**At Flinders, it’s all about your education career**

**Follow your interests**

Flinders University offers a range of education degrees that will allow you to follow your interests across areas such as early childhood, primary, secondary or inclusive and specialised education.

**Choose your degree**

Flinders’ new suite of education degrees focuses on producing graduates with the highest levels of innovative thinking, research-informed practices and holistic understanding demanded by today’s employers. Choose a degree that reflects your passions and graduate with the skills and knowledge to take your place in an ever-changing world.

**Gain real-world experience**

Flinders’ education degrees work closely with schools and relevant organisations to ensure the most relevant and rigorous experiences. Our students are immersed in practical activities and micro-teaching situations exploring the application of teaching theory in practice, so graduates are indeed ‘classroom ready’.

“The experience I had at Flinders definitely set me up for success in my current career as an early childhood teacher. Just as children can learn so much from Mother Nature, so do we as adults. Flinders’ beautiful natural environments provided me with lots of inspiration, motivation and space to think, learn and reflect. I was provided with endless resources and opportunities to learn and experience, and during placements was very well supported, with course coordinators that listened and helped me every step of the way.”

Yu (Catherine) Li
Bachelor of Education (Early Childhood) graduate

Meet Harrison

Preventing for a rewarding, lifelong career

Harrison Paay is ready to enter the education industry with confidence thanks to his experience studying Flinders’ Bachelor of Education (Secondary).

As a high school student, Harrison learned the value of helping those around him and forming quality relationships, which ultimately influenced his career choice.

“The decision to pursue a career in secondary education was underpinned by my experiences as a Year 12 student”, says Harrison. “I was able to develop stronger relationships with my teachers, which ultimately brought the best out of me.”

The knowledge and skills Harrison has developed throughout his degree have not only benefited his teaching career, but also his non-teaching role at Woodcroft College and his volunteer work in community sport.

Discover Harrison’s full story

“In my time studying Education at Flinders, I have learned that clear communication is imperative for success”, says Harrison. “In my everyday life, where I am heavily involved in school sport and president of a volleyball club, having effective communication skills has enabled me to engage and develop relationships with a diverse range of people.”

Harrison Paay
Bachelor of Education (Secondary)
Bachelor of Early Childhood Education (Birth – 8)

This degree seeks to equip graduates with the skills to implement considered and purposeful experiences that cultivate young children's play, learning and development in the twenty-first century. In viewing our graduate teachers and young children as strong, powerful and rich in potential, the program delivers a sound understanding of the importance of play, early learning curriculum and pedagogies, social and emotional development and a contemporary understanding of documentation and leadership.

This future-focused degree empowers graduates to weave together knowledge and skills, mind and context to inspire and educate young minds. Through a rigorous course of study integrated with professional practice, students develop their command of critical ideas and skills, develop their professional identity and build their capacity to create knowledge for the future alongside parents/careers, other professionals and the wider community.

Bachelor of Education (Primary)

This degree possesses an incredible range of teaching area options, helping graduates to truly follow their passions. Teachers are no longer content-specific delivery agents, and this course acknowledges these aspects and emphasises teaching to promote engaged learning with further active, experiential, authentic, hands on learning both at the individual and collaborative level.

Bachelor of Education (Secondary)

This degree not only offers exceptional training for future health and physical educators in school settings, but also responds to demand for highly trained educators from the sports, recreation and outdoor education industries. From the first day of study, our students are immersed in practical activities and micro-teaching situations exploring the application of teaching theory in practice. The program works closely with schools and relevant organisations to ensure the most relevant and rigorous experiences, so graduates are indeed ‘classroom ready’.

Bachelor of Education (Secondary Health and Physical Education)

You’ll gain the knowledge and skills required to start a career as a teacher in secondary school.

You’ll graduate work-ready, with teaching placements in secondary schools where you can learn practical skills, put theory into practice and develop important relationships with students, parents and colleagues.

Upon successful completion (including the Literacy and Numeracy Test for Initial Teacher Education) you will be eligible to apply for registration with the Teachers Registration Board of South Australia.

Career opportunities

Although the majority of education graduates go on to employment as teachers in the public or private sector, some choose to follow other pathways.

Potential occupations include:
- secondary teacher
- education officer
- literacy/numeracy teacher/leader
- tutor
- graduate administrative officer
- youth and children’s support officer
- student support officer (SSO).

Potential employers include:
- government, Catholic or independent schools
- private industry settings.

You’ll major in physical education or health education, minor in the other, and be able to elect a second minor to increase employment opportunities.

You can undertake professional experience placements in secondary schools where you can learn practical skills and put theory into practice.

Your placements will help you to develop and consolidate your teaching knowledge and skills in order to meet the necessary national standards for registration as a teacher.

You’ll be taught vital interpersonal skills that will help you form cooperative and effective professional relationships with students, staff and parents.

Upon successful completion (including Literacy and Numeracy Test for Initial Teacher Education) you will be eligible to apply for registration with the Teachers Registration Board of South Australia.

Career opportunities

Although the majority of education graduates go on to employment as teachers in the public or private sector, some choose to follow other pathways.

Potential occupations include:
- secondary teacher
- education officer
- graduate administrative officer
- sports coach
- educational officer within a sporting or recreational organisation.

Potential employers include:
- government, Catholic or independent schools
- private industry settings
- Department for Education.
With demand for quality health and physical education teachers high, you’ll gain the skills employers are seeking with our nationally and internationally recognised transformative curriculum, based on contemporary research understandings of how to prepare effective teachers.

So what are you waiting for? Seize the opportunity to ignite a passion for health, physical education and the outdoors in students for the rest of their lives.

* at undergraduate level

Flinders’ Bachelor of Education (Secondary Health and Physical Education) is a four-year degree that qualifies you to apply for registration as a health and physical education secondary teacher in South Australia. This is the only degree in SA allowing you to become a qualified health and physical education teacher in the field in just four years.

The fastest way to become a secondary health and PE teacher in SA*
**Bachelor of Inclusive and Specialised Education (Early Childhood, Primary and Secondary)**

These degrees not only recognise the importance of inclusive education in today’s society, but also the need for specialised expertise required to teach diverse learners. In addition to becoming literacy and numeracy specialists (Early Childhood and Primary), students will graduate with the agency and confidence to apply and adapt their knowledge and skills across a range of contexts, working effectively with the full range of learners in contemporary schools.

**Entry requirements**

All prospective students interested in studying an initial teacher education course in South Australia are required to complete a non-academic assessment task known as the Teaching Capabilities Statement. This is a requirement of the Australian Institute for Teaching and School Leadership (AITSL) and supports the national priority to ensure those entering the teaching profession have the personal qualities to best support learners and graduate as classroom-ready, high-quality teachers.

The Teaching Capabilities Statement will be requested as part of the application process through SATAC.

**Requirements for teaching**

**Take the first steps towards your teaching career by ensuring you meet the following requirements.**

**Inherent requirements**

The Australian Government has introduced the Literacy and Numeracy Test for all initial teacher education students to ensure they have the high level of personal literacy and numeracy skills required of teachers. For further information, including registration details, please check the test administrator’s website at: teacheredtest.acer.edu.au

For further details and additional inherent requirements visit: flinders.edu.au/study/courses/education-inherent-requirements

**Early childhood, primary, secondary, inclusive and specialised...how do I choose?**

In the first instance, think about how you would like to work with your areas of interest and expertise with the children in your class. Early childhood and primary teachers work with the whole curriculum but stay with a particular group of children for the year. Secondary teachers specialise in subject areas, often working with a larger number of students. Special education teachers work across these contexts but also have a very specific skill set to support their work with adolescents in the secondary setting.

**Career opportunities**

Although the majority of graduates seek employment as teachers in the public or private sector, some follow other pathways. Possibilities include:

- early childhood, primary or secondary teacher
- specialised or gifted education teacher
- literacy/numeracy teacher/leader
- education officer
- tutor

Potential employers include:

- government, Catholic or independent schools
- special education settings
- early childhood educators – kindergartens, childcare or early learning centres
- government departments.

- Learn to create inclusive and specialised, challenging curriculum, using technology and teaching skills to extend all students.
- Become confident advocates for all learners to achieve high-quality and equitable outcomes, for all students and their families.
- Get work-ready with professional experience placements in schools and/or early childhood settings, where you can learn practical skills, put theory into practice and develop important relationships with students, parents and colleagues.
- Upon successful completion (including the Literacy and Numeracy Test for Initial Teacher Education) you will be eligible to apply for registration with the Teachers Registration Board of South Australia.

**Early childhood and primary settings**

- local and state government
- Catholic or independent schools
- early childhood educators – kindergartens, childcare or early learning centres
- government departments.

**Secondary education**

- local and state government
- Catholic or independent schools
- early childhood educators – kindergartens, childcare or early learning centres
- government departments.

**Special education settings**

- local and state government
- Catholic or independent schools
- early childhood educators – kindergartens, childcare or early learning centres
- government departments.

**Related fields**

- government, Catholic or independent schools
- early childhood educators – kindergartens, childcare or early learning centres
- government departments.

**Potential employers include:**

- education officer
- literacy/numeracy teacher
- specialist or gifted education teacher
- teaching assistant
- early childhood educator
- support worker
- government department employees
- local and state government
- Catholic or independent schools
- early childhood educators – kindergartens, childcare or early learning centres
- government departments.

**Your studies will prepare you for a career in the sport development, sport coaching, leisure, health, sport and event management industries, and provide a pathway to further studies in physical education teaching through the Master of Teaching courses.**

- You’ll become an effective sport and physical activity professional and advocate. You can choose unique topics in high performance sports coaching, outdoor education and exercise in musculoskeletal physiology.
- There are opportunities to take your studies overseas with a student exchange program.
- You’ll develop important contacts and networks with local and national sporting clubs, associations, and health and tourism marketing organisations.
- You’ll have the notion of majoring in active and healthy communities, applied sport science, outdoor education or sports business.

**Career opportunities**

Your degree could open up a range of employment opportunities, including:

- association and clubs development officer
- education officer
- PE teacher
- umpiring coordinator
- council sport and recreation officer
- sport coach
- sport development officer

**Potential employers include:**

- schools
- local and state government
- sporting clubs and associations such as the SANFL, Tennis SA and Bicycle SA.

* Please note: This course does not lead to teacher registration in South Australia; however, successful completion may provide a pathway option into the Master of Teaching (2 years or 1.5 years accelerated). Contact the University for further details.

“Flinders prepared me for my career, as I was able to learn what classrooms were like through my professional placements. I learnt so much being in a classroom and observing my mentors. By teaching and receiving feedback from supportive mentors, I was able to learn how to become a teacher in a positive environment.”

**Airlie Barracough**

Bachelor of Education (Primary) graduate
Starting at Flinders

One of the world’s top universities, Flinders offers students a supportive, inclusive education in an unrivalled study environment.

Flinders is ranked in the top 2% of universities in the world*

* The World University Rankings 2023 as a percentage of the total number of universities in the world according to the International Association of Universities

Flinders is ranked in the top 2% of universities in the world*

Flinders’ Adelaide campuses include our main Bedford Park campus and Flinders at Tonsley, which features close links to industry. Our newest campus is the stunning Flinders at Festival Plaza on North Terrace, right beside the Adelaide Railway Station.

Take a virtual tour of Flinders University and explore our amazing locations.

Bedford Park
Flinders’ huge main campus features an award-winning hub and plaza, with retail, food outlets and a state-of-the-art sport and fitness centre.

Tonsley
Flinders at Tonsley is a place where our students interact with business, and where business interacts with our researchers in areas such as engineering, medical devices and nanoscale technologies.

Flinders at Festival Plaza
Flinders University’s cutting edge, vertical campus offers a new way of learning in the heart of the city. Flinders at Festival Plaza has been designed for flexibility, collaboration and immersion. Here, students will gain the knowledge and practical skills they need to confidently step into their careers.

Spanning eight levels, with multiple state-of-the-art teaching spaces, Flinders’ new city campus is designed for innovative and adaptable learning, catering to an extensive range of study programs. Every floor has dedicated spaces for students to come together, learn from industry experts and be inspired by a world of learning possibilities.

Getting to Flinders

Transport options
The Flinders Railway Line gets you from the CBD to Tonsley in a super-fast 20 minutes, or to Bedford Park in just 22 minutes. And with free Campus Connector and Tonsley Link bus services running 7am – 6pm Monday to Friday, getting to and from your studies is simple. You’ll be able to schedule your day without worrying about missing a single lecture!

flinders.edu.au/loop-bus

Plan your trip to Flinders:
adelaidemetro.com.au/routes/flndrs

The Flinders railway line is now open
The new Flinders train line has made travel easier and more convenient than ever, linking Bedford Park to our Tonsley campus and the Adelaide city centre, now just 22 minutes away.

A new link from the north
Opened in June 2022, the electrified Gawler Rail Line provides services from the northern suburbs to the CBD, with express services expected to take around 48 minutes from Gawler to the CBD.

Gawler to Festival Plaza in 48 minutes
Get more out of your study

Combined degrees
Combining your degree with a qualification in another discipline will give you more expertise and expand your career prospects. Studying a combined degree at Flinders will help you stand out from the crowd. A combined degree is a combination of two Flinders bachelor degrees.

As a combined degree graduate you will have two qualifications in just one to one-and-a-half years of extra study. There are dozens of combinations available, so why not explore your interests and find out where a combined degree could take you?

Our combined degree programs are designed to enhance your educational, academic and professional qualifications while minimising the cost and length of your studies. Flinders’ combined degrees allow you to undertake in-depth study in exciting combinations that aren’t usually available in single degrees.

flinders.edu.au/combineddegrees

Begin your journey to a successful career

Flinders diplomas
Flinders’ diploma-level qualifications give you the chance to experience university life without having to commit to long-term study. The one-year Diploma in Business, Diploma in Sports Management, Diploma in Laws, or Diploma in Arts give you the chance to explore a range of interests, and successful completion allows you to apply for up to one year of credit towards a range of bachelor degrees, and guaranteed entry to the following courses:
- Bachelor of Archaeology
- Bachelor of Arts
- Bachelor of Language
- Bachelor of Creative Industries (Digital Media, Film and Television, Interactive Design, Theatre and Performance, Writing and Publishing, Festivals and Arts Production)
- Bachelor of Disability and Developmental Education
- Bachelor of Engineering Science
- Bachelor of Information Technology
- Bachelor of International Relations and Political Science
- Bachelor of Laws - Legal Practice Entry
- Bachelor of Laws (Honours) - Legal Practice Entry
- Bachelor of Science

Standard University admission requirements apply.

The Diploma in Sports Management will teach you the core skills needed to begin a career in sports management, backed by over 100 hours of practical and hands-on training with Port Adelaide players, management and staff.

The Diploma in Language offers a solid foundation for learning and using a language of your choice, and will help you develop cross-cultural knowledge and skills that are invaluable in international workplaces.

flinders.edu.au/diplomas

If you have secondary education

Year 12 entry
Most Year 12 applicants enter university via the traditional entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled. Your selection rank is used by Flinders to assess your admission to a course and is based on your ATAR plus any adjustment factors for which you are eligible.

flinders.edu.au/year12

Guaranteed entry
If you achieve an ATAR equal to or above the published guaranteed entry selection rank (and you meet course prerequisites) you will be guaranteed a place at Flinders. We offer guaranteed entry for most courses.

Indigenous Admission Scheme
The Indigenous Admission Scheme provides an alternative pathway for Aboriginal and Torres Strait Islander people, who may not have been able to gain entry to university by traditional means, with the opportunity to study at Flinders.

See page 20 for further details.

Elite Athlete Pathway
If you’ve officially represented your school or state at a national level competition, we’ll consider your school’s recommendation about your academic potential when you apply.

flinders.edu.au/study/sport/elite-athletes

Research Project B Pathway
If you have strong results in the Research Project B subject you will be considered for entry into Flinders on the basis of your Year 12 results and Research Project B performance.

flinders.edu.au/study/pathways/year-12-entry/research-project

School Recommendation Program
We may consider your school’s recommendation about your academic performance as part of your admission into Flinders.

uniTEST
If you’re in Year 12, uniTEST is available to enhance your chances of getting into Flinders. We will select students based on their Year 12 results (60% weighting toward the ATAR selection rank) and uniTEST results (40%). Flinders will also consider applicants based on their uniTEST results (100%) as a standalone entry score (subject to SACE completion and any course prerequisites or specific admissions requirements).

If you take the test and don’t do well, we will only consider your highest selection rank.

flinders.edu.au/unistest

If you haven’t achieved the results you expected
If you haven’t achieved the results you expected in Year 12, there are a number of pathways to your preferred degree. You can start studying one course and move to another via internal transfer or FlindersLink.

flinders.edu.au/study/pathways/flinderslink

Pathways to study
Whether you are a school leaver or returning to study at a later date, there are many ways to gain admission to Flinders University. Explore your options and find the entry path that’s right for you.
Pathways to study

If you have work and life experience

Foundation Studies
The Foundation Studies program has been designed to introduce you to university study in a supportive learning environment. Open to people from all backgrounds, Foundation Studies provides a pathway to gain entry to most degrees at Flinders and offers guaranteed entry into some degrees.

Military pathways
Use your military service in the Australian Defence Force as a pathway to a Flinders University degree.

Special Tertiary Admissions Test (STAT)
Adult entry to university via the Special Tertiary Admissions Test (STAT) enables people aged 18 years and over to apply to study at Flinders. Applications are made via SATAC.

Alternatively, you may wish to consider an undergraduate certificate or diploma. Flinders offers guaranteed entry to selected degrees for applicants who have completed a TAFE/VET Certificate IV or higher-level qualification, as long as degree prerequisites are met.

If you have some higher education

Tertiary Transfer
If you have completed at least one semester of full-time equivalent study at university, you may be able to transfer to study at Flinders University using your grade point average (GPA).

TAFElink
Flinders offers guaranteed entry to selected degrees for applicants who have completed a TAFE/VET Certificate IV or higher-level qualification, as long as degree prerequisites are met.

TAFE SA Dual Offers
Flinders University together with TAFE SA offer dual offer pathways in various disciplines.

Work Integrated Learning
When it comes to landing a job, practical placements can give you the edge you need to succeed. Flinders’ Work Integrated Learning (WIL) will improve your employability by helping you better understand the day-to-day skills employers are looking for and by giving you the chance to gain real experience in a workplace environment directly related to the course you’re studying. You might take on a work placement or internship, gain hands-on experience through field education, or get involved in projects with industry or community organisations. Your WIL experience will be designed to help you gain that edge.

Flinders Library
Our extensive library is more than a book repository. We provide a range of services such as computing and printing, document delivery and one-on-one librarian appointments for assistance with search strategies and finding resources for your assignments.

Flinders Living
Flinders is the only university in Adelaide that gives you the opportunity to live on campus, and both University Hall and Deirdre Jordan Village are located within the Bedford Park campus. The wide range of social, sporting and community activities also enhances the student experience at Flinders Living.

Indigenous Admission Scheme

The Indigenous Admission Scheme provides an alternative pathway for Aboriginal and Torres Strait Islander people, who may not have been able to gain entry to university by traditional means, with the opportunity to study at Flinders.

Are you eligible?
To be eligible for the Indigenous Admission Scheme you must be an Aboriginal or Torres Strait Islander person in accordance with the Commonwealth definition, which requires you to:
• be of Aboriginal or Torres Strait Islander descent, and
• identify as an Aboriginal or Torres Strait Islander, and
• be accepted as an Aboriginal or Torres Strait Islander in the community in which you live or have lived.
You may be currently studying Year 12 or be a non-school leaver.

How to apply
1. Apply for the course you want to study through the South Australian Tertiary Admissions Centre (SATAC). You will get an application number from SATAC that you will need for your Indigenous Admission Scheme application form.
2. Complete the Indigenous Admission Scheme application form online (flinders.edu.au/indigenousadmissions). If you are having trouble completing an online application, you can request a paper-based application via ias@flinders.edu.au or call us on 08 8201 3033.
3. An interview is part of the application process, but you will be notified about this.

Application and interview dates
First round applications close late November and second round applications close early January for semester 1. For our midyear intake to a number of courses, applications close in June.

flinders.edu.au/indigenousadmissions

“I originally chose Flinders as they have one of the best facilities for future teachers and fantastic student engagement. Studying at Flinders has been a wonderful experience that has given me the opportunity to discover what I truly want into the future while also providing me with support in every way imaginable. Flinders and Yungkurrinthi have given me the opportunity to meet others with similar ambitions and goals as myself and find the benefit of an education in places I would never have thought to look. As a proud Indigenous woman, I want to use my degree to work in First Nation communities to help our young people make it through their high schooling experience and onto their own future aspirations.”

Indigenous Admission Scheme

Study abroad/scholarships

Over 450 scholarships worth $2.4 million in total – ranging from $1,000 to $20,000.

Take your studies overseas
Why wait until you graduate to explore the world? Flinders’ Learn Without Borders could see you studying overseas, gaining a unique perspective and immersing yourself in a different culture, language and lifestyle. Our global study programs are designed to allow students to take their Flinders study overseas and earn academic credit toward their Flinders program. With 70+ overseas partner universities, why wait until you graduate to see the world?

“I always knew I wanted to study overseas at some stage during my degree. A semester exchange gave me the chance to complete topics that weren’t available in my home university and experience life in a city that is very different to my own. Having completed a semester overseas, I now have an edge over the countless other students that are completing the same degree as me and have formed memories that will always stay with me.”

Annelise Smith
Bachelor of Business (Advanced Leadership)

“The Wyndham Richardson Scholarship Fund has been invaluable to reduce the financial pressure during studies, especially now that I am in the later years of my degree.”

Ryan Rowston
Bachelor of Computer Science
Wyndham Richardson Scholarship Fund recipient
Check the application dates
Applicants need to apply through the South Australian Tertiary Admissions Centre (SATAC).

How to apply

When can I start?

Glossary

Flinders offers two admissions cycles each year for undergraduate degrees.

Semester 1 – March start
Applications open in August for commencement the following year.

Semester 2* – July start
Mid-year applications open in August for commencement in July the following year.
* Not all degrees are offered for semester 2.

Key dates
Flinders Open Days: Friday 11 August, Saturday 12 August 2023
Semester 12024 start date: 26 February 2024
Semester 1 Orientation week: 19 February 2024
Semester 2 2024 start date: 22 July 2024
Semester 2 Orientation week: 29 July 2024

Fees and charges
Your course fees – Commonwealth support
All our courses list indicative fees, but as an undergraduate student your course is Commonwealth supported provided you’re an eligible Australian citizen, New Zealand citizen or permanent resident.
Your course being Commonwealth supported means that your course fees are shared between the Australian government and you – with your portion being the student contribution amount.

HECS-HELP loan
You won’t have to pay your fees up-front if you’re an Australian citizen or holder of a permanent humanitarian visa. You can get a HECS-HELP loan for your student contribution portion of your uni fees. Find out more about costs to plan for while you’re at uni at flinders.edu.au/fees

There are many terms used within a university that may be unfamiliar or confusing. Below are a few terms that may need explanation.

Admission pathway
Any one of the options available to a prospective higher education student that will enable them to meet the entry requirements of their chosen courses.

ATAR
The Australian Tertiary Admission Rank (ATAR) is a ranking from 30 (lowest) to 99.95 (highest) agreed by COAG as a nationally equivalent measure of a person’s relative academic ranking within their complete age cohort in the year they graduated from senior secondary school.

Adjustment factors
Often referred to as ‘bonus points’, these are additional points that may be used in combination with an applicant’s university aggregate to derive their course selection rank.

Defer
Delaying the start of a course of study by one year (commencing students only). If you have already enrolled, then you need to withdraw from topics before you can defer.

Guaranteed entry selection rank
Achieve a selection rank equal to or above the published guaranteed entry selection rank and you’ll be guaranteed a place at Flinders.

Major
A sequence of topics required to be taken as defined in your course rule, normally across all years of a course.

Minor
A sequence of topics required to be taken as defined in your course rule, generally as part of a major.

Offer round/s
Refers to the series of dates on which offers of higher education places are issued to applicants throughout the year, whether through a tertiary admission centre or directly by a higher education provider.

Selection rank
The ranking that tertiary admission centres and most universities actually use to assess admission to a course. A person’s course selection rank can include their ATAR, any adjustments they are eligible for, such as equity or subject adjustments, other contributions calculated on the basis of work experience or previous non-secondary study, portfolio assessments, results of the Special Tertiary Admissions Test, other supplementary tests, etc.
