CREATE YOUR OWN FUTURE
Study what you love and work towards a career you’ll love. The workplaces of tomorrow are likely to be very different from those we see today. But one thing is unlikely to change: Employers will be searching for independently minded people with valuable, transferable skills. A Humanities and Social Sciences degree from Flinders will give you the knowledge and skills you’ll require in tomorrow’s workplace.

A REWARDING CAREER
From a career in education or archaeology to a future in law or science, humanities and social sciences offer a wide variety of career paths. Flinders’ links to industry will help you gain highly desirable, practical experience, and the flexibility inherent in your study options will allow you to focus on a career in an area that truly interests you.

STUDY FOR SUCCESS
Flinders has a long history of producing high-quality, successful graduates. Our Humanities and Social Sciences graduates are talented leaders in creative arts, business, politics and government. When you study at Flinders, you’ll be taught by teachers who have international reputations for excellence. They are plugged into industry trends and connected to professional networks, helping you graduate ready to pursue an exciting career.

Imagine designing a career around your passions. Imagine following your dreams and learning more about what you love. This could be the beginning of an amazing adventure.

RATED No 1.
in South Australia for teaching quality, learning engagement and student support. QILT Student Experience Survey 2018, public SA-founded universities only.

GET SET FOR LIFE
STUDY HUMANITIES & SOCIAL SCIENCES AT FLINDERS
With over 20 majors, you can design your degree and pursue your passions.

Develop valuable, transferable skills to face the challenges of the 21st century

Become a global citizen, prepared to adapt to the transformations taking place across the world

Enhance your problem-solving skills and graduate job-ready

CHOOSE YOUR CAREER

- Bachelor of Archaeology – see page 5
- Bachelor of Arts – see page 6
- Bachelor of Arts – Enhanced Program for High Achievers – see page 6
- Bachelor of Arts and Sciences – see page 8
- Bachelor of General Studies – see page 8

- Bachelor of Tourism and Events – see page 12
- Bachelor of Media and Communication – see page 12

BUILD THE SKILLS THAT EMPLOYERS ARE SEEKING

Bachelor of Archaeology

Your future career lies in the past.

This course prepares you for a professional career in archaeology or related areas, making you suitable for jobs throughout the globe in research, policy development, consulting, laboratory research, hands-on surveying and excavation.

South Australia’s only Bachelor of Archaeology degree will prepare you for a wide range of jobs in museums, government, community organisations and the cultural heritage management industry. You’ll gain skills and knowledge in research, policy development, consulting, laboratory research, hands-on surveying and excavation.

Get your hands dirty, and delve into the world’s rich cultural history, uncovering the links between past, present and future societies.

Bachelor of Archaeology

- You’ll have the chance to undertake laboratory and practical sessions that will give you experience in archaeological data analysis and interpretation.
- You’ll study hands-on and learn archaeological field methods, and undertake practical and laboratory sessions in our new state-of-the-art facilities.
- There are opportunities for volunteer experience in field and laboratory work.
- A series of international exchange links are available in the USA or UK for one to two semesters of study.

CAREER OPPORTUNITIES

Your degree will give you a range of employment opportunities, including:
- archaeologist
- assistant curator
- cultural heritage officer
- cultural ranger
- education and interpretation officer

Potential employers include:
- independent archaeological consultants
- heritage agencies
- museums
- academic institutions
- the public service
- wildlife services.

“The best thing about studying archaeology at Flinders would have to be the teaching staff. Right from my very first lecture when we were all told that it was their aim for every single student to graduate and support us along the way. Throughout every different topic thereafter, I have always felt supported and encouraged and have never felt like just a number.”

Megan Green
Bachelor of Archaeology

Bachelor of Arts and Science

Your career could cover science and the arts.

Flinders University arts and science graduates have a vast body of knowledge across arts and the sciences that prepares them for a wide range of careers. You’ll learn adaptable and analytical skills, including the ability to think creatively and solve problems.

With majors available from creative arts, humanities, law, science, mathematics, computing, and social and behavioural sciences, you’ll graduate ready to take on the world.

Bachelor of General Studies

Begin your journey to a successful career.

Flinders Bachelor of General Studies is a flexible degree designed to prepare you with communication skills, a firm grasp of ethics, and the confidence to make connections across geographical, disciplinary, social and cultural boundaries. This degree will give you a sound basis of knowledge in an area of your choice, and successful completion of the first year to the required standard also provides you with guaranteed entry into a range of our degrees.

Bachelor of General Studies

The following study areas can be taken as an arts major:
- Applied linguistics
- Archaeology
- Anthropology
- Art history
- Asian studies

Bachelor of General Studies

• Develop skills in hard science with technical expertise in computers systems, enabling you to develop databases, networks and computer systems
• Select an arts and science major from over 40 disciplines
• Develop hands on skills through project-based learning including industry projects
• Gain versatile and adaptable vocational skills that are very attractive to employers.

CAREER OPPORTUNITIES

Your degree will give you a range of employment opportunities, including:
- communications and customer service officer
- policy project officer
- scientific officer
- community education officer
- science management assistant.

Potential employers include:
- Government departments
- Community arts centres
- Education/higher education
- Media
- Marketing organisations.

Art majors

In addition to choosing an arts major, the following science majors can also be taken:
- Animal biology
- Aquatic biology
- Biochemistry and molecular biology
- Chemistry
- Cognitive science
- Earth science
- Ecology and evolutionary biology

Science majors

In addition to choosing an arts major, the following science majors can also be taken:
- Animal biology
- Aquatic biology
- Biochemistry and molecular biology
- Chemistry
- Cognitive science
- Earth science
- Ecology and evolutionary biology

Ocean and climate sciences

The ocean and climate sciences major provides you with a deeper understanding of the physical processes shaping the marine environment and influencing climate.

Plant biology

The plant biology major involves study in areas such as Australian environmental change, diversity of plants and algae, animal and plant physiology, conservation biology and restoration ecology, and food biotechnology.

Physics

The physics major provides an understanding of the fundamental laws of nature. You will develop an understanding of the broad spectrum of known phenomena from classic and modern science, and explore the frontiers of modern science.

Statistics

The statistics major involves the use of mathematics, data science, biostatistics, probability and stochastic processes to analyse and solve complex statistical problems.

Vertebrate palaeontology

The vertebrate palaeontology major involves studying the fossils of extinct vertebrates, animals, providing a specialised understanding of palaeontology, palaeoecology and vertebrate evolution.

Explore two cultures with a Bachelor of Arts and Science

The Bachelor of Arts and Science gives you the flexibility to choose from major areas of study across the realms of both arts and science.

We’re here to help

Whatever you decide to study at Flinders, we’re always here to help you succeed.

Transition to university

Starting at university is a big step, let’s make it easier.

The Transition Office can help make your shift into university study as smooth as possible, and the Student Learning Centre provides a range of services from writing and mathematics support to assistance with study and time-management issues.

Work-Integrated Learning

Work-Integrated Learning (WIL) enables you to gain work experience while you study. Flinders aims to provide each and every student with access to a WIL opportunity during their studies through placements, practicums, field studies, and simulated workplace settings and assessment activities.

Scholarships

Flinders University offers over 550 undergraduate scholarships, worth $2.2M in total. A generous range of scholarships is available to new and continuing undergraduate students.

Flinders Connect

Flinders Connect can help with everything from enrolment and fees to exams and graduation. You can also access Flinders Connect for specialist services in admissions, careers and IT help. A range of support services is also available.

Flinders University Student Association (FUSA)

Flinders has a long history of active student involvement.

The Flinders University Student Association (FUSA) continues that tradition, and represents the rights and interests of students. FUSA manages social events, non-sporting clubs and societies, the student publication Empire Times, and helps with academic, administrative and welfare issues.

Careers & Employability Service

The Careers and Employability Service helps you find your direction and start your career.

Find out more flinders.edu.au/innovation

INNOVATION & ENTERPRISE

Careers are evolving and the workplace of the future will look very different from today.

That's why we offer a suite of innovation and enterprise electives and courses to prepare you for the careers of tomorrow. Powered by Flinders’ New Venture Institute, these electives will help you to develop the ‘personal enterprise skills’ that employers are looking for, and equip you with the ability to adapt to whatever life throws at you, personally and professionally.

Find out more flinders.edu.au/innovation
How do I apply?

Applicants need to apply through the South Australian Tertiary Admissions Centre (SATAC): satac.edu.au

To find out more about your admission pathways to Flinders, visit: flinders.edu.au/pathways

ADMISSION PATHWAYS

At Flinders we recognise that every prospective student is an individual and that what works for one might not be right for another. That's why we provide various admission pathways into Flinders University and your preferred degree. You're encouraged to explore your options and find the entry path that's right for you.

Year 12 entry

The majority of Year 12 applicants enter university via the traditional competitive entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled. Your selection rank is used by Flinders to assess your admission to a course, and is based on your ATAR plus any adjustment factors for which you are eligible. The 2019 Minimum Selection Rank is the minimum selection rank required for consideration to enter in next intake. The 2019 selection rank indicates the lowest rank for which an offer was made to an applicant in that degree for the previous year (including any adjustment factors).

This selection rank is provided only as a guide for 2020 entry as it may change from year to year.

Adjustment factors

Adjustment factors (formerly referred to as bonus points) may be used in combination with your ATAR to derive your course selection rank. Adjustment factors may be available for South Australian Year 12 students applying for entry to Flinders in 2020: the SA Universities Equity Scheme (USES), the SA Languge, Literacy and Mathematics Bonus Scheme (LLM).

Guaranteed entry selection rank

Achieves a selection rank equal to or above the published guaranteed entry selection rank and you'll be guaranteed a place at Flinders. All you need to do is ensure you have listed Flinders degrees first in your preferences and you will be offered a place in the highest Flinders degree preference that you are eligible for in 2020.

uniTEST

If you're a school leaver, uniTEST is your chance to increase your options to gain a place in your preferred degree. uniTEST is designed for school leavers and complements existing selection criteria by enhancing your overall selection rank.

uniTEST

Flinders UniLeap can help you qualify for entry into a Flinders University degree in four weeks. It's a free intensive four-week program that has been designed for school leavers, to develop their independent learning skills and prepare them for university study.

Foundation Studies

The Flinders Foundation program has been designed to introduce you to university study in a supportive learning environment. Open to people from all backgrounds, Foundation Studies provides a pathway to gain entry to most degrees at Flinders and offers guaranteed entry into some degrees.

TAFElink

Flinders offers guaranteed entry to selected degrees for applicants who have completed a TAFE/VET certificate IV or higher qualification, as long as degree prerequisites are met. Importantly, your TAFE/VET qualification does not need to be related to your selected area of study at Flinders.

TAFE SA dual offers

You can apply for a TAFE SA diploma or advanced diploma that is linked to a Flinders degree. You’ll receive an offer to both TAFE SA and Flinders University and, on successful completion of the TAFE course, you’ll have secured an offer for a Flinders degree. TAFE SA dual offers are available for a range of Flinders degrees. TAFE SA RTO Code: 41026

Adult entry

The adult entry scheme enables people aged 18 years and over to apply to study at Flinders via the Special Tertiary Admissions Test (STAT). Applications are made via SATAC.

Tertiary transfer

If you have completed at least one semester of full-time equivalent study at university, you may be able to transfer to study at Flinders University using your grade point average (GPA).

BACHELOR OF GENERAL STUDIES

The Bachelor of General Studies is a flexible degree that provides a sound basis of knowledge in an area of your choice. It is designed to prepare you with communication skills, a firm grasp of ethics, and the confidence to make connections across geographical, disciplinary, social and cultural boundaries. Successful completion of the first year to the required standard also provides you with guaranteed entry into a range of our degrees.

UniTEST

Get more out of your degree

Whatever you’re studying, Flinders gives you the opportunity to do more with your degree to help you have a competitive edge when you graduate. A combined degree is a combination of two Flinders bachelor degrees, meaning you will have two qualifications in just one to one-and-a-half years of extra study and undertake in-depth study in exciting combinations that aren’t usually available in single degrees.

The Bachelor of Letters is available to study alongside any degree at Flinders and enables you to graduate with two qualifications.

WHEN CAN I START?

Flinders offers two admissions cycles each year for undergraduate degrees.

Semester 1 – February start, Applications open in August for commencement the following year.

Semester 2 – July start, Mid-year applications open in August for commencement in July the following year.

*Not all degrees are offered for Semester 2 entry. Check our mid-year offer site for details: flinders.edu.au/midyear

This is Flinders

Flinders’ huge main campus features an award-winning hub and plaza, with retail, food outlets and a state-of-the-art sport and fitness centre. Take a virtual tour of Flinders University and explore our amazing locations. It’s the next best thing to being here! flinders.edu.au/vr
