To find out more about your admission pathways to Flinders, visit: [flinders.edu.au/pathways](http://flinders.edu.au/pathways)

**ADMISSION PATHWAYS**

At Flinders we recognise that every prospective student is an individual and that what works for one might not be right for another.

That’s why we provide various admission pathways into Flinders University and your preferred degree. You’re encouraged to explore your options and find the entry path that’s right for you.

**Year 12 entry**

The majority of Year 12 applicants enter university via the traditional competitive entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled. Your selection rank is used by Flinders to assess your admission to a course, and is based on your ATAR plus any adjustment factors for which you are eligible. The 2019 Minimum Selection Rank is the minimum selection rank required for consideration to enter in next intake. The 2019 selection rank indicates the lowest rank for which an offer was made to an applicant in that degree for the previous year (including any adjustment factors).

This selection rank is provided only as a guide for 2020 entry as it may change from year to year.

**Adjustment factors**

Adjustment factors (formerly referred to as bonus points) may be used in combination with your ATAR to derive your course selection rank. Adjustment factors may be available for South Australian Year 12 students applying for entry to Flinders in 2020: the SA Universities Equity Scheme (USES) and the SA Language, Literacy and Mathematics Bonus Scheme (LLM).

**Guaranteed entry selection rank**

Achieves a selection rank equal to or above the published guaranteed entry selection rank and you’ll be guaranteed a place at Flinders. All you need to do is ensure you have listed Flinders first in your preferences and you will be offered a place in the highest Flinders degree preference that you are eligible for in 2020.

**uniTEST**

If you’re a school leaver, uniTEST is your chance to increase your options to gain a place in your preferred degree. uniTEST is designed for school leavers and complements existing selection criteria by enhancing your overall selection rank.

**TAFElink**

Flinders offers guaranteed entry to selected degrees for applicants who have completed a TAFE/ VET certificate IV or higher level qualification, as long as degree prerequisites are met. Importantly, your TAFE/VET qualification does not need to be related to your selected area of study at Flinders.

**TAFE SA dual offers**

You can apply for a TAFE SA diploma or advanced diploma that is linked to a Flinders degree. You’ll receive an offer to both TAFE SA and Flinders University and, on successful completion of the TAFE course, you’ll have secured an offer for a Flinders degree. TAFE SA dual offers are available for a range of Flinders degrees.* TAFE SA RTD Code: 41026
