Bachelor of International Business (Wine, Spirits & Tourism)

flinders.edu.au/business
If you want to understand global markets, there’s only so much you can get from textbooks. You need to be out there, on the trading floor, feeling the noise and excitement, making high-stakes decisions in real time.

Welcome to the Business Trading Room. It’s a simulated financial trading centre for students enrolled in Flinders Business degrees.

How does it work?
The Flinders Business Trading Room is a cutting-edge market simulation program environment. Students can access time-series data on security prices and exchange rates, execute trades in real time and plug into financial modelling that mimics the global derivatives market.

The Trading Room is powered by the same tech used by institutional dealing rooms, fund managers and government research departments. It even has mobile and algorithmic trading capabilities.

Think of it like Wall Street for beginners.

Who can use the Trading Room?
The Business Trading Room will be built into the curriculum for several Flinders Business degrees, including the Bachelor of Finance, Bachelor of Finance and Business Economics, and Bachelor of Business. Students can pick elective subjects that include time on the Trading Room floor.

Enhance your career prospects with real business experience

At Flinders you will gain genuine experience in today’s business world. Flinders Business provides every student with the opportunity to work on real-life consulting projects with our industry partners. Students are supported by business leaders and mentors to deliver real value to their client.

Be part of this exciting opportunity and gain valuable experience including:

- learning to pitch your ideas and recommendations to a real client
- developing your consulting, project management and presentation skills
- working in a dynamic team with a range of skills and perspectives on real-world business challenges
- developing invaluable and transferable skills that will enhance your career prospects
- developing strong business connections.

There’s also the opportunity to accelerate your learning by presenting your findings to business consultants at PricewaterhouseCoopers (PwC)*.

*only available in BUSN3061A_9125A.

Explore your interests and unlock more career opportunities by combining degrees. Combining your degree with a qualification in another discipline will help you develop specialised abilities to stand out from the pack.

Studying a combined degree at Flinders is the key to enhancing your career opportunities.

Find out about combining these qualifications:

Bachelor of Psychological Science/Bachelor of Business (Human Resource Management)
SATAC CODE 224941
Learn how to manage an organisation effectively. Develop an understanding of psychology and apply it to human resource management.

Bachelor of Health Sciences (Health Management)/Bachelor of Business (Human Resource Management)
SATAC CODE 214142
This degree will prepare you to acquire, manage and retain employees within contemporary health organisations and other frameworks.

Bachelor of Psychological Science/Bachelor of Business (Marketing)
SATAC CODE 214941
Learn how to market to people effectively by understanding how psychology influences their decisions.

For a full list of combined degree options visit flinders.edu.au/combineddegrees
Graduate work-ready with practical business experience.

Go beyond theory and gain real-world insights into the day-to-day operations of business.

With over 350 partner organisations, Flinders Business guarantees you a practical work placement that will give you invaluable workplace experience.

Flinders also provides you with the opportunity to work on real-life consulting projects with our industry partners. You’ll be supported by business leaders and mentors to deliver real value to their clients and to enhance your own career prospects.

Opportunities range from placement in smaller organisations to one of the Big Four accounting firms, internationally recognised FMCG brands, banking and finance institutions, and South Australian state and local government departments.

Our key partners include:
PricewaterhouseCoopers, McDonald’s, BankSA, Ernst & Young (EY), BT Financial Group, Hudson and Bendigo Bank.

“As a first-year student, I have really valued the supportive environment and quality of teaching here at Flinders. The opportunity to learn from some of the best lecturers in Australia has really accelerated my understanding of business and management principles.”

Lewis Carey,
Bachelor of Business (Management)
DRIVE POLITICAL, SOCIAL AND ECONOMIC CHANGE

INTERNATIONAL RELATIONS & POLITICAL SCIENCE

New in 2020
Flinders’ new degree will teach you the skills to play a part in world events, and drive political, social and economic change through exciting careers in the public, private and not-for-profit sectors.

This degree is for students with an interest in political and social questions that arise where they live and overseas. It is designed to equip a new generation of change makers for a new generation of challenges.

Study with SA’s largest group of International Relations and Political Science experts, and gain practical experience through industry placements and opportunities to travel to Indonesia, China, Japan, USA, and elsewhere, including unique internship opportunities with the US Congress (Washington) and Consulate (Melbourne).

Your studies could lead to a range of employment opportunities, including:
• policy analyst for business, government and NGOs
• diplomat or public service officer
• environment and climate companies, agencies and NGOs
• journalist or digital media content maker/manager
• international aide or development worker
• electorate officer
• research officer, analyst or assistant
• intelligence, security or political analyst
• risk manager or public relations specialist
• education – teacher, aid, administrator
• advocacy officer/researcher in the community sector
• human resources.

An incredible breadth of career opportunities awaits you in the corporate world, in the public sector or with non-government organisations. You could work locally for a government department or an SA-based business, pursue a corporate career helping set international policy, or help change the world with organisations like Amnesty International or Projects Abroad.

No. 1 in SA in Political Sciences
2019 Academic Ranking of World Universities, public SA-founded universities only

Research rated above world standard
Flinders Policy and Administration research is rated above world standard

SHAPE THE WORLD
STUDY INTERNATIONAL RELATIONS & POLITICAL SCIENCE AT FLINDERS

Bachelor of International Relations and Political Science

You could play a part in world events.

Prepare yourself for a successful career engaging with political, social and cultural issues in Australia and around the world. In this degree you’ll develop an understanding of how to drive policy development at home and abroad. You’ll graduate with a comprehensive understanding of key political, social, economic and strategic relations within the domestic and global communities.

• Learn the policy and political skills that will be needed by the policy-makers and leaders of tomorrow – in Australia and around the world.
• Ask the big questions about populism, nationalism and the issues that drive political and social change.
• Engage with burning political questions like tackling environmental change and managing migration.
• You’ll deepen your understanding of diplomacy in Asia, issues arising in developing economies and Australia’s relationship with the US.
• Study policy areas such as social policy, Indigenous affairs, multiculturalism, education, trade, economic development, foreign affairs and human rights.
• Explore the key political ideas that inspire people to action, historically and in our world today.
• Gain real-world understanding of how Parliament and public agencies work through placement opportunities.
• You’ll meet professionals working on current international ventures, and could build your international professional network with overseas study.
• Take opportunities for practical experience through Work Integrated Learning and industry placements.
• You could learn a new language by selecting language topics.
• Engage with the Department of Foreign Affairs and Trade and defence officials in simulated activities.
• You can experience South Australian politics first-hand through the South Australian Parliamentary Internship and the South Australian Government Cabinet Office Internship, or take your studies overseas with the Washington Internship Program.

Opportunities include six internships in the United States Congress every year – we’ve had over 100 Flinders participants since the year 2000. There are also opportunities in Indonesia, and over 100 of our students have studied or worked in Indonesia in the last five years, some for a semester or more. For those interested in an experience closer to home, you can also participate in internationally relevant internships onshore, with a variety of organisations in Adelaide and across Australia.

Key affiliated international institutions in North America, Europe and Asia include:
- Georgetown University – Washington, USA
- York University – Toronto, Canada
- Uppsala University – Uppsala, Sweden
- UNESCO-IHE, Institute for Water Research – The Netherlands
- Hiroshima University – Hiroshima, Japan
- Nankai University – Tianjin, China
- Parahyangan Catholic University – Bandung, Indonesia
- International Network of Universities.

Flinders University’s links with world-class universities and organisations enable you to undertake an exchange program or internship that will enhance your International Relations and Political Science experience.

We’re here to help

Whatever you decide to study at Flinders, we’re always here to help you succeed.

Transition to university
Starting at university is a big step; let’s make it easier.
The Transition Office can help make your shift into university study as smooth as possible, and the Student Learning Centre provides a range of services from writing and mathematics support to assistance with study and time-management skills.

Work Integrated Learning
Work Integrated Learning (WIL) enables you to gain work experience while you study.
Flinders aims to provide each and every student with access to a WIL opportunity during their studies through placements, practicums, field studies, and simulated workplace settings and assessment activities.

Scholarships
Flinders University offers over 550 undergraduate scholarships, worth $2.2m in total. A generous range of scholarships is available to new and continuing undergraduate students.

Flinders Connect
Flinders Connect can help with everything from enrolment and fees to exams and graduation.
You can also access Flinders Connect for specialist services in admissions, careers and IT help. A range of support services is also available.

Flinders University Student Association (FUSA)
Flinders has a long history of active student involvement.
The Flinders University Student Association (FUSA) continues that tradition, and represents the rights and interests of students. FUSA manages social events, non-sporting clubs and societies, the student publication Empire Times, and helps with academic, administrative and welfare issues.

Careers & Employability Service
The Careers and Employability Service helps give you the edge in your career.
CareerHub, our online employment portal, is more than a service to help you prepare for and find the job you want. It offers personalised job opportunities, career planning, programs to help you broaden your skills and experience, access to employer events and career-related resources.
Whatever you are studying, CareerHub can help you find your direction and start your career.

INNOVATION & ENTERPRISE

Careers are evolving and the workplace of the future will look very different from today.
That’s why we offer a suite of innovation and enterprise electives and courses to prepare you for the careers of tomorrow. Powered by Flinders’ New Venture Institute, these electives will help you develop the ‘personal enterprise skills’ that employers are looking for, and equip you with the ability to adapt to whatever life throws at you, personally and professionally.

New Venture Institute
Explore your interests and unlock more career opportunities by combining degrees.
Applicants need to apply through the South Australian Tertiary Admissions Centre (SATAC): satac.edu.au

To find out more about your admission pathways to Flinders, visit: flinders.edu.au/pathways

ADMISSION PATHWAYS
At Flinders, we recognise that every prospective student is an individual and that what works for one might not be right for another. That's why we provide various admission pathways into Flinders University and your preferred degree. You're encouraged to explore your options and find the entry path that's right for you.

Year 12 entry
The majority of Year 12 applicants enter university via the traditional competitive entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled. Your selection rank is used by Flinders to assess your admission to a course, and is based on your ATAR plus any adjustment factors for which you are eligible. The 2020 Minimum Selection Rank is the minimum selection rank required for consideration to enter in the next intake. The 2020 selection rank indicates the lowest rank for which an offer was made to an applicant in that degree for the previous year (including any adjustment factors). This selection rank is provided only as a guide for 2021 entry, as it may change from year to year.

Adjustment factors
Adjustment factors (formerly referred to as bonus points) may be used in combination with your ATAR to derive your course selection rank. Adjustment factors may be available for South Australian Year 12 students applying for entry to Flinders in 2021: the SA University Equity Scheme (USES) and the SA Language, Literacy and Mathematics Bonus Scheme (LLM).

Guaranteed entry selection rank
Achieve a selection rank equal to or above the published guaranteed entry selection rank and you’ll be guaranteed a place at Flinders. All you need to do is ensure you have listed Flinders degrees first in your preferences and you will be offered a place in the highest Flinders degree preference that you are eligible for in 2021.

unTEST
If you're a school leaver, unTEST is your chance to increase your options to gain a place in your preferred degree. unTEST is designed for school leavers and complements existing selection criteria by enhancing your overall selection rank.

Foundation Studies
The Foundation Studies program has been designed to introduce you to university study in a supportive learning environment. Open to people from all backgrounds, Foundation Studies provides a pathway to gain entry to most degrees at Flinders and offers guaranteed entry into some degrees.

TAFEnet
Flinders offers guaranteed entry to selected degrees for applicants who have completed a TAFE/ VET certificate IV or higher-level qualification, as long as degree prerequisites are met. Importantly, your TAFE/VET qualification does not need to be related to your selected area of study at Flinders.

TAFE SA dual offers
You can apply for a TAFE SA (RTO code: 41026) diploma or advanced diploma that is linked to a Flinders degree. You’ll receive an offer to both TAFE SA and Flinders University and, on successful completion of the TAFE course, you’ll have secured an offer for a Flinders degree. TAFE SA dual offers are available for a range of Flinders degrees.

Adult entry
The adult entry scheme enables people aged 18 years and over to apply to study at Flinders via the Special Tertiary Admissions Test (STAT). Applications are made via SATAC.

Tertiary transfer
If you have completed at least one semester of full-time equivalent study at university, you may be able to transfer to study at Flinders University using your grade point average (GPA).

BACHELOR OF GENERAL STUDIES
The Bachelor of General Studies (SATAC code: 234181) is a flexible degree that provides a sound basis of knowledge in an area of your choice. It is designed to prepare you with communication skills, a firm grasp of ethics, and the confidence to make connections across geographical, disciplinary, social and cultural boundaries. Successful completion of the first year to the required standard also provides you with guaranteed entry into a range of our degrees.

Get more out of your degree
Whatever you’re studying, Flinders gives you the opportunity to do more with your degree to help you have a competitive edge when you graduate.

A combined degree is a combination of two Flinders bachelor degrees, meaning you will have two qualifications in just one to two-and-a-half years of extra study and undertake in-depth study in exciting combinations that aren’t usually available in single degrees. The Bachelor of Letters is available to study alongside any degree at Flinders and enables you to graduate with two qualifications.

WHEN CAN I START?
Flinders offers two admissions cycles each year for undergraduate degrees.

Semester 1 – February start.
Applications open in August for commencement the following year.

Semester 2 – July start.
Mid-year applications open in August for commencement in July the following year.

*Not all degrees are offered for semester 2 entry. Check our midyear site for details: flinders.edu.au/midyear
