**Flinders University**

**Flinders University** is South Australia’s leading university with a world-class reputation for research, teaching and learning. Flinders University is ranked in the top 300 globally by the Times Higher Education World University Rankings, making us one of Australia’s most innovative universities. We are known for our excellence in research and teaching, and our strong commitment to community engagement. We are located in Adelaide, South Australia, Australia’s southernmost city, providing a beautiful backdrop to our vibrant university community.

**Choose Your Degree**

Flinders University offers a wide range of undergraduate, postgraduate, and research degrees in a variety of fields, including arts, business, health, sciences, education, and more. With over 500 undergraduate, postgraduate, and research degrees, Flinders University provides a diverse range of academic programs to suit your interests and career goals.

**Be Taught By Leaders**

Flinders University is home to a community of highly skilled researchers and lecturers who are dedicated to providing you with the best possible education. Our lecturers are leaders in their fields, and they are committed to inspiring teaching, practical placements, internships, field education, and industry projects. They will guide you from the classroom to the workplace, ensuring that you are well-prepared for your future career.

**Gain Real-World Experience**

Flinders University offers a wide range of opportunities to gain real-world experience. Our Work Integrated Learning (WIL) programs provide students with the chance to work alongside experienced professionals in a variety of industries, from healthcare to technology. By participating in WIL programs, you will gain valuable work experience, develop essential skills, and enhance your employability.

**Think Big, Make an Impact, Design Your Future**

At Flinders University, we believe that you can make a difference. Our innovative approach to education and research enables you to design your future and make a positive impact. Whether you choose to study in one of our six campuses or online, you will have the chance to become a leader in your field and contribute to society.

**Explore Flinders Scholarships**

Flinders University offers a range of scholarships to students in undergraduate courses. With over 550 available scholarships, including scholarships to students from low socio-economic backgrounds, students from rural areas, and Indigenous students, Flinders University has a scholarship program that is tailored to meet your specific needs.

**Join a Global Community**

Flinders University is committed to creating a global community of thought leaders. Our university has a world-class reputation for research, teaching, and learning, and we are proud to be a part of a global network of universities. We are located in Adelaide, South Australia, Australia’s southernmost city, and we are home to a vibrant university community.

**Experience a University Like No Other**

Flinders University is a digitally enabled environment. We offer a range of services to support your study experience, including student grants, counselling services, and career development programs. With our world-class teaching and learning facilities, you will be able to develop the skills and knowledge you need to achieve your goals.

**Get the Support You Need**

Flinders University is home to a wide range of support services, including student grants, counselling services, and career development programs. We are committed to ensuring that every student has access to the support they need to achieve their goals.

**Wyndham Richardson Scholarship Fund**

**Ryan Rowston, Bachelor of Computer Science**

"The Wyndham Richardson Scholarship Fund has been invaluable to me. It has reduced the financial pressure during studies, especially now that I am in the later years of my degree."---Ryan Rowston, Bachelor of Computer Science

**Rebekah Jones**

Canada

"My exchange was honestly one of the most amazing and rewarding six months of my life. The friends I made, the things I saw and experienced will stick with me for the rest of my life."---Rebekah Jones, Canada

---

Centred around the new Flinders Train Station (due to open early 2021) and directly connecting the University’s main campus to its Tonsley innovation precinct and the Adelaide city centre, the $1.5 billion Flinders Village development will create a campus environment which merges university life with the wider community.

Flinders Village will feature student accommodation, an advanced health research facility, transitional health accommodation, a hotel, and amenities such as retail facilities, benefitting students, staff and the community.
Do you want to go to work each day, knowing that what you do matters? Would you like to start a career that could change lives, save lives or help bring new lives into the world? You could have an amazing career in nursing or midwifery.

**CHANGE LIVES. SAVE LIVES.**
A career in nursing or midwifery will give you the opportunity to start each day knowing that your work will change the lives of those around you. Nursing is a fast-paced, exciting career with great opportunities for personal and professional growth. If your path takes you towards midwifery, imagine the satisfaction you’ll feel as you help bring new life into the world.

**A REWARDING CAREER.**
Apart from being personally rewarding, you’ll begin a career in Australia’s largest and fastest growing industry, Health Care and Social Assistance, which is Australia’s largest and fastest growing industry and is projected to grow by 14.9% over the 5 years to May 2023.*

### Bachelor of Letters

The Bachelor of Letters is available to study alongside any degree at Flinders and enables you to graduate with two qualifications. The Bachelor of Letters is available in the following disciplines:

- Archaeology
- Creative enterprise
- Creative writing
- Criminology
- English
- Health
- History
- Innovation and enterprise
- Languages (French, Italian, Modern Greek, Spanish)
- Mathematics
- Sports performance coaching
- Theology.

The Bachelor of Letters is normally undertaken part-time over three years to allow concurrent study with your primary bachelor degree, adding one year to your overall study program.

---

### Bachelor of General Studies

The Bachelor of General Studies (SATAC code: 234181) is a flexible degree that provides a sound basis of knowledge in an area of your choice. It is designed to prepare you with communication skills, a firm grasp of ethics and the confidence to make connections across geographical, disciplinary, social and cultural boundaries. Successful completion of the first year to the required standard also provides you with guaranteed entry into a range of our degrees.

With a focus on the principles of primary health care and continuity of care, you will develop an understanding of various midwifery models to enable you to apply theory and skills in your daily practice.

- Gain the skills and knowledge required to register as a practising midwife with the Nursing and Midwifery Board of Australia.
- Undertake professional placements in all areas including antenatal, labour, birthing, postnatal and special care nurseries.
- Learn to be a confident and responsible professional who provides support, care and advice to women before, during and after childbirth.
- This degree is accredited by the Australian Nursing and Midwifery Accreditation Council. Graduates of this degree are eligible to apply for registration with the Nursing and Midwifery Board of Australia as registered midwives.

**CAREER OPPORTUNITIES**

On graduation, you’ll be able to take the first step towards a range of employment opportunities including registered midwife positions in settings such as:

- midwifery group practice
- antenatal education
- community health
- private practice.

Potential employers include:

- public and private hospitals
- community health organisations
- medical practices.

FIND YOUR OWN PATH

We understand that everyone is different, so in addition to the Bachelor of Nursing and Bachelor of Midwifery, the University offers the following pathways to enable people from a range of different educational backgrounds to study and gain registration as a practising nurse or midwife.

Bachelor of Nursing (Graduate Entry)

The Bachelor of Nursing (Graduate Entry) is an accelerated course leading to registration as a nurse with the Nursing and Midwifery Board of Australia (NMBA) for graduates with a degree in an academic area other than nursing (including midwifery), or nurses who hold a degree that does not currently lead to NMBA registration.

The equivalent of nine units of study focused on an understanding of body structures and function such as human biology, physiology and anatomy is also required.

The Nursing and Midwifery Board of Australia have made changes to the English language skills registration standard. Please refer to their website for further information: www.nursingmidwiferyboard.gov.au/Registration-Standards/English-language-skills.aspx

Bachelor of Midwifery (Registered Nurse Entry)

The Bachelor of Midwifery (Registered Nurse Entry) is a pathway for candidates who are graduates of a nursing degree and/or hold a current practising certificate as a registered nurse who would like to become eligible to register with the Nursing and Midwifery Board of Australia as a registered midwife. This pathway aims to build on knowledge and skills gained from previous tertiary qualifications/skills in nursing, and to develop these in a midwifery practice context to prepare students to practise in the role of a registered midwife.

CONCURRENT DEGREES

Explore your interests and unlock more career opportunities by studying another degree.

Studying a concurrent degree at Flinders is the key to enhancing your career opportunities.

Bachelor of Nursing/Bachelor of Letters (Health)

By studying the Bachelor of Nursing concurrently with the Bachelor of Letters (Health), you can follow your interests and aspirations to enhance your career prospects. You will undertake core topics in health practitioner practice, social analysis of health and social health research, plus topics from within one of the following streams:

- Ageing
- Disability
- Health education/promotion
- Nutrition.

RIVERLAND CAMPUS

The Riverland campus of Flinders University is located in the rural township of Renmark, nestled within one of South Australia’s richest horticultural regions.

Studying in the Riverland offers you a distinct rural focus and provides you with many opportunities for professional and personal development. Personally, it provides you with the chance to experience a different lifestyle and meet new people. Professionally, getting involved in the diversity and variety offered by rural practice helps you to develop high levels of professional competence, independence, resourcefulness and flexibility.

Our Riverland program is identical in structure and level of qualification to our Adelaide program.

- Your study will be enriched through education from University staff, local clinicians and visiting academics.
- You’ll have the opportunity for professional experience placements in local hospitals, community centres and aged-care facilities.
- Placements in metropolitan Adelaide are also available.
- You’ll experience integrated learning on the grounds of the Renmark Paringa District Hospital.

PATHWAYS TO STUDY
Whether you are a school leaver or returning to study at a later date, there are many ways to gain admission to Flinders University. Explore your options and find the entry path that’s right for you.

If you have recent secondary education

Year 12 Entry
Most Year 12 applicants enter university via the traditional entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled. Your selection rank is used by Flinders to assess your admission to a course and is based on your ATAR plus any adjustment factors for which you are eligible.

Elite Athlete Pathway
If you’ve officially represented your school or state at a national level competition, we’ll consider your school’s recommendation about your academic potential when you apply.

Research Project B Pathway
If you have strong results in the Research Project B subject you will be considered for entry into Flinders on the basis of your Year 12 results and Research Project B performance.

uniTEST
If you’re in Year 12, uniTEST may enhance your chances of getting into Flinders. We will select students based on Year 12 results and uniTEST performance.

If you have some higher education

Tertiary Transfer
If you have completed at least one semester of full-time equivalent study at university, you may be able to transfer to study at Flinders University using your grade point average (GPA).

If you have vocational education and training (VET)

TAFElink
Flinders offers guaranteed entry to selected degrees for applicants who have completed a TAFE/VET certificate IV or higher-level qualification, as long as degree prerequisites are met.

TAFE SA Dual Offer
Flinders University together with TAFE SA offer over 45 dual offer pathways in various disciplines.

Adult Entry
The adult entry scheme enables people aged 18 years and over to apply to study at Flinders via the Special Tertiary Admissions Test (STAT). Applications are made via SATAC.

If you have work and life experience

Foundation Studies
The Foundation Studies program has been designed to introduce you to university study in a supportive learning environment. Open to people from all backgrounds, Foundation Studies provides a pathway to gain entry to most degrees at Flinders and offers guaranteed entry into some degrees.

Military Pathways
Use your military service in the Australian Defence Force as a pathway to a Flinders University degree.

Special Tertiary Admissions Test (STAT)
Adult entry to university via the Special Tertiary Admissions Test (STAT) assesses your ability to study at a tertiary level.

A pathway to all degrees

Bachelor of General Studies
Begin your journey to a successful career. Flinders’ Bachelor of General Studies is a flexible degree designed to prepare you with communication skills, a firm grasp of ethics and the confidence to make connections across geographical, disciplinary, social and cultural boundaries.

flinders.edu.au/study/pathways
WHEN CAN I START?
Flinders offers two admissions cycles each year for undergraduate degrees.
Semester 1 – March start
Applications open in August for commencement the following year.
Semester 2* – July start
Mid-year applications open in August for commencement in July the following year.
*Not all degrees are offered for semester 2 entry. Check our midyear site for details: flinders.edu.au/midyear
