# A new way to MBA

A Flinders MBA goes beyond the four walls of a classroom – it connects you to the real world. With exclusive access to networks, 100k alumni, and up to 36 weeks of industry placements, you'll get to know the people, places and things that will open doors to your career. Whether you want to fast-track your studies in 12-months, dive deeper into a specific topic over 2-years, and gain real-world experience, we believe you deserve an MBA tailored to your life and career goals. This is the new way to MBA.

- 8 world-class MBAs to choose from
- Up to 36 weeks of industry placements
- Future-focused curriculum
- No exams, and no prior work experience necessary
- Up to 50% full duration scholarships available
- Flexible, with 3 intakes a year.

## Practical, industry experience embedded

All of our MBAs give you the chance to work directly with industry, meaning you'll have the opportunity to understand the inner workings of real workplaces for up to 36 weeks. Whether you get to experience a large corporation, a government department, or a small business as part of your MBA, you'll be able to take these experiences with you through your future career journey – and generate a new network in business. Opportunities include:

- Industry placements where you learn in a real business setting
- Industry programs where you work with small to medium enterprises, addressing business challenges using innovation tools and cutting-edge technologies and techniques in industries such as advanced manufacturing.
