A career in sport isn’t just a job...

it’s a lifestyle.

And like any sport, the biggest rewards come with passion and persistence. Our courses are designed to give you a competitive advantage enabling you to work at the highest possible level, wherever you go.

“Studying at Flinders is flexible, practical and provides you with knowledge and skills in a range of different areas within the sport industry. There is a lot of scope within the degree to choose your career path and align the practical experiences you’ll have during your studies with that career path. The role I hold today at the SANFL came to fruition through the connections I made during my placement.”

Mitchell Noye
Bachelor of Sport, Health and Physical Activity graduate

At Flinders, it’s all about your sporting career

Flinders University offers a range of sports-focused degrees that will see you graduate prepared and career-ready. From the business of sport to the science that helps athletes perform at their best, choose a degree that reflects your passion for healthy living, physical activity and the sporting world.

### Sport degrees

**Bachelor of Business (Sports Management)**
This degree aims to provide students with the knowledge and competencies related to a broad range of business management practices in sport. It will provide students with the skills to work in a diverse range of sports-related organisational, business development, management and marketing roles.

- Learn from Australia’s leading academics and sports management professionals.
- Examine real-world case studies and live sports management problems.
- Learn practical management skills to boost your employment potential.

**Bachelor of Health Sciences/ Master of Physiotherapy**
If you love the idea of helping people recover from injury, helping them improve their mobility and improve their quality of life, then you’ll find a career in physiotherapy rewarding in many ways.

- This degree will give you the skills and expertise you’ll need to prepare for professional practice in physiotherapy.
- You’ll have the chance to learn in a professional environment, with 1,000 hours of practical placement.
- You will broaden your experience with at least one rural or remote clinical placement.

**Bachelor of Exercise Science**
Exercise science and exercise physiology is a fast-growing sector with a multidisciplinary approach to chronic disease management, treatment and prevention, as well as the maximisation of sporting performance, injury prevention and community health.

- Study in the area where preventative health meets the fitness industry.
- We prepare you for practice in the real world through work placements, allowing you to develop industry connections and practical skills.
- Our teaching staff are experienced health professionals with rich and diverse backgrounds, sharing a broad range of connections to industry.

**Bachelor of Exercise Science/ Master of Clinical Exercise Physiology**
If you’re a high-achieving student, you can progress from an exercise science degree to a master’s degree through this five-year degree combination. You’ll study unique topics in the fundamentals of exercise science, exercise prescription in motor control and learning, and advanced exercise science.

- Qualify for a career in the evolving field of exercise science.
- You can choose from specialisations in health promotion, behavioural sciences, sports science, business or allied health, preparing you for a range of allied health postgraduate degrees.
- You’ll take on practical experience that prepares you for the workforce, including a 140-hour placement that will prepare you with skills and knowledge applicable to careers in health, sport and exercise fields.

**Diploma in Sports Management**
Based at Alberton, Adelaide Oval and Flinders’ new city campus, the Diploma in Sports Management will teach you the core skills needed to begin a career in sports management, backed by over 100 hours of practical and hands-on training with Port Adelaide management and staff.

**Diploma in Sport Business**
Based at our new city campus, with industry education at Coopers Stadium, the Diploma in Sport Business will teach you the core skills needed to begin a career in sports business, backed by 50 hours of practical and hands-on training with Adelaide United.

### Sport and Fitness

**Flinders Sport and Fitness**
Flinders Sport and Fitness provides all your fitness needs in one convenient location. Open 24 hours a day all year round, our facilities enable you to work out at Flinders whenever it suits you. These include a group fitness room, fully equipped cardio room, Peloton spin room, ladies-only gym, and free-weight and pin-loaded general gym.

We also offer services including a dietitian, physiotherapy, massage and personal training, and regular wellness programs such as Zumba, yoga and boot camp.

**Sporting clubs**
Flinders currently has 23 affiliated sporting clubs catering for a wide range of interests. Whether it be soccer, netball or martial arts, there’s a sporting club at Flinders to suit you.

By registering for a Flinders sporting club, you’ll give yourself the opportunity to meet new people and make friends while staying physically active. And being a member means you’ll be included in regular training sessions, competitions and events.

**University sport**
Flinders provides you with the support to represent your university at state and national levels.

Students can compete in UniSport Australia events such as the UniSport National Division 1 and 2, the premier sporting events in the tertiary sector, and Indigenous Nationals. Representing your university nationally means you can compete against the best in the country across 32 different sports.

You can also represent Flinders against other South Australian universities in events such as the SA Challenge.

**Elite Athlete Program**
We appreciate how difficult it is to combine elite and high-performance ambitions with an academic workload and, as a member of the Australian Institute of Sport’s Elite Athlete Network, we’re committed to supporting elite athletes to achieve academic excellence while also pursuing a sporting career.

**Athlete Development Program**
Delivered by Flinders University Sport and Fitness, this sports training and athletic support program supports students in the pursuit of sporting and academic excellence.

Student athletes who are successful in achieving a place in this program will have access to high-level facilities and training environments with support from highly qualified staff.

In addition, students will also have access to allied health professionals to assist with assessing and managing injuries, and assessing nutritional and dietary requirements.

Applying to study

How to apply
Applying to study at Flinders is easy, but there are some steps you’ll need to follow. Applicants need to apply through the South Australian Tertiary Admissions Centre (SATAC). You’ll find application dates and details at: satac.edu.au

Before you apply
Visit the course page you’re interested in via the QR codes in this brochure, or via flinders.edu.au/study to make sure you have all the information and admission criteria you need, such as prerequisites and assumed knowledge.

You may also want to explore alternative pathways to your degree or combined degrees.

After you’ve applied
Once you’ve received an offer to a course, visit students.flinders.edu.au/my-course/enrolment to enrol in your subject/topics.

Fees and charges
As an undergraduate student your course is Commonwealth supported provided you’re an eligible Australian citizen, New Zealand citizen or permanent resident. This means that your course fees are shared between the Australian government and you. You may then choose to apply for a HECS-HELP loan to pay your student contribution amount. Find out more at: flinders.edu.au/fees

If you have any questions
Feel free to contact us via phone, email or through a one-on-one appointment. We’re always happy to help. flinders.edu.au/study/contact-us

Starting at Flinders

When can I start?
Flinders offers two admissions cycles each year for undergraduate degrees. Semester 1 starts in March. If you’ve decided to take a break from schooling, you may decide to start mid-year in Semester 2, which starts in July. Note that not all degrees offer a Semester 2 start, so check the relevant course page via: flinders.edu.au/study

Applications for both Semester 1 and Semester 2 open the previous August.

Key dates (TBC)
Semester 1 2025 start date: 24 February 2025
Semester 1 Orientation week: 17 February 2025
Semester 2 2025 start date: 21 July 2025
Semester 2 Orientation week: 28-July 2025

Glossary
There are many terms used within a university that may be unfamiliar or confusing. The link below contains a list of common university terminology. students.flinders.edu.au/glossary

Flinders scholarships

Flinders offers a generous range of scholarships for students in undergraduate courses. With over 400 available scholarships, including scholarships to students from low socio-economic backgrounds, students from rural and regional areas, and Aboriginal and Torres Strait Islander students, you may be eligible for support that will help you achieve your goals at university. flinders.edu.au/scholarships

Work Integrated Learning

Flinders’ Work Integrated Learning (WIL) will improve your employability by helping you better understand the day-to-day skills employers are looking for, and by giving you the chance to gain real experience in a workplace environment directly related to the course you’re studying.

You might take on a work placement or internship, gain hands-on experience through field education, or get involved in projects with industry or community organisations. flinders.edu.au/WIL

Combined degrees

Explore your interests and unlock more career opportunities by combining degrees. Combining your degree with a qualification in another discipline will help you develop specialised abilities to stand out from the pack. Studying a combined degree at Flinders is the key to enhancing your career opportunities.
