### Post-school pathways

**Foundation studies**
The Foundation Studies program has been designed to introduce you to university study in a supportive learning environment. Open to people from all backgrounds, Foundation Studies provides a pathway to gain entry to most degrees at Flinders and offers guaranteed entry into some degrees.

flinders.edu.au/foundation

**TAFE SA dual offers**
You can apply for a TAFE SA* diploma or advanced diploma that is linked to a Flinders degree. You’ll receive an offer to both TAFE SA and Flinders University and on successful completion of the TAFE course, you’ll have secured an offer for a Flinders degree. TAFE SA dual offers are available for a range of Flinders degrees.

*TAFE SA RTO Code: 41026

flinders.edu.au/dualoffers

**TAFElink**
Flinders offers guaranteed entry to selected degrees for applicants who have completed a TAFE/VET certificate IV or higher level qualification, as long as degree prerequisites are met. Importantly, your TAFE/VET qualification does not need to be related to your selected area of study at Flinders.

flinders.edu.au/tafe/link

**Special tertiary admissions test (STAT)**
The STAT is a two-hour test consisting of 70 multiple choice questions. It is designed to assess a range of abilities and competencies considered important for successful university study. You must be 18 as of 1 February the year you intend to begin university study to be eligible. Apply to sit the test via ACER.org.au, in addition to your SATAC application. STAT scores can be used for entry into most Flinders courses.

flinders.edu.au/stat

### Understand the selection process

**The majority of Year 12 applicants enter university via the traditional competitive entry method, where offers are made to eligible applicants with the highest Selection Rank until all places in the degree are filled. Your Selection Rank (SR) is based on your ATAR plus any adjustments for which you are eligible.**

#### Adjustment Factors
- You or your parents are the holders of a Health Care or Pensioner Concession Card.
- You are the holder of a School Card.

**Universities Language, Literacy and Mathematics Scheme (2 or 4 Points)**
This scheme encourages students to strengthen their preparation for undergraduate studies by undertaking selected subjects in Year 12. In this Scheme, applicants will be awarded two points per subject (up to a maximum of four points), for successfully completing a SACE subject in any of these four categories:
- 20 credits of a LOTE in the Languages Learning Area.
- 2ESH20 English or 2ELS20 English Literary Studies.
- 2MHS20 Mathematical Methods.
- 2MSC20 Specialist Mathematics.

These adjustment factors will apply for all Flinders undergraduate degrees with the exception of the Universities Language, Literacy and Mathematics Scheme which will not apply to 214841 Bachelor of Clinical Sciences/Doctor of Medicine.

#### Selection Ranks
**Minimum Selection Rank**
The 2022 selection rank shown for each degree indicates the lowest rank for which an offer was made for each degree (including any adjustments). It is provided only as a guide for 2023 entry as it may change from year to year. This is shown in the table as ‘2022 Selection Rank’.

**Guaranteed Entry Selection Rank**
Achieve a Selection Rank equal to or above the published Guaranteed Entry Selection Rank and you will be guaranteed a place at Flinders. All you need to do is ensure you have listed your preferred Flinders degree as your first preference and you will be offered a guaranteed place provided you meet any other course pre-requisites. This is shown in the table from page 16 as ‘Guaranteed Entry Selection Rank’.

flinders.edu.au/selectionranks

---

**“Sitting the uniTEST was good practise for exams and quite an experience. The test itself wasn’t too bad, just general questions based on a passage or it may ask you to identify the next shape in a pattern. The uniTEST ended up working well for me, I scored a decent result and it definitely took some pressure off my shoulders when it came to exams.”**

Robert
Brighton Secondary School Commerce student

SATAC administers the following concession card schemes:
- The Universities Concession Card Scheme
- The Universities Health Care and Pensioner Concession Card Scheme

- You or your parents are in receipt of a Commonwealth means tested income support payment, or
- You are the holder of a School Card.

---

#### SATAC’s universities selection rank

SATAC administers the Universities Selection Rank which will not apply to Flinders University.

SATAC administers the following selection rank schemes:
- The Universities Selection Rank
- The Universities Health Care and Pensioner Concession Card Scheme
- The Universities Concession Card Scheme

- You or your parents are in receipt of a Commonwealth means tested income support payment, or
- You are the holder of a School Card.
Finding Flinders

Walk, ride or drive to Flinders

WALKING
Walking is a healthy option for those who live in nearby suburbs. Designated walking paths link the three major hubs on campus: Sturt precinct, main precinct and the Medical Centre.

PIEDESTRIAN PATHS AND WALKING TRAILS
Shared pedestrian and bike paths lead onto the campus from Bellevue Heights, University Way and Sturtbrae Crescent near Sturt Road. There are pedestrian paths on all main roads that lead to the campus, with islands and crossings designated for safety. There are also walking trails on campus for you to enjoy.

CYCLING
Flinders is a cycle-friendly University, with a large community of students and staff who regularly ride to campus. With designated cycle lanes, eight sets of bike rails around campus, plus three lockable bike storages, Bedford Park is the perfect destination for cyclists. There are also plenty of showers and change rooms available across campus. Plan your cycling journey, download cycling maps or find out more at: flinders.edu.au/cycling

CARPOOLING
Carpooling is a great way to share your journey and benefit by sharing the cost with friends while minimising your carbon footprint.

Parking
Flinders University has safe and secure car parks available throughout the campus for students, staff and visitors. There are many permit and casual parking options available on campus to suit your individual needs. Casual parking can be pre-paid through CellOPark, or on the day via visitor parking machines on campus. Find out more at: flinders.edu.au/campus/bedford-park/parking

POWERFUL PARKING
A new, sustainable covered car park has been built on campus. With approximately 4,200 solar panels, it is one of the state’s largest solar arrays, pulling enough energy to cover almost 20 per cent of the University’s overall power needs. We have also introduced electronic signage and an app that will let you know how many parks are available across campus and where they are.

Now a short, easy journey from the CBD, access to a world-class education at Flinders University has never been easier.

Flinders station
Flinders railway station makes travel to and from the University quick, easy and accessible. The $141m Flinders Link Project celebrated the opening of Flinders Railway Station early in 2021, bringing a fast and convenient connection to the heart of Adelaide’s city centre, just 22 minutes away. Flinders Railway Station gives you easy access to Bedford Park, Flinders’ main campus. The platform features an enclosed, elevated platform connecting the station directly to Flinders Medical Centre.

Even closer to the CBD, the new Tonsley Railway Station offers improved access to the Tonsley Innovation District. The Flinders Link Project allows you to easily travel to and from Bedford Park to Tonsley and our Victoria Square campus in the CBD.

Plan your journey
Use the ‘plan my journey’ function at the Adelaide Metro website to find the best way for you to get Flinders: adelaideymetro.com.au

The Adelaide Metro website has timetables, which you can also pick up on-campus at the Union Hub (Sturt), Central Library, and Flinders Post Office.

Buses
The main buses that service Flinders University Bedford Park campus are:

- 101 Arndale Centre Interchange to Flinders University
- 300 Suburban Connector Glenelg, Henley Beach and Grange via Arndale Centre Interchange
- 601 Old Reynella Interchange, Aberfoyle Hub and Blackwood Interchange to Marion Centre Interchange
- 681 Hallett Cove Beach Station to Flinders University
- 719 Flinders University to city
- 710 Marion Centre Interchange, Bedford Park, Colonel Light Gardens and city to Blair Athol
- 40 Golden Grove Village Interchange and Tea Tree Plaza Interchange to Flinders University

O-BAHN
The O-Bahn connects Adelaide’s north-eastern suburbs to the city, with major interchanges at Tea Tree Plaza in Modbury, Paradise, and Klemzig. Buses run every 15 minutes from these interchanges, seven days a week.

Now a short, easy journey from the CBD, access to a world-class education at Flinders University has never been easier.

Getting around Flinders
There are a variety of transport options to help you make your way around campus.

LOOP Bus
The University loop bus is a free service that links the main University campus, Sturt and the Flinders Medical Centre (FMC) bus interchange. Buses normally arrive every 20 minutes and run from 8.16am to 6.00pm during semester time (including exams). An evening service connects Flinders to nearby suburbs every 45 minutes from 6.00 to 9.45pm. A free Tonsley loop bus also runs between Tonsley and Bedford Park every half hour from 7.00am to 6.00pm, Monday to Friday.

ACCESS CAB
A free access cab is available for transporting students and staff within University grounds. It can carry one wheelchair and three passengers at a time and meets SA Transport Board requirements.

Trains
The main trainline to Flinders is the city to Flinders service. For those who live to the south of Bedford Park, the Seaford to city service can be caught and the following connecting services taken:

- 681 bus a short walk from Seaford railway station
- 500U bus a short walk from Oaklands railway station

JOURNEY TIMES
Journey times from the city to Flinders can range from 20 to 45 minutes with express buses available.

The average journey time from the city to Flinders by train is 22 minutes.

Flinders is well connected to Adelaide by bus and train.
Scholarships at Flinders

The Flinders University scholarships program includes a generous range of scholarships available for new and continuing students in undergraduate courses. In particular, Flinders University provides scholarships to students from low socio-economic backgrounds, students from rural and regional areas and Indigenous students. Flinders University also has strong links with TAFE SA and other educational bodies, and offers specific scholarships to support transition from TAFE and VET programs into higher education.

flinders.edu.au/scholarships

"I am very grateful to have received the Flinders University Student Access Scholarship which was a huge help in overcoming some of the upfront costs of university study. In particular, I found the scholarship very helpful in reducing some of the financial strain of travelling long distance to and from Flinders University that I have experienced as a rural student."

Jessica Penrose
Bachelor of Science (Honours)
(Enhanced Program for High Achievers), Flinders University Student Access Scholarship recipient

Frequently asked questions

Which scholarships can I apply for?
Search for scholarships applicable to you by using the filter options in our scholarships search engine at: Current students > Scholarships > Search for scholarships
Make sure that you check the full eligibility rules before applying.

How do I apply?
1. ACCESS STUDENT SYSTEM
You can apply online once you have enrolled in your Flinders course:
   • Log in to your Flinders dashboard (Okta) using your FAN and password
   • Click the Student System button
   • Select the ‘My Scholarships’ tab
2. APPLY FOR THE SCHOLARSHIP
Apply for all the Flinders undergraduate scholarships or groups of scholarships applicable to you.
3. SUBMIT YOUR APPLICATION
Ensure that you upload all necessary supporting documentation before submitting your application. All scholarship applicants are notified of the outcome of their application via their Flinders University email address.
   Go to Current students > Scholarships > How to apply

When do applications for undergraduate scholarships close?
Most undergraduate scholarships are open for application from December and close in the period from January through to March. Some scholarships open and close later in the year, so check individual scholarship details on the Flinders website.
   Go to Current students > Scholarships > Search for scholarships

Can I defer my scholarship?
Undergraduate scholarships are not deferrable.

Can I move my scholarship for part-time study?
This depends on the scholarship rules, which you will need to check carefully. In cases where part-time scholarships are allowed, you may need to demonstrate exceptional circumstances which indicate why you cannot study full-time. This may include full-time caring commitments for children under school age, medical reasons or a disability.

Am I a rural or regional student?
Flinders University considers a student rural or regional by comparing your home address against the Australian Standard Geographical Classification (ASGC) of regional and remote locations. You can view the map via doctorconnect.gov.au

Will my scholarship affect my Centrelink payments?
Merit-based and equity scholarships, including the awards listed in this guide, are exempt from Centrelink’s income assessment up to $8356 - (2021). Any amount from scholarship(s) payments over $8356 pa is considered personal income and may affect your fortnightly Centrelink payment(s).
Make sure that you report any scholarship that you receive to Centrelink. For more details, visit: servicesaustralia.gov.au

Will I be eligible for a Start-up payment or Relocation Scholarship from Centrelink?
Students in receipt of Youth Allowance, Austudy or ABSTUDY are eligible for an income-based Start-up Loan to assist with the costs of study. Loan payments are made in semester instalments alongside Centrelink support, and are repayable in the same way as HECS-HELP.
Relocation scholarships are non-repayable grants made available for students who must live away from their family home to study and are in receipt of Centrelink payments. For more details, visit: studyassist.gov.au

Do I need to pay tax on my scholarship?
Scholarships for full-time undergraduate study are usually not taxable. If you are a part-time student or are receiving multiple scholarships, then you should check with the Australian Taxation Office (ATO). Phone 13 28 61 or visit: ato.gov.au

Key

* Clinical Science/ Doctor of Medicine does not offer a tertiary transfer pathway. However, Flinders reserves up to 75% of places in the Doctor of Medicine for graduates of a Flinders degree. For further details go to flinders.edu.au/medicine

NA = Guaranteed entry is not available.
Applying for University

How do I qualify for university?

- Complete Year 12: South Australian Certificate of Education (SACE), International Baccalaureate (IB), or interstate/overseas equivalent.
- Have the appropriate combination of Tertiary Admissions Subjects (TAS).

To make sure you are completing the correct combination of subjects, please check the SATAC publication ‘Tertiary Entrance 2021, 2022, 2023.’ This can be downloaded from satac.edu.au

Some of the courses you are interested in may have prerequisite subjects – a subject which you are required to successfully complete in order to be eligible for entry.

Some courses also have assumed knowledge – a subject area in which your lecturer will assume you have studied previously.

Finally, some will have additional entry requirements such as tests and auditions, or they may require a portfolio of work.

Details about what is needed and when those requirements have to be satisfied are listed in university publications and the SATAC University Guide.

How do I apply for university?

All students – both Australian and International – studying Year 12 in Australia must apply online through SATAC at satac.edu.au

SATAC applications open in early August. You can choose six preferences in the SATAC Uni system. Ensure you submit your application by the late September deadline.

If you lodge an application after this date, but by the December deadline, you will be given equal consideration provided you have studied the subject area in which you would like to study. You should list these in the order in which you would like to study them, with the one you would like most listed first.

If you cannot be offered a place in your first preference, you will then be considered for your second preference and so on.

It is also important to consider a backup plan. Ensure you include our recommended pathway courses in your preferences.

Call us when you receive your results and the friendly staff at Flinders will offer you personalised advice to maximise your chances of receiving an offer to your first preference.

How will I be selected?

In most instances, the number of eligible applicants exceeds the number of places available. Eligible applicants must therefore be ranked in order of merit.

The university will fill the places with the highest qualified applicants.

Your chances of being selected into a university degree may depend upon these factors:

- The number of places available.
- How many other eligible applicants there are.
- How competitive your Selection Rank (or other method of entry) and other criteria (if relevant) are in relation to the other eligible applicants.
- Your eligibility for guaranteed entry.
- Your performance in Flinders uniTEST.

What is a guaranteed entry selection rank?

Students who achieve a Selection Rank equal to or above the published Guaranteed Entry Selection Rank and meet any course pre-requisites, will be guaranteed a place at Flinders. All you need to do is ensure you have listed Flinders courses first in your preferences and you will be offered a place in the highest Flinders course preference for which you are eligible.

A list of course Guaranteed Entry Selection Ranks can be found at:

flinders.edu.au/selectionranks

How do I calculate my adjusted selection rank?

Adjustment factor points are added to your university aggregate, not your ATAR. Once you have received your results, contact Flinders for your adjusted Selection Rank.

How will I find out if I am offered a place at university?

The first offer main offer round is in mid-January. You can check your offer online on the SATAC website. Offers are also emailed via SATAC and printed in The Advertiser. You must respond to your offer and follow any instructions detailed in your offer email. Remember, there are numerous offer rounds so if you don’t receive your first preference, speak to us about your options.

What can I defer my place at university?

It is possible to defer your place in most Flinders courses. This means your place will be kept for you to begin studying the following year. Simply activate your Flinders account by following the link on your offer letter. Accept your offer and if no enrolment is recorded we will automatically defer your place. Check to see if your preferred course is deferrable, and see further instructions at flinders.edu.au/defer

How will I find out more information?

flinders.edu.au/study

satac.edu.au

studyassist.gov.au

studyadelaide.com (international students)

How do I order my preferences?

Check you are eligible for the courses you list.

- Do you have the prerequisite subjects or assumed knowledge if required?
- Will you meet any other selection requirements?

You may enter up to six course preferences that you would like to study.

You should list these in the order in which you would like to study them, with the one you would like most listed first.

If you cannot be offered a place in your first preference, you will then be considered for your second preference and so on.

It is also important to consider a backup plan. Ensure you include our recommended pathway courses in your preferences.

Call us when you receive your results and the friendly staff at Flinders will offer you personalised advice to maximise your chances of receiving an offer to your first preference.

What does it cost to study at university?

Students who are Australian Citizens, or New Zealand Special Category Visa (SVC) holders who meet long-term residency requirements, or holders of Permanent Humanitarian Visas, are eligible for a Higher Education Contribution Scheme (HECS-HELP) loan, and do not have to pay back their student contribution amount upfront. This means you pay nothing towards your course fees while you study, and then pay back your student contribution amount in small instalments when you are working.

However some students choose to pay their student contribution amount upfront. Permanent Residents and non SVC New Zealand citizens must pay their student contribution amount upfront.

International students pay the full cost of their tuition, and they are not able to defer this payment.

Full details of the HECS-HELP scheme, your eligibility and repayment options are available at the Study Assist website studyassist.gov.au.

Other costs that all students need to plan for include books, equipment, possibly field trips, and the cost of accommodation, transport and general living expenses.
