- Succeed in your studies with free mentoring and specialised tutor programs.
- Develop valuable work-ready skills through innovative peer review assessment activities.
- Enjoy greater flexibility by studying your degree online.
- Flinders has a series of international exchange links that give you a chance to study part of your degree overseas.

CAREER OPPORTUNITIES

Your degree is the first step towards a range of employment opportunities, including:

- industry analyst
- client service executive
- human resource associate
- marketing manager
- graduate commercial analyst.

Potential employers include:

- KPMG
- Westpac
- Austrade
- Ruralco Holdings Limited.

ADVANCED LEADERSHIP

If you’re a high-achieving student, meet your full potential with advanced leadership studies in business. The advanced leadership degree can be taken on its own or in any of the five Bachelor of Business specialisations (human resource management, innovation and enterprise, international business, management or marketing), and is designed for students demonstrating potential to attain leadership skills and work-relevant experience to make them of distinct value to employers.

Bachelor of Business (Human Resource Management)

Build a career attracting, motivating and managing people.

At a time when many organisations are undergoing change, there are opportunities for professionals trained to identify ways to recruit, support, develop and retain staff. You’ll graduate with the skills and knowledge to pursue a specialist career in human resource management.

In this degree, you’ll participate in Work-Integrated Learning and industry placement programs, engage with business in a real-world environment and learn how to attract, manage, motivate and retain people.

Bachelor of Business (Innovation and Enterprise)

Think big, make an impact and design your future.

The world is changing, and this degree will prepare you for the jobs and entrepreneurial opportunities of the future. You will receive mentorship from leading entrepreneurs, and work with innovative businesses.

This degree will help you develop your personal enterprise skills to enhance creativity, understand and embrace innovation, and think like an entrepreneur.

Bachelor of Business (Innovation and Enterprise)

• Prepare for future careers in a vast range of areas or start your own venture and be a job maker.
• Develop skills and understand ideas critical to the future of our economies and societies.
• Build your skills and networks by learning from real-world innovators and entrepreneurs, undertaking a live industry project or work placement.
• Online topics allow you greater flexibility in your studies.
• Graduate career-ready through in Work-Integrated Learning and industry placement programs.
• Immerse yourself in live industry projects with the New Venture Institute and engage with businesses in the real world in real time.

CAREER OPPORTUNITIES
Your degree is the first step towards a range of employment opportunities, including:
• commercial associate
• innovation associate
• business development officer
• marketing officer
• junior business analyst
• entrepreneur/founder.

Potential employers include:
• Stryker
• Atlassian
• Nous Group
• Department of Industry, Innovation and Science.

Bachelor of Business (International Business)

Prepare yourself for a global career.

Learn how culture, language, political systems and socio-economic factors affect international business practice, and develop skills for a career that could span the globe.

Gain an understanding of cultural differences and the principles of trade and management, alongside skills in core business disciplines of finance, marketing, human resource (HR) management and global sustainability.

You will develop advanced skills and knowledge relating to international trade in multinational organisations.

Bachelor of Business (International Business)

• Build your knowledge of international business management, international marketing, and import-export theory and practice.
• Get real-world work experience and build networks through work placements.
• Enjoy greater flexibility by studying your degree online.
• Participate in Work-Integrated Learning and industry placement programs.
• Immerse yourself in live industry projects with the New Venture Institute and engage with business in a real-world environment.

CAREER OPPORTUNITIES
Your degree is the first step towards a range of employment opportunities, including:
• international trade graduate
• international strategy project officer
• international marketing officer
• export trade facilitator.

Potential employers include:
• Qantas
• Mainfreight
• AccorHotels
• Department of State Development
• not-for-profit organisation
• business consulting firms.
Bachelor of Business (Management)

Implement strategies for management and take charge of your future.

Build the foundations of a rewarding management career by combining studies across all areas of business practice, including planning, decision-making, e-business, marketing, and HR and strategic management.

The practical approach embedded in this degree will prepare you well for your career as a business professional who can build and support high-performing teams.

As a business manager you’ll face new challenges every day. This degree will prepare you with the management, planning and decision-making skills to succeed.

Broaden your opportunities

Explore your interests and unlock more career opportunities by combining degrees. Combining your degree with a qualification in another discipline will help you develop specialised abilities to stand out from the pack. Studying a combined degree at Flinders is the key to enhancing your career opportunities.

Find out about combining these qualifications:

**Bachelor of Psychological Science/Bachelor of Business (Human Resource Management)**
Learn how to manage an organisation effectively. Develop an understanding of psychology and apply it to human resource management.

**Bachelor of Health Sciences (Health Management)/Bachelor of Business (Human Resource Management)**
This degree will prepare you to acquire, manage and retain employees within contemporary health organisations and other frameworks.

**Bachelor of Psychological Science/Bachelor of Business (Marketing)**
Learn how to market to people effectively by understanding how psychology influences their decisions.

Graduate work-ready with practical business experience

Go beyond theory and gain real-world insights into the day-to-day operations of business.

With over 230 partner organisations, Flinders Business guarantees you a practical work placement that will give you invaluable workplace experience.

Flinders also provides you with the opportunity to work on real life consulting projects with our industry partners. You’ll be supported by business leaders and mentors to deliver real value to their client and to enhance your own career prospects.

Opportunities range from placement in smaller organisations to one of the Big Four accounting firms, internationally recognised FMCG brands, banking and finance institutions and South Australian state and local government departments.

Our key partners include Price Water House Coopers, McDonald’s, Ernst & Young (EY), BT Financial Group, Hudson and Bendigo Bank.
Bachelor of Commerce

Understand the commercial forces that drive the world and prepare for a great career.

There are a broad range of employment opportunities within the business world. This degree will see you graduate with a broad and skillset, prepared for a range of professional, business-related careers in private and public enterprise. You will receive a balanced learning experience that combines theoretical and practical learning, with Work-Integrated Learning and industry placement programs built into the degree.

The Bachelor of Commerce provides you with sound knowledge, understanding, skills and attitudes to facilitate careers in business-related fields.

Bachelor of Commerce

**Bachelor of Commerce (Accounting)**

Accounting is the language of commerce, and the basis of a rewarding career.

Prepare yourself for a career in accounting and commerce including the analysis, interpretation and communication of financial information. Careers in accounting are available in a broad range of business situations. This degree will qualify you to practise as an accountant, and provides a strong foundation in accounting principles and processes, auditing, and taxation law.

Bachelor of Commerce (Accounting/Finance)

Your accounting career could see you explore the global marketplace.

Prepare for a career in accounting or finance with an introduction to the technical and practical realities of the global marketplace. You will learn fundamental business concepts and apply them to real-world scenarios, developing analytical skills vital for roles in accounting and business analysis.

This degree will qualify you to practise as an accountant, and provides core studies in a range of business-related topics.

Prepare for a career in accounting, corporate financial analysis and reporting, financial markets, fund management or investment banking.

Bachelor of Commerce (Accounting/Finance)

- Develop the business analysis and enterprise resource planning skills that employers are seeking.
- Get real-world work experience and develop networks through work placements.
- Participate in Work-Integrated Learning and industry placement programs.
- Immerse yourself in live industry projects with the New Venture Institute and engage with business in a real-world environment.

Bachelor of Commerce (Advanced Leadership)

For admissions details for the Bachelor of Commerce (Advanced Leadership and Accounting/Finance) refer to page 9.

See the inside back cover for more information on your admission pathways, opportunities to enhance your degree, and how to apply.

CAREER OPPORTUNITIES

Your degree is the first step towards a range of employment opportunities, including:

- graduate taxation advisor
- finance systems graduate
- accountant
- graduate business analyst.

Potential employers include:

- MP Services
- Australian Securities and Investments Commission
- Reserve Bank of Australia
- Department of Treasury and Finance South Australia.

Bachelor of Commerce (Business Economics)

Build a career applying economic principles for the benefit of business.

Understanding the principles of economics and how to apply these to the practical needs of business will open up a range of career options. In this degree, you’ll gain a clear understanding of relevant economic concepts and principles, and learn how to respond to changes in the economic environment.

Your degree has applications in banking and finance, business analysis, law, journalism and public policy, and market regulation.

Bachelor of Commerce (Business Economics)

- Undertake specialisation topics such as macroeconomics, business forecasting, managerial economics and international business.
- Participate in Work-Integrated Learning and industry placement programs.
- Flinders has a series of international exchange links that give you a chance to study part of your degree overseas.
- Immerse yourself in live industry projects with the New Venture Institute and engage with business in a real-world environment.

CAREER OPPORTUNITIES

Your degree is the first step towards a range of employment opportunities, including:

- junior equity advisor
- graduate data analyst
- industry research analyst
- quantitative/econometrics consultant.

Potential employers include:

- KPMG
- Westpac
- Commonwealth Bank of Australia
- Australian Prudential Regulation Authority.
Bachelor of Commerce (Finance) Manage finances, create wealth and build a rewarding career.

A deep understanding of wealth creation and financial management could prepare you for a strong future in finance. Prepare yourself for a career in fields such as financial engineering, treasury, fund management and investment banking.

You’ll develop an overall understanding of the applied finance discipline, financial management and wealth creation and gain extensive subject knowledge in specialised topics such as macroeconomics, financial management and international finance.

Bachelor of Commerce (Accounting/Finance)

• Learn about macroeconomics, financial management and international finance.
• Develop business analysis and enterprise resource planning skills that employers are seeking.
• Get work experience and develop networks through integrated work placements.
• Succeed in your studies with mentoring and specialised tutor programs.
• Participate in Work-Integrated Learning and industry placement programs.
• Flinders has a series of international exchange links that give you a chance to study part of your degree overseas.
• Immerse yourself in live industry projects with the New Venture Institute and engage with business in a real-world environment.

CAREER OPPORTUNITIES
Your degree is the first step towards a range of employment opportunities, including:
• junior equity advisor
• graduate underwriter
• corporate finance graduate
• graduate futures/derivatives administrator.

Potential employers include:
• Goldman Sachs
• Grant Thornton Australia
• Bell Potter Securities Ltd
• AMP Services.

Bachelor of Commerce (Finance/Economics) Develop the skills to analyse global finances and economies, and graduate career-ready.

Prepare for a career as an effective financial analyst and executive by being exposed the Australian economic policy framework and how it applies to the financial services industry. This degree will give you a firm grasp of rational economic decision-making processes.

Bachelor of Commerce (Finance/Economics)

• Get real-world work experience and the opportunity to develop business networks through integrated work placements.
• Succeed in your studies with mentoring and specialised tutor programs.
• Flinders has a series of international exchange links that give you a chance to study part of your degree overseas.
• Participate in Work-Integrated Learning and industry placement programs.
• Immerse yourself in live industry projects with the New Venture Institute and engage with business in a real-world environment.

CAREER OPPORTUNITIES
Your degree is the first step towards a range of employment opportunities, including:
• corporate finance graduate
• graduate data analyst
• graduate financial advisor
• graduate futures/derivatives administrator.

Potential employers include:
• AMP Services
• Australian Prudential Regulation Authority
• Australian Securities and Investments Commission
• Department of Planning, Transport and Infrastructure.

Find out more flinders.edu.au/business
“As a first year student, I have really valued the supportive environment and quality of teaching here at Flinders. The opportunity to learn from some of the best lecturers in Australia has really accelerated my understanding of business and management principles.”

Lewis Carey,
Bachelor of Business (Management)
We’re here to help

Whatever you decide to study at Flinders, we’re always here to help you succeed.

Transition to university
Starting at university is a big step, let’s make it easier.
The Transition Office can help make your shift into university study as smooth as possible, and the Student Learning Centre provides a range of services from writing and mathematics support to assistance with study and time-management skills.

Work-Integrated Learning
Work-Integrated Learning (WIL) enables you to gain work experience while you study.
Flinders provides each and every student with access to a WIL opportunity during their studies, through placements with over 500 organisations, including public, private and catholic schools, across metropolitan Adelaide and throughout rural South Australia, interstate and overseas.

Scholarships
Flinders University offers over 550 undergraduate scholarships, worth $2.2M in total. A generous range of scholarships is available to new and continuing undergraduate students.

Flinders Connect
Flinders Connect can help with everything from enrolment and fees to exams and graduation.
You can also access Flinders Connect for specialist services in admissions, careers and IT help. A range of support services is also available.

Flinders University Student Association (FUSA)
Flinders has a long history of active student involvement.
The Flinders University Student Association (FUSA) continues that tradition, and represents the rights and interests of students. FUSA manages social events, non-sporting clubs and societies, the student publication Empire Times, and helps with academic, administrative and welfare issues.

Careers & Employability Service
The Careers and Employability Service helps give you the edge in your career.
CareerHub, our online employment portal, is more than a service to help you prepare for and find the job you want. It offers personalised job opportunities, career planning, programs to help you broaden your skills and experience, access to employer events and career-related resources.
Whatever you are studying, CareerHub can help you find your direction and start your career.
How do I apply?

Applicants need to apply through the South Australian Tertiary Admissions Centre (SATAC): satac.edu.au
To find out more about your admission pathways to Flinders, visit: flinders.edu.au/pathways

ADMISSION PATHWAYS
At Flinders we recognise that every prospective student is an individual and that what works for one might not be right for another.
That’s why we provide various admission pathways into Flinders University and your preferred degree. You’re encouraged to explore your options and find the entry path that’s right for you.

Year 12 entry
The majority of Year 12 applicants enter university via the traditional competitive entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled. Your selection rank is used by Flinders to assess your admission to a course, and is based on your ATAR plus any adjustment factors for which you are eligible. The 2019 Minimum Selection Rank is the minimum selection rank required for consideration to enter in next intake. The 2019 selection rank indicates the lowest rank for which an offer was made to an applicant in that degree for the previous year (including any adjustment factors). This selection rank is provided only as a guide for 2020 entry as it may change from year to year.

Adjustment factors
Adjustment factors (formerly referred to as bonus points) may be used in combination with your ATAR to derive your course selection rank. Adjustment factors may be available for South Australian Year 12 students applying for entry to Flinders in 2020: the SA Universities Equity Scheme (UES) and the SA Language, Literacy and Mathematics Bonus Scheme (LLM).

Guaranteed entry selection rank
Achieve a selection rank equal to or above the published guaranteed entry selection rank and you’ll be guaranteed a place at Flinders. All you need to do is ensure you have listed Flinders degrees first in your preferences and you will be offered a place in the highest Flinders degree preference that you are eligible for in 2020.

uniTEST
If you’re a school leaver, uniTEST is your chance to increase your options to gain a place in your preferred degree. uniTEST is designed for school leavers and complements existing selection criteria by enhancing your overall selection rank.

Flinders UniLeap
Flinders UniLeap can help you qualify for entry into a Flinders University degree in four weeks. It’s a free intensive four-week program that has been designed for school leavers, to develop their independent learning skills and prepare them for university study.

Foundation Studies
The Foundation Studies program has been designed to introduce you to university study in a supportive learning environment. Open to people from all backgrounds, Foundation Studies provides a pathway to gain entry to most degrees at Flinders and offers guaranteed entry into some degrees.

TAFElink
Flinders offers guaranteed entry to selected degrees for applicants who have completed a TAFE/VET certificate IV or higher-level qualification, as long as degree prerequisites are met. Importantly, your TAFE/VET qualification does not need to be related to your selected area of study at Flinders.

TAFE SA dual offers
You can apply for a TAFE SA® diploma or advanced diploma that is linked to a Flinders degree. You’ll receive an offer to both TAFE SA and Flinders University and, on successful completion of the TAFE course, you’ll have secured an offer for a Flinders degree. TAFE SA dual offers are available for a range of Flinders degrees.® TAFE SA RTO Code: 41026

Adult entry
The adult entry scheme enables people aged 18 years and over to apply to study at Flinders via the Special Tertiary Admissions Test (STAT). Applications are made via SATAC.

Tertiary transfer
If you have completed at least one semester of full-time equivalent study at university, you may be able to transfer to study at Flinders University using your grade point average (GPA).

BACHELOR OF GENERAL STUDIES
The Bachelor of General Studies is a flexible degree that provides a sound basis of knowledge in an area of your choice. It is designed to prepare you with communication skills, a firm grasp of ethics, and the confidence to make connections across geographical, disciplinary, social and cultural boundaries. Successful completion of the first year to the required standard also provides you with guaranteed entry into a range of our degrees.

Get more out of your degree
Whatever you’re studying, Flinders gives you the opportunity to do more with your degree to help you have a competitive edge when you graduate. A combined degree is a combination of two Flinders bachelor degrees, meaning you will have two qualifications in just one to one-and-a-half years of extra study and undertake in-depth study in exciting combinations that aren’t usually available in single degrees.

The Bachelor of Letters is available to study alongside any degree at Flinders and enables you to graduate with two qualifications.

WHEN CAN I START?
Flinders offers two admissions cycles each year for undergraduate degrees.
Semester 1 – February start. Applications open in August for commencement the following year.
Semester 2* – July start. Mid-year applications open in August for commencement in July the following year.

*Not all degrees are offered for semester 2 entry. Check our midyear site for details: flinders.edu.au/midyear
