Welcome to Flinders University Academy

Every year, students from across the globe choose Flinders University Academy as the starting point for their Australian education journey. It's a place where confidence grows and new opportunities begin.

Choosing to study overseas is a big step, and one that opens the door to new experiences, opportunities, and lifelong connections. At Flinders University Academy, you'll join a supportive community dedicated to helping you succeed from the moment you arrive.

You'll study at the heart of Flinders University, learning from specialist teachers while building the skills and knowledge needed for success at university and beyond. I encourage you to get involved, make the most of the many events and activities on campus, and embrace every opportunity that comes your way. We're excited to be part of your journey and hope to welcome you soon.

Andrew Foley,
Director and Principal

Flinders in Adelaide

At Flinders University Academy, you'll be a Flinders student from day one and experience studying at each of Flinders' stunning Adelaide campuses.

Our campuses include the Bedford Park main campus, featuring an award-winning hub and plaza, with retail, food outlets and a sport and fitness centre. Flinders at Tonsley is home to our science and engineering students and researchers and features state-of-the-art facilities with close connections to industry. Flinders' City Campus is located on North Terrace, adjacent to the Adelaide Railway Station. It's based in the heart of the Adelaide CBD and is only a short walk to accommodation, shopping and entertainment.

Getting to Flinders

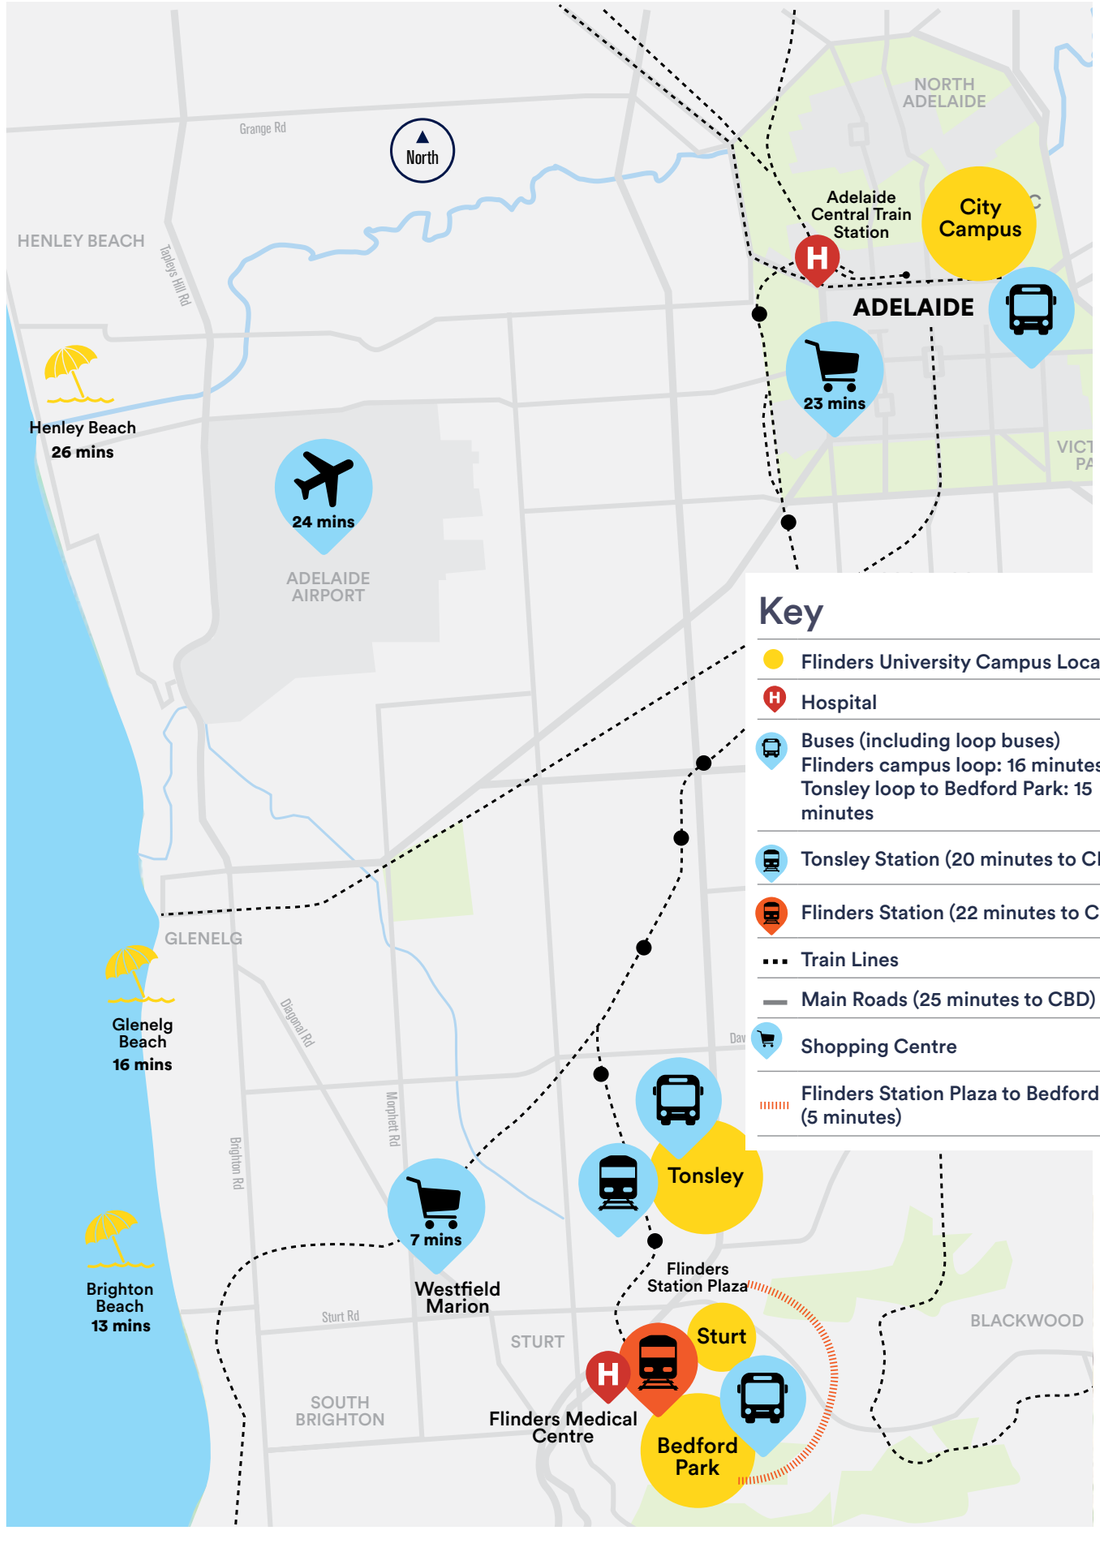

The Flinders Railway Line transports you from the Adelaide CBD to Tonsley in a super-fast 20 minutes, or to Bedford Park in just 22 minutes. And with free Flinders Campus Connector and Tonsley Link bus services running 7am – 6pm Monday to Friday, getting to and from your studies is simple. You'll be able to schedule your day without worrying about missing a single class!

Flinders City Campus

Flinders' City Campus offers students more flexibility, convenience and connectivity. With 8 spacious levels home to classrooms, hubs, real working spaces, function areas and a library, it's a collaborative learning space where Academy students have the option to undertake their studies.

Study with Flinders University

Flinders is everything a modern university should be – progressive, student focused, and career minded. It is everything you need to be fearless and excel in your studies and chosen career.

Progressive

Being fearless starts with fearless thinking

Every day at Flinders University, we search for greater understanding and ideas that will make a difference to our world. Globally recognised and ranked in the top 2% of universities worldwide^, research and creative endeavor have been at the core of our identity since inception. Flinders works closely with industry and the community to provide practical education supported by leading research, in state-of-the-art facilities.

Student Focused

Our success is yours

At Flinders we are focused on student success and provide a wide range of specialist international services and programs to support your transition into study at Flinders and life in Adelaide. As the No.1 South Australian university for overall experience and student support*, you'll find world-class support services from before you arrive until you graduate, with peer mentoring, academic and English language assistance, prayer/multi-faith rooms, and a personalised learning approach designed specifically to help you succeed.

Career Minded

Invested in your future

A university degree provides you with more job options. But a globally recognised, industry-accredited Flinders degree prepares you for a satisfying career in your chosen area. Gain specialised skills and knowledge while developing portable qualities like independent thinking, communication, collaboration, ethics and creativity – qualities shared by innovators, entrepreneurs, pioneers, creators and trailblazers. Flinders has a high level of industry connections with global leaders including CISCO and BAE Systems, which means you'll have the opportunity to take up practical placements and industry projects, so you can graduate job ready and ahead of the curve.

Keys to success at Flinders University Academy

Innovative Programs

Our contemporary diplomas and programs are designed and taught by specialist teachers to help you meet the challenges of tomorrow.

Direct Pathway

You will be a Flinders University student from day one. Our programs set you up for direct entry to your Flinders University destination degree.

Real University Experience

Study on campus in the heart of Flinders and be prepared by supportive staff for a seamless transition into your next step.

Tailored Support

Personalised support is available every step of the way to ensure you thrive now, and in future. We will empower you to succeed.

Why choose Flinders University Academy?

Flinders University Academy is your pathway to a Flinders University degree.

Study a Flinders University Academy diploma, foundation or pre masters program and when you successfully complete your studies you will have guaranteed entry into your destination degree. Whether you need to improve your English for academic purposes or support adjusting to the Australian education system, we have a program to get you where you want to be.

Taught on campus by Flinders staff

All of our programs are taught on campus, by Flinders Academy teaching staff, in the heart of Flinders University.

You'll have access to all the facilities at our campuses; including the 24-hour library, gym, and student clubs at Bedford Park, the $120 million hub of innovation at our Tonsley campus, and Flinders' City Campus, located in Adelaide's central business district – all connected by a 22-minute train ride.

You'll be a Flinders student from day one

Our diplomas are designed in collaboration with Flinders University academics, meaning you will share the same learning outcomes as first-year students studying Flinders undergraduate degrees. Utilising the incredible facilities on offer, your Flinders University Academy diploma offers the same world-class university experience from day one.

You'll experience the dynamic campus culture while building long-lasting connections and friendships. This prepares you for a smooth transition to your destination degree with a thorough understanding of the Australian university system.

Incredible teachers, individual attention

We promise small classes, tailored learning and an incredible, stable and nurturing learning environment. Our Flinders University Academy program is modern and innovative, designed for today.

Within this exciting, productive environment, you'll find specialist teachers with hands-on, real-world knowledge and experience – experts in their fields.

Here you'll gain the confidence and know-how needed to study at university level and go on to meet the challenges of a fast-changing world.

Pathway to Flinders University

Diploma Pathway

	FUA 8-12 MONTHS	Flinders University 2-3 YEARS		
High School Year 12 (or equivalent)	Study a Flinders University Academy Diploma.	Earn full or partial credit to enter Year 2 of your destination degree at Flinders University. Select an undergrad degree from a diverse range of fields and careers within your relevant sector.	Complete your studies and graduate with a Flinders degree and specialised knowledge.	Join the workforce or continue to postgraduate studies in your chosen profession.

Foundation Studies Pathway

	FUA 8-12 MONTHS	Flinders University 3-4 YEARS

For applicants who do not meet the English proficiency requirements.	EAP	Direct entry into any pathway programs offered by FUA such as Diploma, Foundation Studies, and Pre Masters programs. Or a Flinders University degree which requires (up to) an IELTS 7.0 or equivalent*.	Join the workforce or continue to further studies in your chosen profession.

FUA = Flinders University Academy

Diploma in Business

Develop essential numeracy and literacy skills to a university standard and gain specialist knowledge to enter a variety of Flinders Business degrees. Gain key skills in marketing, accounting and finance without increasing the duration of your degree. When you successfully complete your diploma, you will go straight into year two of your destination bachelor's degree. Choose to study over either 8 or 12 months, covering the same content but delivered with different pace.

The flexible program of study will provide a fundamental understanding of:

- Theoretical and technical business knowledge in the areas of accounting, finance, economics, marketing and management
- Business practices in the Australian environment
- Communication within the Australian workplace
- Computer based systems and applications to solve business problems including Gen AI
- Business ethics, governance, social and environmental responsibility

Be taught by specialist tutors, focusing on the needs of international students, and discover the diversity of the field and careers in the business sector.

Key Information	
CRICOS Code	109279H
Duration	8 or 12 months
Start Dates	February – 12 month program June/October – 8 month program
Program fees	AUD $36,700
IELTS (or equivalent)	5.5 with no band below 5.0
Entry Requirements	Australian Year 12 with minimum ATAR of 40 or comparable educational level in home country

Destination degree options for Diploma in Business

Bachelor of Accounting

Bachelor of Business (majors^: Event Management and Tourism; Human Resource Management; International Business; Leading Change; Management; Marketing; Sports Management; Small Business Leadership)

Bachelor of Business Analytics

Bachelor of Commerce (majors^: Applied Economics; Business Analytics; Economics, Politics and Public Policy; Environmental Resource Economics; Finance; FinTech)

*Subject to course changes.

I've always been interested in business, and pursuing my bachelors degree seemed like the perfect way to dive deeper. I really appreciate the diploma pathway as it has helped me get back into a study routine after being away from an academic environment for years. I want to make a meaningful impact and inspire people – I'm leaning towards running my own business in the future.

Roberth Olsen, Diploma in Business, Sweden

Diploma in Creative Industries

Discover the incredible breadth of the creative arts and gain an introduction to the essential skills needed to think creatively and strategically for success in your destination degree. You'll receive practical experience creating professional-standard content in a variety of digital forms, guided by experienced practitioners with an eye towards a career in the creative arts. You'll have access to Flinders University's state of the art digital production suites and understand the media landscape to innovate and promote your ideas. Strengthen your academic skills with university-standard numeracy and literacy and study in an engaging environment surrounded by your peers.

The flexible program of study will provide a fundamental understanding of:

- Contemporary arts industry and practice in Australia and internationally
- Industry-standard digital media, visual effects, and video production tools
- Innovative approaches to problem-solving, marketing, and creativity with a focus on today's digital landscape
- Bringing your ideas to life and showcasing them on global platforms

Your specialist tutors are experienced in their field and are focused on the needs of international students, enabling a seamless transition to your destination degree.

Key Information	
CRICOS Code	109280D
Duration	12 months
Start Dates	February/July – 12 month program
Program fees	AUD $35,500
IELTS (or equivalent)	5.5 with no band below 5.0
Entry Requirements	Australian Year 12 with minimum ATAR of 40 or comparable educational level in home country

Destination degree options for Diploma in Creative Industries

Bachelor of Film and Television (Screen Industries) (minors: Visual Effects; Sound Production; Performance)

Bachelor of Arts (majors: Creative Arts; Humanities & Social Sciences; Languages)

Bachelor of Media and Communication (specialisations: Public Relations and Corporate Communication; Social Media and Digital Content)

Bachelor of Visual Effects and Entertainment Design (specialisations: 2D Concept Art & Illustration; 2D Animation & Storyboarding; 3D Modelling & Digital Sculpting; 3D Animation for Games and Film; CGI, VFX & Post-Production; Digital Media)

It is a good fit for everyone and the teams are so supportive, as well as the teachers. If I have any questions about the course regarding timetables, lectures or support, I will always ask them. It has been unique during my time as an FUA student, as the classes are small. That can be good for some people because the teacher will have more time to focus on each individual student. I feel more confident and ready for uni life.

Dhin Luanpaiboon, Bachelor of Creative Industries (Film and Television), Thailand

Diploma in Engineering

Learn essential numeracy and literacy skills to a university standard and gain specialist knowledge to enter a variety of Flinders accredited engineering degrees. When you successfully complete your diploma, you will go straight into year two of your destination bachelor's degree.

You will study in a supportive learning environment tailored to your needs, so you can be career ready in just a few years.

Study in a collaborative and engaging environment that will launch you into your chosen destination degree. The flexible program of study will provide a fundamental understanding of:

- Mathematics
- Physics
- Research and study skills
- Engineering materials
- Engineering programming

Be taught by specialist tutors, focusing on the needs of international students for a seamless transition into your destination degree. The Diploma in Engineering allows you to discover the diversity of fields and careers within the engineering sector.

Key Information	
CRICOS Code	109281C
Duration	12 months
Start Dates	February/July - 12 month program
Program fees	AUD $39,300
IELTS (or equivalent)	5.5 with no band below 5.0
Entry Requirements	Australian Year 12 with minimum ATAR of 40 or comparable educational level in home country

Destination degree options for Diploma in Engineering

Bachelor of Engineering (Civil) (Honours)

Bachelor of Engineering (Electrical and Electronic) (Honours)

Bachelor of Engineering (Robotics) (Honours)

Bachelor of Engineering (Mechanical) (Honours)

Bachelor of Engineering (Biomedical) (Honours)

My lecturers and professors have been the greatest source of support during my time at the Academy. I gained essential skills like referencing, academic writing and finding credible academic sources which helps me succeed as a university student. The Bedford Park campus had such a robust natural environment, the atmosphere is always peaceful and lovely – it suits me well.

Temiloluwa Olamidipupo, Bachelor of Engineering (Biomedical) (Honours), Nigeria

Diploma in Information Technology

Learn to innovate fearlessly in the growing information technology industry and gain the skills for success in a variety of Flinders Information Technology degrees.

Build the future with code and creativity. In this degree, you'll learn how to design software, develop apps, and solve complex problems using cutting-edge technologies. You'll explore programming, data science, cybersecurity, and artificial intelligence, while gaining hands-on experience through labs and real-world projects.

Study in a collaborative and engaging environment taught by specialist tutors, focusing on the needs of international students. Choose to study for either 8 or 12 months, both options have the same program content but are delivered with different pace.

When you successfully complete your diploma, you will seamlessly transition into year two of your destination bachelor's degree.

Key Information	
CRICOS Code	109283A
Duration	8 or 12 months
Start Dates	February – 12 month program June/October – 8 month program
Program fees	AUD $37,000
IELTS (or equivalent)	5.5 with no band below 5.0
Entry Requirements	Australian Year 12 with minimum ATAR of 40 or comparable educational level in home country

Destination degree options for Diploma in Information Technology

- Bachelor of Geospatial Information Systems
- Bachelor of Information Technology
- Bachelor of Information Technology (Network and Cybersecurity)
- Bachelor of Computer Science
- Bachelor of Computer Science (Artificial Intelligence)
- Bachelor of Information Technology (Data Analytics)
- Bachelor of Information Technology (Digital Forensics)
- Bachelor of Information Technology (Machine Learning)
- Bachelor of Engineering (Software) (Honours)
- Bachelor of Information Technology (Business and Information Systems)
- Bachelor of Cybersecurity

Our degrees are professionally accredited by the Australian Computer Society (ACS) and recognised internationally by the Seoul Accord.

I really appreciate that Flinders offers a 12 week industry based practicum. Not every university has something like that and I think it is a huge advantage because students get real experience in their actual field of study before graduating. That is something that really sets Flinders apart.

Mohammad Rahmat Bin Sadeqin Kashem, Bachelor Information Technology (Networks and Cybersecurity), Bangladesh

Diploma in Health

Discover the diversity of fields and careers within the health sector. You will study in a collaborative and engaging environment and be taught by specialist tutors, focusing on the needs of international students. You'll study in the heart of our Bedford Park campus and gain specialist knowledge to influence the future of health in one of Australia's fastest-growing industries. You will learn essential numeracy and literacy skills to a university standard and gain specialist knowledge in the following areas:

- Human bioscience
- Psychology
- The Australian Healthcare system
- Indigenous health for health sciences
- Nutrition, physical activity and health
- Study and research skills

Choose to study for either 8 or 12 months, both options have the same program content but are delivered with different pace

When you successfully complete your diploma, you will seamlessly transition into year two of your destination bachelor's degree

Key Information	
CRICOS Code	109282B
Duration	8 or 12 months
Start Dates	February – 12 month program June/October – 8 month program
Program fees	AUD $40,100
IELTS (or equivalent)	5.5 with no band below 5.0
IELTS - 3.5 year Allied Health degrees^	6.5 with no band below 6.0
Entry Requirements	Australian Year 12 with minimum ATAR of 40 or comparable educational level in home country

Destination degree options for Diploma in Health

- Bachelor of Health Sciences (specialisations: Digital Health; Health and Biomedical Sciences; Therapy Studies)
- Bachelor of Occupational Therapy^
- Bachelor of Physiotherapy^
- Bachelor of Psychological Science
- Bachelor of Psychology (Honours)
- Bachelor of Speech Pathology^
- Bachelor of Social Work*
- Bachelor of Public Health*
- Bachelor of Medical Sciences*
- Bachelor of Medical Sciences (Laboratory Medicine)*
- Bachelor of Human Nutrition (minors including Ageing, Digital Health, Dietetics Pathway)*
- Bachelor of Nutrition and Dietetics*

*partial credit toward destination degree
^3.5 year Allied Health degree

My teachers at the Academy are all genuinely nice, always teaching me patiently, so I can have a better understanding of each topic. I want to be a social worker in the future. I enjoy talking with different people, I hope to be able to use my knowledge and abilities to help those in need.

Yongyu Chen, Diploma in Health, China

Foundation Studies

Develop the skills needed for entry to a Flinders bachelor's degree. Get the best preparation for university through the Foundation Studies Program, located in the heart of the Flinders Bedford Park campus – making you a Flinders student from day one.

Study in a collaborative, engaging and highly supportive environment, enabling you to develop university-level English, numeracy, and study skills, while learning specialist knowledge that will launch you into your chosen destination degree.

Choose to study for either 8 or 12 months, and learn:

- Activities in Key Learning Areas (Arts, Humanities and Social Sciences, Science & Technology, Mathematics) and core academic skills (Academic English, Numeracy, Research and Study Skills). A curriculum designed to reinforce learning and give you every opportunity to achieve your learning goals.
- English language development integrated into all topics and key learning areas to provide you with the required English language skills to be successful in your chosen degree.

Upon successful completion of the program, students will gain direct entry into Flinders full range of bachelor's degrees. For most bachelor's degrees, you won't need to provide further English language evidence.

Key information: 8 month program	
CRICOS Code	109331J
Duration	8 months
Start Dates	June/October
Program fees	AUD $32,000
IELTS	5.5 with no band below 5.0
Entry Requirements	Australian Year 11 or a comparable education level in home country. At least 17 years of age at commencement

Key information: 12 month program	
CRICOS Code	109332H
Duration	12 months
Start Dates	February
Program fees	AUD $32,000
IELTS (or equivalent)	5.5 with no band below 5.0
Entry Requirements	Australian Year 11 or a comparable education level in home country. At least 17 years of age at commencement

The foundation program provided me with invaluable knowledge and skills such as public speaking and referencing that continue to benefit me daily in my current studies. Studying as an international student may not be easy, but it is a beautiful journey that I'm grateful to experience. I have had so much support from the academy – they truly do their best to help international students.

Abigail Jyothika, Bachelor of Criminology, Singapore

English for Academic Purposes

Improve all aspects of your English language skills and prepare for academic success with the English for Academic Purposes (EAP) Program. You'll build critical thinking, independent learning, teamwork and analysis skills in small classes with a balanced and tailored curriculum to suit your needs.

Our EAP program prepares students for success, not only in the classroom, but also for life and work in Australia, through support emphasising cultural engagement and social activities.

This full-time program comprises:

- 10 hours of Reading and Writing class and 10 hours of Listening and Communication class
- Reading and Writing class develops your reading comprehension skills, and improves your ability to utilise information presented in written texts
- Listening and Communication develops your listening comprehension in university settings, and your ability to communicate effectively with others
- The opportunity for students to attend additional scheduled support and elective classes each week

Upon successful completion of the EAP program, students will meet the entry requirements for a range of Flinders University bachelor's degrees. For most degree programs, you won't need to provide further English language evidence.

Key Information	
CRICOS Code	109330K
Duration	5 to 40 weeks
Start Dates	Multiple intakes
Program fees	AUD $540/week
IELTS (or equivalent)	From 4.5 to 7.0 depending on requirements
Entry Requirements	Australian Year 11 or a comparable education level in home country. At least 17 years of age at commencement

I have received a lot of encouragement and support during my studies from all the staff members. I met and created lifelong bonds with fellow international students, which makes my life in Adelaide and at university much more enjoyable.

Gertrude Mateo, Bachelor of Laws – Legal Practice Entry, Philippines

Pre Masters Business Program

Gain the knowledge and skills to step confidently into a Flinders University masters degree in Business. The Pre Masters Business Program has been carefully designed to provide you with contemporary business theory and practical skills, together with academic and English language development.

Over the 7-week program, you will be provided with a comprehensive preparation in English language, and essential knowledge in the key business subject areas of accounting, economics, management and marketing.

This program comprises:

- Academic and English language skills at an appropriate level for postgraduate entry into an Australian university
- Essentials of Management and Marketing
- Essentials of Accounting and Economics
- Ethical use of Gen AI
- Research and study skills
- Understanding of university study and communication processes, including recapping commonly used computer software and presentation skills

Designed for flexibility with three intakes across the academic year. Upon successful completion you will seamlessly enter into your chosen Business Masters degree.

Key Information	
CRICOS Code	107695H
Duration	7 weeks
Start Date	January, May, August
Program fees	AUD $8,800
IELTS (or equivalent)	6.0 with minimum 5.5 for speaking and writing
Entry Requirements	Successful completion of a post-secondary qualification (preferably 3 years) or an equivalent qualification (of less than 3 years) which is considered acceptable by Flinders University Academy

Destination degree options for Pre Masters Business Program

- MBA Future Business
- MBA Industry Focused
- MBA Specialisations (includes: Business Analytics, Marketing, Health Management, Human Resource Management, AI, Social Impact, Finance, International Business)
- Master of Accounting
- Master of Accounting and Finance
- Master of Health Administration

The Pre Masters Business Program is incredibly beneficial. It prepared me well for my MBA, particularly with skills like referencing and handling challenging assignments. My ambition is to pursue a career as a business analyst at a global firm – a goal that I believe Flinders will help me achieve.

Puthisak Korm, Master of Business Administration (International Business), Cambodia

Pre Masters Health Program

Gain the knowledge and skills to step confidently into a Flinders University masters degree in Health. The Pre Masters Health Program has been carefully designed to provide you with practical and theoretical skills to examine healthcare principals and community outcomes.

How to apply for a scholarship

Submit an application to study with Flinders University Academy and you will be automatically assessed for eligibility and will be advised within your Letter of Offer. If you are eligible you simply need to accept your offer for the scholarship to be awarded.

Live on or off-campus

While you study at Flinders University Academy, students can choose to live either on campus, at our city accommodation provider, The Switch, or in rental accommodation.

On-Campus Living

Flinders is the only South Australian university with on-campus accommodation. It is a 5-minute walk to classes and located in a safe, supportive and dynamic community of over 550 students. You can choose to live in University Hall or Dierdre Jordan Village – both affordable and convenient options.

City Accommodation

The Switch

The Switch is Adelaide's newest and most innovative student accommodation. A co-living space that is re-defined for the younger generation and equipped with world-class amenities in an unbeatable inner CBD location – it's just a 22-minute train ride from our Bedford Park campus, and just a 5 minute walk to our City campus.

Homestay Network

Flinders University has teamed up with the Australian Homestay Network (AHN) to provide international students with safe, affordable and welcoming homestay accommodation. If you are under 18 when you arrive in Australia, you must have an approved accommodation and welfare arrangements in place.

How to Apply

Applying for a Flinders University Academy program is easy. Whether you choose to apply directly or through an authorised agent in your country, we are available to assist you through the process.

1. Select your Academy program

Browse the programs we offer and discover which program is right for you.

2. Find an agent

Many students prefer to use an agent to assist them with the application process. We have a wide range of trusted agents who you can contact to help you.

Students from certain countries must submit their application through a registered Flinders agent.

3. Apply online

You can apply to study at Flinders University via an authorised agent in your country, or you may submit your application yourself.

4. Obtain certified documents

All academic documentation submitted to Flinders electronically must be certified. We also require certified copies of passports for applicants from some countries. Original documentation may be submitted by post or in person, but we are unable to guarantee the return of these original documents.

5. Submit your application and documents

You will need to upload all required documents prior to being able to submit your application, so it is important you have these ready.

6. Your application is now complete

Flinders University Academy will send you and/or your agent an email confirming we have received your application.

Admission Process

Admission to Flinders University Academy is a simple process. Here's our step-by-step guide.

1. Receive your offer letter

Upon success of your application, you will receive an Offer of Admission to a program at Flinders Academy. This will be emailed to you, or you can also view it in our International Application System if you applied yourself, or your agent will have a copy if you applied via an agent.

2. Accept your offer

Accept your Offer of Admissions through our International Application System. Ensure you upload your signed Acceptance Form along with any other documents as requested as part of your offer.

3. Pay your deposit

Your initial payment is due once you have accepted your Offer of Admissions. Your Offer of Admission will contain details regarding how much your initial payment will be.

Some programs may require you to pay your deposit by a deadline. This information will be confirmed in your offer letter. At this time, you must also pay your Overseas Student Health Cover (OSHC) visa.

If you are pre-arranging your own OSHC, please ensure you provide evidence to us as soon as possible. After you have made your initial payment, remaining payments must be made by the topic due date. Students are charged per topic, based on their enrolment.

4. Under 18 requirements

If you are under 18 when you arrive in Australia you must have approved accommodation and welfare arrangements in place before your student visa will be granted.

5. Apply for your visa

Once your payment has been processed, we will issue a Confirmation of Enrolment (CoE) - you must have a CoE to apply for a visa.

6. Prepare for your departure

We are ready to welcome you to Flinders Academy. Once Flinders has received your tuition fee payment, you will receive a copy of the pre-departure guide to assist you with your arrival in Adelaide.
