Choose your degree
Flinders University offers more than 60 creative arts, humanities and social sciences undergraduate degrees and majors. Follow your passions and take your first steps towards an amazing career.

Be taught by leaders
Flinders’ creative arts, humanities and social sciences degrees are taught by teachers who are leaders in their fields. You’ll study with practising artists, renowned fieldwork experts, respected industry figures and researchers.

Gain real-world experience
Flinders’ Work Integrated Learning (WIL) enables you to gain work experience while you study. You’ll have the opportunity to gain real-world experience through placements, practicums, field studies and simulated workplace settings and assessment activities. Flinders aims to provide each and every student with access to a WIL opportunity during their studies.

Creative Arts, Humanities & Social Sciences
Flinders has close ties to leading industry partners. Your studies will give you the opportunity to work on real-world industry projects alongside major industry organisations.

Acknowledgement of Country
Flinders University acknowledges the Traditional Owners and Custodians of the lands and waters on which its campuses are located. These are the Traditional Lands of the Arrernte, Dagoman, First Nations of the South East, First Peoples of the River Murray & Mallee region, Jawoyn, Kaurna, Larrakia, Ngadjuri, Ngarrindjeri, Ramindjeri, Warumungu, Wardaman and Yolngu people. We honour their Elders past, present and emerging.

At Flinders, it’s all about
your creative career

“Deciding where to study when you leave secondary schooling is always an important decision. The Flinders University program at Adelaide College of the Arts not only offered variance, experimentation and open collaboration, but so much more. Dancing at Flinders University has given me widespread knowledge of contemporary dance, the opportunity to train and create alongside industry professionals, lecturers and teachers from the profession that are passionately involved in our growth and development and, most importantly, the constant opportunity to perform.”

Alix Kuijpers
Bachelor of Creative Arts (Dance)
Flinders’ creative arts and media degrees are designed with your future career in mind. Our industry links go far beyond simple placements, and offer you the chance to work on real-world projects and gain the skills that employers are seeking, today and tomorrow. Our partnership with CDW Studios is one example, setting global benchmarks for education across a range of visual disciplines and producing graduates who are fully prepared to step into their creative fields.

**A rewarding career**

The range of careers that can stem from a degree in creative arts and media is incredibly broad. Your writing skills could lead you to a career in publishing. Your digital expertise could open up possibilities in gaming or animation. Your acting could lead you to roles in major stage or screen productions.

**Study for success**

Flinders has a long history of producing successful creative arts and media graduates. Our close collaborations with industry, such as the State Theatre Company of South Australia, the Adelaide Fringe, Adelaide Film Festival, Monkeystack and Mighty Kingdom (to name a few), give students the chance to gain placements, learn from the very best and gather real-world experience.

“Flinders University/CDW Studios has offered a unique experience where our teachers are currently working industry professionals, so this means that they can give the students proper insight into what is required of them at a professional level. The teaching staff all care for the success of the students, and it is very apparent through how much they encourage and push the students. Through my study at Flinders University/CDW Studios, I have learnt a lot of the necessary fundamentals as well as current and emerging methods and techniques that are currently used in the professional VFX or game design industries.”

**Jordan Soar, concept artist**

Bachelor of Creative Arts (Visual Effects and Entertainment Design)
Bachelor of Creative Industries (Music)

Ideal for passionate musicians and budding industry professionals, this degree is suited to those who would like to gain key industry knowledge as well as business and marketing skills to be successful professionals in a competitive environment.

Bachelor of Creative Arts (Dance)

Leap into a professional dance career. This degree will equip you with elite professional dance skills and theoretical knowledge to help you emerge with all the makings of a successful professional dancer.

Study Performance at Flinders (New in 2024)

Flinders Performance degrees span acting, directing and theatre making, and have been designed in consultation with industry. Our teachers are highly skilled creative practitioners who work closely with partners that include State Theatre Company South Australia, the Adelaide Festival Centre, Hesseom Casting, Channel 44 and others.

Study Performance at Flinders and you'll have the opportunity to hone your skills in real-world productions across live and digital platforms.

Bachelor of Performance (Acting)

Hone your acting skills for a career in theatre, film, television, digital media, and beyond.

Study towards one of the world's oldest and most influential careers. The Bachelor of Performance (Acting) is a rigorous programme designed for those passionate about honing their performance skills and working with like-minded colleagues and teachers. Combining practical, professional actor training with intellectually stimulating study in dramatic history, theory and criticism, Flinders' acting degree will prepare you for an amazing career.

Bachelor of Performance (Directing)

Australia's only undergraduate directing course will help you take the next step in your performance career.

Leadership roles in in theatre, film, television, digital media and emerging technologies demand a mixture of creativity, project management, empathy and discipline. Flinders' Bachelor of Performance (Directing) will give you the practical skills and knowledge to help guide, inspire and lead others to bring their visions and yours to life.

Bachelor of Performance (Theatre-Making)

Learn to lead behind the scenes through the design, development, and delivery of live and digital performance projects.

Create original stories for stage and screen through hands-on experience across the production pipeline in the Bachelor of Performance (Theatre-Making). From performance experience and writing to design development and production management, this is an interdisciplinary program that will help you develop the skills and knowledge required to turn dreams into reality.

Bachelor of Media and Communication

Created to meet the needs of the constantly evolving field of contemporary communications, this degree helps you to develop written, visual and verbal communication skills that can be applied to a broad range of professional and creative industries.

Gain the skills you’ll need to pursue a successful career in the creative industries. Explore post-production, digital visual effects, animation, games development and interactive media, and help support the growth of the digital media industry in South Australia.

Career opportunities

Your degree could open up a range of employment opportunities, including:
- chief communications officer
- social media specialist
- public relations officer
- marketing specialist
- media liaison
- content strategist
- digital copywriter.

Potential employers include:
- multilingual news and entertainment corporations
- theatre/dance companies
- galleries
- publishers
- start-ups
- local and national government
- advertising agencies.

Bachelor of Creative Industries

Bachelor of Creative Industries (Digital Media)

Gain the skills you’ll need to pursue a successful career in the creative industries. Explore post-production, digital visual effects, animation, games development and interactive media, and help support the growth of the digital media industry in South Australia.

Career opportunities

Your degree could open up a range of employment opportunities, including:
- concept artist
- production manager
- production artist
- illustrator
- graphic designer.

Potential employers include:
- local government organisations
- theatres
- arts organisations
- schools
- freelance work and independent productions.

Bachelor of Creative Industries (Interactive Design)

Prepare for a career in the booming industry of games development and interactive design. You’ll learn the methods required to create interactive experiences, and how to tailor your work to mass audiences using the latest technologies.

Career opportunities

Your degree could open up a range of employment opportunities, including:
- games designer
- programmer
- software designer
- illustrator
- digital content producer.

Potential employers include:
- games design companies
- web and software design companies
- education providers
- government
- freelance work and independent productions.

Bachelor of Creative Arts

Bachelor of Creative Arts (Game Production)

Investigate the societal impact of games and gaming, and work with industry standard software packages. You’ll have the opportunity to undertake programming, coding and visual effects and graduate with advanced knowledge of game engine implementation and the creative and practical processes of game production.

Career opportunities

Your degree could open up a range of employment opportunities, including:
- game artist/designer
- concept or character artist
- game critic/journalist/blogger
- independent game creator
- 3D modeler/rigger
- texture artist
- level designer
- game UI designer
- games focused 2D and 3D animators.

Potential employers include:
- game studios
- interactive design studios
- animation studios
- visualisation studios
- freelance work and independent productions.

Ranked in the top 27 Creative Media & Entertainment Schools and Colleges in the world*

* The Business of Film 2023
The Void incorporates motion capture and virtual production capabilities with Unreal Engine as a platform to create screen experiences of any kind.

"Flinders is a leader in South Australia for motion capture and virtual production, supported by the largest facility of its kind in South Australia, The Void, where Unreal Engine is the method of production. This is an epic time for Flinders."

Jason Bevan
Senior Lecturer in Visual Effects and Entertainment Design

"New players are coming into the educational space all the time, but Flinders has a history as a really solid foundational teaching institution. I think it’s very easy to have the tools, cameras and ideas, but it’s not necessarily easy to develop those into something that will work out in the industry. The ability to study at an institution like Flinders, where you meet future collaborators and can test your ideas in an environment where you’re constantly getting feedback, is really important. It’s like a safe launching pad to take off and begin your career."

Kirsty Stark
Award-winning Producer/Bachelor of Creative Arts (Screen Production)* Honours alumni

"Find out where a degree in screen can take you: Flinders.edu.au/screen-careers"
**FILM, TELEVISION & SCREEN**

**Bachelor of Creative Industries (Film and Television)**

Gain practical, cutting-edge skills and knowledge to make the most of your career opportunities within an exciting industry. Learn from industry leaders and fast-track your creative career.

- Combine hands-on production classes with the study of film and television modes of expression, histories and forms.
- Learn from industry professionals and be mentored by successful alumni working in the film and television industries.
- Combine your study of film and television with other creative arts topics (drama, creative writing), or other disciplines within the College (English, history, languages).
- Delivered in partnership with Channel 44.

**Career opportunities**

Your degree could open up a range of employment opportunities, including:
- film/television producer or showrunner
- scriptwriter, editor or cinematicographer
- film festival programmer
- arts administrator
- creative content producer in health, science, tourism or other industries.

**Potential employers include:**
- screen production companies
- government agencies
- news/media organisations
- post-production studios
- freelance work and independent productions
- film festivals and film distributors.

**FILM, TELEVISION & SCREEN**

**Bachelor of Creative Arts (Film and Television)**

Get equipped with an array of skills necessary for a career in screen-based media. Study scriptwriting, cinematography, creative collaboration, editing, sound, lighting and directing.

- Study a hands-on production-based degree that also offers a unique combination of scriptwriting, cinematography, editing, sound, lighting and character design.
- Undertake industry placements which, for many, lead to future employment opportunities.
- Produce a portfolio of work that will include student films that could be screened at national and international film festivals.

**Career opportunities**

Your degree could open up a range of employment opportunities, including:
- fashion designer
- product developer
- garment technician
- production assistant
- fashion design assistant.

**Potential employers include:**
- State Theatre Company of South Australia
- Bell Shakespeare Company
- Windmill Theatre Co
- Malthouse Theatre
- Department of Communications and the Arts.

**FASHION, COSTUME DESIGN, VISUAL ARTS**

**Bachelor of Creative Arts (Costume Design)**

Gain a practical and theoretical understanding of the costume industry and bring characters to life through costume design.

- Study design that enables you to focus on both costume design and construction.
- You’ll have the chance to work on real-life performances and gain experience in production settings.
- Experience how the industry works via connections with other creative artists to get a taste of real-life collaboration.
- Offered in collaboration with TAFE SA (RTO code: 4026).

**Career opportunities**

Your degree could open up a range of employment opportunities, including:
- costume designer
- costume buyer
- costume maker
- wardrobe manager
- costume technician.

**Potential employers include:**
- Australian Fashion Labels
- Jackson George Fashion
- Pacific Brands
- Givoni
- small-scale designer/boutique labels.

**FASHION, COSTUME DESIGN, VISUAL ARTS**

**Bachelor of Creative Arts (Fashion Costume Design)**

Stitch together the skills for a bespoke career in fashion. Learn about garment construction, patternmaking, drawing and design, as well as academic and professional communication and marketing.

- Gain extensive hands-on experience in a fashion design workshop and learn every inch of garment design and production.
- Specialise in either small-scale business, such as custom garment design, or large-scale business, such as global fashion brands.
- Gain insight into the business side of the industry, including valuable skills in communication.
- Offered in collaboration with TAFE SA (RTO code: 4026).

**Career opportunities**

Your degree could open up a range of employment opportunities, including:
- fashion designer
- product developer
- garment technician
- production assistant
- fashion design assistant.

**Potential employers include:**
- Australian Fashion Labels
- Jackson George Fashion
- Pacific Brands
- Givoni
- small-scale designer/boutique labels.
Bachelor of Creative Arts (Visual Arts)

Turn your creative dream into a career. Receive rigorous training in the medium of your choice in ceramics, jewellery, painting, photography, printmaking or sculpture.

- Develop an impressive portfolio and exhibit throughout your degree.
- Home your creative excellence under the tutelage of practising artists.
- Practice in purpose-built studio spaces that are unique to Adelaide College of the Arts.
- Offered in collaboration with TAFE SA through Adelaide College of the Arts (RTO code: 41026).

CAREER OPPORTUNITIES
Your degree could open up a range of employment opportunities, including:
- Visual artist
- Arts and culture development officer
- Art gallery manager
- Visual arts technician
- Illustrator

POTENTIAL EMPLOYERS INCLUDE:
- Marion Cultural Centre

- freelance work and independent productions.

#### Create your own career

Study what you love and work towards a career you’ll love. The workplaces of tomorrow are likely to be very different from those we see today. But one thing is unlikely to change; employers will be searching for independently minded people with valuable, transferrable skills. A humanities and social sciences degree from Flinders will give you the knowledge and skills you’ll require in tomorrow’s workplace.

#### A rewarding future

From a career in education or archaeology to a future in business or government, humanities and social sciences offer a wide variety of career paths. Flinders’ links to industry leaders will help you gain highly desirable, practical experience, and flexible study options will allow you to focus on a career in an area that truly interests you.

#### Career-ready experience

When you study at Flinders, you will be taught by teachers who have international reputations for excellence. They are plugged into industry trends and connected to professional networks, helping you graduate ready to pursue an exciting career. You’ll have the opportunity to gain industry-specific, practical experience, helping you to develop the skills employers want, build your networks, learn what it’s like to work in a professional environment and get an edge in the job market.

---

HUMANITIES & SOCIAL SCIENCES

Bachelor of Arts

Build a career around ideas that shape the world we live in or use your BA as a pathway into other degrees. Your studies will help you develop as a thinker, researcher and communicator.

Gain the fundamental knowledge and workplace skills to pursue the career of your choice. You'll be given the knowledge to identify your professional purpose and career identity, and the skills to manage your future career. The specialisation can be combined with any major across the BA, offering you the opportunity to build your professional capabilities and deepen your knowledge in a discipline that excites you.

Career opportunities
Your degree could open up a range of employment opportunities, including:
- graduate policy officer
- editorial assistant
- communications and campaigns assistant
- assistant advocacy officer
- employment consultant.

Potential employers include:
- government departments
- media and communications groups
- arts centres
- museums
- advertising agencies
- international cultural organisations.

Diploma in Arts

Not quite ready for a bachelor’s degree? Enrol in a one-year diploma where you get to taste a variety of different topics in the humanities, arts and social sciences and learn the fundamentals of university study such as communication and critical thinking skills. This course can be counted as the first year of the University’s Bachelor of Arts degree, so you can transfer straight into the second year of study if you choose to do so.

Bachelor of Arts

(Specialisation)

Career opportunities
Your career could cover science and the arts. With majors available from creative arts, humanities, law, science, mathematics, computing, and social and behavioural sciences, you’ll graduate ready to take on the world.

Career opportunities
Your degree could open up a range of employment opportunities, including:
- communications and customer service officer
- policy project officer
- scientific officer
- community education officer
- science management assistant.

Potential employers include:
- government departments
- community arts centres
- education/higher education
- media
- marketing organisations.

Bachelor of Arts in Science

Study a unique first-year topic that gets you thinking about contemporary careers and your own career motivations, personal values and career identity.

Study topics that develop your data literacy and analytical skills, which you'll need for organisational research projects.

Learn key business skills: leadership, communication, critical thinking and ethics.

Gain an understanding of institutionalised racism and the ability to critically reflect on racist ideologies and histories to decolonise institutions.

Career opportunities
Your degree could open up a range of employment opportunities, including:
- business support/administration officer
- market research analyst
- executive officer
- project manager
- market research analyst
- business support/administration officer.

Potential employers include:
- local/state/federal government
- large multinational organisations
- charities
- professional associations
- community organisations.

Page 19 - Creativity & Arts 2024
Arts – The following study areas can be taken as a major or minor:

**Arts and Science – In addition to choosing an arts major, the following science majors can also be taken:**

**Applied linguistics**
- Applied linguistics is concerned with the practical issues of language, such as learning and teaching, policy, multilingualism, cross-cultural communication, maintaining languages, and language difficulties.

**Archaeology**
- A major in archaeology makes sense of the world by identifying connections between fossil remains of past ancestors, artefacts and material culture once used by past societies, and particular cultural and natural environments.

**Creative writing**
- Creative writing develops the creative, practical, critical and collaborative skills necessary to pursue a career in the communication, arts and related creative industries.

**Criminology**
- Criminology explores who commits crime and critiques how the criminal justice system responds to crime.

**Drama**
- Drama offers grounding in the theories of theatre and performance workshops in movement, voice, improvisation and Stanislavskian techniques.

**English**
- English encourages a knowledge of and enthusiasm for literature and fosters effective communication skills critical in the workplace today.

**French**
- French is spoken in more than 40 countries, including some of Australia’s closest neighbours, and is one of the most widely taught second languages in the world.

**Geography and environmental studies**
- Together, geography and environmental studies explore dynamic relationships between people, places and the so-called ‘natural’ and built environments we shape.

**History**
- History introduces issues that have shaped and continue to influence the modern world, such as revolution, fascism, migration, population, warfare and globalisation.

**Indigenous and Australian studies**
- The Indigenous and Australian studies major offers thought-provoking and challenging insights into Indigenous and non-Indigenous contemporary contexts.

**Indonesian**
- Studying Indonesian is a vital key to understanding our region. In addition to your new language skills, you’ll learn how Indonesia works and the ways people think, feel and live together.

**Innovation and enterprise**
- Innovation and enterprise provides you with the skills to enhance your creativity, understand and embrace innovation and think like an entrepreneur.

**International relations**
- International relations studies global issues such as diplomacy, foreign policy, the military, human rights, economies, trade and international organisations.

**Italian**
- Italy is one of the wealthiest nations in the world, an essential tourist destination and a major trading partner with Australia. Italian language is a pathway to employment.

**Law and society**
- Law and society equips you with practical legal and analytical skills valuable in many industries including social work, policing, legal services, research and policy positions.

**Medieval and early modern studies**
- Games of thrones, cultural encounters, social upheavals – find out how medieval and early modern civilisations changed the world.

**Modern Greek**
- The study of Modern Greek language and culture provides the key to understanding the importance of the Hellenic tradition in western intellectual development.

**Philosophy**
- Philosophy deals with some of the big questions about the world, society and ourselves, and encourages thought and discussion by presenting a range of possible answers.

**Politics**
- Politics encompasses how groups of people conduct and understand their public life together. Politics is the study of public life in Australia and the rest of the world.

**Psychology**
- Psychology is the study of human behaviour and experience including how we learn, form personality and self-esteem, think, process information and solve problems.

**Screen and media**
- Screen and media involves the study and analysis of a wide range of media, including film, television, computer games and online media.

**Sociology**
- Sociology studies the social institutions and processes of contemporary society, linking the way individuals form identities against the backdrop of society and the construction of culture.

**Spanish**
- Spanish is one of the three most widely spoken languages in the world, one of six official languages of the UN and an important trading language in the Asia-Pacific.

**Visual arts**
- Visual arts is an exciting and important study that involves the creation of artworks and the practice of visual artists.

**Women’s and gender studies**
- Women’s and gender studies addresses the broad questions of gender in contemporary society and historically, in Australia and globally, and how to change gendered relations of power.

**Minors**
- The following areas are available as minors only in the BA: information technology, international affairs, mathematics, sciences. The following minors are available through cross-institutional study: Chinese, German and Japanese.

**Animal biology**
- The animal biology major involves the biology of animals, including their classification, molecular and chemical structures, evolution, physiology, ecology and biodiversity.

**Aquatic biology**
- Aquatic biology involves the biology of marine and freshwater aquatic life from mammals, birds and reptiles to plants and algae.

**Biochemistry and molecular biology**
- The biochemistry and molecular biology major explores the very building blocks of life from chemical structures and bonding to proteins and DNA.

**Chemistry**
- Chemistry affects almost everything we do or use. From drugs, antibiotics and anesthetics to polymers and plastics to synthetic fibres and batteries.

**Cognitive science**
- Cognitive science is the scientific study of the mind and its processes in both humans and machines, including intelligence and behaviour, perception, language, memory, attention, reasoning and emotion.

**Computer science**
- The computer science major provides you with a broad background in programming, databases and computer systems, enabling you to develop technical expertise in computers and their application.

**Ecology and evolutionary biology**
- The ecology and evolutionary biology major introduces you to the study of living animals, plants and fungi, how they interact, and their role in the complex ecology of life in communities.

**Environmental geology**
- Environmental geology applies geology or geoscience to our living environment. It examines how geological processes and hazards influence human activities and vice versa.

**Environmental hydrology and water resources**
- The environmental hydrology and water resources major is about solving a diverse range of environmental and water problems. It gives you a broad background in natural sciences including earth sciences, environmental sciences and marine sciences.

**Environmental management**
- Environmental management is the management of our impact on the environment. Environmental management major aims to prepare you with an understanding of the complexity and contexts of environmental decision-making.

**Geography**
- The geography major provides a broad foundation in geography. It involves investigating the dynamic relationships between humans and their cultures and environments.

**Mathematics**
- The mathematics major provides a firm foundation in the basic principles and techniques of modern mathematics, and an understanding of how mathematics is applied in the social and natural sciences.

**Microbiology**
- Microbiology is the study of microscopic organisms, from viruses and bacteria to parasites and fungi. The microbiology major involves the study of evolution, biodiversity, chemistry, biochemistry and immunology.

**Ocean and climate sciences**
- The ocean and climate science major provides you with a deeper understanding of the physical processes shaping the marine environment and influencing climate.

**Plant biology**
- The plant biology major involves study in areas such as Australian environmental change, diversity of plants and algae, animal and plant physiology, conservation biology and restoration ecology, and food biotechnology.

**Physics**
- The physics major provides an understanding of the fundamental laws of nature. You will develop an understanding of the broad spectrum of known phenomena from classic and modern science, and explore the frontiers of modern science.

**Statistics**
- The statistics major involves the use of mathematics, data science, biostatistics, probability and stochastic processes to analyse and solve complex statistical problems.
Languages

Explore the possibilities of the world around you

Studying languages at Flinders gives you the chance to develop a broad range of career-ready skills and knowledge. No matter which language you choose, you’ll gain transferrable skills and industry experience that will help you throughout your career and let you explore your passions and the world we live in.

A rewarding career

Embrace your passion for exploring diverse cultures and ideas through Flinders’ language degrees. Work towards a future career filled with endless opportunities for growth and adventure. Travel the world, delving deep into the heart of different cultures through their languages.

Study for success

Flinders’ Languages courses are designed to prepare you for a career in the real world. With close industry links, practical Work Integrated Learning (WIL) placement opportunities and a curriculum designed with your future in mind, you’ll graduate with highly employable expertise in communication, critical thinking, research, planning and negotiation.

Bachelor of Languages

Understanding of a culture and knowledge of its language are in high demand. With the internationalisation of the job market, graduates with a qualification in a foreign language will have greater employment opportunities both in Australia and overseas.

The following languages can be taken as an extended major (45 units), major (36 units) or minor (22.5 units).

French

French is an official language in 29 countries across multiple continents (Europe, Africa and America), and is one of the most widely taught second languages in the world.

Indonesian

Studying Indonesian is a vital key to understanding our region. In addition to your new language skills, you’ll learn how Indonesians works and the ways people think, feel and live together.

Italian

Italy is one of the wealthiest nations and a major trading partner with Australia, and its language is the fourth most studied in the world. Italian is a major community language in Australia and a pathway to employment.

Modern Greek

The study of Modern Greek language and culture provides the key to understanding the importance of the Hellenic tradition in western intellectual development.

Spanish

Spanish is second only to English as an international language, with more than 500 million speakers across 23 Spanish-speaking countries. It is one of the six official languages of the UN, making it an essential tool for diplomacy and the business world.

Also available

The following languages are also available as a minor through cross-institutional study at the University of Adelaide: Chinese, German and Japanese.

There’s more than one way to study a language at Flinders

In addition to the Bachelor of Languages, you can also study a language as a major in a number of Flinders degrees or take steps towards understanding a language and its culture with a Diploma in Language.

Studying language as a major

Language major sequences are available in the following degrees:

- Bachelor of Arts
- Bachelor of Arts and Science
- Bachelor of Education (Primary)
- Bachelor of Education (Secondary)

Diploma in Language

The Diploma in Language offers a solid foundation for learning and using a language of your choice, and will help you develop cross-cultural knowledge and skills that are invaluable in international workplaces.
Starting
at Flinders

One of the world’s top universities, Flinders offers students a supportive, inclusive education in an unrivalled study environment.

Flinders is ranked in the top 2% of universities in the world*  
* The World University Rankings 2023 as a percentage of the total number of universities in the world according to the International Association of Universities

Flinders’ Adelaide campuses include our main Bedford Park campus and Flinders at Tonsley, which features close links to industry. Our newest campus is the stunning Flinders at Festival Plaza on North Terrace, right beside the Adelaide Railway Station.

Take a virtual tour of Flinders University and explore our amazing locations.

Flinders at Festival Plaza

Flinders University’s cutting edge, vertical campus offers a new way of learning in the heart of the city. Flinders at Festival Plaza has been designed for flexibility, collaboration and immersion. Here, students will gain the knowledge and practical skills they need to confidently step into their careers.

Spanning eight levels, with multiple state-of-the-art teaching spaces, Flinders’ new city campus is designed for innovative and adaptable learning, catering to an extensive range of study programs. Every floor has dedicated spaces for students to come together, learn from industry experts and be inspired by a world of learning possibilities.

Flinders at Festival Plaza — opening 2024

Bedford Park

Flinders’ huge main campus features an award-winning hub and plaza, with retail, food outlets and a state-of-the-art sport and fitness centre.

Tonsley

Flinders at Tonsley is a place where our students interact with business, and where business interacts with our researchers in areas such as engineering, medical devices and nanoscale technologies.
Getting to Flinders

Transport options
The Flinders Railway Line gets you from the CBD to Tonsley in a super-fast 20 minutes, or to Bedford Park in just 22 minutes. And with free Campus Connector and Tonsley Link bus services running 7am – 6pm Monday to Friday, getting to and from your studies is simple. You’ll be able to schedule your day without worrying about missing a single lecture!

flinders.edu.au/loop-bus

Plan your trip to Flinders:

Pathways to study

Combined degrees

Flinders diplomas

If you have secondary education

Flinders' combined degrees allow you to undertake in-depth study in exciting combinations that aren't usually available in single degrees. As a combined degree graduate you will have two qualifications in just one to one-and-a-half years of extra study. There are dozens of combinations available, so why not explore your interests and find out where a combined degree could take you? Our combined degree programs are designed to enhance your educational, academic and professional qualifications while minimising the cost and length of your studies. Flinders' combined degrees allow you to undertake in-depth study in exciting combinations that aren't usually available in single degrees.

flinders.edu.au/combineddegrees

Flinders' diploma-level qualifications give you the chance to experience university life without having to commit to long-term study. The one-year Diploma in Business, Diploma in Sports Management, Diploma in Laws, or Diploma in Arts give you the chance to explore a range of interests, and successful completion allows you to apply for up to one year of credit towards a range of bachelor degrees, and guaranteed entry to the following courses:

- Bachelor of Archaeology
- Bachelor of Arts
- Bachelor of Business
- Bachelor of Business Economics
- Bachelor of Creative Industries (Digital Media, Film and Television, Interactive Design, Theatre and Performance, Writing and Publishing, Festivals and Arts Production)
- Bachelor of Disability and Community Inclusion
- Bachelor of Disability and Developmental Education
- Bachelor of Engineering Science
- Bachelor of Information Technology
- Bachelor of International Relations and Political Science
- Bachelor of Laws - Legal Practice Entry
- Bachelor of Laws (Honours) - Legal Practice Entry
- Bachelor of Science

Standard University admission requirements apply for all Flinders diplomas. Flinders will also consider applicants based on their uniTEST results (100%) as a standalone entry score (subject to SACE completion and any course prerequisites or specific admissions requirements). If you take the test and don’t do well, we will only consider your highest selection rank.

flinders.edu.au/unitest

uniTEST

If you have Year 12 results, uniTEST is available to enhance your chances of getting into Flinders. We will select students based on their Year 12 results (60% weighting toward the ATAR selection rank) and uniTEST results (40%). Flinders will also consider applicants based on their uniTEST results (100%) as a standalone entry score (subject to SACE completion and any course prerequisites or specific admissions requirements). If you take the test and don’t do well, we will only consider your highest selection rank.

flinders.edu.au/unitest

If you haven’t achieved the results you expected

If you haven’t achieved the results you expected in Year 12, there are a number of pathways to your preferred degree. You can start studying one course and move to another via internal transfer or Flinderslink.

flinders.edu.au/study/pathways/flinderslink

uniTEST

If you're in Year 12, uniTEST is available to enhance your chances of getting into Flinders. We will select students based on their Year 12 results (60% weighting toward the ATAR selection rank) and uniTEST results (40%). Flinders will also consider applicants based on their uniTEST results (100%) as a standalone entry score (subject to SACE completion and any course prerequisites or specific admissions requirements). If you take the test and don’t do well, we will only consider your highest selection rank.

flinders.edu.au/unitest

If you haven’t achieved the results you expected

If you haven’t achieved the results you expected in Year 12, there are a number of pathways to your preferred degree. You can start studying one course and move to another via internal transfer or Flinderslink.

flinders.edu.au/study/pathways/flinderslink

Guaranteed entry

Most Year 12 applicants enter university via the traditional entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled. Your selection rank is used by Flinders to assess your admission to a course and is based on your ATAR plus any adjustment factors for which you are eligible.

flinders.edu.au/year12

Guaranteed entry

If you achieve an ATAR equal to or above the published guaranteed entry selection rank (and you meet course prerequisites) you will be guaranteed a place at Flinders. We offer guaranteed entry for most courses.

Indigenous Admission Scheme

The Indigenous Admission Scheme provides an alternative pathway for Aboriginal and Torres Strait Islander people, who may not have been able to gain entry to university by traditional means, with the opportunity to study at Flinders. See page 32 for further details.

Elite Athlete Pathway

If you’ve officially represented your school or state at a national level competition, we’ll consider your school’s recommendation about your academic potential when you apply.

flinders.edu.au/study/sport/elite-athletes

Research Project B Pathway

If you have strong results in the Research Project B subject you will be considered for entry into Flinders on the basis of your Year 12 results and Research Project B performance.

flinders.edu.au/study/pathways/year-12-entry/research-project

School Recommendation Program

We may consider your school’s recommendation about your academic performance as part of your admission into Flinders.

Creativity & Arts 2024 - Page 29
Pathways to study

If you have work and life experience

Foundation Studies
The Foundation Studies program has been designed to introduce you to university study in a supportive learning environment. Open to people from all backgrounds, Foundation Studies provides a pathway to gain entry to most degrees at Flinders and offers guaranteed entry into some degrees.
flinders.edu.au/study/pathways/foundation-studies

Military pathways
Use your military service in the Australian Defence Force as a pathway to a Flinders University degree.
flinders.edu.au/study/pathways/military-veterans

Special Tertiary Admissions Test (STAT)
Adult entry to university via the Special Tertiary Admissions Test (STAT) enables people aged 18 years and over to apply to study at Flinders. Applications are made via SATAC.
satac.edu.au/stat
Alternatively, you may wish to consider an undergraduate certificate or diploma. These shorter courses allow you the opportunity to explore your interests and to progress to further study. Certificate courses are Commonwealth supported.

If you have some higher education

Tertiary Transfer
If you have completed at least one semester of full-time equivalent study at university, you may be able to transfer to study at Flinders University using your grade point average (GPA).

TAFElink
Flinders offers guaranteed entry to selected degrees for applicants who have completed a TAFE/VET Certificate IV or higher-level qualification, as long as degree prerequisites are met.
flinders.edu.au/tafelink

TAFE SA Dual Offers
Flinders University together with TAFE SA offer dual offer pathways in various disciplines.

Work Integrated Learning

When it comes to landing a job, practical placements can give you the edge you need to succeed.
Flinders’ Work Integrated Learning (WIL) will improve your employability by helping you better understand the day-to-day skills employers are looking for, and by giving you the chance to gain real experience in a workplace environment directly related to the course you’re studying. You might take on a work placement or internship, gain hands-on experience through field education, or get involved in projects with industry or community organisations. Your WIL experience will be designed to help you gain that edge.
Flinders.edu.au/WIL

If you have any further questions or need further assistance, please contact the Student Learning Centre.
students.flinders.edu.au/study-support/slc

Transition to university
Starting at university is a big step; let’s make it easier. The Student Learning Centre provides a range of services from writing and mathematics support to assistance with study and time-management skills.
students.flinders.edu.au/study-support/slc

Yungkurinth Student Engagement
Yungkurrinth Student Engagement is committed to increasing Aboriginal and Torres Strait Islander student access, participation, retention and success at Flinders University. Providing a range of services and support for Aboriginal and Torres Strait Islander students, our team of highly qualified staff is dedicated to supporting you throughout your student journey.
flinders.edu.au/study/indigenous-students

Student support

Whatever you decide to study at Flinders, we’re always here to help you succeed.

Careers & Employability Service
The Careers and Employability Service helps give you the edge in your career. CareerHub, our online employment portal, offers personalised job opportunities, career planning, programs to help you broaden your skills and experience, access to employer events and career-related resources.
Whatever you are studying, CareerHub can help you find your direction and start your career.
flinders.edu.au/careers

Flinders Connect
Flinders Connect can help with everything from enrolment and fees to exams and graduation. You can also access Flinders Connect for specialist services in admissions, careers and IT help. A range of support services is also available.
flinders.edu.au/flindersconnect

Flinders Library
Our extensive library is more than a book repository. We provide a range of services such as computing and printing, document delivery and one-on-one librarian appointments for assistance with search strategies and finding resources for your assignments.
library.flinders.edu.au

Flinders Living
Flinders is the only university in Adelaide that gives you the opportunity to live on campus, and both University Hall and Deirdre Jordan Village are located within the Bedford Park campus. The wide range of social, sporting and community activities also enhances the student experience at Flinders Living.
flinders.edu.au/living

Flinders University Student Association
The Flinders University Student Association (FUSA) continues a long tradition of active student involvement and represents the rights and interests of students. FUSA manages social events, non-sporting clubs and societies, and the student publication Empire Times, and helps with academic, administrative and welfare issues.
fusa.edu.au

Health, Counselling & Disability Services
Managing your health is important. We have facilities and services available to help you look after your physical and mental health.
flinders.edu.au/hcd

Horizon Award
The Flinders Horizon Award program sits alongside your academic studies; it is an innovative program that provides further opportunities to develop your professional skills and gain new experiences and insights that will benefit you now and in your future career.
flinders.edu.au/horizon

Flinders is committed to increasing Aboriginal and Torres Strait Islander student access, participation, retention and success at Flinders University. Providing a range of services and supports for Aboriginal and Torres Strait Islander students, our team of highly qualified staff is dedicated to supporting you throughout your student journey.
flinders.edu.au/study/indigenous-students
The Indigenous Admission Scheme provides an alternative pathway for Aboriginal and Torres Strait Islander people, who may not have been able to gain entry to university by traditional means, with the opportunity to study at Flinders.

Are you eligible?
To be eligible for the Indigenous Admission Scheme you must be an Aboriginal or Torres Strait Islander person in accordance with the Commonwealth definition, which requires you to:
- be of Aboriginal or Torres Strait Islander descent, and
- identify as an Aboriginal or Torres Strait Islander, and
- be accepted as an Aboriginal or Torres Strait Islander in the community in which you live or have lived.

You may be currently studying Year 12 or be a non-school leaver.

How to apply
1. Apply for the course you want to study through the South Australian Tertiary Admissions Centre (SATAC). You will get an application number from SATAC that you will need for your Indigenous Admission Scheme application form.
2. Complete the Indigenous Admission Scheme application form online (flinders.edu.au/indigenousadmissions). If you are having trouble completing an online application, you can request a paper-based application via ias@flinders.edu.au or call us on 08 8201 3033.
3. An interview is part of the application process, but you will be notified about this.

Application and interview dates
First round applications close late November and second round applications close early January for semester 1. For our midyear intake to a number of courses, applications close in June.

flinders.edu.au/indigenousadmissions

“I originally chose Flinders as they have one of the best facilities for future teachers and fantastic student engagement. Studying at Flinders has been a wonderful experience that has given me the opportunity to discover what I truly want into the future while also providing me with support in every way imaginable. Flinders and Yungkurrinthi have given me the opportunity to meet others with similar ambitions and goals as myself and find the benefit of an education in places I would never have thought to look. As a proud Indigenous woman, I want to use my degree to work in First Nation communities to help our young people make it through their high schooling experience and onto their own future aspirations.”

Emilee Pyrke
Bachelor of Arts, Conditional entry to Master of Teaching (Secondary)

Take your studies overseas
Why wait until you graduate to explore the world? Flinders’ Learn Without Borders could see you studying overseas, gaining a unique perspective and immersing yourself in a different culture, language and lifestyle. Our global study programs are designed to allow students to take their Flinders study overseas and earn academic credit toward their Flinders program. With 70+ overseas partner universities, why wait until you graduate to see the world?

flinders.edu.au/learn-without-borders

Explore Flinders scholarships
Flinders offers a generous range of scholarships for students in undergraduate courses. With over 450 available scholarships, including scholarships to students from low socio-economic backgrounds, students from rural and regional areas, and Aboriginal and Torres Strait Islander students, you may be eligible for support that will help you achieve your goals at university.

flinders.edu.au/scholarships

“I always knew I wanted to study overseas at some stage during my degree. A semester exchange gave me the chance to complete topics that weren’t available in my home university and experience life in a city that is very different to my own. Having completed a semester overseas, I now have an edge over the countless other students that are completing the same degree as me and have formed memories that will always stay with me.”

Annelise Smith
Bachelor of Business (Advanced Leadership)

“Flinders is an incredible university that offers an incredible support system. As a member of the Wyndham Richardson Scholarship Fund, I was able to complete my undergraduate studies without financial strain. This opportunity was invaluable.”

Ryan Rowston
Bachelor of Computer Science
Wyndham Richardson Scholarship Fund recipient

Over 450 scholarships worth $2.4 million in total – ranging from $1,000 to $20,000.

Enrol in your subject/topics at [students.flinders.edu.au/my-course/enrolment](students.flinders.edu.au/my-course/enrolment)

### When can I start?

There are two admissions cycles each year for undergraduate degrees.

**Semester 1 – March start**
Applications open in August for commencement the following year.

**Semester 2* – July start**
Mid-year applications open in August for commencement in July the following year.
*Not all degrees are offered for semester 2.

### Glossary

**Admission pathway**
Any one of the options available to a prospective higher education student that will enable them to meet the entry requirements of their chosen courses.

**ATAR**
The Australian Tertiary Admission Rank (ATAR) is a ranking from 30 (lowest) to 99.95 (highest) agreed by COAG as a nationally equivalent measure of a person’s relative academic ranking within their complete age cohort in the year they graduated from senior secondary school.

**Adjustment factors**
Often referred to as ‘bonus points’, these are additional points that may be used in combination with an applicant’s university aggregate to derive their course selection rank.

**Defer**
Delaying the start of a course of study by one year (commencing students only). If you have already enrolled, then you need to withdraw from topics before you can defer.

**Guaranteed entry selection rank**
Achieve a selection rank equal to or above the published guaranteed entry selection rank and you’ll be guaranteed a place at Flinders.

**Major**
A sequence of topics required to be taken as defined in your course rule, normally across all years of a course.

**Minor**
A sequence of topics required to be taken as defined in your course rule, generally as part of a major.

**Offer round/s**
Refers to the series of dates on which offers of higher education places are issued to applicants throughout the year, whether through a tertiary admission centre or directly by a higher education provider.

**Selection rank**
The ranking that tertiary admission centres and most universities actually use to assess admission to a course. A person’s course selection rank can include their ATAR, any adjustments they are eligible for, such as equity or subject adjustments, other contributions calculated on the basis of work experience or previous non-secondary study, portfolio assessments, results of the Special Tertiary Admissions Test, other supplementary tests, etc.

**Selection rank**
The ranking that tertiary admission centres and most universities actually use to assess admission to a course. A person’s course selection rank can include their ATAR, any adjustments they are eligible for, such as equity or subject adjustments, other contributions calculated on the basis of work experience or previous non-secondary study, portfolio assessments, results of the Special Tertiary Admissions Test, other supplementary tests, etc.

---

**Notes**

**Listing your SATAC preferences**
You may enter up to six course preferences that you would like to study. You should list these in the order in which you’d like to study them, with the one you would like most listed first. If you cannot be offered a place in your first preference, you will then be considered for your second preference and so on. It is also important to consider a backup plan. Ensure you include our recommended pathway courses in your preferences.

---

**Semester 1 – March start**
Applications open in August for commencement the following year.

**Semester 2* – July start**
Mid-year applications open in August for commencement in July the following year.
*Not all degrees are offered for semester 2.

### Key dates

- Flinders Open Days: Friday 11 August, Saturday 12 August 2023
- Semester 1 Orientation week: 19 February 2024
- Semester 2 2024 start date: 22 July 2024
- Semester 2 Orientation week: 29 July 2024

### Fees and charges

Your course fees – Commonwealth support
All our courses list indicative fees, but as an undergraduate student your course is Commonwealth supported provided you’re an eligible Australian citizen, New Zealand citizen or permanent resident.

Your course being Commonwealth supported means that your course fees are shared between the Australian government and you – with your portion being the student contribution amount.

HECS-HELP loan
You won’t have to pay your fees up-front if you’re an Australian citizen or holder of a permanent humanitarian visa. You can get a HECS-HELP loan for your student contribution portion of your uni fees. Find out more about costs to plan for while you’re at uni at [flinders.edu.au/fees](flinders.edu.au/fees)
