

A specific Foundation Studies program score is required for entry into packaged bachelor degrees, as indicated in the Progress Score Requirement table below, and as stated in information provided in a student's packaged offer.

A student who achieves a final score of 50 or more in their Foundation Studies program but does not achieve the required score for their packaged degree is eligible to receive an offer for the Academy's Diploma program, depending upon degree availability through the Diploma program.

The Foundation Studies final grade is an average of the final grades for all required topics in the program.
