International SACE High School Scholarship

Achieve the extraordinary

Flinders International SACE High School Scholarships are designed to recognise international students with a high academic performance who are at schools studying the South Australian Certificate of Education (SACE) curriculum (both in Australia and overseas) who commence an undergraduate course with Flinders.

Our Scholarships provide international students with an opportunity to pursue their educational and career goals so they can go beyond the ordinary and achieve the extraordinary.

We know at the moment, making the decision to start your studies can be a challenge and therefore to make this decision easier, our range of scholarships apply no matter where you are in the world.

So, don't worry, if you need to start your studies online from the safety of your home, these scholarships are also available for you.
