In an era of disruptive change, Flinders University is growing its international reputation as a world leader in research, an innovator in contemporary education and a source of enterprising graduates equipped to change the world.

The University acknowledges the traditional owners of the lands Flinders University teaches across (Arrernte, Boandik, Bungarla, Dagoman, Gunditjmara, Jawoyn, Kaurna, Larrakia, Nyoongar, Wardaman, Wurundjeri, Yolgnu) and honour their Elders past and present.
EXPERIENCE A UNIVERSITY LIKE NO OTHER
Our geographic footprint stretches from the top of the Northern Territory through to South Australia and regional Victoria. Internationally, joint courses are delivered with leading universities in China, Hong Kong, Malaysia, Singapore and Indonesia. Our main campus at Bedford Park is an environment that fosters creativity. Sitting in stunning natural surrounds, it boasts spectacular views to the city and coast and features an award-winning, state-of-the-art student hub that fosters interactive learning in a digitally enabled environment.

JOIN A GLOBAL COMMUNITY
Flinders University graduates are enterprising, innovative and curious thought leaders in over 120 countries around the world. When you graduate from Flinders, you’ll not only join over 106,000 graduates from an amazing variety of fields, you’ll graduate from SA’s No. 1 university for starting salary.**
** The Good Universities Guide 2020 (undergraduate), public SA-founded universities only

GAIN REAL-WORLD EXPERIENCE
Flinders Work Integrated Learning (WIL) enables you to gain work experience while you study. You’ll have the opportunity to gain real-world experience through placements, practicums, field studies, and simulated workplace settings and assessment activities. Flinders aims to provide each and every student with access to a WIL opportunity during their studies.

THINK BIG, MAKE AN IMPACT. DESIGN YOUR FUTURE.
Careers are evolving and the workplace of the future will look very different from today. Powered by Flinders’ New Venture Institute, our suite of innovation and enterprise electives and courses will help you to develop the ‘personal enterprise skills’ that employers are looking for, and equip you with the ability to adapt to whatever life throws at you, personally and professionally. No matter what you choose to study at Flinders, you can embed an innovation and enterprise elective into your degree.

TAKE YOUR STUDIES OVERSEAS
Why wait until you graduate to explore the world? Flinders’ Learn Without Borders could see you studying overseas, gaining a unique perspective and immersing yourself in a different culture, language and lifestyle.

*My exchange was honestly one of the most amazing and rewarding six months of my life. The friends I made, the things I saw and experienced will stick with me for the rest of my life.*
Rebekah Jones
Canada

EXPLORE FLINDERS SCHOLARSHIPS
Flinders offers a generous range of scholarships for students in undergraduate courses. With over 550 available scholarships, including scholarships to students from low socio-economic backgrounds, students from rural and regional areas and Indigenous students, you may be eligible for support that will help you achieve your goals at university.

*The Wyndham Richardson Scholarship Fund has been invaluable to reduce the financial pressure during studies, especially now that I am in the later years of my degree.*
Ryan Hewston, Bachelor of Computer Science
Wyndham Richardson Scholarship Fund

GET THE SUPPORT YOU NEED
Flinders is SA’s No.1 university for student support.** From campus facilities to financial support, mental health and wellbeing resources and services, student grants, counselling services (including careers and financial) and many social opportunities, we offer a range of services to ensure your study experience is everything you want it to be. Find out more about student support on page 49.
** The Good Universities Guide 2020 (undergraduate), public SA-founded universities only

BE TAUGHT BY LEADERS
At Flinders, you’ll be taught by teachers who are leaders in their fields. They are plugged into industry trends and connected to professional networks. Your future career will take practical shape from the very beginning of your studies as we guide you from the classroom to the workplace through inspired teaching, practical placements, internships, field education and industry projects.

BENEFIT FROM WORLD-CLASS RESEARCH
Flinders University’s research strengths include biomedical and clinical sciences, culture, policy and society, health and medicine, mental health and human behaviour, molecular science and technology, defence, engineering, water and environment. With 90% of Flinders’ research rated world-standard or above,* your studies will be supported by the up-to-the-minute knowledge of highly skilled researchers and lecturers.
* Flinders rating 85.7%, rounded up to 90%. Excellence in Research for Australia, 2018

CHOOSE YOUR DEGREE
From medicine to business, science or arts offerings, Flinders University offers more than 500 undergraduate, postgraduate and research degrees taught by global and national experts focused on the experience and outcomes of their students.
EXCITE AND IGNITE YOUNG IMAGINATIONS
We need more educators. We need people who will guide and teach the next generations of Australians. A career in education is a career filled with inspiration and a sense of achievement. This is your chance to build the future.

A REWARDING CAREER
Education is a fast-growing sector, with great job opportunities. With over one million people already employed, Australia’s education and training sector is projected to grow by 12% by 2022.* Becoming an educator means joining an industry with long-term career prospects.

STUDY FOR SUCCESS
Flinders is one of the largest providers of education courses for teachers in South Australia. By studying with us, you’ll graduate job-ready, prepared to inspire and help students go beyond the ordinary.

*Australian Jobs 2018

Think about your most inspiring teacher… how they made you feel. You could become that teacher.

OPEN MINDS
STUDY EDUCATION AT FLINDERS

No.1 in SA
in Teacher Education for full-time employment, learner engagement, overall quality of educational experience and teaching quality

GUIDE YOUNG MINDS TO AMAZING FUTURES

TEACHING
Be the difference in the lives of young children.

Become an early childhood teacher and learn, work and play alongside children from birth to eight years. You will develop a deep knowledge about how young children learn and develop, and the important role of the early childhood teacher in working with children, families and the community. Early childhood teachers are in demand, and you can be the difference in the everyday lives of the children and families you work with.

Becoming a primary school teacher can have a lifelong impact.

A child’s primary years are often the ones they remember the most intensely, and their primary school teachers can have a profound effect on their lives. From Reception to Year 7, you’ll watch them grow into amazing individuals, and you’ll be there to help them take advantage of every moment. Their questioning, challenging nature will inspire you as much as your dedication and enthusiasm will inspire them.

"Flinders stood out for me because it has a strong focus on developing education courses, I am learning from academics who are accomplished and have attained mastery within their respective fields."

Anthony Salerno,
Bachelor of Education (Secondary)/Bachelor of Science
Bachelor of Education (Secondary) /Bachelor of Health Sciences

Enhance your secondary teaching with a health sciences specialisation, including a major in physical education.

Take your interest in a healthy lifestyle into the classroom. This degree will give you the knowledge and skills required to register as a PE teacher in secondary school. The course is taken as a double degree with a Bachelor of Health Sciences, providing core health sciences topics and a choice from one of two specialisation options. This is your chance to use your passions to help others. A long-term career in secondary school teaching is challenging and rewarding.

Bachelor of Education (Secondary)/Bachelor of Science

This course is taken as a double degree with a Bachelor of Arts, Bachelor of Health Sciences, Bachelor of Languages, Bachelor of Science or Bachelor of Special Education.

- You’ll gain the knowledge and skills required to start a career as a teacher in secondary school.
- In just four years, you’ll earn a double degree that includes an education degree combined with an arts, health sciences, languages, science or special education degree.
- You’ll graduate work-ready, with teaching placements in secondary schools where you can learn practical skills, put theory into practice, and develop important relationships with students, parents and colleagues.
- Upon successful completion you will be eligible to apply for registration with the Teachers Registration Board of South Australia.

CAREER OPPORTUNITIES

Your degree is the first step towards a range of employment opportunities.

Potential occupations include:
- secondary teacher
- industry educator
- youth and children’s support officer.

Potential employers include:
- secondary schools
- government schools
- independent schools
- government education departments.

See the inside back spread for more information on your admission pathways, opportunities to enhance your degree, and how to apply.

* Available to all Bachelor of Education (Secondary) double degrees
* Teaching Capabilities Statement. See page 11 for more details.

Bachelor of Education (Secondary)/Bachelor of Health Sciences

- You’ll earn a double degree in only four years that includes an education degree with a health sciences degree.
- Your course program includes two specialisation options, one in physical education or one in health education.
- You can undertake professional experience placements in secondary schools where you can learn practical skills and put theory into practice.
- Your placements will help you to develop and consolidate your teaching knowledge and skills in order to meet the necessary national standards for registration as a teacher.
- You’ll be taught vital interpersonal skills that will help you form cooperative and effective professional relationships with students, staff and parents.
- Upon successful completion, you will be eligible to apply for registration with the Teachers Registration Board of South Australia.

CAREER OPPORTUNITIES

Your degree is the first step towards a range of employment opportunities, including:
- secondary teacher
- graduate administrative officer
- youth and children’s support officer.

Potential employers include:
- secondary schools
- government schools
- independent schools
- government education departments.

Entry requirements
All prospective students interested in studying an initial teacher education course in South Australia are required to complete a non-academic assessment task known as a Teaching Capabilities Statement. This is a requirement of the Australian Institute for Teaching and School Leadership (AITSL), and supports the national priority to ensure those entering the teaching profession have the personal qualities to best support learners and graduate as classroom-ready, high-quality teachers.

The Teaching Capabilities Statement will be requested as part of the application process through SATAC. flinders.edu.au/study/courses/teaching-capabilities-statement
Bachelor of Sport, Health and Physical Activity

Turn your enthusiasm for sport and health into an active career.

This degree will see you graduate with the skills to become an effective professional in sport and physical activity careers, and give you a wide knowledge base in areas including health, tourism, nutrition, disability and business. You’ll develop an understanding of the impact of sport and physical activity in the context of a healthy lifestyle and prepare yourself for a range of roles within the sports industry.

Bachelor of General Studies
The Bachelor of General Studies (SATAC code: 234181) is a flexible degree that provides a sound base of knowledge in an area of your choice. It is designed to prepare you with communication skills, a firm grasp of ethics and the confidence to make connections across geographical, disciplinary, social and cultural boundaries. Successful completion of the first year to the required standard also provides you with guaranteed entry into a range of our degrees.

Bachelor of Letters
The Bachelor of Letters is available to study alongside any degree at Flinders and enables you to graduate with two qualifications. The Bachelor of Letters is available in the following disciplines:
- Archaeology
- Creative enterprise
- Creative writing
- Criminology
- English
- Health
- History
- Innovation and enterprise
- Languages (French, Italian, Modern Greek, Spanish)
- Mathematics
- Sports performance coaching
- Theology.
The Bachelor of Letters is normally undertaken part-time over three years to allow concurrent study with your primary bachelor degree, adding one year to your overall study program.

Combined degrees
Combining your degree with a qualification in another discipline will give you more expertise and expand your career prospects. Studying a combined degree at Flinders will help you stand out from the crowd. A combined degree is a combination of two Flinders bachelor degrees. As a combined degree graduate you will have two qualifications in just one to one-and-a-half years of extra study. Our combined degree programs are designed to enhance your educational, academic and professional qualifications while minimising the cost and length of your studies. Flinders' combined degrees allow you to undertake in-depth study in exciting combinations that aren't usually available in single degrees.

Flinders Connect
Flinders Connect can help with everything from enrolment and fees to exams and graduation. You can also access Flinders Connect for specialist services in admissions, careers and IT help. A range of support services is also available.
flinders.edu.au/flindersconnect

Flinders Library
Our extensive library is more than a book repository. We provide a range of services such as computing and printing, document delivery and one-on-one librarian appointments for assistance with search strategies and finding resources for your assignments.
libraryflin.flinders.edu.au

Flinders Living
Flinders is the only university in Adelaide that gives you the opportunity to live on campus, and both University Hall and Deirdre Jordan Village are located within the Bedford Park campus. The wide range of social, sporting and community activities also enhances the student experience at Flinders Living.
flinders.edu.au/living

Flinders University Student Association
The Flinders University Student Association (FUSA) continues a long tradition of active student involvement and represents the rights and interests of students. FUSA manages social events, non-sporting clubs and societies, the student publication Empire Times, and helps with academic, administrative and welfare issues.
fusa.edu.au

Health, counselling and disability services
Managing your health is important. We have facilities and services available to help you look after your physical and mental health.

Transition to university
Starting at university is a big step; let’s make it easier. The Student Learning Centre provides a range of services from writing and mathematics support to assistance with study and time-management skills.
students.flinders.edu.au/study-support/slcc

Yunggorendi Student Engagement
Yunggorendi Student Engagement provides high quality support services for Aboriginal and Torres Strait Islander students at Flinders University. Our team of highly qualified Indigenous and non-Indigenous staff connect to Indigenous and non-Indigenous communities on local, national and international levels.
funda.edu.au/yunggorendi

PATHWAYS TO STUDY
Whether you are a school leaver or returning to study at a later date, there are many ways to gain admission to Flinders University. Explore your options and find the entry path that’s right for you.

If you have recent secondary education
Year 12 Entry
Most Year 12 applicants enter university via the traditional entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled. Your selection rank is used by Flinders to assess your admission to a course and is based on your ATAR plus any adjustment factors for which you are eligible.

Elite Athlete Pathway
If you’ve officially represented your school or state at a national level competition, we’ll consider your school’s recommendation about your academic potential when you apply.

Research Project B Pathway
If you have strong results in the Research Project B subject you will be considered for entry into Flinders on the basis of your Year 12 results and Research Project B performance.

uniTEST
If you’re in Year 12, uniTEST may enhance your chances of getting into Flinders. We will select students based on Year 12 results and uniTEST performance.

If you have some higher education
Tertiary Transfer
If you have completed at least one semester of full-time equivalent study at university, you may be able to transfer to study at Flinders University using your grade point average (GPA).

If you have vocational education and training (VET)
TAFElink
Flinders offers guaranteed entry to selected degrees for applicants who have completed a TAFE/VET certificate IV or higher-level qualification, as long as degree prerequisites are met.

TAFE SA Dual Offer
Flinders University together with TAFE SA offer over 45 dual offer pathways in various disciplines.

Adult Entry
The adult entry scheme enables people aged 18 years and over to apply to study at Flinders via the Special Tertiary Admissions Test (STAT). Applications are made via SATAC.
**WHEN CAN I START?**

Flinders offers two admissions cycles each year for undergraduate degrees.

**Semester 1** – March start
Applications open in August for commencement the following year.

**Semester 2** – July start
Mid-year applications open in August for commencement in July the following year.

*Not all degrees are offered for semester 2 entry. Check our midyear site for details: flinders.edu.au/midyear*

**HOW DO I APPLY?**

Check the application dates
Applicants need to apply through the South Australian Tertiary Admissions Centre (SATAC): satac.edu.au
