# Postgraduate Education for Teachers and Educators

## Grow your career and inspire their fearless future

Flinders' postgraduate education courses are industry-renowned, and our new suite has been further tailored to meet the needs of you, your organisation and the ever-changing educational climate.

Our range of offerings can see you further develop your skills and knowledge as an educator more broadly, or specialise in an area of interest including Inclusive and Specialised Education, Leadership, Cognitive Psychology and Educational Practice, Wellbeing and Positive Mental Health and more.

Relevant and linked to real world workplaces, these courses can be studied part-time or online. Flinders supports continued learning, with expert teaching staff and researchers recognised across the globe in their field.

## Courses offered

- Master of Cognitive Psychology and Educational Practice
- Master of Education
- Master of Inclusive and Specialised Education
- Master of Leadership in Education
- Master of Teaching English to Speakers of Other Languages (also offered as a Graduate Certificate and Graduate Diploma)
- Master of Wellbeing and Positive Mental Health in Education
