

# Attention: Grey Nomads with Diabetes

Flinders  
UNIVERSITY

inspiring achievement

Would you like to be involved in research ascertaining your experiences of managing your diabetes while travelling in rural and remote Australia?

This will involve you completing an online survey at your convenience that should take you no more than 30 minutes of your time.

You can access the information about the survey and complete the survey itself at the following website:

XXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXXX

If you have any questions please contact:

Dr Anita De Bellis

email: [anita.debellis@flinders.edu.au](mailto:anita.debellis@flinders.edu.au)

Telephone: 08 8201 3441

*This research project has been approved by the Flinders University Social and Behavioural Research Ethics Committee in South Australia (Project number 8519). For queries regarding the ethics approval of this project, or to discuss any concerns or complaints, please contact the Executive Officer of the committee via telephone on*
