about our International
Student Ambassadors

Flinders University acknowledges the Traditional Owners and Custodians of the lands on which its campuses are located. These are the Traditional Lands of the Arrernte, Dagoman, First Nations of the South East, First Peoples of the River Murray and Mallee region, Jawoyn, Kaurna, Larrakia, Ngadjuri, Ngarrindjeri, Peramangk, Ramindjeri, Warumungu, Wardaman and Yolngu people. We honour their Elders past, present and emerging.

Are you ready to realise your ambitions and pursue all that life has to offer? Then Flinders University is ready for you.

Ranked in the top 2% of universities worldwide, Flinders University offers dynamic and flexible study options that will support you throughout your studies, from which you will graduate with a quality degree that sets you on the path to future success.

Building on our reputation as a world leader in education innovation, our new international pathway called the Flinders University Academy offers courses in English language, Foundation Studies and diplomas to ensure you are prepared and supported to succeed in your studies. The Academy is embedded on our main campus and streamlines entry processes for seamless, direct admission to your chosen degree.

Upon joining us you'll find a welcoming, friendly environment filled with people who share your passions, including world-class teachers and state-of-the-art facilities. You will also meet, study and exchange ideas with more than 20,000 Australian students and gain a truly global perspective from fellow international students from almost 100 countries.

You'll have the support, encouragement and resources you need to grow, learn and enjoy an extraordinary Australian university experience. Our beautiful campuses at Bedford Park and Sturt are surrounded by trees, walking trails and koalas, our innovation campus at Tonsley is a hub of high-tech ingenuity and the Adelaide City campus is just 22 minutes away on a brand-new train line.

To ensure we stay at the forefront of contemporary education and research we're planning modern new facilities, such as Flinders Village, a vibrant research and education hub integrated with lifestyle-oriented student accommodation. At the heart of the Village is a new Health and Medical Research Building opening in 2024, which will both inform our teaching and help elevate our life-changing research.

Also, in 2024 our new vertical campus in the very centre of Adelaide's main cultural, entertainment and business precincts will welcome students across a wide range of studies, with a particular focus on Business, Government, Law and the Arts – and Flinders has priority access to student accommodation in The Switch apartments, mere minutes away.

What makes Flinders distinctively different is our student-centred ethos, and our core values of Excellence, Innovation, Courage and Integrity. We're not just committed to the quality of your learning here and now, but we're committed to helping create a more sustainable future for all, reflected in our focus on the environment and sustainability.

Our campuses are powered by 100% green energy, we practise waste reduction and recycling, and have free charging stations for electric vehicles. We are also champions of diversity and inclusion, and have deep respect for First Nations peoples, upon whose lands we have the privilege to operate.

At Flinders University, we have a vision to be internationally recognised as a world leader in research, an innovator in contemporary education, and the source of Australia's most enterprising graduates. This vision drives us to constantly challenge the way we think and act on every level.

Our research is rapidly growing in funding and scale, and our global reach is extending through international collaborations in research and education. Active engagement with business and industry gives our students access to placements and research opportunities with leading companies and employers. In 2022 the Australian government named us a national leader for postgraduate employment, with 97.5% in full-time work after completing their degree.

Making the choice to study internationally is a big decision, and we're committed to ensuring you enjoy the very best learning experience.

I can say with confidence that now is an exciting time to join Flinders University and explore Adelaide, a dynamic, safe and liveable city renowned for its arts, culture, festivals, food and enviable lifestyle.

I'm positive you'll love your time in South Australia, and I look forward to welcoming you soon.

Student support & experience

Support every step of the way

Our student-centred ethos is a distinguishing feature of the Flinders student experience.

- Seamless support
- Student-centred
- Empowering
- Responsive

You will be supported by roaming staff who are on hand to offer assistance and solutions across all levels of the campus.

International students can take advantage of bundled accommodation offers, making the most of a campus where the student experience always comes first.

"I love studying in Adelaide because it is so affordable and you can easily commute from all over. I won't stop if I start talking about Adelaide's beaches. They are so serene and heavenly. Also, Adelaide is truly called a festival state. You can never have a dull moment here!"

Flinders Village

A vibrant destination for learning and lifestyle

-  Community-centred student living
-  Flinders Station links Bedford Park to Tonsley and the city
-  \$1.5 billion development

Centred around the new Flinders Station, the \$1.5 billion Flinders Village development will create a campus environment that merges university life with the wider community.

Flinders Village will feature student accommodation, an advanced Health and Medical Research Building, transitional health accommodation, a hotel and amenities such as retail facilities, benefitting students, staff and the community.

Flinders Station links Bedford Park to Tonsley and the city in just 22 minutes.

Creating a substantial increase in the quantity, quality and choice of on-campus living facilities, Flinders Village will see an active day-and-night culture in high-quality public spaces, ensuring a sense of safety and connection, with students able to participate in Village life around the clock.

The location and layout of the new student accommodation development is also designed to provide connectivity between our precincts – with picturesque pedestrian routes connecting our central campus to the Village square.

Health & Medical Research Building

Flinders University is investing in a world-class Health and Medical Research Building (HMRB) for Southern Adelaide.

As a leading biomedical research facility, it will enable collaboration between researchers, healthcare and industry partners, translating world-class research into improved community healthcare outcomes.

Having led the field in medicine, health and care for nearly 50 years, this significant investment will support Flinders' ambitious research growth agenda as we build on our reputation as one of Australia's premier health and medical research universities.

The building is an exciting development that will be at the heart of Flinders' vibrant health, medical research, education and lifestyle precinct at Flinders Village – set to open in 2024.

Find out more flinders.edu.au/hmrb

\$255 million project set to activate the \$1.1 billion economic value of Flinders Village.

We will be a premier university in health and medical research.

Flinders Station

Flinders Station is a new gateway to the University precinct and a pivotal step in the realisation of Flinders Village.

Designed to connect the Flinders Railway Station with our University and health community, this is a safe and active space for passengers commuting via train to Flinders.

It is a faster, smoother journey from the Adelaide CBD to Flinders in just 22 minutes, connecting our city, Tonsley and Bedford Park campuses.

Station Plaza is open to students, staff and our whole community. You can visit the coffee shop Urban Paddock Co and enjoy the fresh air and relaxed seating throughout the day.

Student focused

Flinders is

You'll find world-class support services from before you arrive until you graduate, academic and English language assistance, prayer/multi-faith rooms and a personalised learning approach designed specifically to help you succeed.

The Flinders experience

At Flinders, we value our people, and our people value the Flinders' experience. Our students have rated us five stars in overall learner engagement, learning resources and skills development (The Good Universities Guide 2022), and our alumni remain engaged and part of the Flinders family for years after they've received their degrees.

International Student Services

International Student Services (ISS) is the first point of contact for international students and offers a range of programs supporting your enrolment, study and social life, as well as a referral service to facilities on campus and within the local community.
flinders.edu.au/international/explore/international-student-services

"Flinders University offers many different support services to international students in developing their English language skills, financial help, counselling and student wellbeing in transitioning into a new study environment. Setting my foot at Flinders is one of the best things to have ever happened in my life."
Mahathelge Piumi Christeena Dias, Bachelor of Business (Human Resources), Sri Lanka

Student Learning Centre

The Student Learning Centre (SLC) provides learning support for students, ranging from writing and mathematics support to assistance with study and time-management skills. SLC also offers a free program to support students who need to improve their English in the academic context.

Flinders Connect

If you need help, Flinders Connect has a team of knowledgeable staff who you can talk to online, via phone or face-to-face. You can also access Flinders Connect for specialist assistance in careers, IT and a range of support services.
flinders.edu.au/flindersconnect

We're invested in your future. A university degree provides you with more job options. But a globally recognised, industry-accredited Flinders degree prepares you for a satisfying career in your chosen area.

Gain specialised skills and knowledge while developing portable qualities like independent thinking, communication, collaboration, ethics and creativity – qualities shared by innovators, entrepreneurs, pioneers, creators and trailblazers.

Flinders has an impressive range of industry connections with global leaders including CISCO and BAE Systems, which means you'll have the opportunity to take up practical placements and graduate job-ready and ahead of the curve.

Gain practical work experience

Flinders aims to provide every student with access to a Work-Integrated Learning (WIL) opportunity during their studies through placements, practicums, field studies and simulated workplace activities. Work-Integrated Learning will give you valuable industry skills, build your professional network and give you the opportunity to experience work in a professional Australian environment. Your WIL experience will help you graduate career-ready.

Industry connections

Flinders' local and international industry partnerships help you gain real-world experience in practical situations.

Mentoring

The Flinders Ignite Mentoring Program will help you in many ways. Peer mentors understand the student world and are ready to help guide you through every aspect of the transition to university life. A peer mentor will share their knowledge, expertise and experience to help you get the most out of your time at Flinders.

Find the job you want

Flinders' CareerHub, our online employment portal, helps you prepare for and find the job you want. It's your one-stop shop, offering personalised job opportunities and access to employer events and career-related resources.

World-class research

Through research and research-led teaching, we build and develop knowledge and capabilities that improve lives and enhance society.

Our Medical Device Research Institute develops, tests and makes available practical tools to assist people with both physical and cognitive disabilities.

Flinders' molecular technologists are working with industry to create more effective products and cleaner industries, and Flinders' cultural and humanities researchers are opening the world of the creative arts to new analysis with their e-research initiatives.

Our research spans areas such as:

- Autonomous vehicles
- Clean technology
- Energetic materials
- Health and medical
- Labour and industry transformation studies
- Marine and maritime research
- Medical devices
- Nanotechnology and analytical chemistry
- People and society
- Psychology and neuroscience
- Water and the environment

Flinders' research has a positive impact, not just on your learning, but on the world around us.

Research is a fundamental cornerstone of our mission as a University.

Getting around

Adelaide is very easy to explore. You'll quickly discover that the city is well serviced by public transport, and as an international student, you'll receive the same transport concessions as local students, saving you up to \$700 per year on transport costs. Free tram and bus services run in the Adelaide city centre.

Buses run frequently to and from Flinders University and the adjacent Flinders Medical Centre, with various routes running directly from the city and suburbs. Now open, the \$141 million extension of the Tonsley rail line and creation of a new station links Flinders Bedford Park and Tonsley campuses by rail, allowing Flinders students to access the CBD by train in 22 minutes. Adelaide is also cycling-friendly, with a large community of cyclists and dedicated bike lanes.

Festivals

South Australia is known as the 'Festival State', with regular cultural and sporting events held right across the year, including:

- WOMAdelaide
- Adelaide Festival
- Adelaide Fringe
- Tour Down Under
- V8 Supercar Adelaide 500

Shopping

Like to shop? Adelaide has a wide range of retail outlets. Westfield Marion, the biggest shopping mall in Adelaide, is located just 10 minutes from our Bedford Park campus. Rundle Mall, located in the city centre, offers department stores and high street brands, while the café-lined Rundle Street is home to designer labels.

Food

If you love great food, you'll love Adelaide. The city is full of stunning cafés and restaurants. South Australia is well known for producing high-quality produce, from fresh fruit and vegetables through to the finest meat and seafood.

The city is also close to high quality produce regions, such as the Barossa Valley and McLaren Vale. Adelaide is a multicultural city well catered to vegan, vegetarian, Halal and Kosher requirements.

Bedford Park

Located just 12km south of the centre of Adelaide, the Bedford Park campus is Flinders' main campus. It's a spacious, elevated site with panoramic views to the coast and over the city.

Tonsley

Flinders at Tonsley is a place where our students interact with business, and where business interacts with our researchers in areas such as engineering, medical devices and nanoscale technologies. The Tonsley District is Australia's first innovation precinct and combines education, business, residential and hospitality in one location.

Flinders' new city campus

In 2024, we are opening a new city campus — Flinders at Festival Plaza, located in the heart of the Adelaide CBD.

The \$141 million extension of the Tonsley rail line and new Flinders train station links Flinders Bedford Park and Tonsley campuses by rail, allowing Flinders' Bedford Park students to access the CBD by train in 22 minutes.

"I like the hill views at Flinders Bedford Park and the sea view from the Student Hub. It's a really good place for students to relax after study and refresh themselves when they feel tired. The library is very bright and active, and the facilities are very user-friendly."

Explore Flinders' Tonsley campus: a \$120 million centre of innovation. It's a place where collaboration and entrepreneurial spirit combine to create the products and processes of the 21st century.

With more than 150 staff, 2,000 students – and a 2,000 square metre pod for heavy engineering equipment – Tonsley centrally locates the University's teaching and research in computer science, engineering and mathematics.

The New Venture Institute (NVI), based at Tonsley, links businesses, government and the community sector to all that the University has to offer.

Through their programs and activities, NVI inspires, educates and connects students like you: the future generation of innovators and entrepreneurs.

Flinders at Tonsley has strong connections to industry. The centre is also home to local and international businesses, including industrial manufacturing company Siemens.

Flinders Partners, the Medical Device Research Institute, Flinders Centre for Nanoscale Science and Technology, and Factory of the Future – Australia's first large-scale advanced manufacturing accelerator – are also located at Tonsley.

Tonsley is located centrally between Flinders' Bedford Park campus and Adelaide city. Tonsley is a five-minute car ride, a 15-minute ride on the Flinders loop bus or a 30-minute walk from the Bedford Park campus.

The \$141 million extension of the Tonsley rail line links Flinders' Bedford Park and Tonsley campuses by rail and allows Flinders' Bedford Park students to access the CBD by train in 22 minutes.

Free meet-and-greet service from Adelaide Airport, railway station or central bus station

Before you arrive

Moving to another country is a big decision, so we'll do everything we can to make the transition easy. International Student Services (ISS) is here to help you get started, with a range of services that support you to quickly settle into your new life at Flinders.

flinders.edu.au/international/explore/international-student-services

Arrival services

Before you leave home, ISS will assist you to plan your arrival in Adelaide. They will connect you with on-campus support services and staff in your academic area, making your transition to Flinders as smooth as possible.

Meet & greet

You can also book a free meet-and-greet through ISS. You will be met at Adelaide Airport, the railway station or the central bus station and taken directly to your new accommodation. The service is also free for accompanying family members.

"Flinders would definitely be a good place to start your international education. I say this because Flinders facilitates an easy transition to university life by providing help and support at various stages. For example, it has OASIS (a place where we can cook, eat and organise formal/informal meetings, and even get a lot of free fruits and vegetables) which I think is one of the favourite places at uni for all the international students."

Nisha Singh, Master of Education (Leadership and Management), Nepal

When you arrive

Orientation

Once you've arrived, things get busy! The first few days of university are exciting but can also be daunting, which is why we have a number of orientation sessions and programs to help you get used to the University community.

Student support

Once you've arrived, it's time to explore. Adelaide runs a year-long calendar of free and discounted events especially for international students. As soon as you arrive, you will be given a free welcome backpack and guide with everything you need to know about living in Adelaide. Find out more at studyadelaide.com

Flinders services

Flinders University provides a range of services to help you achieve your full academic potential and go beyond.

Computers, printing & WiFi

Access our many computer labs or by connecting your own device to our printers or the extensive wireless network – one of the fastest, most secure campus wireless networks in the Southern Hemisphere.

Library

Flinders' four library sites contain more than one million books and journals, extensive electronic collections, and a wide range of services and facilities to support your learning and research interests. With extensive databases, study rooms and Sendit – off-campus library service to support students studying away from campus or on placements – Flinders' Library services are extensive and state-of-the-art.

Flinders University Student Association (FUSA)

FUSA represents the rights and interests of students, helping them with academic, administrative and welfare issues.

Clubs & societies

Flinders has a range of clubs and societies to cater to your interests, whether they are related to your degree, religion, culture, political affiliation or just for fun.

Empire Times

Empire Times is a free student culture and politics magazine published monthly.

“I found that world-class research on ‘patient-reported outcomes’ was going on in the discipline of optometry at Flinders. I contacted the researchers and things started from there. Flinders offered great support to carry out our research: internal (library resources, research higher degree professional development programs, workshops) and external (collaborations with hospitals and other institutes) that were extremely useful to successfully carrying out my research.”

Himal Kandel, PhD candidate, Nepal

Cotutelles

Cotutelle doctoral degrees allow higher degree by research students the opportunity to experience an extended overseas research stay for one third of their candidature and obtain a joint PhD in the process.

Pathways

Flinders University has a range of pathways to help you enter a higher degree by research, including a special pathway with our exclusively offered Graduate Diploma in Research Methods.

Scholarships

A range of Flinders and Australian Government higher degree by research scholarships are available. These scholarships are awarded on academic merit and research potential.

Go beyond in your studies

General Notes

Fees listed are only valid for applicants who commence in the 2024 academic year and include the University's Student Services and Amenities Fee (SSAF). Applicants should be aware that annual tuition fees will be subject to an increase for each year of study and may be different from future published commencing tuition fees. Applicants will be liable for these fees upon acceptance of an offer from Flinders University.

† Applicants for combined bachelor/masters degrees should note that the listed fee is for the bachelor's component only and that the master's component of the degree attracts a higher fee. For an indication of the fee for the master's component, refer to the standalone master's degree in the postgraduate course list.

In the event of a variation between the fees listed here and the approved University schedule of tuition fees found at flinders.edu.au/international, the approved University schedule will supersede those listed here. Please also note some courses may require students to purchase uniforms, clinical laboratory or workshop materials or equipment or undertake field trips at their own costs.

Administrative fees may also be charged for variations of enrolment such as deferral, transfer of study, or reinstatement of enrolment. The University reserves the right to alter, amend or delete any course, fee, or entry requirement without prior notice.

A Levels

Results are calculated on the aggregate score from 3 A (H2) Level subjects – or 2 A (H2) Level subjects and 2 AS (H1) Level subjects – where A=5, B=4, C=3, D=2, E=1 for A Level subjects, and A=2.5, B=2.0, C=1.5, D=1.0, E=0.5 for AS Level subjects.

General Paper and local language subjects are excluded from the calculation.

IB

International Baccalaureate students must achieve the Diploma with a minimum overall score of 24. Students must complete six subjects, one from each of six subject groups as well as three subjects at a higher level. The Diploma results are on a scale of 1 to 7 (with 7 being the highest). A minimum pass grade for SL subjects is 4, while HL subjects is 3.

ATAR

The Australian Tertiary Admission Rank (ATAR) is the primary means used to assess and compare the results of Australian school-leaving applicants for entry to the University. An ATAR is a number ranging between 99.95 and zero that reports a student's rank position relative to all other students.

Indian Central and State Board

Indian Senior Secondary Schooling results are calculated using the best four subjects, excluding local language and non-academic subjects.

Grades	Definition	Interpretation	Equivalent
A1	Excellent	75% – 100%	1
B2	Very good	70% – 74%	2
B3	Good	65% – 69%	3
C4	Credit	60% – 64%	4
C5	Credit	55% – 59%	5
C6	Credit	50% – 54%	6
D7	Pass	45% – 49%	7
E8	Pass	40% – 44%	8
F9	Fail	0% – 39%	9

HKDSE

Hong Kong Diploma of Secondary Education is calculated on the aggregate score of the best 5 subjects of any combination of core and elective subjects from category A. 5**=6 points, 5*=5.5, 5=5, 4=4, 3=3, 2=2, 1=1. Minimum Level 2 is required for Core subjects.

Kenya KCSE

Successful completion of the Kenyan Certificate of Secondary Education with overall mean grade as specified on transcript/result.

WAEC

Successful completion of the West African Senior Secondary Certificate (WASSC) with a total of the best six subjects. Scoring is on a 1 to 9 scale (1 being a high pass and 9 the lowest).

Vietnam Upper Secondary

Applicants must have undertaken the Secondary School Learning Examination (Thi Tot Nghiep Pho thong Turng hoc) and have been awarded the Upper Secondary Education Graduation Diploma (Bang Tot nghiep Trung hoc Pho thong) with an overall average grade.

Indonesia

Indonesian Secondary School Certificate of Graduation (SKHUN/STK) or Secondary School Certificate of Completion (Ijazah, previously STTB). A pass is an average of 6.0 out of 10 with at least 4.26 in each subject (previously 3.0). Grades from the student's final year of study are shown separately on their school report.

Malaysia STPM

STPM calculation A or A-=5pts; B+=4; B=3; B- or C+=2; C=1. Add the points scored for best of three courses attempted at one examination, excluding General Paper.

Malaysia UEC

UEC scores are obtained by calculating the best five subjects as follows: A1=1, A2=2, B3=3, B4=4, B5=5, B6=6, C7=7, C8=8. Language studies and the topic General Paper are excluded in the calculation.

Gaokao entry requirements

This table sets out the Gaokao scores, correct at time of printing, that are required for entry to most of the undergraduate courses at Flinders University. On meeting the required Gaokao score, applicants must also satisfy any course prerequisites and must meet the English language requirements of each individual course.

Gaokao applications will undergo the standard assessment process and must include the following documents:

- certified evidence of the official result issued by Academy of Education Recruitment and Examination in both Chinese and English translation identifying the stream students have taken in the examination
- certified Senior Middle School graduation certificate and transcript in both Chinese and English.

*The above table is correct at time of printing, May 2023.

Entry requirements

To gain direct admission to an undergraduate course at Flinders, you must have successfully completed a recognised secondary education qualification or recognised academic pathway program and satisfy the minimum English language proficiency requirements for the course.

Academic entry requirements

Some of the countries where secondary education may be recognised are:

- China
- Hong Kong
- India
- Indonesia
- Kenya
- Malaysia
- Nepal
- Nigeria
- Singapore
- South Korea
- United Kingdom
- USA
- Vietnam
- West African countries

Please see the course index on page 53 for academic entry requirements for specified countries. If the country that your qualification comes from is not listed, more international secondary schooling qualifications are listed at flinders.edu.au/international/entry-requirements

English language entry requirements

For applicants whose first language is not English you will need to have:

- achieved the required test score for your course as listed in the course index on page 53. Test results for most courses must be no more than two years old from the proposed date of commencement of the course; or
- successfully completed an approved tertiary qualification taught in Australia, Canada, Ireland, New Zealand, South Africa, the USA or the UK, with evidence no more than five years old on the proposed date of commencement for most courses; or
- successfully completed a pre-course English program from an approved ELICOS provider (evidence of completion must be no more than two years old on the proposed date of commencement for most courses).

* Please note that some courses have specific English language entry requirements. Details on English language entry requirements are available on the course information pages accessible from flinders.edu.au/international

If you do not currently meet entry requirements, our pathway institution Flinders University Academy will provide you with a direct pathway into your destination degree of choice. For more information visit: flinders.edu.au/academy

Applying to Flinders

The following pages provide a summary of the application process.

For detailed information, visit flinders.edu.au/international/apply

Admission process

Admission to Flinders University is a simple four-step process.

1 Your application

3 Confirmation of enrolment

Your application

Submit your application, making sure you include all the required supporting documents as attachments. We will send you an acknowledgment and advise you if any further information or documentation is required.

Your offer of admission

Your offer of admission will be sent to you by email. We will endeavour to send your offer letter within 10–14 working days once your application is complete; however, there may be delays where you have applied for a course with strict quotas or additional entry requirements apply, or where credit/exemption is sought for previous study.

Your offer of admission will include details on how to accept your offer by completing the Offer Acceptance form and associated declarations. You will also be required to pay the relevant tuition fees for the first semester and the Overseas Student Health Cover (OSHC) for the duration of your student visa as detailed in your offer of admission.

Ensure you read your offer of admission letter carefully as it may include important deadlines for accepting your offer or deadlines for payment of fees to secure your place in the course.

Confirmation of enrolment

We will issue the Confirmation of Enrolment (CoE) upon receipt of the signed acceptance, review of the declaration(s) and payment of fees including OSHC. With the CoE you can apply for your student visa. Please check your visa requirements at homeaffairs.gov.au

Arrival & orientation

Pre-arrival information to assist you prior to your departure for Adelaide is also available in the International Student Handbook at flinders.edu.au/international/explore/international-student-services
