Flinders in Adelaide

At Flinders University Academy, you'll be a Flinders student from day one and experience studying at each of Flinders' stunning Adelaide campuses.

Our campuses include the Bedford Park main campus, featuring an award-winning hub and plaza, with retail, food outlets and a sport and fitness centre. Flinders at Tonsley is home to our science and engineering students and researchers and houses state-of-the-art facilities with close connections to industry. In 2024, we will be opening our new city campus location, Flinders at Festival Plaza. Located on North Terrace, adjacent to the Adelaide Railway Station, it's based in the heart of the Adelaide CBD and only a short walk to accommodation, shopping and entertainment.

GETTING TO FLINDERS

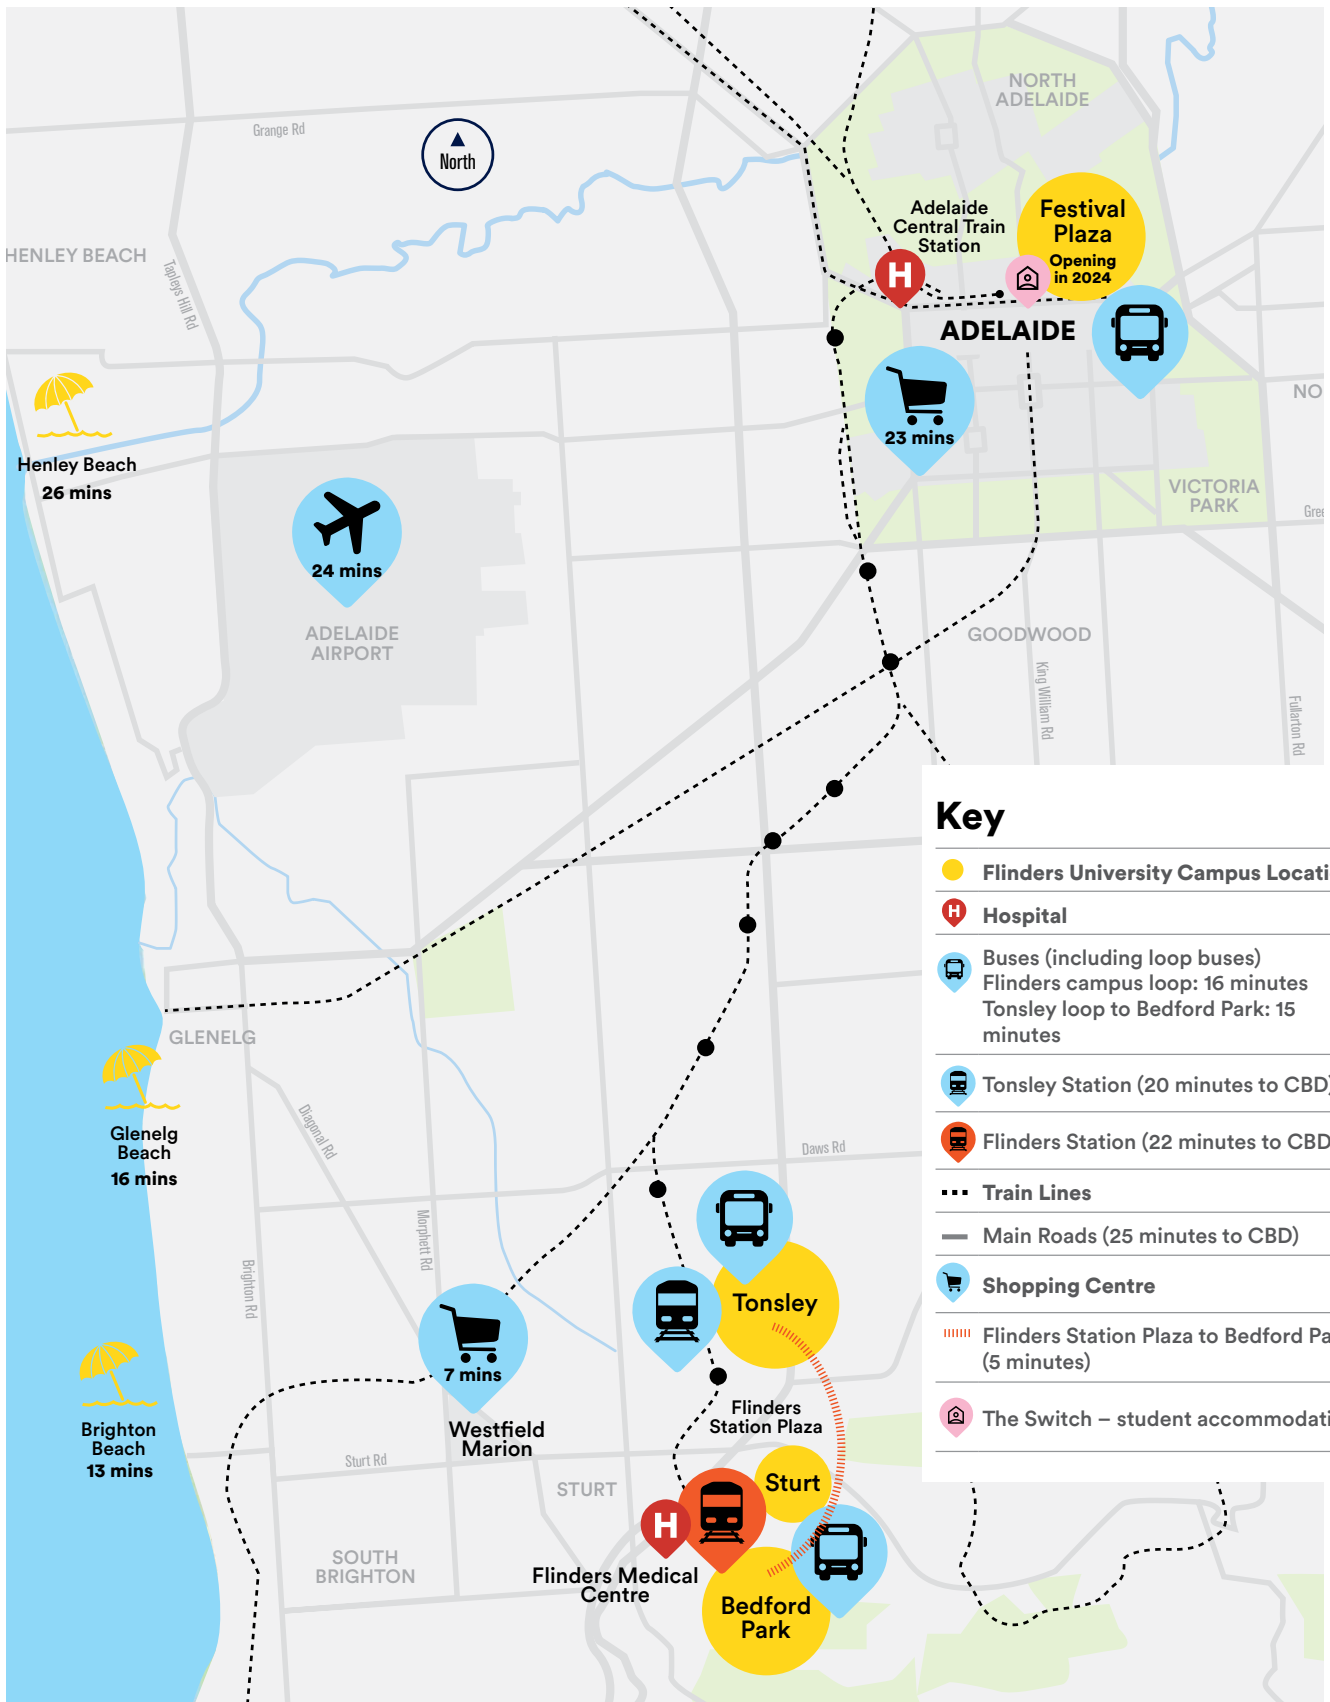

The Flinders Railway Line gets you from the Adelaide CBD to Tonsley in a super-fast 20 minutes, or to Bedford Park in just 22 minutes. And with free Flinders Campus Connector and Tonsley Link bus services running 7am – 6pm Monday to Friday, getting to and from your studies is simple. You'll be able to schedule your day without worrying about missing a single lecture!

FLINDERS AT FESTIVAL PLAZA

Opening in 2024, our new Adelaide city campus Festival Plaza will offer students more flexibility, convenience and connectivity. With 8 spacious levels home to classrooms, hubs, real working spaces, function areas and a library, it'll be a collaborative learning space where Academy students have the option to undertake their studies.

Be fearless with Flinders University

Flinders is everything a modern university should be – progressive, student focused, and career minded. It is everything you need to be fearless and excel in your studies and chosen career.

PROGRESSIVE

Being fearless starts with fearless thinking

Every day at Flinders University, we search for greater understanding and ideas that will make a difference to our world. Globally recognised and ranked in the top 2% of universities worldwide[^], research and creative endeavor have been at the core of our identity since inception. Flinders works closely with industry and the community to provide practical education supported by leading research, in state-of-the-art facilities.

STUDENT FOCUSED

Our success is yours

At Flinders we are focused on student success and provide a wide range of specialist international services and programs to support your transition into study at Flinders and life in Adelaide. As the No. 1 South Australian university for student support*, you'll find world-class support services from before you arrive until you graduate, with peer mentoring, academic and English language assistance, prayer/multi-faith rooms and a personalised learning approach designed specifically to help you succeed.

CAREER MINDED

Invested in your future

A university degree provides you with more job options. But a globally recognised, industry-accredited Flinders degree prepares you for a satisfying career in your chosen area. Gain specialised skills and knowledge while developing portable qualities like independent thinking, communication, collaboration, ethics and creativity – qualities shared by innovators, entrepreneurs, pioneers, creators and trailblazers. Flinders has a high level of industry connections with global leaders including CISCO and BAE Systems, which means you'll have the opportunity to take up practical placements and industry projects, so you can graduate job ready and ahead of the curve.

Keys to success at Flinders University Academy

INNOVATIVE PROGRAM

Our contemporary diplomas and programs are designed and taught by specialist teachers to help you meet the challenges of tomorrow.

DIRECT PATHWAY

You will be a Flinders University student from day one. Our courses set you up for direct entry to your Flinders University destination degree.

REAL UNIVERSITY EXPERIENCE

Study on campus in the heart of Flinders and be prepared by supportive staff for a seamless transition into your next step.

TAILORED SUPPORT

Personalised support is available every step of the way to ensure you thrive now, and in future. We will empower you to succeed.

Why choose Flinders Academy?

Flinders University Academy is your pathway to a Flinders University degree.

Study an Academy diploma or course and when you successfully complete your studies you will have guaranteed entry into your destination degree. Whether you need to improve your English for academic purposes or support adjusting to the Australian education system, we have a diploma or course to get you where you want to be.

TAUGHT ON CAMPUS BY FLINDERS STAFF

Our diplomas and courses are taught on campus, by Flinders teaching staff, in the heart of Flinders University. By studying at our Bedford Park campus, you get to boast about learning in one of the most beautiful and serene campus locations in South Australia.

You'll have access to all the facilities at our campuses; including the 24-hour library, gym, and student clubs at Bedford Park, the \$120 million hub of innovation at our Tonsley campus, and our brand-new campus, Festival Plaza opening in 2024, centrally located in Adelaide's central business district – all connected by a 22-minute train ride.

YOU'LL BE A FLINDERS STUDENT FROM DAY ONE

Our diplomas are designed in collaboration with Flinders University academics, meaning you will share the same learning outcomes as first-year students studying Flinders undergraduate degrees. Utilising the incredible facilities on offer, your Academy diploma offers the same world-class university experience from day one.

You'll experience the dynamic campus culture while building long-lasting connections and friendships. This prepares you for a smooth transition to your destination degree with a thorough understanding of the Australian university system.

INCREDIBLE TEACHERS, INDIVIDUAL ATTENTION

We promise small classes, tailored learning and an incredible, stable and nurturing learning environment. Our Flinders University Academy program is modern and innovative, designed for today.

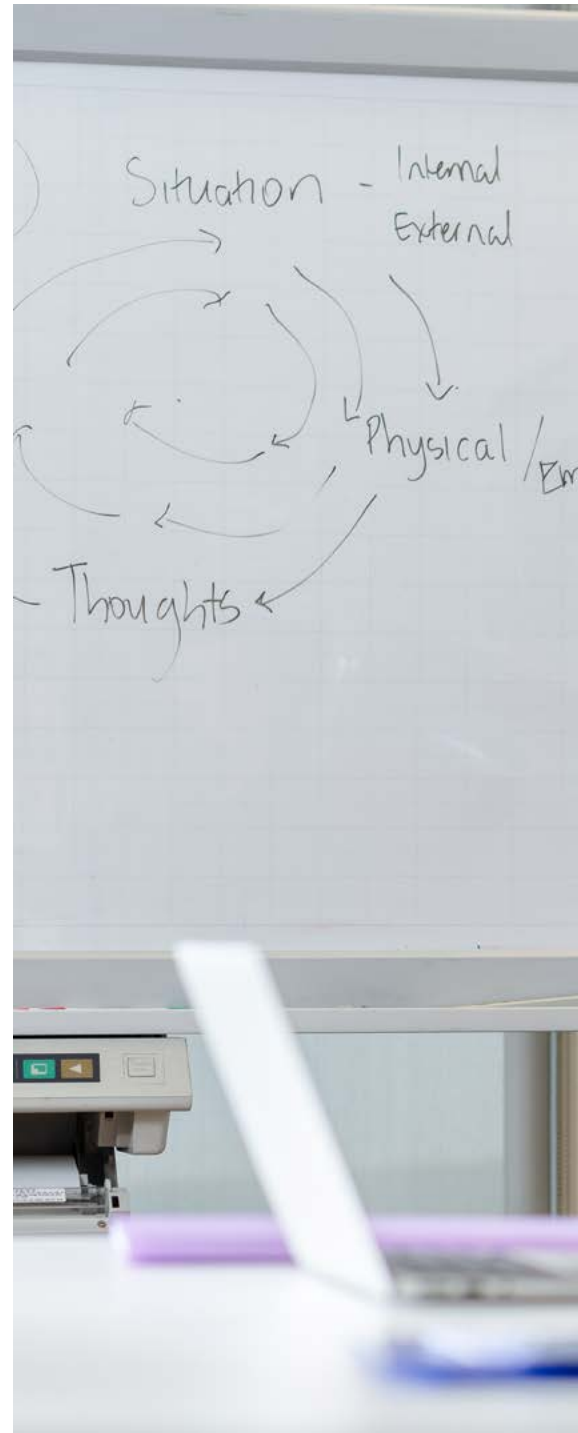

Within this exciting, productive environment, you'll find specialist teachers with hands-on, real-world knowledge and experience – experts in their fields.

Here you'll gain the confidence and know-how needed to study at university level and go on to meet the challenges of a fast-changing world.

My learning experience at Flinders is great. If you are looking to study in an amazing environment, surrounded by greenery and interesting, friendly people, Flinders University is the way to go. The most exciting thing for me is meeting new people – I have enjoyed my past couple of years!

Isha Li, Bachelor of Psychological Science, Hong Kong

English for Academic Purposes

Improve all aspects of your English language skills and prepare for academic success with the English for Academic Purposes (EAP) program. You'll build critical thinking, independent learning, teamwork and analysis skills in small classes with a balanced and tailored curriculum to suit your needs.

Our EAP program prepares students for success not only in the classroom but also for life and work in Australia, through support emphasising cultural engagement and social activities.

This full-time course includes 20 hours of face-to-face instruction per week.

- Comprised of 10 hours of Reading and Writing class and 10 hours of Listening and Communication class
- Reading and Writing will include development of reading comprehension skills, and learning to utilise information presented in written texts
- Listening and Communication will include improving listening comprehension in university settings, and effective communication with others
- Student can attend additional scheduled support and elective classes each week.

Upon successful completion of the EAP program, students will meet the entry requirements for a range of Flinders University bachelor's degrees.

Flinders is very considerate and anticipates international students' needs. They have put services and measures in place to ease the pressure of adjusting to academic life away from home. Students like me are not made to feel excluded, with the addition of prayer rooms, and halal food. These are very valuable and highly convenient additions for me as an international Muslim student.

Zahra Hussein, Bachelor of Nursing (Pre-Registration), Kenya

Pre Masters Business Program

Gain the knowledge and skills to step confidently into a Flinders University masters degree in Business. The Pre Masters Business Program has been carefully designed to provide you with contemporary Business theory and practical skills, together with academic and English language development.

Over the 7-week program, you will be provided with a comprehensive preparation in English language, and essential knowledge in the key business subject areas of accounting, economics, management and marketing.

Designed for flexibility with three intakes across the academic year, upon successful completion you will seamlessly enter into your chosen Business Masters degree.

- Academic and English language skills at an appropriate level for post graduate entry into an Australian university
- Essentials of Management and Marketing
- Essentials of Accounting and Economics
- Understanding of university study and communication processes, including recapping commonly used computer software and presentation skills.

Live on or off-campus

While you study at Flinders University Academy, students can choose to live either on campus, at our city accommodation provider The Switch, or in rental accommodation.

ON-CAMPUS LIVING

Flinders is the only South Australian university with on-campus accommodation. It is a 5-minute walk to classes and located in a safe, supportive and dynamic community of over 550 students. You can choose to live in University Hall or Dierdre Jordan Village – both affordable and convenient options.

CITY ACCOMMODATION

The Switch

The Switch is Adelaide's newest and most innovative student accommodation. A co-living space that is re-defined for the younger generation and equipped with world-class amenities in an unbeatable inner CBD location – it's just a 22-minute train ride from our Bedford Park campus.

switchliving.com.au/flinders-university

HOMESTAY NETWORK

Flinders University has teamed up with the Australian Homestay Network (AHN) to provide international students with safe, affordable and welcoming homestay accommodation. If you are under 18 when you arrive in Australia, you must have an approved accommodation and welfare arrangements in place.

The Switch

Adelaide is the ideal city to call home while you study and is one of the top 40 student cities in the world

QS Best Student Cities 2022

Applying to Flinders University Academy

The following pages provide a summary of the application process.

For detailed information, visit flinders.edu.au/academy/apply.

How to Apply

Applying for a Flinders University Academy course is easy. Whether you choose to apply directly or through an authorised agent in your country, we are available to assist you through the process.

1. SELECT YOUR ACADEMY COURSE OR PROGRAM

2. FIND AN AGENT

Many students prefer to use an agent to assist them with the application process. We have a wide range of trusted agents who you can contact to help you.

Students from certain countries must submit their application through a registered Flinders agent.

3. APPLY ONLINE

You can apply to study at Flinders University via an authorised agent in your country, or you may submit your application yourself.

4. OBTAIN CERTIFIED DOCUMENTS

All academic documentation submitted to Flinders electronically must be certified. We also require certified copies of passports for applicants from some countries. Original documentation may be submitted by post or in person, but we are unable to guarantee the return of these original documents.

5. SUBMIT YOUR APPLICATION AND DOCUMENTS

You will need to upload all required documents prior to being able to submit your application so it is important you have these ready.

6. YOUR APPLICATION IS NOW COMPLETE

Flinders University will send you and/or your agent an email confirming we have received your application.

Find out more at flinders.edu.au/academy/apply

Admission Process

Admission to Flinders University Academy is a simple process. Here's our step-by-step guide.

1. RECEIVE YOUR OFFER LETTER

Upon success of your application, you will receive an Offer of Admission to a course at Flinders Academy. This will be emailed to you, or you can also view it in our International Application System if you applied yourself, or your agent will have a copy if you applied via an agent.

2. ACCEPT YOUR OFFER

Accept your Offer of Admissions through our International Application System. Ensure you upload your signed Acceptance Form along with any other documents as requested as part of your offer.

3. PAY YOUR DEPOSIT

Your initial payment is due once you have accepted your Offer of Admissions. Your Offer of Admission will contain details regarding how much your initial payment will be.

Some courses may require you to pay your deposit by a deadline. This information will be confirmed in your offer letter. At this time, you must also pay your Overseas Student Health Cover (OSHC) visa.

If you are pre-arranging your own OSHC, please ensure you provide evidence to us as soon as possible. After you have made your initial payment, remaining payments must be made by the topic due date. Students are charged per topic, based on their enrolment.

4. UNDER 18 REQUIREMENTS

If you are under 18 when you arrive in Australia you must have approved accommodation and welfare arrangements in place before your student visa will be granted.

5. APPLY FOR YOUR VISA

If you are under 18 when you arrive in Australia you must have approved accommodation and welfare arrangements in place before your student visa will be granted.

6. PREPARE FOR YOUR DEPARTURE

We are ready to welcome you to Flinders Academy. Once Flinders has received your tuition fee payment, you will receive a copy of the pre-departure guide to assist you with your arrival in Adelaide.
