Follow your interests
Flinders University offers a range of education degrees that will allow you to follow your interests across areas such as early childhood, primary, secondary or inclusive and specialised education.

Choose your degree
Flinders’ new suite of education degrees focuses on producing graduates with the highest levels of innovative thinking, research-informed practices and holistic understanding demanded by today’s employers. Choose a degree that reflects your passions and graduate with the skills and knowledge to take your place in an ever-changing world.

Gain real-world experience
Flinders’ education degrees work closely with schools and relevant organisations to ensure the most relevant and rigorous experiences. Our students are immersed in practical activities and micro-teaching situations exploring the application of teaching theory in practice, so graduates are indeed ‘classroom ready’.

“The experience I had at Flinders definitely set me up for success in my current career as an early childhood teacher. Just as children can learn so much from Mother Nature, so do we as adults. Flinders’ beautiful natural environments provided me with lots of inspiration, motivation and space to think, learn and reflect. I was provided with endless resources and opportunities to learn and experience, and during placements was very well supported, with course coordinators that listened and helped me every step of the way.”

Teaching

Think about your most inspiring teacher... how they made you feel. You could become that teacher.

Excite and ignite young imaginations
We need more educators. We need people who will guide and teach the next generations of Australians. A career in education is a career filled with inspiration and a sense of achievement. This is your chance to build the future.

A rewarding career
Education is a fast-growing sector, with great job opportunities. With over one million people already employed, becoming an educator means joining an industry with long-term career prospects.

Teaching jobs are on the rise
A range of teaching jobs is expected to show strong growth through to 2025:
- Early childhood (pre-primary school) teachers 17.2%
- Primary school teachers 6.5%
- Middle school teachers 10.6%
- Secondary school teachers 6.2%
- Special education teachers 19.8%

Bachelor of Education (Secondary)/Bachelor of Science
Bachelor of Early Childhood Education (Birth – 8) New in 2022

This degree seeks to equip graduates with the skills to implement considered and purposeful experiences that cultivate young children’s play, learning and development in the twenty-first century. In viewing our graduate teachers and young children as strong, powerful and rich in potential, the program delivers a sound understanding of the importance of play, early learning curriculum and pedagogies, social and emotional development and a contemporary understanding of documentation and leadership.

- You will qualify to work with children in early childhood and early years of school settings.
- You will gain rich experience with 90 days of placement working in a range of birth-8 settings.
- Choose your own placement pathway to gain experience with children in birth-5, preschool and school in a way that follows your career aspirations.
- Personalise your degree by choosing a specialist curriculum area and multiple elective options.
- Upon successful completion (including Literacy and Numeracy Test for Initial Teacher Education) you will be eligible to apply for registration as an early childhood teacher with the Teachers Registration Board of South Australia.

Career opportunities
Although the majority of education graduates go on to employment as educators in the public or private sector, some choose to follow other pathways.

Potential occupations include:
- early childhood teacher
- education officer (Australian Army)
- education support officer
- childcare educator
- in-home nanny
- out of school hours care (OSHC) educator/director
- language, literacy and numeracy teacher/assessor.

Potential employers include:
- childcare centres
- kindergartens
- preschools
- early learning centres
- junior primary schools
- OSHC
- government education departments
- government and private industry settings.

Bachelor of Education (Primary) New in 2022

This future-focused degree empowers graduates to weave together knowledge and skills, mind and context to inspire and educate young minds. Through a rigorous course of study integrated with professional practice, students develop their command of critical ideas and skills, develop their professional identity and build their capacity to create knowledge for the future alongside parents/carers, other professionals and the wider community.

- Learn to create supportive, safe and enriching learning environments and make a positive difference in the lives of students.
- Integrate your knowledge and skills with professional experience placements in primary schools.
- Develop expertise and confidence to teach innovative STEM education.
- Upon successful completion (including Literacy and Numeracy Test for Initial Teacher Education) you will be eligible to apply for registration with the Teachers Registration Board of South Australia.

Career opportunities
Although the majority of graduates seek employment as teachers in the public or private sector, some follow other pathways.

Potential occupations include:
- education officer (Australian Army)
- primary teacher
- literacy/numeracy teacher/leader
- tutor
- graduate administrative officer
- out of school hours care (OSHC) director.

Potential employers include:
- government, Catholic or independent schools
- private industry settings.
Bachelor of Education (Secondary) New in 2022

This degree possesses an incredible range of teaching area options, helping graduates to truly follow their passions. Teachers are no longer content-specific delivery agents, and this course acknowledges these aspects and emphasises teaching to promote engaged learning with further active, experiential, authentic, ‘hands on’ learning both at the individual and collaborative level.

This degree not only offers exceptional training for future health and physical educators in school settings, but also responds to demand for highly trained educators from the sports, recreation and outdoor education industries. From the first day of study, our students are immersed in practical activities and micro-teaching situations exploring the application of teaching theory in practice. The program works closely with schools and relevant organisations to ensure the most relevant and rigorous experiences, so graduates are indeed ‘classroom ready’.

Career opportunities

Although the majority of education graduates go on to employment as educators in the public or private sector, some choose to follow other pathways.

Potential occupations include:
- education officer (Australian Army)
- secondary teacher
- graduate administrative officer
- youth and children’s support officer
- tutor
- student support officer (SSO)

Potential employers include:
- government, Catholic or independent schools
- private industry settings.

- literacy/numeracy teacher/leader
- tutor.

Potential employers include:
- government, Catholic or independent schools
- special education settings
- early childhood educators – kindergartens, childcare or early learning centres
- government departments.

REQUIREMENTS

Succeed in education

Take the first steps towards your teaching career by ensuring you meet the following requirements.

Inherent requirements
The Australian Government has introduced the Literacy and Numeracy Test for all initial teacher education students to ensure they have the high level of personal literacy and numeracy skills required of teachers. For further information, including registration details, please check the test administrator’s website at: teacheredtest.acer.edu.au
For further details and additional inherent requirements visit: flinders.edu.au/study/courses/education-inherent-requirements

Entry requirements
All prospective students interested in studying an initial teacher education course in South Australia are required to complete a non-academic assessment task known as a Teaching Capabilities Statement. This is a requirement of the Australian Institute for Teaching and School Leadership (AITSL) and supports the national priority to ensure those entering the teaching profession have the personal qualities to best support learners and graduate as classroom-ready, high-quality teachers.

The Teaching Capabilities Statement will be requested as part of the application process through SATAC.

Pathways to study

Whether you are a school leaver or returning to study at a later date, there are many ways to gain admission to Flinders University. Explore your options and find the entry path that’s right for you.

If you have secondary education

**Year 12 Entry**
Most Year 12 applicants enter university via the traditional entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled. Your selection rank is used by Flinders to assess your admission to a course and is based on your ATAR plus any adjustment factors for which you are eligible.

[satac.edu.au](http://satac.edu.au)

**Guaranteed entry**
If you achieve an ATAR equal to or above the published guaranteed entry selection rank (and you meet course prerequisites) you will be guaranteed a place at Flinders. We offer guaranteed entry for most courses.

**Indigenous Admission Scheme**
The Indigenous Admission Scheme provides an alternative pathway for Aboriginal and Torres Strait Islander people, who may not have been able to gain entry to university by traditional means, with the opportunity to study at Flinders.

See page 15 for further details.

**Elite Athlete Pathway**
If you’ve officially represented your school or state at a national level competition, we’ll consider your school’s recommendation about your academic potential when you apply.

[flinders.edu.au/study/sport/elite-athletes](http://flinders.edu.au/study/sport/elite-athletes)

**Research Project B Pathway**
If you have strong results in the Research Project B subject you will be considered for entry into Flinders on the basis of your Year 12 results and Research Project B performance.

[flinders.edu.au/study/pathways/year-12-entry/research-project](http://flinders.edu.au/study/pathways/year-12-entry/research-project)

**School Recommendation Program**
We may consider your school’s recommendation about your academic performance as part of your admission into Flinders.

uniTEST
If you’re in Year 12, uniTEST is available to enhance your chances of getting into Flinders. We will select students based on their Year 12 results (60% weighting toward the ATAR selection rank) and uniTEST results (40%). Flinders will also consider applicants based on their uniTEST results (100%) as a standalone entry score (subject to SACE completion and any course prerequisites or specific admissions requirements). If you take the test and don’t do well, we will only consider your highest selection rank.

[flinders.edu.au/unitest](http://flinders.edu.au/unitest)

If you haven’t achieved the results you expected
If you haven’t achieved the results you expected in Year 12, there are a number of pathways to your preferred degree. You can start studying one course and move to another via internal transfer or Flinderslink.

[flinders.edu.au/study/pathways/flinderslink](http://flinders.edu.au/study/pathways/flinderslink)

Flinders University offers a wide range of undergraduate and graduate programs across multiple fields including business, education, engineering, health sciences, humanities, information technology, law, and more. For more information, please visit [flinders.edu.au](http://flinders.edu.au).

If you have any questions or need further assistance, please contact the Admissions Office at [admissions@flinders.edu.au](mailto:admissions@flinders.edu.au) or call +61 8 8201 5666. We look forward to seeing you at Flinders University! 
If you have work and life experience

**Foundation Studies**
The Foundation Studies program has been designed to introduce you to university study in a supportive learning environment. Open to people from all backgrounds, Foundation Studies provides a pathway to gain entry to most degrees at Flinders and offers guaranteed entry into some degrees.

flinders.edu.au/study/pathways/foundation-studies

**Military Pathways**
Use your military service in the Australian Defence Force as a pathway to a Flinders University degree.

flinders.edu.au/study/pathways/military-veterans

**Adult Entry**
The adult entry scheme enables people aged 18 years and over to apply to study at Flinders via the Special Tertiary Admissions Test (STAT). Applications are made via SATAC.

www.satac.edu.au/stat

Alternatively, you may wish to consider an undergraduate certificate or diploma. These shorter courses allow you the opportunity to explore your interests and to progress to further study. Certificate courses are Commonwealth supported.

If you have some higher education

**Tertiary Transfer**
If you have completed at least one semester of full-time equivalent study at university, you may be able to transfer to study at Flinders University using your grade point average (GPA).

**TAFElink**
Flinders offers guaranteed entry to selected degrees for applicants who have completed a TAFE/VET certificate IV or higher-level qualification, as long as degree prerequisites are met.

flinders.edu.au/tafelink

**TAFE SA Dual Offers**
Flinders University together with TAFE SA offer over 45 dual offer pathways in various disciplines.

Indigenous Admission Scheme

The Indigenous Admission Scheme provides an alternative pathway for Aboriginal and Torres Strait Islander people, who may not have been able to gain entry to university by traditional means, with the opportunity to study at Flinders.

Are you eligible?
To be eligible for the Indigenous Admission Scheme you must be an Aboriginal or Torres Strait Islander person in accordance with the Commonwealth definition, which requires you to:

• be of Aboriginal or Torres Strait Islander descent, and
• identify as an Aboriginal or Torres Strait Islander, and
• be accepted as an Aboriginal or Torres Strait Islander in the community in which you live or have lived. You may be currently studying Year 12 or be a non-school leaver.

How to apply
1. Apply for the course you want to study through the South Australian Tertiary Admissions Centre (SATAC). You will get an application number from SATAC that you will need for your Indigenous Admission application form.
2. Complete the Indigenous Admission Scheme Application form online (flinders.edu.au/indigenousadmissions). If you are having trouble completing an online application, you can request a paper based application via ias@flinders.edu.au or call us on 08 8201 3033.
3. An interview is part of the application process, but you will be notified about this.

Application and interview dates
First round applications close late November and second round applications close early January for semester 1. For our midyear intake to a number of courses, applications close in June.

“I originally chose Flinders as they have one of the best facilities for future teachers and fantastic student engagement. Studying at Flinders has been a wonderful experience that has given me the opportunity to discover what I truly want into the future while also providing me with support in every way imaginable. Flinders and Yungkurrinthi have given me the opportunity to meet others with similar ambitions and goals as myself and find the benefit of an education in places I would never have thought to look. As a proud Indigenous woman, I want to use my degree to work in First Nation communities to help our young people make it through their high schooling experience and onto their own future aspirations.”

Admission pathway
Any one of the options available to a prospective higher education student that will enable them to meet the entry requirements of their chosen courses.

ATAR
The Australian Tertiary Admission Rank (ATAR) is a ranking from 30 (lowest) to 99.95 (highest) agreed by COAG as a nationally equivalent measure of a person’s relative academic ranking within their complete age cohort in the year they graduated from senior secondary school.

Adjustment factors
Often referred to previously as ‘bonus points’, these are additional points that may be used in combination with an applicant’s ATAR to derive a person’s course selection rank.

Defer
Delaying the start of a course of study by one year (commencing students only). If you have already enrolled, then you need to withdraw from topics before you can defer.

Guaranteed entry selection rank
Achieve a selection rank equal to or above the published guaranteed entry selection rank and you’ll be guaranteed a place at Flinders.

Major
A sequence of topics required to be taken as defined in your course rule, normally across all years of a course.

Minor
A sequence of topics required to be taken as defined in your course rule, generally as part of a major.

Offer round/s
Refers to the series of dates on which offers of higher education places are issued to applicants throughout the year, whether through a tertiary admission centre or directly by a higher education provider.

Selection rank
The ranking that tertiary admission centres and most universities actually use to assess admission to a course. A person’s course selection rank can include their ATAR, any adjustments they are eligible for, such as equity or subject adjustments, other contributions calculated on the basis of work experience or previous non-secondary study, portfolio assessments, results of the Special Tertiary Admissions Test, other supplementary tests, etc.

The Flinders railway line is now open
The new Flinders train line has made travel easier and more convenient than ever, linking Bedford Park to our Tonsley campus and the Adelaide city centre, now just 22 minutes away.

Flinders’ huge main campus features an award-winning hub and plaza, with retail, food outlets and a state-of-the-art sport and fitness centre. Take a virtual tour of Flinders University and explore our amazing locations. It’s the next best thing to being here!
