Choose your degree
Flinders University offers more than 60 Creativity & Arts undergraduate degrees and majors. Follow your passions and take your first steps towards an amazing career.

Be taught by leaders
Flinders’ Creativity & Arts degrees are taught by teachers who are leaders in their fields. You’ll study with practising artists, renowned fieldwork experts, respected industry figures and researchers.

Gain real-world experience
Flinders’ Work Integrated Learning (WIL) enables you to gain work experience while you study. You’ll have the opportunity to gain real-world experience through placements, practicums, field studies and simulated workplace settings and assessment activities. Flinders aims to provide each and every student with access to a WIL opportunity during their studies.

Creativity & Arts industry partners
Flinders has close ties to leading industry partners. Your studies will give you the opportunity to work on real-world industry projects alongside major industry organisations.

“Deciding where to study when you leave secondary schooling is always an important decision. The Flinders University program at Adelaide College of the Arts not only offered variance, experimentation and open collaboration, but so much more. Dancing at Flinders University has given me widespread knowledge of contemporary dance, the opportunity to train and create alongside industry professionals, lecturers and teachers from the profession that are passionately involved in our growth and development and, most importantly, the constant opportunity to perform.”

Alix Kuijpers
Bachelor of Creative Arts (Dance)
Explore your creative passions
Creativity is one of the most powerful and sought-after commodities on the planet. It drives screen, fashion, digital media, dance, writing and more. People with creative skills drive innovation in a range of industries, and multiple career paths are available for those with the right skills and knowledge. Learn how to unlock your visual, verbal and written skills to communicate your ideas.

Australia’s cultural and creative activity contributed $115.8 billion to the economy in 2018-19*

A rewarding career
The range of careers that can stem from a degree in creative arts and media is incredibly broad. Your writing skills could lead you to a career in publishing. Your digital expertise could open up possibilities in gaming or animation. Your acting could lead you to roles in major stage or screen productions.

Study for success
Flinders has a long history of producing successful creative arts and media graduates. Our close collaborations with industry, such as the State Theatre Company of South Australia, the Adelaide Fringe, Adelaide Film Festival, Monkseaton and Mighty Kingdom (to name a few), give students the chance to gain placements, learn from the very best and gather real-world experience.

No. 1 in SA in Creative Arts for full-time employment, learner engagement, skills development, student support and teaching quality**
** The Good Universities Guide 2020 (undergraduate) public SA-founded universities only

Flinders’ Creativity & Arts degrees are designed with your future career in mind. Our industry links go far beyond simple placements, and offer you the chance to work on real-world projects and gain the skills that employers are seeking, today and tomorrow.

Our partnership with CDW Studios is one example, setting global benchmarks for education across a range of visual disciplines and producing graduates who are fully prepared to step into their creative fields.

“Flinders University/CDW Studios has offered a unique experience where our teachers are currently working industry professionals, so this means that they can give the students proper insight into what is required of them at a professional level. The teaching staff all care for the success of the students, and it is very apparent through how much they encourage and push the students. Through my study at Flinders University/CDW Studios, I have learnt a lot of the necessary fundamentals as well as current and emerging methods and techniques that are currently used in the professional VFX or game design industries.”

The Void is a multipurpose production stage housed in Flinders’ acclaimed Drama Centre. Incorporating motion capture and virtual production capability with Unreal Engine as unifying technology, The Void is a platform for creating screen experiences of any kind.

“Flinders is a leader in South Australia for motion capture and virtual production, supported by the largest facility of its kind in South Australia, The Void, where Unreal Engine is the method of production. This is an epic time for Flinders.”

Jason Bevan
Senior Lecturer in Visual Effects and Entertainment Design

Explore The Void in depth

“New players are coming into the educational space all the time, but Flinders has a history as a really solid foundational teaching institution. I think it’s very easy to have the tools, cameras and ideas, but it’s not necessarily easy to develop those into something that will work out in the industry. The ability to study at an institution like Flinders, where you meet future collaborators and can test your ideas in an environment where you’re constantly getting feedback, is really important. It’s like a safe launching pad to take off and begin your career.”

Combined degrees

Combining your degree with a qualification in another discipline will give you more expertise and expand your career prospects. Studying a combined degree at Flinders will help you stand out from the crowd. A combined degree is a combination of two Flinders bachelor degrees. As a combined degree graduate you will have two qualifications in just one to one-and-a-half years of extra study.

There are dozens of combinations available, so why not explore your interests and find out where a combined degree could take you?

Our combined degree programs are designed to enhance your educational, academic and professional qualifications while minimising the cost and length of your studies. Flinders’ combined degrees allow you to undertake in-depth study in exciting combinations that aren’t usually available in single degrees.

Year 12 Entry

Most Year 12 applicants enter university via the traditional entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled. Your selection rank is used by Flinders to assess your admission to a course and is based on your ATAR plus any adjustment factors for which you are eligible.

flinders.edu.au/year12

Guaranteed entry

If you achieve an ATAR equal to or above the published guaranteed entry selection rank (and you meet course prerequisites) you will be guaranteed a place at Flinders. We offer guaranteed entry for most courses.

Indigenous Admission Scheme

The Indigenous Admission Scheme provides an alternative pathway for Aboriginal and Torres Strait Islander people, who may not have been able to gain entry to university by traditional means, with the opportunity to study at Flinders.

See page 24 for further details.

Elite Athlete Pathway

If you’ve officially represented your school or state at a national level competition, we’ll consider your school’s recommendation about your academic potential when you apply.

flinders.edu.au/study/sport/elite-athletes

Research Project B Pathway

If you have strong results in the Research Project B subject you will be considered for entry into Flinders on the basis of your Year 12 results and Research Project B performance.

flinders.edu.au/study/pathways/year-12-entry/research-project

School Recommendation Program

We may consider your school’s recommendation about your academic performance as part of your admission into Flinders.

uniTEST

If you’re in Year 12, uniTEST is available to enhance your chances of getting into Flinders. We will select students based on their Year 12 results (60% weighting toward the ATAR selection rank) and uniTEST results (40%). Flinders will also consider applicants based on their uniTEST results (100%) as a standalone entry score (subject to SACE completion and any course prerequisites or specific admissions requirements). If you take the test and don’t do well, we will only consider your highest selection rank.

flinders.edu.au/uitest

If you haven’t achieved the results you expected

If you haven’t achieved the results you expected in Year 12, there are a number of pathways to your preferred degree. You can start studying one course and move to another via internal transfer or Flinderslink.

The Indigenous Admission Scheme provides an alternative pathway for Aboriginal and Torres Strait Islander people, who may not have been able to gain entry to university by traditional means, with the opportunity to study at Flinders.

Are you eligible?
To be eligible for the Indigenous Admission Scheme you must be an Aboriginal or Torres Strait Islander person in accordance with the Commonwealth definition, which requires you to:
• be of Aboriginal or Torres Strait Islander descent, and
• identify as an Aboriginal or Torres Strait Islander, and
• be accepted as an Aboriginal or Torres Strait Islander in the community in which you live or have lived. You may be currently studying Year 12 or be a non-school leaver.

How to apply
1. Apply for the course you want to study through the South Australian Tertiary Admissions Centre (SATAC). You will get an application number from SATAC that you will need for your Indigenous Admission Scheme application form.
2. Complete the Indigenous Admission Scheme Application form online (flinders.edu.au/indigenousadmissions). If you are having trouble completing an online application, you can request a paper based application via ias@flinders.edu.au or call us on 08 8201 3033.
3. An interview is part of the application process, but you will be notified about this.

Application and interview dates
First round applications close early January for semester 1. For our midyear intake to a number of courses, applications close in June. flinders.edu.au/indigenousadmissions

“I originally chose Flinders as they have one of the best facilities for future teachers and fantastic student engagement. Studying at Flinders has been a wonderful experience that has given me the opportunity to discover what I truly want into the future while also providing me with support in every way imaginable. Flinders and Yungkurrinthi have given me the opportunity to meet others with similar ambitions and goals as myself and find the benefit of an education in places I would never have thought to look. As a proud Indigenous woman, I want to use my degree to work in First Nation communities to help our young people make it through their high schooling experience and onto their own future aspirations.”

“I always knew I wanted to study overseas at some stage during my degree. A semester exchange gave me the chance to complete topics that weren’t available in my home university and experience life in a city that is very different to my own. Having completed a semester overseas, I now have an edge over the countless other students that are completing the same degree as me and have formed memories that will always stay with me.”

Annelise Smith
Bachelor of Business (Advanced Leadership)

“The Wyndham Richardson Scholarship Fund has been invaluable to reduce the financial pressure during studies, especially now that I am in the later years of my degree.”

Fees and charges
Your course fees – Commonwealth support
All our courses list indicative fees, but as an undergraduate student your course is Commonwealth supported provided you’re an eligible Australian citizen, New Zealand citizen or permanent resident.
Your course being Commonwealth supported means that your course fees are shared between the Australian government and you – with your portion being the student contribution amount.

HECS-HELP loan
You won’t have to pay your fees up-front if you’re an Australian citizen or holder of a permanent humanitarian visa. You can get a HECS-HELP loan for your student contribution portion of your uni fees. Find out more about costs to plan for while you’re at uni at flinders.edu.au/fees

Admission pathway
Any one of the options available to a prospective higher education student that will enable them to meet the entry requirements of their chosen courses.

ATAR
The Australian Tertiary Admission Rank (ATAR) is a ranking from 30 (lowest) to 99.95 (highest) agreed by COAG as a nationally equivalent measure of a person’s relative academic ranking within their complete age cohort in the year they graduated from senior secondary school.

Adjustment factors
Often referred to as ‘bonus points’, these are additional points that may be used in combination with an applicant’s university aggregate to derive a person’s course selection rank.

Defer
Delaying the start of a course of study by one year (commencing students only). If you have already enrolled, then you need to withdraw from topics before you can defer.

Not all courses are deferrable, please visit flinders.edu.au/defer for details.

Guaranteed entry selection rank
Achieve a selection rank equal to or above the published guaranteed entry selection rank and you’ll be guaranteed a place at Flinders.

Major
A sequence of topics required to be taken as defined in your course rule, normally across all years of a course.

Minor
A sequence of topics required to be taken as defined in your course rule, generally as part of a major.

Offer round/s
Refers to the series of dates on which offers of higher education places are issued to applicants throughout the year, whether through a tertiary admission centre or directly by a higher education provider.

Selection rank
The ranking that tertiary admission centres and most universities actually use to assess admission to a course. A person’s course selection rank can include their ATAR, any adjustments they are eligible for, such as equity or subject adjustments, other contributions calculated on the basis of work experience or previous non-secondary study, portfolio assessments, results of the Special Tertiary Admissions Test, other supplementary tests, etc.

Flinders offers two admissions cycles each year for undergraduate degrees.
