At Flinders, it’s all about your life-changing health career.

Choose your health degree

Flinders University offers a range of future-focused health degrees that will allow you to follow your interest across areas as diverse as medicine, nursing, health sciences, audiology, social work and more. Choose a degree that reflects your passions and graduates with the skills and knowledge to take your place in an ever-changing world.

Take your place in a critical industry

The importance of health workers to our society has never been more evident, and projected employment growth through to November 2026 looks strong across many health specialties.*

* National Skills Commission 2022 occupation projections

Projected growth through to 2026

- Audiologists and Speech Pathologists/Therapists – 34.7%
- Health Professionals – 15.5%
- Medical Practitioners – 11.7%
- Midwives – 21.6%
- Occupational and Environmental Health Professionals – 15.9%
- Physiotherapists – 28.7%
- Psychologists and Psychiatrists – 13.3%

Be taught by leaders in health and care

Flinders’ health and care degrees are taught by highly qualified academics who are active in their respective fields and have the practical skills and industry networks to ensure that you graduate more than ready for the next step in your career path.

Gain real-world experience

Flinders’ Work Integrated Learning (WIL) enables you to gain work experience while you study. You’ll have the opportunity to gain real-world experience through placements, practicums, field studies and simulated workplace settings and assessment activities. Flinders aims to provide each and every student with access to a WIL opportunity during their studies.

“My degree is really vibrant and dynamic. You do a lot of practical experience in the laboratories and the equipment is really good. The lecturers and tutors are confident in their teaching and they are keen to teach you. We can ask anything from them and they help you negotiate your work.”

Kalpana Dharmasiri

Bachelor of Nursing Preregistration graduate
A rewarding career
You’ll begin a career that is not only personally rewarding, but is in Australia’s largest and fastest growing industry. Health care and social assistance is Australia’s largest industry and is projected to have strong employment growth through to November 2026.*

* National Skills Commission 2022 occupation projections.

Study for success
Flinders is internationally recognised for being at the forefront of nursing and midwifery education. We are rated as one of the top 48 universities in the world for nursing.** By studying at Flinders, your learning will be facilitated by leading clinicians, educators and researchers, in state-of-the-art facilities.

** 2022 Academic Ranking of World Universities

Connect with industry leaders
We enjoy partnerships with many industry organisations including local health networks, aged care service providers, and public and private hospitals. Almost 1,000 hours of work placement are built into both the undergraduate nursing and midwifery degrees, with rewarding opportunities to make industry connections, build practical skills and experience a variety of settings.

Learn in state-of-the-art facilities

Our Healthcare Simulation Centre allows nursing and midwifery students to develop invaluable hands-on practical skills and work together in a real-world multidisciplinary environment.

The high-tech simulation lab mirrors real-life situations to prepare you for work in hospitals, surgeries and healthcare settings. Our lab features patient care manikins that simulate health conditions such as cardiac arrest and all the stages of a woman giving birth. The laboratory is also home to baby manikins and simulated neonatal intensive care equipment. This intensive practical learning allows you to develop clinical reasoning skills through case-based learning.

Riverland campus

The Riverland campus of Flinders University is located in the rural township of Renmark, nestled within one of South Australia’s richest horticultural regions.

Studying in the Riverland offers you a distinct rural focus and provides you with many opportunities for professional and personal development. Personally, it provides you with the chance to experience a different lifestyle and meet new people. Professionally, getting involved in the diversity and variety offered by rural practice helps you to develop high levels of professional competence, independence, resourcefulness and flexibility.

Our Riverland program is identical in structure and level of qualification to our Adelaide program. Your study will be enriched through education from University staff, local clinicians and visiting academics. You’ll have the opportunity for professional experience placements in local hospitals, community centres and aged-care facilities.

Placements in metropolitan Adelaide are also available. You’ll experience integrated learning on the grounds of the Renmark Paringa District Hospital. Study in the Riverland offers:
- access to computer suite, wi-fi and student common room with kitchen
- state-of-the-art clinical skills laboratory
- modern classrooms plus a library and video conference facilities.
Starting at Flinders

Flinders Adelaide campuses include the Bedford Park campus, featuring an award-winning hub and plaza, with retail, food outlets and a state-of-the-art sport and fitness centre.

Flinders at Tonsley houses state-of-the-art facilities and close links to industry. In 2024, our Victoria Square CBD campus will move to the stunning new Flinders at Festival Tower on North Terrace, right beside the Adelaide Railway Station.

Take a virtual tour of Flinders University and explore our amazing locations. It’s the next best thing to being here!

Flinders at Festival Plaza – opening 2024
Flinders University students want flexibility, convenience and connectivity. That’s why we’re taking our presence in the Adelaide CBD to a whole new level. As an anchor tenant in the new Festival Plaza development on North Terrace, Flinders will offer new courses and new career pathways in a new city campus.

Flinders in the Northern Territory
Flinders has many sites across the Northern Territory, our aim is to be a hub for innovative health research, education and workforce development in the NT.

Tonsley
Flinders at Tonsley is a place where our students interact with business, and where business interacts with our researchers in areas such as engineering, medical devices and nanoscale technologies.

This is Flinders

Flinders is ranked in the top 2% of universities in the world*  

* THE World University Rankings 2023 as a percentage of the total number of universities in the world according to the International Association of Universities

Expansive footprint
Flinders’ health and medical footprint stretches from Adelaide to rural and remote areas in South Australia and the Northern Territory, enabling students and practitioners from an array of cultures and contexts to provide healthcare to a vast range of communities.
Flinders University is investing in a world-class Health and Medical Research Building (HMRB) for Southern Adelaide.

As a leading research facility, it will enable collaboration between researchers, healthcare and industry partners, translating world-class research into improved community healthcare outcomes. The new facility will provide a focus for education and lifelong learning, leveraging academic and research opportunities, and providing platforms for collaboration, innovation and the exchange of knowledge.

Seamlessly connected to Flinders University at Tonsley and Flinders in the CBD by the new Flinders train station, HMRB is the first stage and centrepiece of our Flinders Village development – Adelaide’s largest fully integrated education, research and healthcare precinct.

Standard University admission requirements apply.

Flinders has a reputation for being one of the world’s top 2 percent of universities in the QS World University Rankings by Subject. 

Guaranteed entry

If you achieve an ATAR equal to or above the published guaranteed entry selection rank (and you meet course prerequisites) you will be guaranteed a place at Flinders. We offer guaranteed entry for most courses.

Indigenous Admission Scheme

The Indigenous Admission Scheme provides an alternative pathway for Aboriginal and Torres Strait Islander people, who may not have been able to gain entry to university by traditional means, with the opportunity to study at Flinders. See page 18 for further details.

Elite Athlete Pathway

If you've officially represented your school or state at a national level competition, we'll consider your school's recommendation about your academic potential when you apply.

uniTEST

If you're in Year 12, uniTEST is available to enhance your chances of getting into Flinders. We will select students based on their Year 12 results (60% weighting toward the ATAR selection rank) and uniTEST results (40%). Flinders will also consider applicants based on their uniTEST results (100%) as a standalone entry score (subject to SACE completion and any course prerequisites or specific admissions requirements). If you take the test and don't do well, we will only consider your highest selection rank.

Return to study

If you haven't achieved the results you expected and you're in Year 12, there are a number of pathways to your preferred degree. You can start studying one course and move to another via internal transfer or Flinderslink.

Research Project B Pathway

If you have strong results in the Research Project B subject you will be considered for entry into Flinders on the basis of your Year 12 results and Research Project B performance.

Rural and remote sub-quota

If you have an Australian rural background, come from the Northern Territory or are of Aboriginal or Torres Strait Islander descent, you may be eligible to access a sub-quota of reserved places in many of Flinders' health courses, significantly increasing your opportunities for entry into a number of our limited intake courses.

School Recommendation Program

We may consider your school's recommendation about your academic performance as part of your admission into Flinders.

If you have completed your secondary education or are applying to Flinders as a mature-age student, you will be eligible to apply through the Flinders School Recommendation Program. Flinders will consider the results of your final Year 12 examinations and your school's recommendation.

Indigenous Admission Scheme

The Indigenous Admission Scheme provides an alternative pathway for Aboriginal and Torres Strait Islander people, who may not have been able to gain entry to university by traditional means, with the opportunity to study at Flinders.

Are you eligible?
To be eligible for the Indigenous Admission Scheme you must be an Aboriginal or Torres Strait Islander person in accordance with the Commonwealth definition, which requires you to:

- be of Aboriginal or Torres Strait Islander descent, and
- identify as an Aboriginal or Torres Strait Islander, and
- be accepted as an Aboriginal or Torres Strait Islander in the community in which you live or have lived.

You may be currently studying Year 12 or be a non-school leaver.

How to apply
1. Apply for the course you want to study through the South Australian Tertiary Admissions Centre (SATAC). You will get an application number from SATAC that you will need for your Indigenous Admission Scheme application form.
2. Complete the Indigenous Admission Scheme application form online (flinders.edu.au/indigenousadmissions). If you are having trouble completing an online application, you can request a paper-based application via ias@flinders.edu.au or call us on 08 8201 3033.
3. An interview is part of the application process, but you will be notified about this.

Application and interview dates
First round applications close late November and second round applications close early January for semester 1. For our midyear intake to a number of courses, applications close in June.

“I originally chose Flinders as they have one of the best facilities for future teachers and fantastic student engagement. Studying at Flinders has been a wonderful experience that has given me the opportunity to discover what I truly want into the future while also providing me with support in every way imaginable. Flinders and Yungkurinthi have given me the opportunity to meet others with similar ambitions and goals as myself and find the benefit of an education in places I would never have thought to look. As a proud Indigenous woman, I want to use my degree to work in First Nation communities to help our young people make it through their high schooling experience and onto their own future aspirations.”

When can I start?

There are many terms used within a university that may be unfamiliar or confusing. Below are a few terms that may need explanation.

Admission pathway
Any one of the options available to a prospective higher education student that will enable them to meet the entry requirements of their chosen courses.

ATAR
The Australian Tertiary Admission Rank (ATAR) is a ranking from 30 (lowest) to 99.95 (highest) agreed by COAG as a nationally equivalent measure of a person’s relative academic ranking within their complete age cohort in the year they graduated from senior secondary school.

Adjustment factors
Often referred to as ‘bonus points’, these are additional points that may be used in combination with an applicant’s university aggregate to derive their course selection rank.

Defer
Delaying the start of a course of study by one year (commencing students only). If you have already enrolled, then you need to withdraw from topics before you can defer.

Not all courses are deferrable. Please visit flinders.edu.au/defer for details.

Guaranteed entry selection rank
Achieve a selection rank equal to or above the published guaranteed entry selection rank and you’ll be guaranteed a place at Flinders.

Major
A sequence of topics required to be taken as defined in your course rule, normally across all years of a course.

Minor
A sequence of topics required to be taken as defined in your course rule, generally as part of a major.

Offer round/s
Refers to the series of dates on which offers of higher education places are issued to applicants throughout the year, whether through a tertiary admission centre or directly by a higher education provider.

Selection rank
The ranking that tertiary admission centres and most universities actually use to assess admission to a course. A person’s course selection rank can include their ATAR, any adjustments they are eligible for, such as equity or subject adjustments, other contributions calculated on the basis of work experience or previous non-secondary study, portfolio assessments, results of the Special Tertiary Admissions Test, other supplementary tests, etc.

Flinders offers two admissions cycles each year for undergraduate degrees.

Semester 1 – March start
Applications open in August for commencement the following year.

Semester 2* – July start
Mid-year applications open in August for commencement in July the following year.

* Not all degrees are offered for semester 2.

Key dates
Flinders Open Days: Friday 11 August, Saturday 12 August 2023
Semester 12024 start date: 26 February 2024
Semester 1 Orientation week: 19 February 2024
Semester 2 2024 start date: 22 July 2024
Semester 2 Orientation week: 29 July 2024

Fees and charges
Your course fees – Commonwealth support
All our courses list indicative fees, but as an undergraduate student your course is Commonwealth supported provided you’re an eligible Australian citizen, New Zealand citizen or permanent resident.

Your course being Commonwealth supported means that your course fees are shared between the Australian government and you – with your portion being the student contribution amount.

HECS-HELP loan
You won’t have to pay your fees up-front if you’re an Australian citizen or holder of a permanent humanitarian visa. You can get a HECS-HELP loan for your student contribution portion of your uni fees. Find out more about costs to plan for while you’re at uni at flinders.edu.au/fees

Glossary

Listing your SATAC preferences
You may enter up to six course preferences that you would like to study. You should list these in the order in which you’d like to study them, with the one you would like most listed first. If you cannot be offered a place in your first preference, you will then be considered for your second preference and so on. It is also important to consider a backup plan. Ensure you include our recommended pathway courses in your preferences.
