Business degrees

A career in business means a career in an industry that influences almost every aspect of the modern world. You could work for an amazing organisation or start your own business journey. Your career could take you anywhere on the planet.

Finance
Develop an overall understanding of the applied finance discipline, financial management and wealth creation, and gain extensive subject knowledge in specialised topics such as macroeconomics, financial management and international finance.

- Develop business analysis and enterprise resource planning skills that employers are seeking.
- Opportunity to explore a variety of business-related subjects including marketing, management or entrepreneurship.
- Immerse yourself in live industry projects with the New Venture Institute, bridging the gap between academia and real-world finance challenges.

Finance and Business Economics
Prepare for a career as an effective financial analyst and executive by being exposed to the Australian economic policy framework and how it applies to the financial services industry.

- More specialised focus on economics, sustainability and financial markets.
- Immerse yourself in live industry projects with the New Venture Institute and engage with business in a real-world environment.
- Flinders has a series of international exchange links that give you a chance to study part of your degree overseas.

Diploma in Business
This undergraduate diploma covers all business management functions including accounting, finance, economics, marketing and human resources management, plus skills to inform business planning and strategy.

- This course introduces participants to key skills for workplaces and business of the future.
- Learn how to use proven business tools to set up a business, meet organisational objectives and lead people.
- The diploma is a micro-credential that can be combined with other university courses like physiotherapy, speech pathology or optometry.

Diploma in Sports Management
Based at Alberton, Adelaide Oval and Flinders’ new city campus, the Diploma in Sports Management will teach you the core skills needed to begin a career in sports management, backed by over 100 hours of practical and hands-on training with Port Adelaide players, management and staff.

Combine Business, Law, Criminology, and International Relations and Political Science
There are a range of combined degree options available at Flinders’ city campus or at Bedford Park that allow you to graduate with two career-ready qualifications. With just one to one-and-a-half years of extra study, explore your interests and unlock more career opportunities.

Visit flinders.edu.au/combined-degrees to find out more.

Business Trading Room
If you want to understand global markets, there’s only so much you can get from textbooks. You need to be out there, on the trading floor, feeling the noise and excitement, making high-stakes decisions in real time. Welcome to the Business Trading Room. It’s a simulated financial trading centre for students enrolled in Flinders’ business degrees.

How does it work?
The Flinders Business Trading Room is a cutting-edge market simulation program environment. Students can access time-series data on security prices and exchange rates, execute trades in real time and plug into financial modelling that mimics the global derivatives market.

The Trading Room is powered by the same tech used by institutional dealing rooms, fund managers and government research departments. It even has mobile and algorithmic trading capabilities. Think of it like Wall Street for beginners.

Who can use the Trading Room?
The Business Trading Room is built into the curriculum for several Flinders business degrees, including the Bachelor of Finance, Bachelor of Finance and Business Economics, and Bachelor of Business.
Bachelor of International Relations and Political Science

In this degree you'll develop an understanding of how to drive policy development and effect political change. You'll graduate with a comprehensive understanding of key political, social, economic and strategic relations within the domestic and global communities.

- Study policy areas such as inequality, Indigenous affairs, cybersecurity & AI, space governance, trade, foreign affairs and human rights.
- Gain real-world understanding of how Parliament and public agencies work through placement opportunities in Washington, Vienna, and South Australia.
- Develop a grounding in research and analysis and expand your career options in one year of extra study with a combined honours degree.

We offer a range of internship programs that will see you graduate future ready.

From the South Australian Parliamentary Internship that gives you the opportunity to see how Parliament operates from the inside, to the Washington Internship Program where you will experience political life in Washington DC, to the all new Vienna Space Internship Program where you could sit in on UN Office for Outer Space Affairs meetings.

Washington Internship Program

The Washington Internship Program provides you with an opportunity, unparalleled in Australia, to experience political life in Washington DC.

Flinders has been sending students on this unique seven-week placement in the US Congress since the program’s inception in 2000. To date, we’ve sent over 130 students to Capitol Hill.

The program can give you a unique insight into US politics and an appreciation of the workings of the American political system.

As a participant in the program, you will work full-time in the office of a member of the United States Senate or the US House of Representatives. The goal of the internship is to provide an experience of political life in an influential congressional office and the many tasks, priorities and pressures of that office.

“I’ve had several ‘pinch myself’ moments – you never know what historic world events might unfold during the Washington Internship Program, and being able to witness these events from within the global centre of power that is the US Congress is an experience unlike anything else.”

Mariah Spronk
Intern, 2022 Washington Internship Program

South Australian Parliamentary Internship

2024 was the 29th anniversary of the prestigious South Australian Parliamentary Internship Program.

The program gives you the opportunity to experience how Parliament operates from the inside, enhancing both your degree and future career opportunities.

Interns will work attached to the office of a Member of Parliament while completing a public policy research project nominated by the member, under the formal supervision of a member of the Flinders academic staff.

Vienna Space Internship Program

Spend up to eight weeks in the charming city of Vienna, where you’ll discover how law and policy can impact human activity in space, with an opportunity to sit in on meetings at the UN Office for Outer Space Affairs.

Business, International Relations & Political Science 2025
Flinders’ huge main campus features an award-winning hub and plaza, with retail, food outlets and a state-of-the-art sport and fitness centre.

Flinders at Tonsley is a place where our students interact with business, and where business interacts with our researchers in areas such as engineering, medical devices and nanoscale technologies.

Flinders University’s cutting-edge, vertical campus offers a new way of learning in the heart of the city. Flinders’ city campus at Festival Plaza has been designed for flexibility, collaboration and immersion. Here, students will gain the knowledge and practical skills they need to confidently step into their careers.

Spanning eight levels, with multiple state-of-the-art teaching spaces, Flinders’ new city campus is designed for innovative and adaptable learning, catering to an extensive range of study programs. Every floor has dedicated spaces for students to come together, learn from industry experts and be inspired by a world of learning possibilities.
Applying to study

How to apply
Applying to study at Flinders is easy, but there are some steps you’ll need to follow. Applicants need to apply through the South Australian Tertiary Admissions Centre (SATAC). You’ll find application dates and details at:

satac.edu.au

Before you apply
Visit the course page you’re interested in via the QR codes in this brochure, or via flinders.edu.au/study to make sure you have all the information and admission criteria you need, such as prerequisites and assumed knowledge.

You may also want to explore alternative pathways to your degree or combined degrees.

After you’ve applied
Once you’ve received an offer to a course, visit students.flinders.edu.au/my-course/enrolment to enrol in your subject/topics.

Fees and charges
As an undergraduate student your course is Commonwealth supported provided you’re an eligible Australian citizen, New Zealand citizen or permanent resident. This means that your course fees are shared between the Australian government and you. You may then choose to apply for a HECS-HELP loan to pay your student contribution amount. Find out more at:
