Broaden your opportunities

Explore your interests and unlock more career opportunities by combining degrees. Combining your degree with a qualification in another discipline will help you develop specialised abilities to stand out from the pack. Studying a combined degree at Flinders is the key to enhancing your career opportunities. Find out about combining these qualifications.

Bachelor of Laws and Legal Practice/ Bachelor of International Relations

A laws and legal practice degree from Flinders satisfies the academic and practical requirements to practise law in South Australia. Combining these studies with a Bachelor of International Relations opens the door to a multitude of careers in international organisations, aid and human rights, government, transnational crime, terrorism, and non-government organisations.

Bachelor of Laws and Legal Practice/ Bachelor of Criminology

By combining studies in laws and legal practice with criminology, you will develop the professional legal skills to prepare you for a job in the legal profession and gain an understanding of how justice and society influence each other. The combination prepares you for a broad range of careers in law but also government, leadership and educational settings.

Bachelor of Psychological Science/ Bachelor of Criminology

Explore the intersection between psychology and the criminal justice system and the psychological factors underlying criminal behaviour by studying the Bachelor of Criminology combined with the Bachelor of Psychological Science. With further study, you will be able to apply for registration as a psychologist, and will be well placed for a future career in forensic psychology.
Advances in computing power, connectivity, mobility and data storage capacity are fundamentally altering how our society and economy operate, disrupting how we interact and transact, and reshaping the future of work. Flinders Law recognises the need for a fresh approach to the study of law. That’s why we’ve enhanced our Bachelor of Laws and Legal Practice degree to equip you with the skills and knowledge to navigate the future of law successfully.

Balancing elements of traditional legal teaching with new offerings, our degree program includes a suite of new topics designed to develop agile, innovative and enterprising graduates with an ambitious list of new knowledge and skills needed to adapt and thrive in a changing legal industry.

Transition to university
Starting at university is a big step, let’s make it easier. The Transition Office can help make your shift into university study as smooth as possible, and the Student Learning Centre provides a range of services from writing and mathematics support to assistance with study and time-management skills.

Work-Integrated Learning
Work-Integrated Learning (WIL) enables you to gain work experience while you study. Flinders aims to provide each and every student with a WIL opportunity during their studies through placements, practicums, field studies, and simulated workplace settings and assessment activities.

Scholarships
Flinders University offers over 550 undergraduate scholarships, worth $2.2M in total. A generous range of scholarships is available to new and continuing undergraduate students.

Flinders Connect
Flinders Connect can help with everything from enrolment and fees to exams and graduation. You can also access Flinders Connect for specialist services in admissions, careers and IT help. A range of support services is also available.

Flinders University Student Association (FUSA)
Flinders has a long history of active student involvement. The Flinders University Student Association (FUSA) continues that tradition, and represents the rights and interests of students. FUSA manages social events, non-sporting clubs and societies, the student publication Empire Times, and helps with academic, administrative and welfare issues.

Careers & Employability Service
The Careers and Employability Service helps you give you the edge in your career. CareerHub, our online employment portal, is more than a service to help you prepare for and find the job you want. It offers personalised job opportunities, career planning, programs to help you broaden your skills and experience, access to employer events and career-related resources. Whatever you are studying, CareerHub can help you find your direction and start your career.

ADMISSION PATHWAYS

At Flinders we recognise that every prospective student is an individual and that what works for one might not be right for another. That’s why we provide various admission pathways into Flinders University and your preferred degree. You’re encouraged to explore your options and find the entry path that’s right for you.

Year 12 entry

The majority of Year 12 applicants enter university via the traditional competitive entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled. Your selection rank is used by Flinders to assess your admission to a course, and is based on your ATAR plus any adjustment factors for which you are eligible. The 2019 Minimum Selection Rank is the minimum selection rank required for consideration to enter in next intake. The 2019 selection rank indicates the lowest rank for which an offer was made to an applicant in that degree for the previous year (including any adjustment factors). This selection rank is provided only as a guide for 2020 entry as it may change from year to year.

Adjustment factors

Adjustment factors (formerly referred to as bonus points) may be used in combination with your ATAR to derive your course selection rank. Adjustment factors may be available for South Australian Year 12 students applying to study at Flinders in 2020: the SA Universities Equity Scheme (USES) and the SA Language, Literacy and Mathematics Bonus Scheme (LLM).

Guaranteed entry selection rank

Achieves a selection rank equal to or above the published guaranteed entry selection rank and you’ve guaranteed a place at Flinders. All you need to do is ensure you have listed Flinders degrees first in your preferences and you will be offered a place in the highest Flinders degree preference that you are eligible for in 2020.

uniTEST

If you’re a school leaver, uniTEST is your chance to increase your options to gain a place in your preferred degree. uniTEST is designed for school leavers and complements existing selection criteria by enhancing your overall selection rank.

uniTEST UniLeap

Flinders UniLeap can help you qualify for entry into a Flinders University degree in four weeks. It’s a free intensive four-week program that has been designed for school leavers, to develop their independent learning skills and prepare them for university study.

Foundation Studies

The Foundation Studies program has been designed to introduce you to university study in a supportive learning environment. Open to people from all backgrounds, Foundation Studies provides a pathway to gain entry to most degrees at Flinders and offers guaranteed entry into some degrees.

TAFE SA dual offers

You can apply for a TAFE SA* diploma or advanced diploma that is linked to a Flinders degree. You’ll receive an offer to both TAFE SA and Flinders University and, on successful completion of the TAFE course, you’ll have secured an offer for a Flinders degree. TAFE SA dual offers are available for a range of Flinders degrees.* TAFE SA RTD Code: 41026

Adult entry

The adult entry scheme enables people aged 18 years and over to apply to study at Flinders via the Special Tertiary Admissions Test (STAT). Applications are made via SATAC.

Tertiary transfer

If you have completed at least one semester of full-time equivalent study at university, you may be able to transfer to study at Flinders University using your grade point average (GPA)

BACHELOR OF GENERAL STUDIES

The Bachelor of General Studies is a flexible degree that provides a sound basis of knowledge in an area of your choice. It is designed to prepare you with communication skills, a firm grasp of ethics, and the confidence to make connections across geographical, disciplinary, social and cultural boundaries. Successful completion of the first year to the required standard also provides you with guaranteed entry into a range of our degrees.

Get more out of your degree

Whatever you’re studying, Flinders gives you the opportunity to do more with your degree to help you have a competitive edge when you graduate.

A combined degree is a combination of two Flinders bachelor degrees, meaning you will have two qualifications in just one to one-and-a-half years of extra study and undertake in-depth study in exciting combinations that aren’t usually available in single degrees.

The Bachelor of Letters is available to study alongside any degree at Flinders and enables you to graduate with two qualifications.

WHEN CAN I START?

Flinders offers two admissions cycles each year for undergraduate degrees.

Semester 1 – February start. Applications open in August for commencement the following year.

Semester 2 – July start. Mid-year applications open in August for commencement in July the following year.

*Not all degrees are offered for semester 2 entry. Check our midyear site for details: flinders.edu.au/midyear
