How to apply

Postgraduate coursework degrees

Applications for postgraduate coursework degrees are lodged through the South Australian Tertiary Admissions Centre (SATAC): satac.edu.au

1. Select your preferred course

Explore our full range of postgraduate courses at: Flinders.edu.au/postgrad

2. Check entry requirements

Most graduate entry bachelor degrees, graduate certificates and graduate diplomas require a three-year undergraduate degree from an Australian university or equivalent.

There are also minimum entry requirements for each course. But if you don't meet the requirements you may be admitted (subject to specific conditions) at the discretion of the College offering the course.

Overseas qualifications need to be equivalent to the above to be considered for entry.

3. Check individual course entries on SATAC for information on important dates

Use SATAC's course search to check individual course entries for information on important dates. You will find information on commencement date options, relevant closing date(s) for applications, and the timing of offers.
