In an era of disruptive change, Flinders University is growing its international reputation as a world leader in research, an innovator in contemporary education and a source of enterprising graduates equipped to change the world.

Flinders University acknowledges the Traditional Owners on lands in which its campuses and centres are located and honours Elders past and present. These are the traditional lands of the Arrernte, Barngarla, Baroona, Bruny Island, Bunjil, Bungarribee, Jawoyn, Kaurna, Larrikin, Ngaanu, Njaa, Ngadjuri, Ngarrindjeri, Peramangk, Ramingani, Marindan, Maranunga and Yolngu peoples, spanning across South Australia, Northern Territory and Victoria.

TOP 2% UNIVERSITY WORLDWIDE*

NO.1 IN SA for teaching quality, student support, and starting salary**

More than 500 undergraduate, postgraduate and research degrees

Over 25,000 students supported by 2,600 staff***

Over 550 scholarships, worth $2.2m in total

*THE World University Rankings 2020 as a percentage of the total number of universities in the world according to the International Association of Universities
**The Good Universities Guide 2020 (undergraduate), public SA-founded universities only
***Staff and student numbers are preliminary figures based on data collected 16 December 2020 and subject to change.
**The Good Universities Guide 2020 (undergraduate), public SA-founded universities about student support on page 40.**

**Excellence in Research for Australia 2018 (Flinders rating 89.7% rounded up to 90%)**

*BE TAUGHT BY LEADERS*

Flinders University is SA’s No. 1 university for student support. From campus facilities to financial support, mental health and wellbeing resources and services, student grants, counselling services (including careers and financial) and many social opportunities, we offer a range of services to ensure your study experience is everything you want it to be. Find out more about student support on page 40.

*GET THE SUPPORT YOU NEED*

**Gain real-world experience**

Flinders’ Work Integrated Learning (WIL) enables you to gain work experience while you study. You’ll have the opportunity to gain real-world experience through placements, practicums, field studies and simulated workplace settings and assessment activities. Flinders aims to provide each and every student with access to a WIL opportunity during their studies.

**Think big. Make an impact. Design your future.**

Careers are evolving and the workplace of the future will look very different from today. Powered by Flinders’ New Venture Institute, our suite of innovation and enterprise electives and courses will help you to develop the ‘personal enterprise skills’ that employers are looking for, and equip you with the ability to adapt to whatever life throws at you, personally and professionally. No matter what you choose to study at Flinders, you can embed an innovation and enterprise elective into your degree.

**Explore Flinders scholarships**

Flinders offers a generous range of scholarships for students in undergraduate courses. With over 550 available scholarships, including scholarships to students from low socio-economic backgrounds, students from rural and regional areas and Indigenous students, you may be eligible for support that will help you achieve your goals at university.

*Wyndham Richardson Scholarship Fund has been invaluable to reduce the financial pressure during studies, especially now that I am in the later years of my degree.*

GAIN SKILLS THAT WILL HELP OTHERS

MEDICINE

WORK FOR THE GREATER GOOD

STUDY MEDICINE AT FLINDERS

Our medical practitioners are people who dedicate their lives to helping others. They prevent and treat disease. They heal injuries. They protect our health. You could join their ranks.

HOLD LIFE AND HEALTH IN YOUR HANDS

Becoming a medical practitioner gives you the chance to have a profound impact on the health of the people around you. Imagine the satisfaction you’ll feel as you successfully treat a sick child or treat an injury. By studying medicine, you’ll be working towards becoming a respected, vital member of our community.

BROAD OPPORTUNITIES

Medical practitioners are in high demand, and with a wide variety of opportunities, you could work towards a career in hospitals, general practice and medical centres across Australia.

STUDY FOR SUCCESS

New medical breakthroughs occur almost daily, and we need practitioners with up-to-the-minute training based on the latest medical research. Flinders can deliver that training.

No. 1 in Australia

in Medicine for full-time employment

The Good Universities Guide 2021 (postgraduate)

“My medical education at Flinders was innovative, almost revolutionary, personalised, rigorous, research orientated, and has given me a welcome legacy of lifelong enquiry.”

Professor Chris Baggoley AO, Medicine graduate, Chief Medical Officer of Australia 2011-2016

Bachelor of Clinical Sciences/Doctor of Medicine

Your accelerated undergraduate track to a medical degree.

This double degree program enables school leavers without an undergraduate degree to pursue a career in medicine. The program provides a high standard of academic, clinical and professional medical training to equip graduates with the skills necessary to take up positions as hospital interns and thereby qualify for medical registration in Australia.

- Applicants must complete the University Clinical Aptitude Test for Australia and New Zealand (UCAT ANZ). Final ranking for a place is determined by combining scores from the applicant’s Year 12 subject results that are used to calculate the ATAR (or equivalent) and their UCAT results. Only UCAT ANZ scores from tests held in July 2021 will be considered for 2022 entry.
- It is expected that applicants will need to achieve a selection rank of 95 or above.
- See flinders.edu.au/universities-equity-scheme for explanation of UES.

“Strong clinical program at Flinders gave me the skills that I use every day to diagnose my patients. Studying medicine involves maintaining focus on your ultimate goal.”

Felicia Hui

Medicine graduate, Doctor, Greenwich Hospital (USA)
Find your own path

There’s more than one way to get into the Flinders Doctor of Medicine.

Flinders is committed to ensuring that people from all walks of life have an opportunity to study medicine. That’s why Flinders offers a range of admission pathways that enable you to enter a medical degree, whatever your background.

Undergraduate entry
If you have completed Year 12 and wish to study medicine in Adelaide or the Northern Territory, you can apply for admission through a direct degree pathway which enables you to enter Flinders’ medical program without having to complete a separate undergraduate degree first. This pathway enables you to complete a Bachelor of Clinical Sciences combined with the Doctor of Medicine (MD) in just six years.

Graduate entry
Flinders University offers graduate entry to the MD in Adelaide and the Northern Territory, providing an alternative to the traditional pathway from secondary school to an undergraduate medical course. The four-year program enables you to graduate with a medical qualification that is comparable to a six-year undergraduate program.

Graduate entry is available for applicants who hold any Flinders graduate sub-quotas. Additional sub-quotas are reserved for students who come from a rural area, at least 28 per cent of Commonwealth supported places for graduate entry to the MD are reserved for students who come from a rural background. This includes a sub quota of up to 24 places available each year for students from rural communities who wish to undertake the entire third year of the MD in one of four rural locations.

Northern Territory applicants
Flinders University, in partnership with Charles Darwin University, offers undergraduate and graduate entry to the Flinders Doctor of Medicine in Darwin through the Northern Territory Medical Program (NTMP). Whether you are a school leaver or university graduate in the Territory, the NTMP allows you to undertake your entire medical training in the Northern Territory. Places are only available to Australian citizens and permanent residents.

For more on the NTMP, visit Flinders University’s website.

GET MORE OUT OF YOUR STUDY

Combined degrees
Combining your degree with a qualification in another discipline will give you more expertise and expand your career prospects. Studying a combined degree at Flinders will help you stand out from the crowd.

A combined degree is a combination of two Flinders bachelor degrees. As a combined degree graduate you will have two qualifications in just one to one-and-a-half years of extra study.

Our combined degree programs are designed to enhance your educational, academic and professional qualifications while minimising the cost and length of your studies. Flinders’ combined degrees allow you to undertake in-depth study in exciting combinations that aren’t usually available in single degrees.

flinders.edu.au/combineddegrees

Bachelor of Letters
The Bachelor of Letters is available to study alongside any degree at Flinders and enables you to graduate with two qualifications. The Bachelor of Letters is available in the following disciplines:
- Creative writing
- History
- Languages (French, Modern Greek)
- Mathematics
- Sports performance coaching.

The Bachelor of Letters is normally undertaken part-time over three years to allow concurrent study with your primary bachelor degree, adding one year to your overall study program.

BEGIN YOUR JOURNEY TO A SUCCESSFUL CAREER

Flinders diplomas
Flinders’ diploma level qualifications give you the chance to experience university life without having to commit to long term study. The one-year Diploma of Business or Diploma of Arts give you the chance to explore a range of interests, and successful completion allows you to apply for up to one year of credit towards a range of Bachelor degrees, and guaranteed entry to the following courses:
- Bachelor of Archaeology
- Bachelor of Arts
- Bachelor of Arts pathway to Education (Primary R-7)
- Bachelor of Arts pathway to Education (Secondary)
- Bachelor of Arts pathway to Psychological Science
- Bachelor of Business
- Bachelor of Business Economics
- Bachelor of Creative Industries (Digital Media, Film and Television, Interactive Design, Theatre and Performance, Writing and Publishing, Festivals and Arts Production)
- Bachelor of Disability and Community Inclusion
- Bachelor of Disability and Developmental Education
- Bachelor of Engineering Science
- Bachelor of Information Technology
- Bachelor of International Business (Wine, Spirits and Tourism)
- Bachelor of International Relations and Political Science
- Bachelor of Law and Society
- Bachelor of Science

Standard University admission requirements apply.

“I love that Medicine at Flinders is very hands-on. The great amount of support we receive and the small class sizes allow our learning to be much more student focused, collaborative and easy to comprehend.”
Sydney Ma
Bachelor of Clinical Sciences/Doctor of Medicine
INDIGENOUS ADMISSIONS SCHEME

The Indigenous Admissions Scheme provides an alternative pathway for Aboriginal and Torres Strait Islander people, who may not have been able to gain entry to university by traditional means, with the opportunity to study at Flinders.

Are you eligible?
To be eligible for the Indigenous Admissions Scheme you must be an Aboriginal or Torres Strait Islander in accordance with the Commonwealth definition which requires you to:
• be of Aboriginal or Torres Strait Islander descent, and
• identify as an Aboriginal or Torres Strait Islander, and
• be accepted as an Aboriginal or Torres Strait Islander in the community in which you live or have lived.

You may be currently studying Year 12, or be a non-school leaver.

How to apply
1. Apply for the course you want to study through the South Australian Tertiary Admissions Centre (SATAC). You will get an application number from SATAC that you will need for your Indigenous Admissions application form.
2. Complete the Indigenous Admissions Scheme Application Form at flinders.edu.au/study/pathways/indigenous-admission-scheme and send to Yunggorendi Student Engagement Office as outlined at the end of the form.
3. An interview is part of the application process but you will be notified about this.

Application and interview dates
First round applications close late November and second round applications close early January for semester 1. For our midyear intake to a number of courses, applications close in June.

PATHWAYS TO STUDY

Whether you are a school leaver or returning to study at a later date, there are many ways to gain admission to Flinders University. Explore your options and find the entry path that’s right for you.

If you have recent secondary education
Year 12 Entry
Most Year 12 applicants enter university via the traditional entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled. Your selection rank is used by Flinders to assess your admission to a course and is based on your ATAR plus any adjustment factors for which you are eligible.

Elite Athlete Pathway
If you’ve officially represented your school or state at a national level competition, we’ll consider your school’s recommendation about your academic potential when you apply.

Research Project B Pathway
If you have strong results in the Research Project B subject you will be considered for entry into Flinders on the basis of your Year 12 results and Research Project B performance.

uniTEST
If you’re in Year 12, uniTEST is available to enhance your chances of getting into Flinders. We will select students based on their Year 12 results (60% weighting toward the ATAR selection rank) and uniTEST results (40%). Flinders will also consider applicants based on their uniTEST results (100%) as a standalone entry score (subject to SACE completion and any course prerequisites or specific admissions requirements). If you take the test and don’t do well, we will only consider your highest selection rank.

If you have some higher education
Tertiary Transfer
If you have completed at least one semester of full-time equivalent study at university, you may be able to transfer to study at Flinders University using your grade point average (GPA).

If you have vocational education and training (VET)
TAFElink
Flinders offers guaranteed entry to selected degrees for applicants who have completed a TAFE/VET certificate IV or higher-level qualification, as long as degree prerequisites are met.

TAFE SA Dual Offers
Flinders University together with TAFE SA offer over 45 dual offer pathways in various disciplines.

Adult Entry
The adult entry scheme enables people aged 18 years and over to apply to study at Flinders via the Special Tertiary Admissions Test (STAT). Applications are made via SATAC.
WHEN CAN I START?
Flinders offers two admissions cycles each year for undergraduate degrees.
Semester 1 – March start
Applications open in August for commencement the following year.
Semester 2* – July start
Mid-year applications open in August for commencement in July the following year.
*Not all degrees are offered for semester 2 entry. Check our midyear site for details: flinders.edu.au/midyear
