Find your own path

We understand that everyone is different, so in addition to the Bachelor of Nursing and Bachelor of Midwifery, the University offers the following pathways to enable people from a range of different educational backgrounds to study and gain registration as a practising nurse or midwife.

Bachelor of Nursing (Graduate Entry)

SATAC CODE 2BG007

The Bachelor of Nursing (Graduate Entry) is an accelerated course leading to registration as a nurse with the Nursing and Midwifery Board of Australia (NMBA) for graduates with a degree in an academic area other than nursing (including midwifery), or nurses who hold a degree that does not currently lead to NMBA registration.

The equivalent of nine units of study focused on an understanding of body structures and function such as human biology, physiology and anatomy is also required.

The Nursing and Midwifery Board of Australia have made changes to the English language skills registration standard. Please refer to their website for further information: www.nursingmidwiferyboard.gov.au/Registration-Standards/English-language-skills.aspx

Bachelor of Midwifery (Registered Nurse Entry)

SATAC CODE 2BP001

The Bachelor of Midwifery (Registered Nurse Entry) is a pathway for candidates who are graduates of a nursing degree and/or hold a current practising certificate as a registered nurse who would like to become eligible to register with the Nursing and Midwifery Board of Australia as a registered midwife. This pathway aims to build on knowledge and skills gained from previous tertiary qualifications/skills in nursing, and to develop these in a midwifery practice context to prepare students to practise in the role of a registered midwife.

Combined degrees

Explore your interests and unlock more career opportunities by combining degrees. Combining your degree with a qualification in another discipline will help you develop specialised abilities to stand out from the pack. Studying a combined degree at Flinders is the key to enhancing your career opportunities.

Find out about combining these qualifications:

Bachelor of Nursing/Bachelor of Letters (Health)

By studying the Bachelor of Nursing concurrently with the Bachelor of Letters (Health), you can follow your interests and aspirations to enhance your career prospects.

You will undertake core topics in health practitioner practice, social analysis of health and social health research, plus topics from within one of the following streams:

- Ageing
- Disability
- Health education/promotion
- Nutrition.

For a full list of combined degree options visit flinders.edu.au/combineddegrees

“...I love being able to do something for people... helping people. I feel like I’m on the right track, and by the time I graduate I’ll have all the skills, physical and mental, to take on the job. It’s more than just books in this degree... it’s a very hands-on career.”

Sheridan Golding, Bachelor of Nursing (Pre-registration)
Studying in the Riverland offers you a distinct rural focus and provides you with many opportunities for professional and personal development. Personally, it provides you with the chance to experience a different lifestyle and meet new people. Professionally, getting involved in the diversity and variety offered by rural practice helps you to develop high levels of professional competence, independence, resourcefulness and flexibility.

Our Riverland program is identical in structure and level of qualification to our Adelaide program.

• Your study will be enriched through education from University staff, local clinicians and visiting academics.
• You’ll have the opportunity for professional experience placements in local hospitals, community centres and aged-care facilities.
• Placements in metropolitan Adelaide are also available.
• You’ll experience integrated learning on the grounds of the Renmark Paringa District Hospital.

How do I apply?

Applicants need to apply through the South Australian Tertiary Admissions Centre (SATAC): satac.edu.au

To find out more about your admission pathways to Flinders, visit: flinders.edu.au/pathways

ADMISSION PATHWAYS

At Flinders, we recognise that every prospective student is an individual and that what works for one might not be right for another.

That’s why we provide various admission pathways into Flinders University and your preferred degree. You’re encouraged to explore your options and find the entry path that’s right for you.

Year 12 entry

The majority of Year 12 applicants enter university via the traditional competitive entry method, where offers are made to eligible applicants with the highest selection rank until all places in the degree are filled.

Your selection rank is used by Flinders to assess your admission to a course, and is based on your ATAR plus any adjustment factors for which you are eligible. The 2020 Minimum Selection Rank is the minimum selection rank required for consideration to enter in the next intake. The 2020 selection rank indicates the lowest rank for which an offer was made to an applicant in that degree for the previous year (including any adjustment factors).

This selection rank is provided only as a guide for 2021 entry, as it may change from year to year.

Adjustment factors

Adjustment factors (formerly referred to as bonus points) may be used in combination with your ATAR to derive your course selection rank. Adjustment factors may be available for South Australian Year 12 students applying for entry to Flinders in 2021: the SA Universities Equity Scheme (UES) and the SA Language, Literacy and Mathematics Bonus Scheme (LLM).

Guaranteed entry selection rank

Achieve a selection rank equal to or above the published guaranteed entry selection rank and you’ll be guaranteed a place at Flinders. All you need to do is ensure you have listed Flinders degrees first in your preferences and you will be offered a place in the highest Flinders degree preference that you are eligible for in 2021.

Get more out of your degree

Whatever you’re studying, Flinders gives you the opportunity to do more with your degree to help you have a competitive edge when you graduate.

A combined degree is a combination of two Flinders bachelor degrees, meaning you will have two qualifications in just one to one-and-a-half years of extra study and undertake in-depth study in exciting combinations that aren’t usually available in single degrees.

The Bachelor of Letters is available to study alongside any degree at Flinders and enables you to graduate with two qualifications.

WHEN CAN I START?

Flinders offers two admissions cycles each year for undergraduate degrees.

Semester 1 – February start.
Applications open in August for commencement in July the following year.

Semester 2 – July start. Mid-year applications open in August for commencement in July the following year.

*Not all degrees are offered for midyear.

Whatever you’re studying, Flinders gives you the opportunity to do more with your degree to help you.
