

YOUR GUARANTEED PLACE AT FLINDERS
YEAR 12 GRADES ENTRY

YEAR 12 GRADES ENTRY

From 2024 you will be able to gain a place at Flinders University by using your three best Year 12 grades.

This opportunity is in addition to the existing range of entry pathways:

flinders.edu.au/pathways

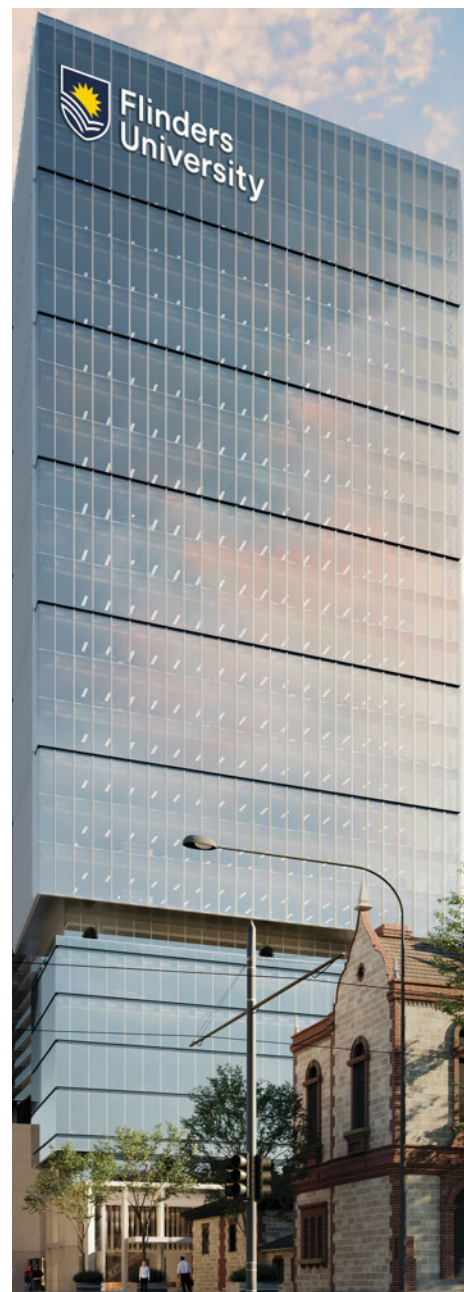

Check out the courses and grade bands available and ensure that your preferred Flinders course is listed as your highest preference when you apply through the South Australian Tertiary Admissions Centre (SATAC). You don't need to do anything extra.

If you meet the minimum Year 12 grade results listed, you have a guaranteed place at Flinders.

Combined degree options for the courses listed are also included.

Remember:

- Subjects need to be 20-credit Stage 2 Tertiary Admission Subjects (TAS) or equivalent.
- Final moderated South Australian Certificate of Education (SACE) or equivalent grades will be used. Scaled scores are not used, therefore all 20-credit TAS subjects are weighted evenly.
- Entry is based on the letter grade (including plus or minus)
- For degree entry, you must complete the SACE and need to achieve a minimum Australian Tertiary Admission Rank (ATAR) of 50. For Diploma level course entry SACE completion only applies.
- Minimum ATAR is before any adjustment factors are applied.
- You'll be considered on your Year 12 grades as long as you have not completed more than two years of full time (or equivalent) study at a university or other higher education institution.
- You must meet any additional entry criteria including prerequisite subjects, assessments such as the teaching capabilities statement or portfolio/audition requirements (for courses marked *).
