At Flinders, it’s all about your global career.

Flinders offers a range of flexible degrees covering areas such as criminology, laws, forensics and cybersecurity. Combine your degree to pursue multiple passions and broaden your job prospects. Graduate with the skills and knowledge to take your place in an ever-changing world.

“Flinders opened doors for me that I never would have been able to open on my own. I was given so many opportunities and made so many professional connections by attending a uni that had such a strong focus on practical experiences.”

Marielle Intveld
Bachelor of Laws and Legal Practice
Bachelor of Laws – Legal Practice Entry

Bachelor of Laws (Honours) – Legal Practice Entry

In this degree, you will develop legal skills and a critical understanding of the Australian legal system. You’ll develop high-level communication, presentation and collaboration skills in preparation for careers inside and outside of law. Successful completion of the Bachelor of Laws degree provides direct entry to the Graduate Diploma of Legal Practice delivered in collaboration with Leo Cussen in the Adelaide CBD.

• Intern at Flinders Legal Centre, working with real clients to solve a wide range of legal problems, under the supervision of an experienced solicitor.
• Increase access to justice by creating real legal tech solutions for industry clients.
• Qualify to practise law faster by fast tracking the completion of your practical legal training, enabling you to seek admission to the Supreme Court and practise law in any state or territory of Australia.

Diploma in Laws

The Undergraduate Diploma in Laws equips you with future-ready, industry-driven skills and foundational knowledge in law.

• Take your first step into a career in law, or learn broader legal skills to enhance your current role.
• The diploma is flexible, so you can study law as a part-time student and enter the diploma at the beginning of the year or mid-year.
• The course can be a step in the journey to a Bachelor of Laws – Legal Practice Entry at Flinders University.

Criminology degrees

Study criminology for a career that prevents crime and drives social justice, from developing public policy to careers in counselling, rehabilitation, the justice system, intelligence services and more.

The impacts of cybercrime, terrorism, corruption and other criminal activities are global. Studying criminology at Flinders could see you begin a career that could take you anywhere in the world.

Diploma in Criminology

The Undergraduate Diploma in Criminology offers a comprehensive understanding of crime, justice systems, and societal impacts to elevate your career or explore criminology for the first time.

• Upskill with new criminology skills or take your first step into a career in the justice system.
• The diploma can be taken at either the Flinders city campus or at the Bedford Park campus, with flexibility for part-time, full-time and online study.
• Once you complete four topics and obtain your diploma, you can transition into second year of the Bachelor of Criminology.

Bachelor of Criminology

Build a career exploring the world of crime. Worldwide, criminology jobs are in demand, with employment opportunities in the field of criminology, intelligence analysis, community development, network security and cybersecurity.

• Study practical topics to equip you for employment and to ensure you graduate work-ready with practical work experience opportunities.
• You’ll have the opportunity to learn from world-class researchers and develop high-level research and analytical skills.
• Industry-engaged – use the technical skills you’ve learnt at university and apply them as a consultant to a business as part of an industry project.

Bachelor of Criminology (Cybersecurity)

With a focus on technology, this criminology specialisation explores the causes of crime with an aim to identify solutions to address its impact on people and infrastructures, and to minimise the social and psychological harms it can cause.

• Learn from South Australia’s largest and most experienced Criminology department.
• Gain technology-focused knowledge to set you apart in a world where cybercrime is increasingly prevalent.
• Connect with leaders: our powerful industry partnerships span government bodies, public and private organisations, and other universities across Australia and overseas.

Bachelor of Criminology (Innovation)

With a focus on innovation, this Criminology specialisation will teach you how to creatively apply criminological concepts to produce positive social impact and transform the world we live in.

• Develop critical thinking and entrepreneurial skills that will set you apart in a rapidly changing world.
• Develop technological knowledge skills through a range of computer science topics.
• Connect with leaders: our powerful industry partnerships span government bodies, public and private organisations, and other universities across Australia and overseas.

Bachelor of Criminology (Honours)

The Bachelor of Criminology (Honours) will teach you how to creatively apply criminological concepts to produce positive social impact and transform the world we live in.

• Develop critical thinking and entrepreneurial skills that will set you apart in a rapidly changing world.
• Develop technological knowledge skills through a range of computer science topics.
• Connect with leaders: our powerful industry partnerships span government bodies, public and private organisations, and other universities across Australia and overseas.
Bachelor of Information Technology (Network and Cybersecurity Systems)
Bachelor of Information Technology (Network and Cybersecurity Systems) (Honours)

Gain a comprehensive understanding of computer security, communications technology, administration, network engineering, enterprise systems and information networks.

- Your studies will cover all cutting-edge developments in communications technology like optic fibre technology, cloud computing, and social networking and media.
- You'll learn how to design electronic communications systems that maximise safety and security.
- Learn to work professionally and in a team through group projects, or take the opportunity to gain first-hand industry experience with a week industry placement.

Bachelor of Science (Forensic and Analytical Science)
Bachelor of Science (Honours) (Forensic and Analytical Science)
Bachelor of Science (Forensic and Analytical Science Pathway)

Work towards a fascinating career using chemistry and biology to analyse evidence, help investigate crime and contribute to justice.

- Get hands-on experience during laboratory practicals and learn how forensic technologies are applied to real-life cases.
- Your degree opens career options in areas such as illicit drug testing, DNA analysis, trace evidence examination and toxicology.
- You'll be able to access research facilities among Australia's best and undertake research in the field.

International Relations & Political Science degrees

Flinders' international relations and political science degree will teach you the skills to play a part in world events and drive political, social and economic change through exciting careers in the public, private and non-for-profit sectors. Experience a future-focused curriculum and join our graduates who work in fields such as diplomacy, foreign affairs, policy, journalism, defence, intelligence, and more.

Bachelor of International Relations and Political Science
Bachelor of International Relations and Political Science (Honours)

In this degree you'll develop an understanding of how to drive policy development and effect political change. You'll graduate with a comprehensive understanding of key political, social, economic and strategic relations within the domestic and global communities.

- Study policy areas such as inequality, Indigenous affairs, cybersecurity & AI, space governance, trade, foreign affairs and human rights, and combine your degree with a range of courses including languages, law, business and more.
- Gain real-world understanding of how Parliament and public agencies work through placement opportunities in Washington, Vienna, and South Australia.
- Develop a grounding in research and analysis and expand your career options in one year of extra study with a combined honours degree.

Combine Business, Law, Criminology, and International Relations and Political Science

There are a range of combined degree options available at Flinders' city campus or at Bedford Park that allow you to graduate with two career-ready qualifications. With just one to one-and-a-half years of extra study, explore your interests and unlock more career opportunities.

Visit flinders.edu.au/combined-degrees to find out more.
Internship programs

Washington Internship Program

The Washington Internship Program provides you with an opportunity, unparalleled in Australia, to experience political life in Washington DC. Flinders has been sending students on this unique seven-week placement in the US Congress since the program’s inception in 2000. To date, we’ve sent over 130 students to Capitol Hill.

The program can give you a unique insight into US politics and an appreciation of the workings of the American political system. As a participant in the program, you will work full-time in the office of a member of the United States Senate or the US House of Representatives. The goal of the internship is to provide an experience of political life in an influential congressional office and the many tasks, priorities and pressures of that office.

“I’ve had several ‘pinch myself’ moments... You never know what historic world events might unfold during the Washington Internship Program, and being able to witness those events from within the global centre of power that is the US Congress is an experience unlike anything else.”

Mariah Spronk
 Intern, 2022 Washington Internship Program

South Australian Parliamentary Internship

2024 was the 29th anniversary of the prestigious South Australian Parliamentary Internship Program.

The program gives you the opportunity to experience how Parliament operates from the inside, enhancing both your degree and future career opportunities. Interns will work attached to the office of a Member of Parliament while completing a public policy research project nominated by the member, under the formal supervision of a member of the Flinders academic staff.

Vienna Space Internship Program

Flinders University offers a range of internship programs that will see you graduate future-ready.

From the South Australian Parliamentary Internship that gives you the opportunity to see how Parliament operates from the inside, to the Washington Internship Program where you will experience political life in Washington DC, to the all new Vienna Space Internship Program where you could sit in on UN Office for Outer Space Affairs meetings, Flinders offers a range of internship programs that will see you graduate future-ready.

Spend up to eight weeks in the charming city of Vienna, where you’ll discover how law and policy can impact human activity in space, with an opportunity to sit in on meetings at the UN Office for Outer Space Affairs.
Flinders’ huge main campus features an award-winning hub and plaza, with retail, food outlets and a state-of-the-art sport and fitness centre.

Flinders at Tonsley is a place where our students interact with business, and where business interacts with our researchers in areas such as engineering, medical devices and nanoscale technologies.

Our campuses
Flinders’ Adelaide campuses include our main Bedford Park campus and Flinders at Tonsley, which features close links to industry. Our stunning new city campus is situated at Festival Plaza on North Terrace, right beside the Adelaide Railway Station.

Take a virtual tour of Flinders University and explore our amazing locations.

Getting to Flinders
Flinders is well connected to Adelaide by bus and train. The Flinders Railway Line gets you from our new city campus to Tonsley in a super-fast 20 minutes, or to Bedford Park in just 22 minutes.

Explore all our transport options.
Applying to study

How to apply
Applying to study at Flinders is easy, but there are some steps you'll need to follow. Applicants need to apply through the South Australian Tertiary Admissions Centre (SATAC).

You'll find application dates and details at:

satac.edu.au

Before you apply
Visit the course page you're interested in via the QR codes in this brochure, or via flinders.edu.au/study to make sure you have all the information and admission criteria you need, such as prerequisites and assumed knowledge.

You may also want to explore alternative pathways to your degree or combined degrees.

After you've applied
Once you've received an offer to a course, visit students.flinders.edu.au/my-course/enrolment to enrol in your subject/topics.

Fees and charges
As an undergraduate student your course is Commonwealth supported provided you're an eligible Australian citizen, New Zealand citizen or permanent resident. This means that your course fees are shared between the Australian government and you. You may then choose to apply for a HECS-HELP loan to pay your student contribution amount. Find out more at:

flinders.edu.au/fees

If you have any questions
Feel free to contact us via phone, email or through a one-on-one appointment. We're always happy to help.

flinders.edu.au/study/contact-us

Starting at Flinders

When can I start?
Flinders offers two admissions cycles each year for undergraduate degrees. Semester 1 starts in March. If you've decided to take a break from schooling, you may decide to start mid-year in Semester 2, which starts in July. Note that not all degrees offer a Semester 2 start, so check the relevant course page via:

flinders.edu.au/study

Applications for both Semester 1 and Semester 2 open the previous August.

Key dates
Semester 1 Orientation week: 24 February 2025
Semester 1 2025 start date: 3 March 2025
Semester 2 Orientation week: 21 July 2025
Semester 2 2025 start date: 28 July 2025

Student support

Student support at Flinders starts from well before you apply. Our Flinders Support and Services Directory (students.flinders.edu.au/support) covers:

• health and wellbeing
• study and learning
• financial support and assistance
• enrolment and course support
• admin and technology
• careers and employment
• security
• Indigenous student support.

Our support team is on hand to answer any questions you might have via phone, email or 1-on-1 sessions. If you have any questions, contact us via:

flinders.edu.au/study/contact-us

Flinders Living

Flinders is the only university in Adelaide that gives you the opportunity to live on campus.

flinders.edu.au/living

Flinders University Student Association

The Flinders University Student Association (FUSA) continues a long tradition of active student involvement and represents the rights and interests of students.

fusa.edu.au

Yungkurrinthi Student Engagement

Yungkurrinthi Student Engagement provides a range of services and supports for Aboriginal and Torres Strait Islander students.

flinders.edu.au/study/indigenous-students

Glossary

There are many terms used within a university that may be unfamiliar or confusing. The link below contains a list of common university terminology.

students.flinders.edu.au/glossary

Flinders scholarships

Flinders offers a generous range of scholarships for students in undergraduate courses. With over 400 available scholarships, including scholarships to students from low socio-economic backgrounds, students from rural and regional areas, and Aboriginal and Torres Strait Islander students, you may be eligible for support that will help you achieve your goals at university.

flinders.edu.au/scholarships

Work Integrated Learning

Flinders' Work Integrated Learning (WIL) will improve your employability by helping you better understand the day-to-day skills employers are looking for, and by giving you the chance to gain real experience in a workplace environment directly related to the course you're studying.

You might take on a work placement or internship, gain hands-on experience through field education, or get involved in projects with industry or community organisations.

flinders.edu.au/WIL

Combined degrees

Explore your interests and unlock more career opportunities by combining degrees. Combining your degree with a qualification in another discipline will help you develop specialised abilities to stand out from the pack. Studying a combined degree at Flinders is the key to enhancing your career opportunities.

For a full list of combined degree options visit:

flinders.edu.au/combineddegrees

Admission Pathways

Whether you are a school leaver or returning to study at a later date, there are many ways to gain admission to Flinders University. Explore your options and find the entry path that's right for you.

flinders.edu.au/pathways

Year 12 entry

Most Year 12 applicants enter university via the traditional entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled.

flinders.edu.au/year12

Guaranteed entry

If you achieve an ATAR equal to or above the published guaranteed entry selection rank (and you meet course prerequisites) you will be guaranteed a place at Flinders for most courses.

Year 12 Grades Entry Scheme

Upon SACE completion, by using three of your best Year 12 grades, you can gain a place in your course of choice. This is in addition to being considered on any other pathway for which you are eligible.

Indigenous Admission Scheme

The Indigenous Admission Scheme provides an alternative pathway for Aboriginal and Torres Strait Islander people. Visit:

flinders.edu.au/indigenousadmissions

Elite Athlete Pathway

If you’ve officially represented your school or state at a national level competition, we’ll consider your school’s recommendation about your academic potential when you apply.

flinders.edu.au/study/sport/elite-athletes

Research Project B Pathway

If you have strong results in the Research Project B subject you will be considered for entry into Flinders on the basis of your Year 12 results and Research Project B performance.

flinders.edu.au/study/pathways/year-12-entry/research-project

School Recommendation Program

We may consider your school’s recommendation about your academic performance as part of your admission into Flinders.

unTEST

If you’re in Year 12, unTEST is available to enhance your chances of getting into Flinders.

flinders.edu.au/untest

If you haven’t achieved the results you expected

If you haven't achieved the results you expected in Year 12, there are a number of pathways to your preferred degree. You can start studying one course and move to another via internal transfer or Flinderslink.
