Flinders University acknowledges the Traditional Owners and Custodians of the lands on which its campuses are located, spanning across South Australia and the Northern Territory. We honour their Elders and Custodians past, present and emerging. We recognise the three largest Flinders University campuses across South Australia and Northern Territory are located on the lands of the Kaurna (Bedford Park, SA), Arrernte (Alice Springs, NT) and Larrakia (Darwin, NT) Nations.
Combine your degree
Flinders University offers a range of flexible degrees covering areas such as criminology, laws and legal practice, forensics and cybersecurity. Combine your degree to pursue multiple passions and broaden your job prospects. Graduate with the skills and knowledge to take your place in an ever-changing world.

Experienced teaching made personal
Flinders has the state’s largest and longest-running criminology program, and the most innovative and access-to-justice-focused law team. Our classes are comparatively small with, on average, 40 students per topic. That means our teachers and staff will know your name and customise learning to suit you.

Hands-on experience
Flinders’ Work Integrated Learning (WIL) enables you to gain work experience while you study. You’ll have the opportunity to gain real-world experience through placements, practicums, field studies and simulated workplace settings and assessment activities.

“I started studying criminology because I did have a strong passion for justice, specifically social justice, and the humanitarian issues going on in the world, and I was so engrossed in the different topics that we study in criminology which relate to what’s going on in the world right now. The degree has given me confidence, specifically because there’s a practical application... and so I’m feeling prepared to put the skills and passion I have into a career that can make a difference.”

Clare Perilli
Bachelor of Criminology (Honours)
The world is changing, and we need graduates skilled in the study of the causes, impact and prevention of crime.

Careers that make a difference
Study criminology for a career that prevents crime and drives social justice. From developing public policy to careers in counselling, rehabilitation, the justice system, intelligence services and more. The impacts of cybercrime, terrorism, corruption and other criminal activities are global. Studying criminology at Flinders could see you begin a career that could take you anywhere in the world.

SA’s most experienced criminology department
Criminology research at Flinders is recognised as above world standard.* At Flinders, you’ll learn from award-winning criminologists and researchers in such areas as human and drug trafficking, policing and security, organised crime, cybercrime, prison and rehabilitation, analysis of crime and criminal networks.
You’ll have the opportunity for hands-on, practical experience so that you’ll graduate ready to take on a challenging career.

Real-world experience
With the state’s largest and longest-running criminology program, partnerships with government bodies, public and private organisations, a state-of-the-art lab and the strength of over 40 years’ experience, Flinders University is a leader of criminology education and research in Australia and overseas.

No. 1 SA uni for starting salary**
** The Good Universities Guide 2022 (undergraduate), public SA-founded universities only
“There is a great choice of topics being offered within the program...”

“...such as psychology, politics, sociology, organised crime and law. The topic materials are highly engaging, with a focus on real-world case studies, bridging the gap between theory and practice.”

Anh Dinh
Bachelor of Criminology
CRIMINOLOGY

Bachelor of Criminology
Bachelor of Criminology (Honours)

Build a career exploring the world of crime. Worldwide, criminology jobs are emerging as one of the top ten jobs in demand, with employment opportunities in the field of criminology, intelligence analysis, community development, network security, cybersecurity, and network security.*

- Study practical topics to equip you for employment and graduate work-ready with practical work experience opportunities.
- Our teaching is informed by strong connections to government and industry through our internationally recognised research profile and Centre for Crime Policy and Research.
- You’ll have the opportunity to learn from world-class researchers and develop high-level research and analytical skills.
- Learn from the best with award-winning teachers and experienced lecturers.
- Draws on one of the top-ranked criminology research programs in Australia.**
- Industry-engaged – use the technical skills you’ve learnt at university and apply them as a consultant to a business as part of an industry project.
- Flinders offers South Australia’s only Honours program specifically focused on criminology.
- In-demand skills: knowledge of criminal justice system.
- Forensic psychology.
- Understanding of computer security, communications technology, and cybersecurity systems with criminology, providing a comprehensive understanding of the workings of the criminal justice system.

** Flinders Criminology research rated above world standard (Excellence in Research for Australia, 2018)

Career opportunities

Your degree could open up a range of employment opportunities, including:

- assistant advocacy officer
- youth justice case manager
- community corrections officer
- investigation support officer.

Potential employers include:

- research and/or teaching public policy development (local, state, federal)
- the criminal justice system – eg. police, regulatory or intelligence services (state or federal), corrections and court administration
- rehabilitation, counselling-related or welfare services, child safety and social work
- private security.

COMBINED DEGREES

Combining your degree with a qualification in another discipline will help you develop specialised abilities to stand out from the pack. Studying a combined degree at Flinders is the key to enhancing your career opportunities. Example degree combinations:

Bachelor of Psychological Science/Bachelor of Criminology
SATAC CODE 224651

By studying the Bachelor of Criminology combined with the Bachelor of Psychological Science, you can explore the intersection between psychology and the criminal justice system and the psychological factors underlying criminal behaviour. With further study, you’ll be able to apply for registration as a psychologist and will be well placed for a future career in forensic psychology.

Bachelor of Laws and Legal Practice/Bachelor of Criminology
SATAC CODE 244111

By combining studies in laws and legal practice with criminology, you’ll develop the professional legal skills to prepare you for a job in the legal profession and gain an understanding of how justice and society influence each other. The combination prepares you for a broad range of careers in law but also government, leadership and educational settings.

Bachelor of Criminology/Bachelor of International Relations and Political Science
SATAC CODE 234661

Combining your criminology studies with an understanding of international relations opens the door to a multitude of careers in international organisations, aid and human rights, government, transnational crime prevention, counterterrorism and non-government organisations.

Bachelor of Science (Forensic and Analytical Science)/Bachelor of Criminology
SATAC CODE 234281

Forensics and analytical science open up career options in areas such as illicit drug testing, DNA analysis, trace evidence examination and toxicology. Combine a hands-on experience of collecting, analysing and identifying physical evidence with an understanding of the workings of the criminal justice system.

Bachelor of Information Technology (Network and Cybersecurity Systems)/Bachelor of Criminology
SATAC CODE 224701

This exciting combined degree brings together your studies in network and cybersecurity systems with criminology, providing a comprehensive understanding of computer security, communications technology, administration, network engineering, enterprise systems and information networks. Graduates possess high-demand qualifications for the technology-driven marketplace.

For a full list of combined degree options visit flinders.edu.au/combineddegrees

See back pages for more information on your admission pathways, opportunities to enhance your degree and how to apply.
Bachelor of Law and Society

Develop the skills to research and analyse social issues and assess proposals for social change. This degree will give you a strong foundation in social and public policy and equip you with the skills you'll need to seek employment in a range of public and private sector organisations.

- Learn a combination of legal, philosophical and social science skills and develop knowledge of the relationships between justice, law and society.
- Study practical topics to equip you for employment in intelligence analysis, community corrections, community development and child safety work.
- Develop practical industry skills by undertaking Work Integrated Learning placements and enhance your employability in policy analysis, project coordination, justice administration and human resources.
- There are opportunities to take your studies overseas with a student exchange program.

Career opportunities

Your degree could open up a range of employment opportunities, including:
- dispute resolution officer
- housing case worker
- investigation support officer
- project and court officer
- probation and parole officer.

Potential employers include:
- Department of Immigration and Border Protection
- Australian Federal Police
- Attorney-General's Department
- Australian Bureau of Statistics
- Workskil Australia Incorporated.

COMBINED DEGREES

Combining your degree with a qualification in another discipline will help you develop specialised abilities to stand out from the pack. Studying a combined degree at Flinders is the key to enhancing your career opportunities.

Example degree combinations:

- Bachelor of Law and Society/Bachelor of International Relations and Political Science
  SATAC CODE 234641
  Combining the Bachelor of Law and Society with a Bachelor of International Relations and Political Science will give you the opportunity to enhance your legal, philosophical and social science skills with a broader understanding of key relationships within the global community.

- Bachelor of Criminology/Bachelor of Law and Society
  SATAC CODE 234661
  Combining your criminology studies with a Bachelor of Law and Society will prepare you for a range of careers. Your skills in areas such as cybercrime, transnational crime, policing and security will complement your understanding of the relationship between justice, law and society.

For a full list of combined degree options visit flinders.edu.au/combineddegrees
No.1 in SA in Science & Mathematics for overall quality of educational experience, skills development and student support*

* The Good Universities Guide 2022 (undergraduate), public SA-founded universities only

Explore a career in the sciences. Help us analyse and investigate crime, and protect the world from cyber threats.

Your career could keep our future safe
Study towards a career protecting society from the challenges created by changing technologies. As SA’s No.1 university in Computing & Information Systems for learning resources,* Flinders will see you graduate with cutting-edge skills and up-to-the-minute knowledge.

Study for success
Flinders’ strong links to industry give you the opportunity to study real-world problems and graduate ready to step into your new career. Our nationally recognised Work Integrated Learning (WIL) program can be in the form of internships, field education, vocational and professional practice, including projects with industry and community organisations. They will improve your employability by giving you valuable practical experience in a workplace setting, directly related to the degree you’re studying.

No.1 in SA in Computing & Information Systems for learning resources and full-time employment*

Discover how electronic communication works (and when it doesn’t).

Your studies will cover all cutting-edge developments in communications technology like optic fibre technology, cloud computing, and social networking and media.

You’ll learn how to design electronic communications systems that maximise safety and security.

Learn to work professionally and in a team through group projects, or take the opportunity to gain first-hand industry experience with a 12-week industry placement.

This degree is accredited by the Australian Computer Society at the professional level.

Career opportunities

Your degree could open up a range of employment opportunities, including:

- business analyst
- network engineer
- systems support officer
- cloud applications net developer
- information and IT security analyst.

Potential employers include:

- Accenture
- Plenary Networks
- Australian Federal Police
- Interactive Intelligence Group
- Department of Communications.

Get hands-on experience during laboratory practicals and learn how forensic technologies are applied to real-life cases.

Your degree opens career options in areas such as illicit drug testing, DNA analysis, trace evidence examination and toxicology.

This degree has strong links with Forensic Science South Australia and other agencies and researchers around the world.

You’ll be able to access research facilities among Australia’s best, and undertake research in the field.

There are opportunities to take your studies overseas with a student exchange program.

Career opportunities

Your degree could open up a range of employment opportunities, including:

- forensic chemist, forensic biologist or forensic toxicologist
- analytical chemist
- formulation chemist
- graduate chemist.

Potential employers include:

- Forensic Science SA
- Australian Federal Police
- Defence Science and Technology Group
- Victorian Institute of Forensic Medicine.

Combined degrees

Combining your degree with a qualification in another discipline will give you more expertise and expand your career prospects. Studying a combined degree at Flinders will help you stand out from the crowd. A combined degree is a combination of two Flinders bachelor degrees. As a combined degree graduate you will have two qualifications in just one to one-and-a-half years of extra study.

Our combined degree programs are designed to enhance your educational, academic and professional qualifications while minimising the cost and length of your studies. Flinders’ combined degrees allow you to undertake in-depth study in exciting combinations that aren’t usually available in single degrees.

flinders.edu.au/combineddegrees

Begin your journey to a successful career

Flinders diplomas

Flinders’ diploma-level qualifications give you the chance to experience university life without having to commit to long-term study. The one-year Diploma in Business, Diploma in Laws, or Diploma in Arts give you the chance to explore a range of interests, and successful completion allows you to apply for up to one year of credit towards a range of bachelor degrees, and guaranteed entry to the following courses:

- Bachelor of Archaeology
- Bachelor of Arts
- Bachelor of Business
- Bachelor of Business Economics
- Bachelor of Creative Industries (Digital Media, Film and Television, Interactive Design, Theatre and Performance, Writing and Publishing, Festivals and Arts Production)
- Bachelor of Disability and Community Inclusion
- Bachelor of Disability and Developmental Education
- Bachelor of Engineering Science
- Bachelor of Information Technology
- Bachelor of International Business (Wine, Spirits and Tourism)
- Bachelor of International Relations and Political Science
- Bachelor of Law and Society
- Bachelor of Laws
- Bachelor of Laws (Honours)
- Bachelor of Laws and Legal Practice
- Bachelor of Laws and Legal Practice (Honours)
- Bachelor of Science

Standard University admission requirements apply.

flinders.edu.au/diplomas
Pathways to study

Whether you are a school leaver or returning to study at a later date, there are many ways to gain admission to Flinders University. Explore your options and find the entry path that’s right for you.

If you have secondary education

Year 12 Entry
Most Year 12 applicants enter university via the traditional entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled. Your selection rank is used by Flinders to assess your admission to a course and is based on your ATAR plus any adjustment factors for which you are eligible.

uniTEST
If you’re in Year 12, uniTEST is available to enhance your chances of getting into Flinders. We will select students based on their Year 12 results (60% weighting toward the ATAR selection rank) and uniTEST results (40%). Flinders will also consider applicants based on their uniTEST results (100%) as a standalone entry score (subject to SACE completion and any course prerequisites or specific admissions requirements). If you take the test and don’t do well, we will only consider your highest selection rank.

Guaranteed entry
If you achieve an ATAR equal to or above the published guaranteed entry selection rank (and you meet course prerequisites) you will be guaranteed a place at Flinders. We offer guaranteed entry for most courses.

Indigenous Admission Scheme
The Indigenous Admission Scheme provides an alternative pathway for Aboriginal and Torres Strait Islander people, who may not have been able to gain entry to university by traditional means, with the opportunity to study at Flinders.

See page 19 for further details.

Elite Athlete Pathway
If you’ve officially represented your school or state at a national level competition, we’ll consider your school’s recommendation about your academic potential when you apply.

Research Project B Pathway
If you have strong results in the Research Project B subject you will be considered for entry into Flinders on the basis of your Year 12 results and Research Project B performance.

School Recommendation Program
We may consider your school’s recommendation about your academic performance as part of your admission into Flinders.
If you have work and life experience

**Foundation Studies**
The Foundation Studies program has been designed to introduce you to university study in a supportive learning environment. Open to people from all backgrounds, Foundation Studies provides a pathway to gain entry to most degrees at Flinders and offers guaranteed entry into some degrees.

[flinders.edu.au/study/pathways/foundation-studies](http://flinders.edu.au/study/pathways/foundation-studies)

**Military Pathways**
Use your military service in the Australian Defence Force as a pathway to a Flinders University degree.

**Adult Entry**
The adult entry scheme enables people aged 18 years and over to apply to study at Flinders via the Special Tertiary Admissions Test (STAT). Applications are made via SATAC.

Alternatively, you may wish to consider an undergraduate certificate or diploma. These shorter courses allow you the opportunity to explore your interests and to progress to further study. Certificate courses are Commonwealth supported.

---

If you have some higher education

**Tertiary Transfer**
If you have completed at least one semester of full-time equivalent study at university, you may be able to transfer to study at Flinders University using your grade point average (GPA).

**TAFElink**
Flinders offers guaranteed entry to selected degrees for applicants who have completed a TAFE/VET certificate IV or higher-level qualification, as long as degree prerequisites are met.

[flinders.edu.au/tafelink](http://flinders.edu.au/tafelink)

**TAFE SA Dual Offers**
Flinders University together with TAFE SA offer over 45 dual offer pathways in various disciplines.
Student support

Whatever you decide to study at Flinders, we’re always here to help you succeed.

Careers & Employability Service
The Careers and Employability Service helps give you the edge in your career. CareerHub, our online employment portal, offers personalised job opportunities, career planning, programs to help you broaden your skills and experience, access to employer events and career-related resources. Whatever you are studying, CareerHub can help you find your direction and start your career.

flinders.edu.au/careers

Flinders Connect
Flinders Connect can help with everything from enrolment and fees to exams and graduation. You can also access Flinders Connect for specialist services in admissions, careers and IT help. A range of support services is also available.

flinders.edu.au/flindersconnect

Flinders Library
Our extensive library is more than a book repository. We provide a range of services such as computing and printing, document delivery and one-on-one librarian appointments for assistance with search strategies and finding resources for your assignments.

library.flinders.edu.au

Flinders Living
Flinders is the only university in Adelaide that gives you the opportunity to live on campus, and both University Hall and Deirdre Jordan Village are located within the Bedford Park campus. The wide range of social, sporting and community activities also enhances the student experience at Flinders Living.

flinders.edu.au/living

Flinders University Student Association
The Flinders University Student Association (FUSA) continues a long tradition of active student involvement and represents the rights and interests of students. FUSA manages social events, non-sporting clubs and societies, and the student publication Empire Times, and helps with academic, administrative and welfare issues.

fusa.edu.au

Horizon Award
The Flinders Horizon Award program sits alongside your academic studies; it is an innovative program that provides further opportunities to develop your professional skills and gain new experiences and insights that will benefit you now and in your future career.

flinders.edu.au/horizon

Transition to university
Starting at university is a big step; let’s make it easier. The Student Learning Centre provides a range of services from writing and mathematics support to assistance with study and time-management skills.

students.flinders.edu.au/study-support/slc

Yungkurrinthi Student Engagement
Yungkurrinthi Student Engagement is committed to increasing Aboriginal and Torres Strait Islander student access, participation, retention and success at Flinders University. Providing a range of services and supports for Aboriginal and Torres Strait Islander students, our team of highly qualified staff is dedicated to supporting you throughout your student journey.

flinders.edu.au/study/indigenous-students

Health, Counselling and Disability Services
Managing your health is important. We have facilities and services available to help you look after your physical and mental health.

flinders.edu.au/hcd
Indigenous Admission Scheme

The Indigenous Admission Scheme provides an alternative pathway for Aboriginal and Torres Strait Islander people, who may not have been able to gain entry to university by traditional means, with the opportunity to study at Flinders.

Are you eligible?
To be eligible for the Indigenous Admission Scheme you must be an Aboriginal or Torres Strait Islander person in accordance with the Commonwealth definition, which requires you to:

- be of Aboriginal or Torres Strait Islander descent, and
- identify as an Aboriginal or Torres Strait Islander, and
- be accepted as an Aboriginal or Torres Strait Islander in the community in which you live or have lived. You may be currently studying Year 12 or be a non-school leaver.

How to apply
1. Apply for the course you want to study through the South Australian Tertiary Admissions Centre (SATAC). You will get an application number from SATAC that you will need for your Indigenous Admission application form.

2. Complete the Indigenous Admission Scheme Application form online (flinders.edu.au/indigenousadmissions). If you are having trouble completing an online application, you can request a paper based application via ias@flinders.edu.au or call us on 08 8201 3033.

3. An interview is part of the application process, but you will be notified about this.

Application and interview dates
First round applications close late November and second round applications close early January for semester 1. For our midyear intake to a number of courses, applications close in June.

flinders.edu.au/indigenousadmissions

“I originally chose Flinders as they have one of the best facilities for future teachers and fantastic student engagement. Studying at Flinders has been a wonderful experience that has given me the opportunity to discover what I truly want into the future while also providing me with support in every way imaginable. Flinders and Yungkurinthi have given me the opportunity to meet others with similar ambitions and goals as myself and find the benefit of an education in places I would never have thought to look. As a proud Indigenous woman, I want to use my degree to work in First Nation communities to help our young people make it through their high schooling experience and onto their own future aspirations.”

Emilee Pyrke
Bachelor of Arts,
Conditional entry to Master of Teaching (Secondary)
Study abroad/scholarships

Over 450 scholarships worth $2.4 million in total – ranging from $1,000 to $20,000.

Take your studies overseas

Why wait until you graduate to explore the world? Flinders’ Learn Without Borders could see you studying overseas, gaining a unique perspective and immersing yourself in a different culture, language and lifestyle. Our global study programs are designed to allow students to take their Flinders study overseas and earn academic credit toward their Flinders program. With 70+ overseas partner universities, why wait until you graduate to see the world?

flinders.edu.au/learn-without-borders

Explore Flinders scholarships

Flinders offers a generous range of scholarships for students in undergraduate courses. With over 450 available scholarships, including scholarships to students from low socio-economic backgrounds, students from rural and regional areas, and Aboriginal and Torres Strait Islander students, you may be eligible for support that will help you achieve your goals at university.

flinders.edu.au/scholarships

“I always knew I wanted to study overseas at some stage during my degree. A semester exchange gave me the chance to complete topics that weren’t available in my home university and experience life in a city that is very different to my own. Having completed a semester overseas, I now have an edge over the countless other students that are completing the same degree as me and have formed memories that will always stay with me.”

Annelise Smith
Bachelor of Business
(Advanced Leadership)

“The Wyndham Richardson Scholarship Fund has been invaluable to reduce the financial pressure during studies, especially now that I am in the later years of my degree.”

Ryan Rowston
Bachelor of Computer Science

Wyndham Richardson Scholarship Fund recipient
How to apply

Check the application dates
Applicants need to apply through the South Australian Tertiary Admissions Centre (SATAC)
satac.edu.au

Read the course information
• check the admission criteria
• check the prerequisites
• check assumed knowledge and additional admission criteria
• consider combined degrees
• consider pathways to your degree

Enrol in your subject/topics at students.flinders.edu.au/my-course/enrolment

When can I start?

Flinders offers two admissions cycles each year for undergraduate degrees.

Semester 1 – March start
Applications open in August for commencement the following year.

Semester 2* – July start
Mid-year applications open in August for commencement in July the following year.
* Not all degrees are offered for semester 2.

Key dates
Flinders Open Days: August 2022
Semester 1 2023 start date: 27 February 2023
Semester 1 Orientation week: 20 February 2023
Semester 2 2023 start date: 24 July 2023
Semester 2 Orientation week: 24 July 2023

Fees and charges
Your course fees – Commonwealth support
All our courses list indicative fees, but as an undergraduate student your course is Commonwealth supported provided you’re an eligible Australian citizen, New Zealand citizen or permanent resident.
Your course being Commonwealth supported means that your course fees are shared between the Australian government and you – with your portion being the student contribution amount.

HECS-HELP loan
You won’t have to pay your fees up-front if you’re an Australian citizen or holder of a permanent humanitarian visa. You can get a HECS-HELP loan for your student contribution portion of your uni fees. Find out more about costs to plan for while you’re at uni at flinders.edu.au/fees
Glossary

There are many terms used within a university that may be unfamiliar or confusing. Below are a few terms that may need explanation.

**Admission pathway**
Any one of the options available to a prospective higher education student that will enable them to meet the entry requirements of their chosen courses.

**ATAR**
The Australian Tertiary Admission Rank (ATAR) is a ranking from 30 (lowest) to 99.95 (highest) agreed by COAG as a nationally equivalent measure of a person’s relative academic ranking within their complete age cohort in the year they graduated from senior secondary school.

**Adjustment factors**
Often referred to previously as ‘bonus points’, these are additional points that may be used in combination with an applicant’s ATAR to derive a person’s course selection rank.

**Defer**
Delaying the start of a course of study by one year (commencing students only). If you have already enrolled, then you need to withdraw from topics before you can defer.

**Guaranteed entry selection rank**
Achieve a selection rank equal to or above the published guaranteed entry selection rank and you’ll be guaranteed a place at Flinders.

**Major**
A sequence of topics required to be taken as defined in your course rule, normally across all years of a course.

**Minor**
A sequence of topics required to be taken as defined in your course rule, generally as part of a major.

**Offer round/s**
Refers to the series of dates on which offers of higher education places are issued to applicants throughout the year, whether through a tertiary admission centre or directly by a higher education provider.

**Selection rank**
The ranking that tertiary admission centres and most universities actually use to assess admission to a course. A person’s course selection rank can include their ATAR, any adjustments they are eligible for, such as equity or subject adjustments, other contributions calculated on the basis of work experience or previous non-secondary study, portfolio assessments, results of the Special Tertiary Admissions Test, other supplementary tests, etc.
