

Social Work

**Flinders
University**

A career in social work is life changing.

When you study at Flinders, you'll experience an adaptable degree that incorporates learning from a range of disciplines, including psychology, sociology and social policy.

"Students come from diverse backgrounds and professions. It really enriches the discussions we have in classrooms and tutorials - because everyone contributes from their own perspective... Flinders has the complete package, from a beautiful campus to quality education."

David Ohtaka
Social Work graduate

"I've gained invaluable knowledge and skills to address some of the toughest social issues in our communities."

Anne Xi
Social Work graduate

"The University's commitment to providing a comprehensive curriculum aligned with professional standards and its emphasis on practical experience through field placements were crucial factors in my decision."

Karanpal Singh
Social Work graduate
