At Flinders, it’s all about your career

Combine your degree
Flinders University offers a range of flexible degrees covering areas such as criminology, laws, forensics and cybersecurity. Combine your degree to pursue multiple passions and broaden your job prospects. Graduate with the skills and knowledge to take your place in an ever-changing world.

Experienced teaching made personal
Flinders has the state’s largest and longest-running criminology program, and an innovative law team committed to social justice. Our classes are comparatively small with, on average, 40 students per class. That means our teachers and staff will know your name and customise learning to suit you.

Hands-on experience
Flinders’ Work Integrated Learning (WIL) enables you to gain work experience while you study. You’ll have the opportunity to gain real-world experience through placements, field studies and simulated workplace settings and assessment activities.

New Flinders city campus
Located in the growing heart of the CBD, the North Terrace & Riverbank Precinct, Flinders at Festival Plaza is metres away from the central Adelaide Railway Station, making study at Flinders accessible to all.

Acknowledgement of Country
Finders University acknowledges the Traditional Owners and Custodians of the lands and waters on which its campuses are located. These are the Traditional Lands of the Arrernte, Dagoman, First Nations of the South East, First Peoples of the River Murray & Mallee region, Jawoyn, Kaurna, Larrakia, Ngadjuri, Ngarrindjeri, Raminjjeri, Warumungu, Wardaman and Yolngu people. We honour their Elders past, present and emerging.
Criminology

True crime. Real impact.
Created in partnership with industry, this future-focused and socially responsible degree is designed to equip you with the practical, real-world skills you need to examine criminal behaviour, understand what drives it, and crucially, make a real impact on society. From working in intelligence, cybercrime and crime scene analysis, to probation and parole roles, as a Chief Information Security Officer in a large corporate, or as a domestic violence specialist, criminology jobs are rewarding. Available with a specialisation in Cybersecurity or Innovation, our Bachelor of Criminology can be studied at Bedford Park, or in the Adelaide CBD.

SA’s largest and most experienced criminology team.
With the state’s largest and longest-running criminology program, partnerships with government bodies, public and private organisations, and the strength of over 40 years’ experience, Flinders University are leaders of criminology education and research in Australia and overseas. Our experience in the delivery of criminology courses in Australia, combined with teaching excellence and research innovation, continues to produce career-ready graduates who have an excellent reputation within the industry.

Real-world experience
Take part in a real-life industry project and meet your future colleagues. As part of the Building Criminology Careers Industry Project topic, you’ll partner with students, conduct research and develop strategic recommendations for an industry client. A Criminology Industry Placement is also available in third year, where you’ll undertake a semester-long placement, putting what you’ve learnt into practice in the criminology sector, such as the Department for Correctional Services.

Five stars for learner engagement, learning resources and skills development*

CRIMINOLOGY
Bachelor of Criminology
Bachelor of Criminology (Honours)
Build a career and make a real impact on crime. Worldwide, criminology jobs are emerging as one of the top ten jobs in demand, with employment opportunities in the field of criminology, intelligence analysis, community development, network security and cybersecurity.*

Bachelor of Criminology (Cybersecurity)
Develop the skills and knowledge required to address the technological challenges of the criminal justice sector and related fields. With a focus on technology, this criminology specialisation explores the causes of crime with an aim to identify solutions to address its impact on people and infrastructures, and to minimise the social and psychological harms it can cause.

Potential occupations include:
- Your degree could open up a range of employment opportunities, including:
  - state/federal police officer
  - cybersecurity analyst
  - information security officer
  - defence and intelligence analyst
  - fraud and scam investigator
  - cybercrime researcher/consultant

Potential employers include:
- government departments
- private businesses
- e-commerce
- banking and financial institutions
- not-for-profit organisations.

Build a career and make a real impact on crime. Worldwide, criminology jobs are emerging as one of the top ten jobs in demand, with employment opportunities in the field of criminology, intelligence analysis, community development, network security and cybersecurity.*

- Study practical topics to equip you for employment and to ensure you graduate work-ready with practical work experience opportunities.
- Our teaching is informed by strong connections to government and industry through our internationally recognised research profile.
- You’ll have the opportunity to learn from world-class researchers and develop high-level research and analytical skills.
- Learn from the best with award-winning teachers and experienced lecturers.
- Draws on one of the top-ranked criminology research programs in Australia.
- Industry-engaged – use the technical skills you’ve learnt at university and apply them as part of an industry project.
- Flinders Criminology research rated above world standard (Excellence in Research for Australia, 2018)

Career opportunities
Your degree could open up a range of employment opportunities, including:
- advocacy officer
- youth justice case manager
- community corrections officer
- investigation support officer.

Potential employers include:
- government departments
- private businesses
- e-commerce
- banking and financial institutions
- not-for-profit organisations.

Bachelor of Criminology (Innovation)

Learn how to increase your positive social impact and develop an innovative and entrepreneurial mindset to address existing and emerging challenges related to criminal justice. With a focus on innovation, this Criminology specialisation will teach you how to creatively apply criminological concepts to produce positive social impact and transform the world we live in.

**Combined criminology degrees**

Combining your degree with a qualification in another discipline will help you develop specialised abilities to stand out from the pack. Studying a combined degree at Flinders is the key to enhancing your career opportunities. Example degree combinations:

**Bachelor of Psychological Science/Bachelor of Criminology**

SATAC code 234941

By studying the Bachelor of Criminology combined with the Bachelor of Psychological Science, you can explore the intersection between psychology and the criminal justice system, and the psychological factors underlying criminal behaviour. With further study, you'll be able to apply for registration as a psychologist and will be well placed for a future career in forensic psychology.

**Bachelor of Laws - Legal Practice Entry/Bachelor of Criminology**

SATAC code 245041

By combining studies in laws and legal practice with criminology, you'll develop the professional legal skills to prepare you for a job in the legal profession and gain an understanding of how justice and society influence each other. The combination prepares you for a broad range of careers in law but also government, leadership and educational settings.

**Bachelor of Criminology/Bachelor of International Relations and Political Science**

SATAC code 234661

Combining your criminology studies with an understanding of international relations opens the door to a multitude of careers in international organisations, aid and human rights, government, transnational crime prevention, counterterrorism and non-government organisations.

**Bachelor of Science (Forensic and Analytical Science)/Bachelor of Criminology**

SATAC code 234281

Forensics and analytical science open up career options in areas such as illicit drug testing, DNA analysis, trace evidence examination and toxicology. Combine a hands-on experience of collecting, analysing and identifying physical evidence with an understanding of the workings of the criminal justice system.

**Bachelor of Information Technology (Network and Cybersecurity Systems)/Bachelor of Criminology**

SATAC code 224701

This exciting combined degree brings together your studies in network and cybersecurity systems with criminology, providing a comprehensive understanding of computer security, communications technology, administration, network engineering, enterprise systems and information networks. Graduates possess high-demand qualifications for the technology-driven marketplace.

For a full list of combined degree options visit flinders.edu.au/combined-degrees

---

**PRISONS: HOW CAN WE DO BETTER?**

Cooper Lawson, a Flinders Criminology student, explored ways of improving the corrections system in his Industry Project. It went so well, that the Department for Correctional Services offered him a job.

Criminology students have the opportunity to complete an Industry Project as part of their degree. In 2022, our students explored the creation of new environments and delivering rehabilitation programs more effectively, in a project involving the Department for Correctional Services.

Representatives from the Department for Correctional Services said that the external view provided by students was immensely helpful in learning about the public’s perspective on rehabilitation. It also helped the Department network in learning about the public’s perspective on rehabilitation.

"It was really nice to be able to meet the industry project providers, and some of my future colleagues... I’m actually the first Aboriginal Victim Liaison Officer – this is a new role within the Victim Services Unit,” says Lawson. "Being an Aboriginal student myself, I’m really excited to be able to engage with this, because that means that I can bring that cultural inclusivity, and those different conversations, into such a dynamic workforce."

Learn more about the Industry Project our students completed with the Department for Correctional Services.
The science of crime

Your career could keep our future safe

Study towards a career protecting society from the challenges created by changing technologies. As SA’s No. 1 university in Computing & Information Systems for learning resources,* Flinders will see you graduate with cutting-edge skills and up-to-the-minute knowledge.

Study for success

Flinders’ strong links to industry give you the opportunity to study real-world problems and graduate ready to step into your new career. Our nationally recognised Work Integrated Learning (WIL) program can be in the form of internships, field education, vocational and professional practices, including projects with industry and community organisations. They will improve your employability by giving you valuable practical experience in a workplace setting, directly related to the degree you’re studying.

CRIMINOLOGY AND SCIENCE

Bachelor of Information Technology (Network and Cybersecurity Systems) (Honours)

Gain a comprehensive understanding of computer security, communications technology, administration, network engineering, enterprise systems and information networks.

Potential employers include:
- Accenture
- PwC
- Australian Federal Police
- Interactive Intelligence Group
- Department of Communications

Career opportunities

Your degree could open up a range of employment opportunities, including:
- software developer
- network engineer
- systems support officer
- cloud applications net developer
- information and IT security analyst

Bachelor of Science (Forensic and Analytical Science) (Honours)

Work towards a fascinating career using chemistry and biology to analyse evidence, help investigate crime and contribute to justice.

Potential employers include:
- Forensic Science SA
- Australian Federal Police
- Defence Science and Technology Group
- Victorian Institute of Forensic Medicine

Career opportunities

Your degree could open up a range of employment opportunities, including:
- forensic chemist
- forensic biologist
- forensic toxicologist
- analytical chemist
- formulation chemist
- graduate chemist

Bachelor of Engineering (Honours)

Gain comprehensive understanding of computer security, communications technology, administration, network engineering, enterprise systems and information networks.

No. 1 in SA in Computing & Information Systems for learning resources and full-time employment*

Starting
at Flinders

One of the world’s top universities, Flinders offers students a supportive, inclusive education in an unrivalled study environment.

Flinders is ranked in the top 2% of universities in the world*.

* The World University Rankings 2023 as a percentage of the total number of universities in the world according to the International Association of Universities.

This is Flinders

Flinders’ Adelaide campuses include the Bedford Park campus, featuring an award-winning hub and plaza, with retail, food outlets and a state-of-the-art sport and fitness centre.

Flinders at Tonsley houses state-of-the-art facilities and close links to industry. In 2024, our Victoria Square CBD campus will move to the stunning new Flinders at Festival Tower on North Terrace, right beside the Adelaide Railway Station.

Take a virtual tour of Flinders University and explore our amazing locations. It’s the next best thing to being here!

Flinders.edu.au/vr

Flinders at Festival Plaza – opening 2024

Flinders University students want flexibility, convenience and connectivity. That’s why we’re taking our presence in the Adelaide CBD to a whole new level. As an anchor tenant in the new Festival Plaza development on North Terrace, Flinders will offer new courses and new career pathways in a new city campus.

Bedford Park

Flinders’ huge main campus features an award-winning hub and plaza, with retail, food outlets and a state-of-the-art sport and fitness centre.

Tonsley

Flinders at Tonsley is a place where our students interact with business, and where business interacts with our researchers in areas such as engineering, medical devices and nanoscale technologies.

Combined degrees

Combining your degree with a qualification in another discipline will give you more expertise and expand your career prospects. Studying a combined degree at Flinders will help you stand out from the crowd. A combined degree is a combination of two Flinders bachelor degrees. As a combined degree graduate you will have two qualifications in just one to one-and-a-half years of extra study.

There are dozens of combinations available, so why not explore your interests and find out where a combined degree could take you? Our combined degree programs are designed to enhance your educational, academic and professional qualifications while minimising the cost and length of your studies. Flinders’ combined degrees allow you to undertake in-depth study in exciting combinations that aren’t usually available in single degrees.

[flinders.edu.au/combineddegrees](flinders.edu.au/combineddegrees)

Flinders diplomas

Flinders’ diploma-level qualifications give you the chance to experience university life without having to commit to long-term study.

The one-year Diploma in Business, Diploma in Sports Management, Diploma in Laws, or Diploma in Arts give you the chance to explore a range of interests, and successful completion allows you to apply for up to one year of credit towards a range of bachelor degrees, and guaranteed entry to the following courses:

- Bachelor of Archaeology
- Bachelor of Arts
- Bachelor of Business
- Bachelor of Business Economics
- Bachelor of Creative Industries (Digital Media, Film and Television, Interactive Design, Theatre and Performance, Writing and Publishing, Festivals and Arts Production)
- Bachelor of Disability and Community Inclusion
- Bachelor of Disability and Developmental Education
- Bachelor of Engineering Science
- Bachelor of Information Technology
- Bachelor of International Relations and Political Science
- Bachelor of Laws - Legal Practice Entry
- Bachelor of Laws (Honours) - Legal Practice Entry
- Bachelor of Science

Standard University admission requirements apply.

The Diploma in Sports Management will teach you the core skills needed to begin a career in sports management, backed by over 100 hours of practical and hands-on training with Port Adelaide players, management and staff.

The Diploma in Language offers a solid foundation for learning and using a language of your choice, and will help you develop cross-cultural knowledge and skills that are invaluable in international workplaces.

[flinders.edu.au/diplomas](flinders.edu.au/diplomas)

If you have secondary education

Year 12 entry

Most Year 12 applicants enter university via the traditional entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled. Your selection rank is used by Flinders to assess your admission to a course and is based on your ATAR plus any adjustment factors for which you are eligible.

[flinders.edu.au/year12](flinders.edu.au/year12)

Guaranteed entry

If you achieve an ATAR equal to or above the published guaranteed entry selection rank (and you meet course prerequisites) you will be guaranteed a place at Flinders. We offer guaranteed entry for most courses.

Indigenous Admission Scheme

The Indigenous Admission Scheme provides an alternative pathway for Aboriginal and Torres Strait Islander people, who may not have been able to gain entry to university by traditional means, with the opportunity to study at Flinders.

See page 18 for further details.

Elite Athlete Pathway

If you’ve officially represented your school or state at a national level competition, we’ll consider your school’s recommendation about your academic potential when you apply.

[flinders.edu.au/study/sport/elite-athletes](flinders.edu.au/study/sport/elite-athletes)

Research Project B Pathway

If you have strong results in the Research Project B subject you will be considered for entry into Flinders on the basis of your Year 12 results and Research Project B performance.

[flinders.edu.au/study/pathways/year-12-entry/research-project](flinders.edu.au/study/pathways/year-12-entry/research-project)

School Recommendation Program

We may consider your school’s recommendation about your academic performance as part of your admission into Flinders.

uniTEST

If you’re in Year 12, uniTEST is available to enhance your chances of getting into Flinders. We will select students based on their Year 12 results (60% weighting toward the ATAR selection rank) and uniTEST results (40%). Flinders will also consider applicants based on their uniTEST results (100%) as a stand-alone entry score (subject to SACE completion and any course prerequisites or specific admissions requirements). If you take the test and don’t do well, we will only consider your highest selection rank.

[flinders.edu.au/unistest](flinders.edu.au/unistest)

If you haven’t achieved the results you expected

If you haven’t achieved the results you expected in Year 12, there are a number of pathways to your preferred degree. You can start studying one course and move to another via internal transfer or Flinderslink.

[flinders.edu.au/study/pathways/flinderslink](flinders.edu.au/study/pathways/flinderslink)
**Pathways to study**

**If you have work and life experience**

**Foundation Studies**
The Foundation Studies program has been designed to introduce you to university study in a supportive learning environment. Open to people from all backgrounds, Foundation Studies provides a pathway to gain entry to most degrees at Flinders and offers guaranteed entry into some degrees.

flinders.edu.au/study/pathways/foundation-studies

**Military pathways**
Use your military service in the Australian Defence Force as a pathway to a Flinders University degree.

flinders.edu.au/study/pathways/military-veterans

**Special Tertiary Admissions Test (STAT)**
Adult entry to university via the Special Tertiary Admissions Test (STAT) enables people aged 18 years and over to apply to study at Flinders. Applications are made via SATAC.

satac.edu.au/stat

Alternatively, you may wish to consider an undergraduate certificate or diploma. These shorter courses allow you the opportunity to explore your interests and to progress to further study. Certificate courses are Commonwealth supported.

flinders.edu.au/pathways

---

**Work Integrated Learning**

When it comes to landing a job, practical placements can give you the edge you need to succeed.

Flinders’ Work Integrated Learning (WIL) will improve your employability by helping you better understand the day-to-day skills employers are looking for, and by giving you the chance to gain real experience in a workplace environment directly related to the course you’re studying. You might take on a work placement or internship, gain hands-on experience through field education, or get involved in projects with industry or community organisations.

Your WIL experience will be designed to help you gain that edge.

Flinders.edu.au/WIL

---

**If you have some higher education**

**Tertiary Transfer**
If you have completed at least one semester of full-time equivalent study at university, you may be able to transfer to study at Flinders University using your grade point average (GPA).

**TAFElink**
Flinders offers guaranteed entry to selected degrees for applicants who have completed a TAFE/VET Certificate IV or higher-level qualification, as long as degree prerequisites are met.

flinders.edu.au/tafelink

**TAFE SA Dual Offers**
Flinders University together with TAFE SA offer dual offer pathways in various disciplines.

---

**Student support**

**Careers & Employability Service**
The Careers and Employability Service helps give you the edge in your career. CareerHub, our online employment portal, offers personalised job opportunities, career planning, programs to help you broaden your skills and experience, access to employer events and career-related resources.

Whatever you are studying, CareerHub can help you find your direction and start your career.

flinders.edu.au/careers

**Flinders Connect**
Flinders Connect can help with everything from enrolment and fees to exams and graduation. You can also access Flinders Connect for specialist services in admissions, careers and IT help. A range of support services is also available.

flinders.edu.au/flindersconnect

**Flinders Library**
Our extensive library is more than a book repository. We provide a range of services such as computing and printing, document delivery and one-on-one librarian appointments for assistance with search strategies and finding resources for your assignments.

library.flinders.edu.au

**Flinders Living**
Flinders is the only university in Adelaide that gives you the opportunity to live on campus, and both University Hall and Deirdre Jordan Village are located within the Bedford Park campus. The wide range of social, sporting and community activities also enhances the student experience at Flinders Living.

flinders.edu.au/living

**Flinders University Student Association**
The Flinders University Student Association (FUSA) continues a long tradition of active student involvement and represents the rights and interests of students. FUSA manages social events, non-sporting clubs and societies, and the student publication Empire Times, and helps with academic, administrative and welfare issues.

fusa.edu.au

**Health, Counselling & Disability Services**
Managing your health is important. We have facilities and services available to help you look after your physical and mental health.

flinders.edu.au/hcd

---

**Horizon Award**
The Flinders Horizon Award program sits alongside your academic studies; it is an innovative program that provides further opportunities to develop your professional skills and gain new experiences and insights that will benefit you now and in your future career.

flinders.edu.au/horizon

**Transition to university**
Starting at university is a big step; let’s make it easier. The Student Learning Centre provides a range of services from writing and mathematics support to assistance with study and time-management skills.

students.flinders.edu.au/study-support/slc

**Yungkurrinthi Student Engagement**
Yungkurrinthi Student Engagement is committed to increasing Aboriginal and Torres Strait Islander student access, participation, retention and success at Flinders University. Providing a range of services and support for Aboriginal and Torres Strait Islander students, our team of highly qualified staff is dedicated to supporting you throughout your student journey.

flinders.edu.au/study/indigenous-students
Indigenous Admission Scheme

The Indigenous Admission Scheme provides an alternative pathway for Aboriginal and Torres Strait Islander people, who may not have been able to gain entry to university by traditional means, with the opportunity to study at Flinders.

Are you eligible?
To be eligible for the Indigenous Admission Scheme you must be an Aboriginal or Torres Strait Islander person in accordance with the Commonwealth definition, which requires you to:

- be of Aboriginal or Torres Strait Islander descent, and
- identify as an Aboriginal or Torres Strait Islander, and
- be accepted as an Aboriginal or Torres Strait Islander in the community in which you live or have lived.

You may be currently studying Year 12 or be a non-school leaver.

How to apply
1. Apply for the course you want to study through the South Australian Tertiary Admissions Centre (SATAC). You will get an application number from SATAC that you will need for your Indigenous Admission Scheme application form.
2. Complete the Indigenous Admission Scheme application form online (flinders.edu.au/indigenousadmissions). If you are having trouble completing an online application, you can request a paper-based application via ias@flinders.edu.au or call us on 08 8201 3033.
3. An interview is part of the application process, but you will be notified about this.

Application and interview dates
First round applications close late November and second round applications close early January for semester 1. For our midyear intake to a number of courses, applications close in June.

flinders.edu.au/indigenousadmissions

“Originally chose Flinders as they have one of the best facilities for future teachers and fantastic student engagement. Studying at Flinders has been a wonderful experience that has given me the opportunity to discover what I truly want to do in the future while also providing me with support in every way imaginable. Flinders and Yungkurrinthi have given me the opportunity to meet others with similar ambitions and goals as myself and find the benefit of an education in places I would never have thought to look. As a proud Indigenous woman, I want to use my degree to work in First Nation communities to help our young people make it through their high schooling experience and onto their own future aspirations.”

Emilee Pyrke
Bachelor of Arts, Conditional entry to Master of Teaching (Secondary)

Study abroad/scholarships

Over 450 scholarships worth $2.4 million in total – ranging from $1,000 to $20,000.

Take your studies overseas

Why wait until you graduate to explore the world? Flinders’ Learn Without Borders could see you studying overseas, gaining a unique perspective and immersing yourself in a different culture, language and lifestyle. Our global study programs are designed to allow students to take their Flinders study overseas and earn academic credit toward their Flinders program. With 70+ overseas partner universities, why wait until you graduate to see the world?

flinders.edu.au/learn-without-borders

Explore Flinders scholarships

Flinders offers a generous range of scholarships for students in undergraduate courses. With over 450 available scholarships, including scholarships to students from low socio-economic backgrounds, students from rural and regional areas, and Aboriginal and Torres Strait Islander students, you may be eligible for support that will help you achieve your goals at university.

flinders.edu.au/scholarships

“I always knew I wanted to study overseas at some stage during my degree. A semester exchange gave me the chance to complete topics that weren’t available in my home university and experience life in a city that is very different to my own. Having completed a semester overseas, I now have an edge over the countless other students that are completing the same degree as me and have formed memories that will always stay with me.”

Annelise Smith
Bachelor of Business (Advanced Leadership)

“The Wyndham Richardson Scholarship Fund has been invaluable to reduce the financial pressure during studies, especially now that I am in the later years of my degree.”

Ryan Rowston
Bachelor of Computer Science

Wyndham Richardson Scholarship Fund recipient

How to apply

Glossary

Flinders offers two admissions cycles each year for undergraduate degrees.

Semester 1 – March start
Applications open in August for commencement the following year.

Semester 2* – July start
Mid-year applications open in August for commencement in July the following year.
* Not all degrees are offered for semester 2.

Key dates
Flinders Open Days: Friday 11 August, Saturday 12 August 2023
Semester 12024 start date: 26 February 2024
Semester 1 Orientation week: 19 February 2024
Semester 2 2024 start date: 22 July 2024
Semester 2 Orientation week: 29 July 2024

There are many terms used within a university that may be unfamiliar or confusing. Below are a few terms that may need explanation.

Admission pathway
Any one of the options available to a prospective higher education student that will enable them to meet the entry requirements of their chosen courses.

ATAR
The Australian Tertiary Admission Rank (ATAR) is a ranking from 30 (lowest) to 99.95 (highest) agreed by COAG as a nationally equivalent measure of a person’s relative academic ranking within their complete age cohort in the year they graduated from senior secondary school.

Adjustment factors
Often referred to as ‘bonus points’, these are additional points that may be used in combination with an applicant’s university aggregate to derive their course selection rank.

Defer
Delaying the start of a course of study by one year (commencing students only). If you have already enrolled, then you need to withdraw from topics before you can defer.

Not all courses are deferrable. Please visit flinders.edu.au/defer for details.

Guaranteed entry selection rank
Achieve a selection rank equal to or above the published guaranteed entry selection rank and you’ll be guaranteed a place at Flinders.

Major
A sequence of topics required to be taken as defined in your course rule, normally across all years of a course.

Minor
A sequence of topics required to be taken as defined in your course rule, generally as part of a major.

Offer round/s
Refers to the series of dates on which offers of higher education places are issued to applicants throughout the year, whether through a tertiary admission centre or directly by a higher education provider.

Selection rank
The ranking that tertiary admission centres and most universities actually use to assess admission to a course. A person’s course selection rank can include their ATAR, any adjustments they are eligible for, such as equity or subject adjustments, other contributions calculated on the basis of work experience or previous non-secondary study, portfolio assessments, results of the Special Tertiary Admissions Test, other supplementary tests, etc.
