Flinders University acknowledges the Traditional Owners and Custodians of the lands on which its campuses are located. These are the Traditional Lands of the Arrernte, Dagoman, First Nations of the South East, First Peoples of the River Murray & Mallee region, Jawoyn, Kurna, Larrakia, Ngadjuri, Ngarrindjeri, Raminjieri, Warumungu, Wardaman and Yolngu people. We honour their Elders past, present and emerging.

"My placement was a big stepping stone. I did my placement at Adelaide Zoo, and I loved it. I also volunteered for six weeks at the Visitor Information Centre in the city. It was great to get out and talk to tourists."

Bachelor of Tourism and Events

# Languages and Culture degrees

The workplaces of tomorrow are likely to be very different from those we see today. But one thing is unlikely to change: employers will be searching for independently minded people with valuable, transferable skills. A humanities and social sciences degree from Flinders will give you the knowledge and skills you'll require in tomorrow's workplace.

## Bachelor of Arts

Build your knowledge base in the areas you're passionate about, develop the complex critical thinking and problem-solving skills required to solve some of the world's greatest challenges, and learn transferable skills that are highly valued in the workplace with a Bachelor of Arts. You'll develop world-changing, future-proof skills in a world that's changing fast. Become digitally literate, think outside the box and develop the skills to adapt and take advantage of new opportunities.

- Develop the complex critical thinking and problem-solving skills required to solve some of the world's greatest challenges.
- Select one or two majors from 24 disciplines and a minor from 29 disciplines, and choose from majors unique to SA universities including drama, law and society, archaeology, and innovation and enterprise.
- Learn how to investigate and analyse ideas, communicate your findings and build your knowledge base in a variety of industries, and study people: their behaviours, their habits, their desires and needs, and the ways that human societies express themselves now - and in the past-through language, art, and culture.

## Diploma in Arts

Not quite ready for a bachelor's degree? Enrol in a one-year diploma where you get to taste a variety of different topics in the humanities, arts and social sciences and learn the fundamentals of university study such as communication and critical thinking skills.

- Gain a sound basis of knowledge in an area of your choice via a flexible degree.
- This course can be counted as the first year of the University's Bachelor of Arts degree, so you can transfer straight into the second year of study if you choose to do so.
- Graduates are suited to employment in many fields given the broad scope of specialisations available.

## Bachelor of Arts and Science

Your career could cover science and the arts. With majors available from creative arts, humanities, law, science, mathematics, computing, and social and behavioural sciences, you'll graduate ready to take on the world.

- This degree allows you to study both arts and science without having to complete a double degree.
- Develop skills in hard science with a deeper appreciation of the role of science in society.
- Develop hands-on skills through project-based learning including live industry projects and undertake a professional placement in your final year.

## Bachelor of Tourism and Events Management

Discover how to create events and experiences that inspire and amaze, or how to help people explore the world in entirely new ways. This is more than a business course – you'll study a range of topics ranging from marketing to graphic design to management, accounting, sustainability and more.

- Focus on the contemporary challenges of sustainable tourism development and climate change.
- Connect with industry partners through flexible placements and projects, with opportunities to take international field trips.
- Learn how creativity and business come together, and how your ideas and skills can help you build a fulfilling career in private enterprise, government or as an entrepreneur.

The following can be taken as a major or a minor:

- Applied linguistics
- Archaeology
- Creative writing
- Criminology
- Drama

Bachelor of Languages

Understanding of a culture and knowledge of its language are in high demand. With the internationalisation of the job market, graduates with a qualification in a foreign language will have greater employment opportunities both in Australia and overseas.

- Choose from a broad range of languages in beginner to advanced levels. Study one or two languages from French, Indonesian, Italian, Modern Greek or Spanish. German, Chinese and Japanese are available via cross-institutional enrolment at the University of Adelaide.
- Potential areas of employment include tourism agencies, foreign language teaching, international trade, finance and commerce, diplomatic and defence agencies, translating services and international development.
- Flinders’ series of international exchange links give you the chance to study part of your degree overseas.

Diploma in Language

The Diploma in Language offers a solid foundation for learning and using a language of your choice, and will help you develop cross-cultural knowledge and skills that are invaluable in international workplaces.

- Develop strong language skills combined with a cultural understanding.
- Study the Diploma on its own or study it alongside another degree and increase your communication, teamwork, interpersonal, presentation, problem-solving and organisational skills.
- Choose from French, Indonesian, Italian, Modern Greek or Spanish.

Extended majors within the Bachelor of Languages

The following languages can be taken as an extended major, major or minor.

- French
- Indonesian
- Italian
- Modern Greek
- Spanish

Also available

The following languages are also available as a minor through cross-institutional study at the University of Adelaide: Chinese, German and Japanese.

There’s more than one way to study a language at Flinders

In addition to the Bachelor of Languages, you can also study a language as a major in a number of Flinders degrees or take steps towards understanding a language and its culture with a Diploma in Language.

Studying language as a major

Language major sequences are available in the following degrees:

- Bachelor of Arts

# Applying to study

## How to apply

Applying to study at Flinders is easy, but there are some steps you'll need to follow. Applicants need to apply through the South Australian Tertiary Admissions Centre (SATAC).

You'll find application dates and details at:

[satac.edu.au](https://satac.edu.au)

## Before you apply

Visit the course page you're interested in via the QR codes in this brochure, or via [flinders.edu.au/study](https://flinders.edu.au/study) to make sure you have all the information and admission criteria you need, such as prerequisites and assumed knowledge.

You may also want to explore alternative pathways to your degree or combined degrees.

## After you've applied

Once you've received an offer to a course, visit

[students.flinders.edu.au/my-course/enrolment](https://students.flinders.edu.au/my-course/enrolment) to enrol in your subject/topics.

## Fees and charges

As an undergraduate student your course is Commonwealth supported provided you're an eligible Australian citizen, New Zealand citizen or permanent resident. This means that your course fees are shared between the Australian government and you. You may then choose to apply for a HECS-HELP loan to pay your student contribution amount. Find out more at:

[flinders.edu.au/fees](https://flinders.edu.au/fees)

## If you have any questions

Feel free to contact us via phone, email or through a one-on-one appointment. We're always happy to help.

## Glossary

There are many terms used within a university that may be unfamiliar or confusing. The link below contains a list of common university terminology.

[students.flinders.edu.au/glossary](https://students.flinders.edu.au/glossary)

# Flinders scholarships

Flinders offers a generous range of scholarships for students in undergraduate courses. With over 400 available scholarships, including scholarships to students from low socio-economic backgrounds, students from rural and regional areas, and Aboriginal and Torres Strait Islander students, you may be eligible for support that will help you achieve your goals at university.

[flinders.edu.au/scholarships](https://flinders.edu.au/scholarships)

# Work Integrated Learning

Flinders' Work Integrated Learning (WIL) will improve your employability by helping you better understand the day-to-day skills employers are looking for, and by giving you the chance to gain real experience in a workplace environment directly related to the course you're studying.

You might take on a work placement or internship, gain hands-on experience through field education, or get involved in projects with industry or community organisations.

[flinders.edu.au/WIL](https://flinders.edu.au/WIL)

# Combined degrees

Explore your interests and unlock more career opportunities by combining degrees. Combining your degree with a qualification in another discipline will help you develop specialised abilities to stand out from the pack. Studying a combined degree at Flinders is the key to enhancing your career opportunities.

# Admission Pathways

Whether you are a school leaver or returning to study at a later date, there are many ways to gain admission to Flinders University. Explore your options and find the entry path that's right for you.

[flinders.edu.au/pathways](https://flinders.edu.au/pathways)

## Year 12 entry

Most Year 12 applicants enter university via the traditional entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled.

[flinders.edu.au/year12](https://flinders.edu.au/year12)

## Guaranteed entry

If you achieve an ATAR equal to or above the published guaranteed entry selection rank (and you meet course prerequisites) you will be guaranteed a place at Flinders for most courses.

## Year 12 Grades Entry Scheme

Upon SACE completion, by using three of your best Year 12 grades, you can gain a place in your course of choice. This is in addition to being considered on any other pathway for which you are eligible.

## Indigenous Admission Scheme

The Indigenous Admission Scheme provides an alternative pathway for Aboriginal and Torres Strait Islander people. Visit:

[flinders.edu.au/indigenousadmissions](https://flinders.edu.au/indigenousadmissions)

## Elite Athlete Pathway

If you've officially represented your school or state at a national level competition, we'll consider your school's recommendation about your academic potential when you apply.

[flinders.edu.au/study/sport/elite-athletes](https://flinders.edu.au/study/sport/elite-athletes)

## Research Project B Pathway

If you have strong results in the Research Project B subject you will be considered for entry into Flinders on the basis of your Year 12 results and Research Project B performance.

[flinders.edu.au/study/pathways/year-12-entry/research-project](https://flinders.edu.au/study/pathways/year-12-entry/research-project)

## School Recommendation Program

We may consider your school's recommendation about your academic performance as part of your admission into Flinders.

## uniTEST

If you're in Year 12, uniTEST is available to enhance your chances of getting into Flinders.

[flinders.edu.au/unitest](https://flinders.edu.au/unitest)

## If you haven't achieved the results you expected

If you haven't achieved the results you expected in Year 12, there are a number of pathways to your preferred degree. You can start studying one course and move to another via internal transfer or Flinderslink.
