If you want to understand global markets, there’s only so much you can get from textbooks. You need to be out there, on the trading floor, feeling the noise and excitement, making high-stakes decisions in real time. Welcome to the Business Trading Room. It’s a simulated financial trading centre for students enrolled in Flinders Business degrees.

How does it work?
The Flinders Business Trading Room is a cutting-edge market simulation program environment. Students can access time-series data on security prices and exchange rates, execute trades in real time and plug into financial modelling that mimics the global derivatives market.

The Trading Room is powered by the same tech used by institutional dealing rooms, fund managers and government research departments. It even has mobile and algorithmic trading capabilities. Think of it like Wall Street for beginners.

Who can use the Trading Room?
The Business Trading Room will be built into the curriculum for several Flinders Business degrees, including the Bachelor of Finance, Bachelor of Finance and Business Economics, and Bachelor of Business. Students can pick elective subjects that include time on the Trading Room floor.

At Flinders you will gain genuine experience in today’s business world. Flinders Business provides every student with the opportunity to work on real-life consulting projects with our industry partners. Students are supported by business leaders and mentors to deliver real value to their client. Be part of this exciting opportunity and gain valuable experience including:

- learning to pitch your ideas and recommendations to a real client
- developing your consulting, project management and presentation skills
- working in a dynamic team with a range of skills and perspectives on ‘real-world’ business challenges
- developing invaluable and transferable skills that will enhance your career prospects
- developing strong business connections.

There’s also the opportunity to accelerate your learning by presenting your findings to business consultants at PricewaterhouseCoopers (PwC)*.

*only available in BUSN3061A_9125A.

FLINDERS BUSINESS TRADING ROOM

ENHANCE YOUR CAREER PROSPECTS WITH REAL BUSINESS EXPERIENCE

Combined degrees

Explore your interests and unlock more career opportunities by combining degrees. Combining your degree with a qualification in another discipline will help you develop specialised abilities to stand out from the pack.

Studying a combined degree at Flinders is the key to enhancing your career opportunities.

Find out about combining these qualifications:

Bachelor of Psychological Science/Bachelor of Business (Human Resource Management)
SATAC CODE 224941
Learn how to manage an organisation effectively. Develop an understanding of psychology and apply it to human resource management.

Bachelor of Health Sciences (Health Management)/Bachelor of Business (Human Resource Management)
SATAC CODE 214182
This degree will prepare you to acquire, manage and retain employees within contemporary health organisations and other frameworks.

Bachelor of Psychological Science/Bachelor of Business (Marketing)
SATAC CODE 224941
Learn how to market to people effectively by understanding how psychology influences their decisions.

For a full list of combined degree options visit flinders.edu.au/combineddegrees
We’re here to help
Whatever you decide to study at Flinders, we’re always here to help you succeed.

Transition to university
Starting at university is a big step; let’s make it easier.
The Transition Office can help make your shift into university study as smooth as possible, and the Student Learning Centre provides a range of services from writing and mathematics support to assistance with study and time-management skills.

Work Integrated Learning
Work Integrated Learning (WIL) enables you to gain work experience while you study.
Flinders aims to provide each and every student with access to a WIL opportunity during their studies through placements, practicums, field studies, and simulated workplace settings and assessment activities.

Scholarships
Flinders University offers over 550 undergraduate scholarships, worth $2.2m in total. A generous range of scholarships is available to new and continuing undergraduate students.

Flinders Connect
Flinders Connect can help with everything from enrolment and fees to exams and graduation.
You can also access Flinders Connect for specialist services in admissions, careers and IT help. A range of support services is also available.

Flinders University Student Association (FUSA)
Flinders has a long history of active student involvement.
The Flinders University Student Association (FUSA) continues that tradition, and represents the rights and interests of students.
FUSA manages social events, non-sporting clubs and societies, the student publication Empire Times, and helps with academic, administrative and welfare issues.

Careers & Employability Service
The Careers and Employability Service helps give you the edge in your career.
CareerHub, our online employment portal, is more than a service to help you prepare for and find the job you want. It offers personalised job opportunities, career planning, programs to help you broaden your skills and experience, access to employer events and career-related resources.
Whatever you are studying, CareerHub can help you find your direction and start your career.

INNOVATION & ENTERPRISE
Careers are evolving and the workplace of the future will look very different from today.
That’s why we offer a suite of innovation and enterprise electives and courses to prepare you for the careers of tomorrow. Powered by Flinders’ New Venture Institute, these electives will help you to develop the ‘personal enterprise skills’ that employers are looking for, and equip you with the ability to adapt to whatever life throws at you, personally and professionally.
Find out more flinders.edu.au/innovation

Graduate work-ready with practical business experience.

Go beyond theory and gain real-world insights into the day-to-day operations of business.

With over 350 partner organisations, Flinders Business guarantees you a practical work placement that will give you invaluable workplace experience.
Flinders also provides you with the opportunity to work on real-life consulting projects with our industry partners. You’ll be supported by business leaders and mentors to deliver real value to their clients and to enhance your own career prospects.

Opportunities range from placement in smaller organisations to one of the Big Four accounting firms, internationally recognised FMCG brands, banking and finance institutions, and South Australian state and local government departments.

Our key partners include:
PricewaterhouseCoopers, McDonald’s, BankSA, Ernst & Young (EY), BT Financial Group, Hudson and Bendigo Bank.

**How do I apply?**

Applicants need to apply through the South Australian Tertiary Admissions Centre (SATAC): [satac.edu.au](http://satac.edu.au)

To find out more about your admission pathways to Flinders, visit: [flinders.edu.au/pathways](http://flinders.edu.au/pathways)

**ADMISSION PATHWAYS**

At Flinders, we recognise that every prospective student is an individual and that what works for one might not be right for another.

That’s why we provide various admission pathways into Flinders University and your preferred degree. You’re encouraged to explore your options and find the entry path that’s right for you.

**Year 12 entry**

The majority of Year 12 applicants enter university via the traditional competitive entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled.

Your selection rank is used by Flinders to assess your admission to a course, and is based on your ATAR plus any adjustment factors for which you are eligible. The 2020 Minimum Selection Rank is the minimum selection rank required for consideration to enter in the next intake. The 2020 selection rank indicates the lowest rank for which an offer was made to an applicant in that degree for the previous year (including any adjustment factors). This selection rank is provided only as a guide for 2021 entry, as it may change from year to year.

**Adjustment factors**

Adjustment factors (formerly referred to as bonus points) may be used in combination with your ATAR to derive your course selection rank. Adjustment factors may be available for South Australian Year 12 students applying for entry to Flinders in 2021: the SA Universities Equity Scheme (USES) and the SA Language, Literacy and Mathematics Bonus Scheme (LLM).

**Guaranteed entry selection rank**

Achieve a selection rank equal to or above the published guaranteed entry selection rank and you’ll be guaranteed a place at Flinders. All you need to do is ensure you have listed Flinders degrees first in your preferences and you will be offered a place in the highest Flinders degree preference that you are eligible for in 2021.

**unitTEST**

If you’re a school leaver, unitTEST is your chance to increase your options to gain a place in your preferred degree. unitTEST is designed for school leavers and complements existing selection criteria by enhancing your overall selection rank.

**Foundation Studies**

The Foundation Studies program has been designed to introduce you to university study in a supportive learning environment. Open to people from all backgrounds, Foundation Studies provides a pathway to gain entry to most degrees at Flinders and offers guaranteed entry into some degrees.

**TAFElink**

Flinders offers guaranteed entry to selected degrees for applicants who have completed a TAFE/VET certificate IV or higher-level qualification, as long as degree prerequisites are met. Importantly, your TAFE/VET qualification does not need to be related to your selected area of study at Flinders.

**TAFE SA dual offers**

You can apply for a TAFE SA (RTO code: 41026) diploma or advanced diploma that is linked to a Flinders degree. You’ll receive an offer to both TAFE SA and Flinders University and, on successful completion of the TAFE course, you’ll have secured an offer for a Flinders degree. TAFE SA dual offers are available for a range of Flinders degrees.

**Bachelor of General Studies**

The Bachelor of General Studies (SATAC code: 234181) is a flexible degree that provides a sound basis of knowledge in an area of your choice. It is designed to prepare you with communication skills, a firm grasp of ethics, and the confidence to make connections across geographical, disciplinary, social and cultural boundaries. Successful completion of the first year to the required standard also provides you with guaranteed entry into a range of our degrees.

**Get more out of your degree**

Whatever you’re studying, Flinders gives you the opportunity to do more with your degree to help you have a competitive edge when you graduate.

A combined degree is a combination of two Flinders bachelor degrees, meaning you will have two qualifications in just one to two years and a half years of extra study and undertake in-depth study in exciting combinations that aren’t usually available in single degrees. The Bachelor of Letters is available to study alongside any degree at Flinders and enables you to graduate with two qualifications.

**WHEN CAN I START?**

Flinders offers two admissions cycles each year for undergraduate degrees.

- Semester 1 – February start, Applications open in August for commencement the following year.
- Semester 2 – July start, Mid-year applications open in August for commencement in July the following year.

*Not all degrees are offered for semester 2 entry. Check our [midyear site for details](http://flinders.edu.au/midyear)*

**This is Flinders**

Flinders' huge main campus features an award-winning hub and plaza, with retail, food outlets and a state-of-the-art sport and fitness centre. Take a virtual tour of Flinders University and explore our amazing locations. It's the next best thing to being here! [flinders.edu.au/vr](http://flinders.edu.au/vr)

**Student Hub & Plaza**

Open 24/7, the award-winning Hub and Plaza brings the best of coffee and street food culture to the heart of the Bedford Park campus, with retail options, innovative study spaces and free wi-fi access.

**Food & Drink**

You’ll never go hungry at Bedford Park, with a wide variety of food outlets.
