GAIN REAL-WORLD EXPERIENCE
Flinders Work Integrated Learning (WIL) enables you to gain work experience while you study. You’ll have the opportunity to gain real-world experience through placements, practicals, field studies, and simulated workplace settings and assessment activities. Flinders aims to provide each and every student with access to a WIL opportunity during their studies.

THINK BIG. MAKE AN IMPACT. DESIGN YOUR FUTURE.
Careers are evolving and the workplace of the future will look very different from today. Powered by Flinders’ New Venture Institute, our suite of innovation and enterprise electives and courses will help you to develop the ‘personal enterprise skills’ that employers are looking for, and equip you with the ability to adapt to whatever life throws at you, personally and professionally. No matter what you choose to study at Flinders, you can embed an innovation and enterprise elective into your degree.

TAKE YOUR STUDIES OVERSEAS
Why wait until you graduate to explore the world? Flinders’ Learn Without Borders could see you studying overseas, gaining a unique perspective and immersing yourself in a different culture, language and lifestyle.

“My exchange was honestly one of the most amazing and rewarding six months of my life. The friends I made, the things I saw and experienced will stick with me for the rest of my life.”

If you want to understand global markets, there’s only so much you can get from textbooks. You need to be out there, on the trading floor, feeling the noise and excitement, making high-stakes decisions in real time.

Welcome to the Business Trading Room. It’s a simulated financial trading centre for students enrolled in Flinders Business degrees.

How does it work?
The Flinders Business Trading Room is a cutting-edge market simulation program environment. Students can access time-series data on security prices and exchange rates, execute trades in real time and plug into financial modelling that mimics the global derivatives market. The Trading Room is powered by the same tech used by institutional dealing rooms, fund managers and government research departments. It even has mobile and algorithmic trading capabilities. Think of it like Wall Street for beginners.

Who can use the Trading Room?
The Business Trading Room will be built into the curriculum for several Flinders Business degrees, including the Bachelor of Finance, Bachelor of Finance and Business Economics, and Bachelor of Business. Students can pick elective subjects that include time on the Trading Room floor.

At Flinders you will gain genuine experience in today’s business world. Flinders Business provides every student with the opportunity to work on real-life consulting projects with our industry partners. Students are supported by business leaders and mentors to deliver real value to their client. Be part of this exciting opportunity and gain valuable experience including:

- learning to pitch your ideas and recommendations to a real client
- developing your consulting, project management and presentation skills
- working in a dynamic team with a range of skills and perspectives on ‘real-world’ business challenges
- developing invaluable and transferable skills that will enhance your career prospects
- developing strong business connections. There’s also the opportunity to accelerate your learning by presenting your findings to business consultants at PricewaterhouseCoopers (PwC)*.

*only available in BUSN3061A, 9125A.

"As a first-year student, I have really valued the supportive environment and quality of teaching here at Flinders. The opportunity to learn from some of the best lecturers in Australia has really accelerated my understanding of business and management principles.”

Lewis Carey, Bachelor of Business (Management)
Washington Internship Program

The Washington Internship Program provides you with an opportunity, unparalleled in Australia, to experience political life in Washington DC.

Flinders has been sending students on this unique seven-week placement in the US Congress since the program’s inception in 2000. Last year, we sent our 100th Washington intern to Capitol Hill.

The program gives you a unique insight into US politics and appreciation of the workings of the American political system.

As a participant in the program, you will work full-time in the office of a member of the United States Senate or the US House of Representatives. During this time, you are required to develop a research project, which will be the basis for your assessment. The placement contributes to the completion of your final year of study, or a component of your honours degree.

“The opportunity to gain international work experience made Flinders a natural choice for me. I undertook the Washington Internship Program, which was incredible. I also did an internship with the United States Consulate General in Melbourne last year and found learning about diplomacy really fascinating.”

Molly Stephens,
Bachelor of Laws and Legal Practice with International Relations (Honours)

“My degree has taken me around the world, and in 2016 I interned in Washington DC for two months for Republican Congressman Billy Long. I was able to grasp a better understanding of the internal workings of American politics. I vastly improved my writing and research skills. I was able to network with a variety of people and organisations.”

Sarah Flynn,
Bachelor of International Relations

Take Your Global Studies

Opportunities include six internships in the United States Congress every year – we’ve had over 100 Flinders participants since the year 2000. There are also opportunities in Indonesia, and over 100 of our students have studied or worked in Indonesia in the last five years, some for a semester or more.

For those interested in an experience closer to home, you can also participate in internationally relevant internships onshore, with a variety of organisations in Adelaide and across Australia.

Key affiliated international institutions in North America, Europe and Asia include:
- Georgetown University – Washington, USA
- York University – Toronto, Canada
- Uppsala University – Uppsala, Sweden
- UNESCO-IHE, Institute for Water Research – The Netherlands
- Hiroshima University – Hiroshima, Japan

Washington Internship Program

Opportunities include six internships in the United States Congress every year – we’ve had over 100 Flinders participants since the year 2000. Last year, we sent our 100th Washington intern to Capitol Hill.

The program gives you a unique insight into US politics and appreciation of the workings of the American political system.

As a participant in the program, you will work full-time in the office of a member of the United States Senate or the US House of Representatives. During this time, you are required to develop a research project, which will be the basis for your assessment. The placement contributes to the completion of your final year of study, or a component of your honours degree.

“The opportunity to gain international work experience made Flinders a natural choice for me. I undertook the Washington Internship Program, which was incredible. I also did an internship with the United States Consulate General in Melbourne last year and found learning about diplomacy really fascinating.”

Molly Stephens,
Bachelor of Laws and Legal Practice with International Relations (Honours)

“My degree has taken me around the world, and in 2016 I interned in Washington DC for two months for Republican Congressman Billy Long. I was able to grasp a better understanding of the internal workings of American politics. I vastly improved my writing and research skills. I was able to network with a variety of people and organisations.”

Sarah Flynn,
Bachelor of International Relations

Take Your Global

Opportunities include six internships in the United States Congress every year – we’ve had over 100 Flinders participants since the year 2000. There are also opportunities in Indonesia, and over 100 of our students have studied or worked in Indonesia in the last five years, some for a semester or more.

For those interested in an experience closer to home, you can also participate in internationally relevant internships onshore, with a variety of organisations in Adelaide and across Australia.

Key affiliated international institutions in North America, Europe and Asia include:
- Georgetown University – Washington, USA
- York University – Toronto, Canada
- Uppsala University – Uppsala, Sweden
- UNESCO-IHE, Institute for Water Research – The Netherlands

Combined degrees

Explore your interests and unlock more career opportunities by combining degrees.

By combining your degree with a qualification in another discipline, you’ll connect diverse knowledge in unique ways and develop specialised abilities to help you stand out from the pack. Studying a combined degree at Flinders is the key to enhancing your career opportunities.

Example degree combinations

Bachelor of Languages/Bachelor of International Relations and Political Science
SATAC CODE 214922
Leverage your love of languages into a career engaging with political, social and cultural issues in Australia and around the world.

Bachelor of Finance/Bachelor of International Relations and Political Science
SATAC CODE 244092
Enhance your finance studies with a greater understanding of international relations and politics.

GET MORE OUT OF YOUR STUDY

Combined degrees

Combining your degree with a qualification in another discipline will give you more expertise and expand your career prospects. Studying a combined degree at Flinders will help you stand out from the crowd. A combined degree is a combination of two Flinders bachelor degrees. As a combined degree graduate you will have two qualifications in just one to one-and-a-half years of extra study.

Our combined degree programs are designed to enhance your educational, academic and professional qualifications while minimising the cost and length of your studies. Flinders' combined degrees allow you to undertake in-depth study in exciting combinations that aren't usually available in single degrees.

Bachelor of Letters

The Bachelor of Letters is available to study alongside any degree at Flinders and enables you to graduate with two qualifications. The Bachelor of Letters is available in the following disciplines:

• Archaeology
• Creative enterprise
• Creative writing
• Criminology
• English
• Health
• History
• Innovation and enterprise
• Languages (French, Italian, Modern Greek, Spanish)
• Mathematics
• Sports performance coaching
• Theology.

The Bachelor of Letters is normally undertaken part-time over three years to allow concurrent study with your primary bachelor degree, adding one year to your overall study program.

BEGIN YOUR JOURNEY TO A SUCCESSFUL CAREER

Bachelor of General Studies

The Bachelor of General Studies (SATAC code: 234181) is a flexible degree that provides a sound basis of knowledge in an area of your choice. It is designed to prepare you with communication skills, a firm grasp of ethics and the confidence to make connections across geographical, disciplinary, social and cultural boundaries. Successful completion of the first year to the required standard also provides you with guaranteed entry into a range of our degrees.

**Pathways to Study**
Whether you are a school leaver or returning to study at a later date, there are many ways to gain admission to Flinders University. Explore your options and find the entry path that’s right for you.

**If you have recent secondary education**

**Year 12 Entry**
Most Year 12 applicants enter university via the traditional entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled. Your selection rank is used by Flinders to assess your admission to a course and is based on your ATAR plus any adjustment factors for which you are eligible.

**Elite Athlete Pathway**
If you’ve officially represented your school or state at a national level competition, we’ll consider your school’s recommendation about your academic potential when you apply.

**Research Project B Pathway**
If you have strong results in the Research Project B subject you will be considered for entry into Flinders on the basis of your Year 12 results and Research Project B performance.

**unitlest**
If you’re in Year 12, unitlest may enhance your chances of getting into Flinders. We will select students based on Year 12 results and unitlest performance.

**If you have some higher education**

**Tertiary Transfer**
If you have completed at least one semester of full-time equivalent study at university, you may be able to transfer to study at Flinders University using your grade point average (GPA).
